Welcome to Fall Everybody

It is the start of what would have been our new dance season. As shown on our cover this is a new dance season in more than one way. While in person dances have been canceled to include next year's WASCA festival, virtual / online / distance dancing is thriving. WASCA area callers are scheduling dances several nights each week. Several are listed in the Calendar of Events. There is also a private Facebook group named Virtual Square Dances. (www.facebook.com/groups/VirtualSquareDances). This group was established by a pair of callers to managing virtual square dances. It has almost 2000 members . It assumes that members already know Modern Western Square Dancing and. lists events for almost every evening. Being online, they are attended by dancers from around the world. Be sure you check the time zone associated with the dance time. It is easy to join this private group: all they ask is the name(s) of club(s) that you dance with.

These dances are facilitated by devices which have both cameras and microphones. After reading all the emails about them, and since I had neither on my 8 year old laptop, I decided to break down and buy a new one. While I know that laptops are good for online dances, I'm not sure how well smart phones would work,

I am aware of two video meeting platforms in use by WASCA area callers. The most popular is *zoom.com*. While it has a "basic" free plan, that plan's limitations make it unsatisfactory for virtual dancing. For online dancing callers need to pay between \$15/month and \$150/year for a "pro" plan which allows up to 100 dancers with unlimited time meetings. The other meeting platform is *jitsi.org*. This is a collection of free and open-source video conferencing software for web sites. At *meet.jit.si* This software has been interfaced to allow unrestricted free meetings Its biggest problem is that while free, there is no tech support which makes it more difficult to use.

That segues nicely to my plea for this month. Since someone, typically the caller, has paid for the platform being used, please contribute at least \$10 to any tip jar present. This is particularly important when one of the callers is a full time caller. They need the money.

Finally I want to announce that Calls'N'Cues will be published bimonthly until we get back to in person dancing.

And that is it for this issue

Cancellation of 2021 WASCA Spring Festival

We regret to inform you that the WASCA Spring Festival scheduled for March 18-20, 2021 has been cancelled. This action was taken by a unanimous decision of the Board of Directors and followed a discussion about the potential danger to attending dancers and supporting calling/cueing staff that might exist in March 2021. While it seems early to make this decision, the Board has experienced the unpredictability of the Covid-19 virus and its effect on our desire to return to normal dance activity. Also, in cancelling at this point, our contracted liabilities have been minimized and this enables us to retain sufficient funds to continue operating and able to hold Festivals in the future.

As many of you recall the 2020 WASCA Spring Festival (scheduled for March 19-21, 2020) was cancelled on short notice. The WASCA festival is typically attended by around 1000 dancers from more than 25 states and around 80% of our attendees come from other states. As of the first week of March 2020 there had been no reported cases in the state of Virginia, however, we did have dancers coming from states with reported cases. The first Covid-19 case in Virginia was reported on March 7 and two additional cases on March 8. More cases resulted in the governor of Virginia declaring a state of emergency and restricting large events the following week.

In looking back at March 2020 we believe that the decision to cancel was in the best interests of the attending dancers and staff and was the correct decision. Everyone has been following the news on progress against Covid-19. Progress as well as prediction of progress has not been totally positive. For example, on March 29, 2020 Dr. Fauci spoke of projections of 100,000 to 200,000 deaths. On April 9, 2020 we were pleased to hear that Dr. Fauci had revised these numbers down to 60,000. However by August 2020 we are above 160,000 deaths.

It is clear that no one can predict the situation in March 2021. At the present date, we could not legally hold the Festival in Virginia and community spread appears higher in Virginia than in the home states of some of our dancers. It seems clear that the set of solutions needed to return to safe dance activity does not exist today and may still not exist in March 2021.

While it was disappointing to make this decision we will look forward to normal dance activity returning during 2021 and a great Spring Festival on March 17-19, 2022. Come and join us – it will be glorious!

