The Editor's Desk

And the pandemic goes on ☹️

This issue will cover the ninth and tenth months of the pandemic and things only seem to be getting worse. While there are a few in person square dances, by far most dances have been canceled. Zoom rules the roost. In our area we owe a special thanks to callers such as Bill Harrison, Ben Brown, Doren McBroom, Dayle Hodge, Gary Felton, Dick Otis and Dan Grimes who are regularly conducting Zoom Virtual Square Dances. (my apologies if I have omitted any). If you have not read Dick Otis' recent **Choreo Corner** columns do. They provide some interesting thoughts about virtual squares and how to call for and dance them. Not to be left behind, Round Dance cuers such as Amy Shotting and Ken Ryder (and, I am sure, others) are providing Virtual Round Dances. Personally, dancing-wise, I find the virtual round dances easier to do since you only need to deal with one phantom rather than multiple. On the other hand, physical recovery wise, square dance steps are easier on my new hip than round dance cues.

On the bright side, I hope you noticed this issue's cover. I have liked this cartoon for a while. Since I felt we needed some humor in these bleak times, I contacted the artist, Maria Scrivan, to see if we could afford to use it. To my pleasant surprise she let us use it gratis. I would like to note that she has written two graphic novels, **Nat Enough** and **Forget Me Nat**, which would be quite appropriate presents for middle or pre-middle school grandchildren. They are available from Amazon.

Finally, as many of you know from the email that Dick Otis sent to [WASCADances] and [MDSDF], Yahoo Groups is going away. If you wish to stay on a WASCA listserv you will need to resubscribe to the new [WASCA] Google Group that has been set up. (For more information see page 5.) Note that since [MDSDF] was already a Google Groupe, it is not affected by the Yaho Groups closing. Since the [wascacallsncueseditor] group was also set up on Yahoo Groups. I have set up a replacement Google Group [WASCACnC]. I have manually transferred all of the email addresses from the old Yahoo group to the new Google group. (Those of you on the old Yahoo group should have received emails noting you have been added to the new group.) Assuming I have set it up properly, no one but me can see the member's emails or send out messages to the members. I don't even think you can reply to it. If you need to get in contact with me please email me using editor@wascacclubs.com email.

And that is it for this issue

From the WASCA President's Corner

CT and Margaret Montgomery
(WASCA Presidents 2020-2021)

It is hard to believe that eight months after the first cases of Covid-19 we still do not have a clear picture of when square dancing can return to normal. We certainly expected to have a somewhat clear picture by the fall of 2020. Yet here we are and none the wiser. What should we expect for 2021 (and beyond ?).

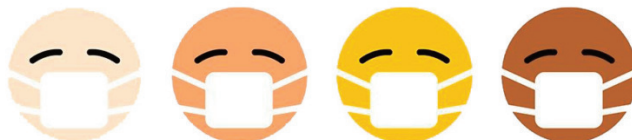

We decided to look at what decisions were being made for large dances (hundreds of dancers) and specifically for cancelations around the middle of 2021. One event that caught our attention is the 62nd Australian National Square Dance Convention scheduled for Thursday, 24 - Monday, 28 June 2021. This event was cancelled in September 2020. You can read the entire notice on <https://www.darwin2021.com/> but the reason for cancellation from the third paragraph is "Due to Covid-19 it has become apparent that it isn't in the best interest of anyone's health to hold our 62nd National Convention next year."

They publish information on the size of the Australian dance for prior years. In 2019 they had 563 registered dancers. This compares with 4068 dancers at the US National in 2019. Of course, the US has over twelve times the population.

Does cancelling the dance so early reflect an attitude that the Australians are more cautious about taking risks that might spread the disease? Johns Hopkins data from mid-October 2020 show 904 deaths in Australia and 217,692 deaths in the US. This is 240 times as many deaths for twelve times the population. So it looks like they have something going for them.

We have been reading the Club News section in the previous edition of CallsnCues and are encouraged to see some of the many ways that dancers have managed to keep in touch and help each other during this time that normal dancing is "on hold". In early November we are usually looking forward to celebrations and special dances for Halloween, Thanksgiving and Christmas but this year will certainly be a lot different. Also, it has traditionally been a time for the square dance community to have charity fund raising events and we hope that it will still be possible to support these charities although it will be in a different way this year.