President's
Message*

Dick Otis NCASDLA President

Greetings CallsNCues dancers and friends. September has arrived but alas, in-person square dancing is still a future hope for most dancers.

So far the 2021 WASCA Spring Festival has been cancelled. A decision on the Virginia State Conventions will be made by December. These decisions have to be made early to avoid hotel cancellation fees that would bankrupt our organizations.

Likewise our NCASDLA activates have been put on hold for the time being. I predict that Toys for Tots will also be cancelled this December. Hopefully we can put together a virtual event to raise money for this very special annual event.

In the meantime, there are lots and lots of virtual square dance opportunities available for your pleasure, every day of the week. Ed Cragg is working on highlighting these events in this issue.

There are still rough times ahead for our full-time callers. Please consider attending a virtual dance and contributing what you can to their "tip jars", or if you are so inclined, send them a card (yes, a REAL card) with a note of your appreciation, support and perhaps a small check.

Our NCASDLA members appreciate you, our dancers, without which we would not be able to practice our skills. Thank you very much. We hope to see you on a dance floor soon or at least on our silver screens until then.

Dick.

Dick Otis and Bill Harrison invite you to month three of our Second Tuesday of the month Zoom Virtual Plus Dancing.

President's
Message**
by
Ken & Berni Ryder

Unfortunately, we can, again, only greet you all remotely, or from a distance -- no touching, no hugs, and unfortunately no in-person dancing for the rest of this year 2020. Regrettably, most of our local schools, churches, community centers and other public facilities that our local clubs, festivals and special dance events rely on to host our dancing activities remain closed to prevent the spread of this vicious coronavirus pandemic and protect those most vulnerable to the health risks this coronavirus imposes. Many of us dancers, and yes that includes Berni and me, are among that highly vulnerable segment of the population. While we deeply miss seeing and dancing with all of our dancing friends, we want everyone to remain safe and healthy. We will get through these troubling and often depressing times, but it appears that won't happen as quickly as we had hoped.

We share everyone's depressing loss over the cancellation of the 2021 WASCA festival, but recognize and understand the reasons for it. We are still hopeful that we may hold our annual RDTA Snowflake Ball held the 2nd Sunday in February. While we still hope that we can find a facility to hold that event, and that a vaccine will be available to mitigate, if not totally control, the coronavirus before then, we will provide updates on these possibilities later this fall.

In the meantime, several of our RDTA cuers have been experimenting with "virtual/distance" round dancing using either ZOOM or JITSI web meeting technology.

Several square dance callers have also been presenting "virtual" square dance opportunities relying on "phantoms" to complete their mini-squares. We think it is actually easier for us round dancers to "virtual/distance" dance, since you only need your partner and your own "dance floor" in your house. Singles also find it easier to round dance at home on their own dance floor. Admittedly, these "virtual/distance" round dances are not perfect substitutes for the in-person dancing that we all love and enjoy, but they provide an alternative to get up off that couch, stop watching TV reruns, and move to great music. For those who are interested in trying this "virtual/distance" round dancing, get in touch with Amy and Ken Shottling or Berni and Ken Ryder. The Shottings are "virtual/distance" dancing on Wednesday nights; the Ryders are "virtual/distance" dancing on Monday nights during August and the rest of the fall.

As we learn of any other "virtual/distance" round dancing opportunities, we will convey them to everyone in subsequent RDTA messages or through the WASCA dancers e-mail.

We wish we had better dancing news to share with everyone, but this pandemic has proved more virulent and persistent than expected. We will look for safe and prudent opportunities to join all of you on the dance floor, hopefully early next year, and will inform everyone of such opportunities in future messages.

THE NEXT ISSUE WILL BE NOVEMBER - DECEMBER 2020

THE DEADLINE will be 15 October 2020

**62nd WASCA Spring Festival
 “WASCA’s Dancing Through
 the Cherry Blossoms.”**

**by directors
 Ginny Fromel and
 Rene & Mike Hermann**

As the directors of the 62nd WASCA Festival, we really appreciate all the help we have received over the last year and a half. However, we all need your help and encouragement during this time! We had a meeting of the WASCA Board on August 16th, and it was decided that the WASCA 62nd Festival will be cancelled. This information has been officially announced by the WASCA president in this issue of the Calls & Cues. We had hoped to have the festival, but the current circumstances and additional expenses we would have incurred led to the entire board agreeing on this action. We will be revisiting the “Dancing Through the Cherry Blossoms” theme for our festival on March 16 – 18, 2023. We are asking all of you to continue to support WASCA and attend the next festival that will be March 17 – 19, 2022.

SO, we are looking to the future festival and plan on “Getting Our Kicks on Route 66. As we cruise down the road, we will keep our eyes open for any Cherry Blossoms decorations. Hopefully, once the Pandemic is over, we will be able to get out there and dance again at our local clubs; and we will also be able to do some traveling to some other festivals. We hope to see you on the road.

We hope you are all staying safe and keeping busy. Some clubs are keeping in touch with others via email or on-line sites. We all miss the dancing and personal interaction with friends and family, and it will be really great when things get back to normal. Hope to see you sometime soon on the dance floor!

Sorry for the bad news, but it is for the best in order to keep us all healthy and safe. More information will be coming to you soon!

Plans Underway for Single Square Dancers USA’s 50th Anniversary Dance-A-Rama on Labor Day Weekend of 2021.

As you probably already know, the COVID-19 virus forced Single Square Dancers USA to cancel our Dance-A-Rama festival that was scheduled for Labor Day weekend of 2020. The good news is that we are still planning to celebrate our 50 years of dancing with a final Dance-A-Rama festival, but just with a one year gap. We are close to having a contract ready to sign with the Airport Holiday Inn in Des Moines, Iowa to hold our Dance-A-Rama festival there on Labor Day weekend of 2021. Amenities at this hotel include refrigerators, microwaves, and free Wi Fi in the rooms. They have a full service restaurant. There is free parking and a free shuttle to the nearby Des Moines airport. Dancers may even want to find time to enjoy their unique Tropical Courtyard with indoor pool and whirlpool. Some of you may remember this hotel from when we held our Dance-A-Rama there in 2012 or from Iowa’s State Square Dance Conventions that have been held there.

We are hoping that we will still have the entire outstanding line-up of callers and cuers that were to entertain us this year: Callers: **Jack Pladdys (OH), Tim Tyl (TX), Tom Davis (OH) and Travis Cook (KY)**, and Cuers: **Phyllis Burdette (OH) and Bonnie Lawrence (IN)** (with Bonnie also teaching and leading line dances).

Susan Lee, SSDUSA Treasurer, who lives in Des Moines, will serve as Chairperson in charge of our festival, and she is already busy looking for places for us to go on tours. Take a look below at some of the interesting and beautiful sites that Iowa has to offer.

Don’t forget that ALL square and round dancers are welcome at our Dance-A-Rama festivals. We will send out updated information when it becomes available.

The following was recieved from Mike on 8/23/20

Thursday June 25th I was rushed to the hospital by ambulance. I was initially diagnosed with Corona virus and they put me in a Corona virus unit until the tests came back

The tests came back negative and the doctor was puzzled. He called my daughter to see if she had any knowledge of where I'd been what I was eating stuff like that

He did some digging and finally figured out I had MRSA In every organ in my body and floating in my bloodstream. I also had double pneumonia. They took me out of the Corona virus unit and put me in intensive care and Pumped me with antibiotics. I immediately went into sepsis and it was very dicey the 1st few

days. Some thought I would not make it. I was sedated and slept for 20 days. On day 17 they took me off of all sedatives and off the ventilator and I still did not wake up. The doctor said well he either wakes up Or He doesn't. My daughter asked if there's a possibility I would not wake up. The doctor said yes

I woke up on day 20 and progressed slowly but steadily. I was doing decently when I had a retina tear in my left eye. I had surgery on a Wednesday and was released from the hospital 2 days later. I still cannot see out of my left eye because the gas they put in there to stabilize the eye takes 6 weeks To 8 weeks to dissipate

At that point I was already in rehab learning how to walk again. I stood up one time in the Walker and actually had my left leg collapse and I fell. Fortunately, I did not hurt myself.