We hope that you will all be able to celebrate the holidays in some way with your family and friends even if some of the get togethers will have to be virtual. Appreciate those you love and stay safe.

For 20+ years, WASCA's square dance community has used WASCADances at Yahoo Groups for distribution of dance information. Beginning December 15, 2020 the Yahoo Groups website will shut down and members will no longer be able to send or receive emails from Yahoo Groups.

A new WASCA Listserver has been created on Google Groups. WASCA Membership Directors Nancy and Tom Stafford will maintain this group, assisted by technical advisor Dick Otis.

If you are currently subscribed to the WASCADances Yahoo Groups, you will not be automatically subscribed to the WASCA Listserver for privacy reasons.

To join the new group, send an email to wasca+subscribe@googlegroups.com. A moderator will approve your application or contact you if additional information is required.

You may un-subscribe yourself at any time.

This group is for Dancer Information Only

Do not share personally identifiable information that you would not want posted to the open internet, e.g. phone numbers etc.

Commercial Ads, Politics, Jokes etc are not appropriate

Square Dance Flyers are OK.

The Staffords and I would like to take this opportunity to thank Roger Dailey who has managed the WASCADances Yahoo group since its inception.

P.S. Since [MDSDF] has always been a google group, yahoo groups shutting down has no impact on it

**NCASDLA
President's
Message**

By Dick Otis

November approaches and not much has changed (yet).

Most major square dance events are still in limbo. Virtual square dancing still reigns supreme.

A few of our NCASDLA callers are working dances on Zoom. I am doing monthly dances with Bill Harrison on the second Tuesday of each month. I'm also on Wednesday, week 17 working with Gary Felton on an Advance Class.

In no particular order, Doren McBroom, Ett McAtee, Bill Harrison, Ken Jordan, brain Jarvis, John Marshall, Ken Ryder, Ben Brown, Jeremy Butler all have virtual dances at various times. A couple of these are not (yet :-)) NCASDLA callers, but need to be acknowledged. I'm sure I've missed someone (my apologies).

Some callers and many dancers say that virtual dancing is not for them. I understand. It is a completely new activity for both callers and dancers alike. Dancing with phantoms is hard, even for Challenge dancers who do it routinely (in a square). My hat's off to those who are willing to give it try for fun and/or to keep current.

However, I believe we are slowly getting back into dancing. Some friends are having one (masked) couple over to make a full mini-square. I call for one group like this twice a week. A few clubs who feel comfortable with their friends are actually having dances, admittedly without food or visitors.

If you and a small group of your friends would like to schedule a virtual dance for mini-squares, or one or two squares, reach out to an NCASDLA caller and let them know. In the meantime, hopefully a vaccine will appear soon (I know, there are various definitions of soon) and perhaps our clubs will be able to get going again. I don't expect that to happen in 2020, but perhaps by Springtime we will see the light at the end of the tunnel.

Until then, keep in touch with your square dance (and other) friends and sooner or later, square dance will survive!

Dick.

RDTA
President's
Message
by
Ken & Berni Ryder

Dear WASCA dancer friends:

Unfortunately, this horrific coronavirus pandemic restricts us to greeting you all remotely, or from a distance -- no touching, no hugs, and unfortunately no in-person dancing. Although some local schools are considering some limited reopening possibly in late November, most appear likely to remain closed for the rest of this year 2020. Our local churches, community centers and other public facilities that our local clubs, festivals and special dance events use for in-person dancing activities remain closed to prevent the spread of this vicious coronavirus pandemic and protect those most vulnerable to the health risks this coronavirus imposes and that vulnerable population include most of us dancers. We will get through these troubling times, but it appears that won't happen as quickly as we had hoped.

2020 has been a difficult and often depressing year with the cancellation of the 2020 and 2021 WASCA festivals and many other special dances that we all enjoy. We are still hoping that we can find a facility to hold our annual RDTA Snowflake Ball held the 2nd Sunday in February, but we won't have a definite answer until later this year. We want everyone to remain safe and healthy and if that requires us to continue to miss our dancing friends for another couple of months, we'll be just more excited to see and dance with everyone once we overcome this pandemic.