My daughter Monica came over from Cali-

fornia and picked me up and stayed with me for 9 days. She worked me harder than the physical therapist did.

Janet flew out the day before Monica left and she is going to stay with me as long as Needed.

I'm still very short of breath with the aftermath of pneumonia and I believe I will call a square dance sometime after the 1st of the year.

CHOREO CORNER with Dick Otis

Virtual Dancing part 2

In my July/August issue of Choreo Corner I discussed the new COVID-19 induced program of Virtual Dancing. We've come a long way in six months and I hope you enjoy some of my observations and thoughts.

Many square dance callers called for decades or more. However, the transition to calling a virtual dance is just as challenging for them as it is for a new caller (well almost anyway). Most callers use sight and/or modules to call an actual dance. Most virtual callers (including me) are using written material to call.

Why you ask? Most virtual dancers are dancing at home with their dance partner (e.g. one couple) or in some cases one person in a mini-square formation. This is difficult for one couple and extremely difficult for one person. After getting past the "Zoom" technical difficulties I discussed in the last issue, two things are required for virtual dancing success.

One is that the caller must be able to help the dancers by constantly reminding them what formation they are in and where the "phantom dancers" (the dancers you can't see) are in that formation. We use mini-squares because that limits the number of "phantom" dancers. With one real couple there is one phantom couple. For single dancers there are three phantoms - their partner and the phantom couple. If we tried to call a full square, you'd have six phantom dancers - virtually impossible :)

Writing material makes it easier to keep the dancers informed of what is happening.

While it is possible to sight call a virtual dance, the difficulty lies in that most dances have 40, 50 or more connections. Zoom limits personal accounts to 100 connections (corporate accounts are unlimited). In six months, I've only seen one dance (Tom Miller and Bill Harrison) hit that limitation. On the other hand people can (and do) log in from around the globe. Gary Felton and I have an Advance Class with dancers from Japan, Australia and around the country.

The second thing required for success (except for on-line classes) are dancers who are experienced dancers. Experienced in this case, means that the dancers understand the definition of a call and can visualize it's execution without another dancer available to give them visual cues. For instance, if you have a phantom partner, facing the other couple who is your original partner dancing with a phantom, and the caller says "Right & Left Thru" you are either turning a phantom partner around or being turned around by a phantom. In either case, the phantom is not going to help you execute the call.

The caller will help you by ensuring that you end up with your (original) partner as much as possible. The easiest case is you are coupled with your partner. The next easiest case is you are separated from your original partner for one call. The hardest case is you are separated from your partner for multiple calls. The caller will help by keeping you aware of your formation, where your (original) partner is and where the phantom dancers are located. This means you need to understand the basic formation names (couple, mini-wave, waves, and types of lines, plus the concept of leaders and trailers.

Virtual dancing has some significant advantages however. First, you can participate without sharing your video. This means if you really mess up, nobody is going to see you do so. However, it also means the caller can't help you specifically. Secondly, even if you DO share your video, the odds are nobody is watching you because they are

busy dancing. You should determine before you start, if the host is recording the dance and if the host is "live streaming" the dance on Facebook etc. Please, please remember to check to see if your connection is muted before having an "offline" discussion with your partner.

Just for fun, I asked Ed to include a photo of my calling setup (see above). It has evolved over the past six months from one computer using a WIFI connection, to a new computer with two large monitors, a 100MB direct connect to the internet, a separate laptop to generate music, and a new studio quality balance audio interface (a Focusrite Scarlett 4i4).

The multiple monitor allows me to watch two couples (or one couple and the gallery view) while I'm calling. The audio interface allows me to independently adjust the volume (balance) of music and microphone. It also provides a separate headphone volume for me to monitor what I'm calling. As a result, there is no delay or interference between the voice and the music, and I can adjust both separately as judged by the dancers.

If you haven't tried virtual square dancing yet, you

owe it to yourself to give it a try. There are dances and classes available at every level from basic through challenge. Most dances do not have a fee - although many callers (especially full-time callers who are out of work) have a "tip jar" where, if you want, you can give what you want. Tips are appreciated but not expected or required to participate.

One of the best places to find virtual dances is the Facebook page:

Most square dance venues are still closed at this time due to COVID-19. Many square dance callers are hosting online virtual calling. Virtual dancing is really an option since one can't dance in a 6 foot square. Round dance cuers are also cueing virtual round dances. One can find virtual dance opportunities online through different dance lists, on Facebook and through callers and cuers web pages.

We have finalized the WASCA clubs renewals for 2020//2021. 60 clubs have renewed their

WASCA membership. Carousel Round Dancers is no longer a WASCA club member. Taylormade Squares has decided to quit dancing.

Please send us any changes to your club's information. Please send us any changes to your dance venue and time as well as any email address, phone number, or postal address changes for your President (manager), Delegate, Alternate Delegate, or Information Contact. You can email them to membership@wascaclubs.com or call us at 703-573-8378 with your changes.

In light of the COVID-19 Pandemic,

We are not publishing the Club Directory.

Once the situation has resolved,

We will publish an updated directory

CLUB NEWS

AQUA SQUARES

Paula Ropshaw

Hello fellow square dancers from beautiful Southern Maryland. Our hearts are so heavy because our feet are so still. Our club, like all the rest are still dark and will remain so for a while. We dance at a community/senior center and they are closed. We are keeping in touch with each other by phone and email. Most of us are friends off the dance floor so we keep up to date. We are all waiting for the day we can dance again. We miss our callers, Bill Harrison and Gary Felton and hope they are safe and healthy. We wish all our square dance friends a healthy quarantine.

BELAIR SQUARE CATS

Mike Herman

We hope you have had a healthy summer. We have stayed busy with our usual vegetable garden. The vegetables have been reasonably successful. However much like the pandemic struck down our dancing the squirrels “struck down” the sunflowers. Then there is the other wave of attack, the hungry groundhog.

Not to be held down by these setbacks the gardener in us keeps trying to find new ideas. Similarly, the Belair Square Cats are trying to find salvation for the autumn in spite of closings. For Belair Square Cats St Matthews Church and the school where our classes are usually held are both closed. Therefore, dancing for our club has been suspended until at least February 2021. However our board has been meeting to search for ways to keep club members engaged during this time. In addition, we know some of our members have been trying the zoom dances. Hopefully all of you will be able to take advantage of some of these dances. It is important for everyone to stay in touch and find some joy. So have fun at whatever activity you choose.

Be safe and hopefully we will all be able to get through this and be together soon.

BOOMERANGS TEACHING COUNCIL

Mary Sellman

Since it's almost impossible to learn to square dance 6 feet apart, Boomerangs Teaching Council and hopefully all of you, are keeping our distance and dances are canceled until we receive the “all clear”. The next Beginning CTM Class session for new dancers has been postponed indefinitely. Until we can meet safely, keep your distance, wash your hands, stay healthy and safe! We look forward to seeing you on the dance floor soon!

Prospective students may contact the Boomerangs at 571-210-5480 for details/enroll in classes. Cost for all students is \$30 per 4 weeks with an \$8 charge for walk-ins. Please consult our website: Boomerangssquaredance.org for additional information.

Boomerang Classes normally meet every Wednesday evening from 7:30 to 9:00 at Lincolnia Senior Center, 4710 N. Chambliss St., Alexandria, VA 22312.