In the meantime, technology has allowed several local callers and cuers "see" and dance with some of us using either ZOOM or JITSI web meeting technology. Admittedly, these "virtual/distance" round dances are not perfect substitutes for the in-person dancing that we all love and enjoy, but they provide an alternative to shake off the rust and begin moving again to great dance music. For those who are interested in trying this "virtual/distance" round dancing, get in touch with Amy and Ken Shotting or Berni and Ken Ryder. The Shottings are "virtual/distance" dancing on Wednesday nights and held several special virtual dances on Saturdays; the Ryders are "virtual/distance" dancing on Monday nights. As we learn of any other "virtual/distance" round dancing opportunities, we will convey them to everyone in subsequent RDTA messages or through the WASCA dancers e-mail.

With patience and perseverance, we will get through these difficult times. Stay safe and well and we will look for safe opportunities to return to our favorite "social contact sport" -- round dancing as soon as it is prudent to do so.

Berni and Ken Ryder, Presidents RDTA

Tracking Back to “Get Your Kicks On Route 66”

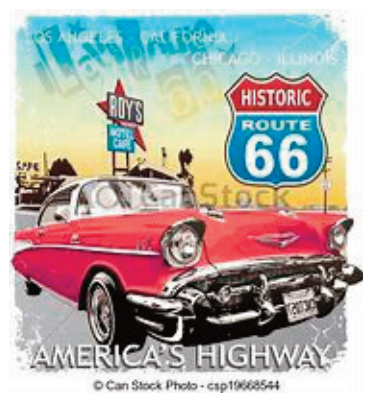

by Directors:
Bobbi & Jeff Fuhr
Linda & Steve Toth

Well gang we are back on the road again. We hit a few bumps in the road and had to take a two-year detour, but we are “BACK ON THE ROAD AGAIN!” and headed back on Route 66. Start pressing your poodle skirts and get your leather jackets ready, slick back your hair and get ready for a party. That was some detour and hope you are all safe and healthy. With no dancing, I don’t think I have ever watched so much TV. Maybe you are like me – I created a list of things I really needed to get done if I was ever stuck at home and couldn’t find something fun to do. I still have my list of things

that I need to get done and I look at the list about every three days and put it back in the cabinet. So far after a year I haven’t crossed one thing off my list, but I do have good intentions. It is easier go get things done when you have a schedule due date.

We just miss seeing our friends, hugging our friends, laughing and talking with our friends, eating out with our friends, playing games with our friends and most of all dancing with our friends. One of the things I really miss is smiles. With everyone in masks, I think it changes our personality. We seem to hide behind the mask and I seldom even get a hello or nod from anyone, we are so worried about ourselves. I will be so happy when we are free from this pest and can take our masks off and smile again. We just need to be vigilant, wear our masks, wash our hands and sanitize everything till this is under control.

With our extra time, we have been able to make all sorts of plans for 2022. If you can think of anything to help us make this a “special” event, please let us know – we truly appreciate your input because it is YOUR Festival and Steve & I and Bobbi & Jeff want it to be the best ever. There is plenty of room so please just jump right on the bus and join us on our journey. We still want to have our “Sock Hop” with a live 50’s band and of course our root beer floats are a must.

Hopefully we will get to have our theme dances next year and be able to visit our clubs all over the area. We miss seeing each of you. We will keep you up to date with all of the news as it comes in. Enjoy your Thanksgiving and stay safe and healthy.

**Single Square Dancers USA will be celebrating 50th years of dancing
SSDUSA's 50th Dance-A-Rama Festival
To Be Held on Labor Day Weekend of 2021.**

Since the COVID-19 virus forced Single Square Dancers USA to cancel our 50th Dance-A-Rama festival that was scheduled for Labor Day weekend of 2020, the SSDUSA Board has secured a venue to celebrate our 50 years of dancing with a final Dance-A-Rama festival with a one year gap. We have signed a contract with the Airport Holiday Inn in Des Moines, Iowa to hold our Dance-A-Rama festival there on Labor Day weekend of 2021. Amenities at this hotel include refrigerators, microwaves, and free Wi Fi in the rooms. They have a full service restaurant and a free shuttle that runs within a two mile radius of the hotel, You can use Uber, Lyft, or Taxis to get to the downtown or other places in the local area. There is plenty of free parking at the hotel and a free shuttle (Keck) from/to the nearby Des Moines airport which is just minutes from the hotel, basically just down the street. Dancers may even want to find time to enjoy the hotels unique Tropical Courtyard with indoor pool and whirlpool. Some of you may remember this hotel from when we held our Dance-A-Rama there in 2012. The hotel has done extensive remodeling since then and all dancing will be on one level this year. Iowa's State Square Dance Convention will be held there in the spring of 2021

We are pleased and excited that we will still have the entire outstanding line-up of callers and cuers that were to entertain us in 2020: Callers: **Jack Pladdys** (OH), **Tim Tyl** (TX), **Tom Davis** (OH) and **Travis Cook** (KY), and Cuers: **Phyllis Burdette** (OH) and **Bonnie Lawrence** (IN) (with Bonnie also teaching and leading line dances).