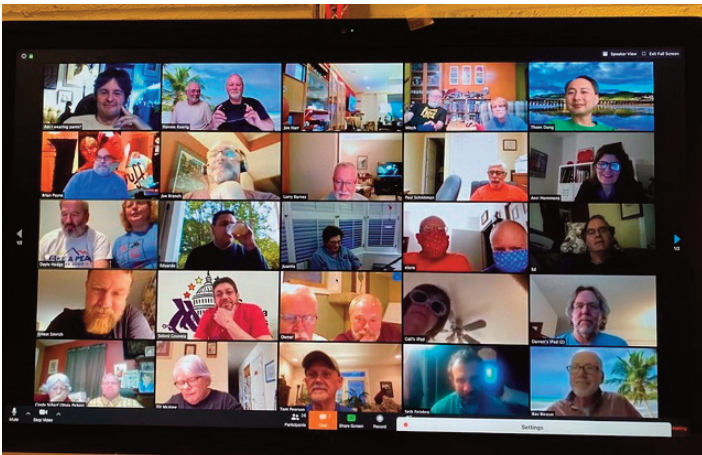

DC LAMBDA SQUARES

Tonja Ducrest

We are living in Groundhog Day. If you ask us what we did on any day, the answer is always the same. The days are the same with slight variations. The main thing that differs from day to day is just with whom we will be dancing. Virtually. Sometimes we VSD to callers nearby; sometimes we VSD to callers across the country, or in another country. The attendees are also varied and are located in every corner of the globe. Although.....a globe really doesn't have corners.

DC Lambda Squares gets together with itself, mixes and mingles in colorful squares. We dance, play bingo, play trivia, or just try to say something which necessarily involves shouting louder than the person you are going to interrupt. We also get glimpses into homes we may not have visited, actually. And though we are all unhappy about not being able to meet in person and dance in person and laugh with one another in person, a small bright note is that we get to see and interact with people who are “ours” but who are not near. People whom we once saw regularly but now we do not. It is always a pleasure when one or a couple of these “seldom sees” shows up in the Hollywood Squares boxes.

One change to mull over: people's personal appear-

ances are changing. Hair. Hair is growing. Hair on the head. Hair on the face. Also, some people's hair color is changing. All by itself.

DC Lambda Squares is a lesbian- and gay-inclusive square dance club serving the Washington, DC metropolitan area. The club is also straight-friendly and provides opportunities for members, visitors, and guests to dance in non-traditional roles in a comfortable environment for socializing around square dancing activities. DCLS supports square dancing levels through C1.

The DC Lambda Squares normally dance at
National City Christian Church
5 Thomas Circle, NW
Washington, DC 20005

NOTE: OBVIOUSLY THE CLUB IS NOT MEETING DURING THIS PERIOD OF COVID QUARANTINE.

This location is accessible by Metro via McPherson Square on the Blue/Orange line or Farragut North on the Red line. On-street parking is available.

GAD ABOUTS

Martha Thompson

It was decided by all participating in our virtual meeting on 13 July, (there were about 25 people participating) that Gad Abouts will cancel all of our dances until the end of this year. We know this is very disappointing to all of our dancers, but the chances of restrictions being reduced any time soon seems remote.

We hope everyone stays healthy and we see you back on the dance floor when this is resolved.

Gad Abouts Officers

GERRYMANDERS OF MARYLAND

Ed Cragg

Continuing with our pandemic non-dances, The Gerrylanders honored National Ice Cream month on 1 July, Erector Set on 8 July, The Rosetta Stone on 15 July, Hot Dogs on 22 July, National Hot Dog day on 29 July, the Origin of the Income Tax on 8 August, National Vinyl Record Day on 12 August, Soft Serve Ice Cream on 19 August, and National Dog Day on 26 August. We will continue to hold these non-dances until we can dance again.

When actively dancing, the Gerrylanders dance two programs. On the 1st, 3rd and 5th Wednesdays we teach and dance floor level (to include beginner) from 7:30 - 8:30. After refreshments (usually to include ice cream) we dance full mainstream until 9:15 followed by easy plus / plus workshop for the rest of the evening. We end the evening with and a full plus tip. We accept students beginning at any time on a pay each night attended basis. When they are present, we teach new students from 7:30 to 8:30 pm. We have been finding with the students we have been having are learning very fast with this program. It fits nicely with students who are taking lessons elsewhere but would like some more practice. The more regular they can come the faster they learn. Students still can pay on the quarterly basis if they wish or they can pay as you go basis of \$7 per night. Bruce Simperts and a guest caller (on 5th Wednesdays) preside.

On the 2nd and 4th Wednesday we dance a plus workshop from 7:30-8:00. Then from 8:00 until 9:30 we dance full plus. Kenny Farris is our caller. We dance at the North Chevy Chase Christian Church every Wednesday evening from 7:30 to 10:00. The cost is \$7.per night. Mr. Gerrylander will be glad to answer any questions or give directions if you call him at 703-920-2624.

GOOD LUCK SQUARES

Ginny Fromel

With no recent dancing, we have had two zoom get togethers in May and July to celebrate birthdays. We celebrated two more birthdays on August 22nd with a potluck dinner in one of our members' backyard—See Photo. We had eight members in attendance and enjoyed the dinner and conversation.

*Good Luck Squares
Pot Luck Picnic*

One of our regular members, Elizabeth McGeehan, was shot several times on August 3rd, and we are asking everyone to keep her in your prayers. We are hoping for another great year with our usual members and any guests, but we have no idea when we will start dancing again. However, we will keep you informed and hope that you can join us for some great mainstream level dancing with Jim Wass calling on Thursdays from 7:00 – 9:00 p.m. at the Trinity Moravian Church, 7011 Good Luck Road, New Carrollton, MD. For information or directions call Ginny Fromel at 301-552-1576 or Jim Wass at 301-699-1477.

LAKE OF THE WOODS

Susan Thomas

Sadly, "cancelled" has been the word for Lake of the Woods square dances since March 13th. COVID 19 has been keeping us home in order to be safe.

In keeping with our constitution, the Club held a business meeting outside in a pavilion. Table surfaces were covered with plastic cloths and chairs were wiped down with sanitizer. Everyone wore masks and socially distanced. Officers elected to serve from July 1, 2020 to June 30, 2021 were as follows:

Co-Presidents: Dick and Lynn Unser

Vice President : Ed White

Secretary: Susan Thomas

Treasurer: Bob Tuttle

The Club met for socializing through a Zoom call in July to check up on how everyone was getting along. Of course, not everyone was set up to do Zoom. Ben Brown has done virtual square dancing via Zoom, and several of our members have tried out dancing with phantoms. This proved to be rather challenging so in some instances two couples got together and danced in mini-squares to Ben's calls.

The Club met for socializing through a Zoom call in July to check up on how everyone was getting along.

Dancing via Zoom with phantoms and mini-squares has raised the question as to whether the Club could get together and dance with a live caller who tailored calls for phantoms and mini-squares. Consideration is being given to what regulations would be needed for the Club to get together to socialize and dance safely.

The following are some of the considerations. The dance location would have to be large, and the Community Center Gym where Lake of the Woods normally dances is large. Pairs of chairs that have been sanitized would need to be socially distanced along the walls for couples who want to talk and/ or just watch. Persons dancing would need to dance with family members or persons with whom they have had regular contact. Squares would need to be ten feet apart. Everyone would need to be in good health, and not have had a temperature or other illness symptoms, or exposure to high risk situations in the fourteen days prior to the event. Participants must not have had exposure to a COVID infected person. Fourteen days should have passed if persons have travel out of the area or out of the country. Masks and social distancing would be required at all times. Everyone would supply their own water or refreshment. No food would be served in order to avoid passing the virus in that manner.

At an actual dance with a caller, persons would dance as phantoms or in mini-squares. It would be a good idea to ask the caller to conduct the activity as a work shop to help dancers get accustomed to this different style of dancing. All dancing would be conducted without touching. That means dancers would execute the calls by changing their positions, but not actually using any hand contact. Following each tip dancers would either wash their hands or use hand sanitizer especially if by chance they touched another person's hand.

This also means that during the period while COVID 19 is active any club get together would have to be restricted to members. The Club would not be able to entertain guests. It is our hope that everyone will wear a mask, socially distance, wash hands, and use hand sanitizer. Please stay safe so that we can all be together at square dance functions in the future.

PANHANDLERS SQUARE DANCE CLUB

Christine Hilborn

The Panhandlers normally dance the 1st and 3rd Saturday evenings. Pre-rounds are from 7 to 7:30 pm and square dancing from 7:30 to 10pm. They now dance at the Asbury United Methodist Church 110 W. North Street Charles Town, WV. For updates, check out the Panhandlers Square Dance club on Facebook and wheresthedance.com. Come out and dance with us.

RYDER'S ROUNDERS

Ken and Bernie Ryder

Ryders Rounders dances and classes remain suspended for this fall due to the shutdown imposed by the coronavirus pandemic. Conditions are improving, death rates continue to decline, case loads in the WASCA area remain stable or in decline, and we are better prepared to protect those most vulnerable to this vicious virus. Unfortunately, despite these continued, albeit modest improvements, Fairfax County public schools, community centers and churches remain closed and are likely to remain so until next year. Whenever Hope Lutheran Church, St Barnabas Episcopal church and other public facilities open and become available for safe and prudent in-person dancing, we will resume dancing every Monday night throughout the year from 7:30 to 9:30 PM at Hope Lutheran Church and every Thursday night from 7:00 to 9:30 PM at St Barnabas Episcopal Church on Ravensworth Rd in Annandale. Our Sunday and Monday classes will also remain suspended until January 2021.

In the meantime, we are experimenting with "virtual/distance" round dancing using JITSI web meeting technology. Our dances begin at 7:30 PM every Monday night. We ask our dancers who join us to be patient with us as we adjust to this new technological environment. While not a perfect substitute for our normal in-person dancing -- we can't enjoy partying with everyone as we often do at Ryders Rounders -- it appears to be an acceptable alternative for everyone to enjoy what Ken still calls our "social contact sport". Hopefully, we'll be able to return to that experience in January 2021.

If you have any questions or need more information about the clubs, the workshops, or beginner lessons, please call Berni and Ken at 703 323-6615.

SWINGIN' SENIORS

The second shows members Wade and Gloria Garrett who celebrate their 69th Anniversary on Sep 14th.

These members continue to inspire us all. This year we'll send them cards in the mail with a virtual rose to wish them Happy Birthday and 3 virtual roses for an Anniversary, one for each of them and one for their marriage. While we don't have a photo, we must note that former member Deanie Fairfax turned 100 on August 15, 2020. Deanie danced with us until she was 96 and continues to

live in her own home in LaPlata, MD. I spoke with her on her birthday and her alertness and brightness made my day!! On a sad note, we lost member Emily Roszak on Aug 4th, her 96th birthday. Emily was a longtime member, much loved, who especially loved to waltz and do the polka. She will be much missed. Our Fall Schedule of Dances: every Tuesday, 12:45 pm – 2:45 pm at the Camp Springs Senior Center remain canceled at this time. Remember to “Keep a Rainbow in your Heart” and Keep Dancing if only in your kitchen!

C.L.O.G. - 37th National Convention - July 22-24 - 2021

For the Love of Clogging

Clogging is a dance form that combined percussive footwork with Appalachian figure dancing in the 1920s, and has evolved constantly ever since. We continue to celebrate our 'hoedown' roots, while also enjoying new ways for people to move with and without partners, and connect rhythms with music—from hip hop to country western and everything in between.

C.L.O.G. is a leadership organization that fosters education, networking, and a family-friendly environment for those who love to clog. We are proud to engage cloggers of all ages, levels and aspirations.