I will serve as Chairperson in charge of our festival, and am excited to welcome you back to Des Moines. I am already busy looking for places for us to go on tours. Take a look below at some of the interesting and beautiful sites that Iowa has to offer. The Capital, Sculpture Park and our Art Center are free. There is a free shuttle that operates in the downtown loop (from the Capitol to the Sculpture Park). Come early or stay late and see what you didn't get to see in 2012 or when the National was here in 2016.

Don't forget that ALL square and round dancers are welcome at our Dance-A-Rama festivals. You can now download our Registration Form from the SSDUSA website: dar2021.ssdusa.org. We hope to see you in Iowa!

William (Bill) Koppenhaver

October 13, 2020

William Koppenhaver died at home October 13, 2020. He was attended by Gilchrist Hospice. He had squamous cell carcinoma. It was the fastest meanest cancer I have witnessed.

Bill was a member of Dublin Dancers which he joined in 1990. He met and married Kathie Mainolfi while square dancing. They would have been married 30 years this December. Bill remained active with Dublin Dancers helping with the Red Cross Fund Raiser Dances, and many ways as needed.

With Kathie as photographer, Bill prepared exhibits for courts for their company Forensic Document Examiners.

A Memorial Mass was held October 17, 2020 at St. Anthony of Padua Roman Catholic Church in Baltimore, MD. Internment was private. A Memorial Zoom memorial is being planned at a future date (TBD)

Kathie's, daughter, Carol posted this on Facebook:

It's really hard to lose someone you love. Today I lost one of the best friends a person can have. He has been like another dad to me. I've known him for over 30 years. At first he was just Kathie's fiancé, but he came to be one of the few I could rely on for whatever I needed. He was my go to man. He was EVERYone's go to man! No matter what you needed, he was there to help you. I have so many things to say about this man but the words just won't come. One less shining star in my life. Until we meet again, my friend.

Please email me about any members of the Square Dancing Community who have died.

**Please include the clubs they danced with.

The United Square Dancers of America's Social Media Committee

Proudly Introduces Our New *Zoom* Series *Beyond the Dance Floor*

Dancing — We all miss dancing! The great news is, as a community we've been adapting to "the new normal". It's been wonderful to see callers and cuers set up virtual dance events. Online groups have been set up to discuss returning to dancing and what precautions need to be taken. IAGSDC even transitioned their International Convention into a "home edition" with virtual dancing and live online activities. Happily, in some areas of the country, clubs are cautiously and carefully beginning to dance again, but there is still more to do.

The **United Square Dancers of America** — USDA — your National dancers' organization, is excited to introduce a monthly series of web-based programs via *Zoom* to support clubs on the business and marketing end of our activity. The programs will be used to introduce more dancers across the country to who/what USDA is, the programs and services we provide, and a way to keep square and round dancing in the forefront of people's thoughts even if they aren't able to get together on the dance floor.

Beyond The Dance Floor – It takes a lot of effort and organizational skills to keep our favorite activity alive and USDA is here to help. From bylaws to event planning, club officer duties, promotion, communications, newsletters, youth and handicapable programs – this series is designed to help groups across the country build and grow your clubs.

Workshops are scheduled to last 90-minutes to allow plenty of time for questions & answers, plus we will welcome input from participants. Our first workshop launches on Saturday, October 10th and our complete schedule is listed on the subsequent pages.

Watch your email, our website and Facebook for links to the actual, **FREE** workshops.

Royal Records was founded in 1986 by regular WASCA festival caller Jerry Story and nationally known caller Tony Oxendine. It quickly became one of the major labels in the square dance industry. Since that time, Royal Records has consistently produced number one square dance records. Songs like "Beautiful Brown Eyes", "Tennessee River", and "Somebody Like Me" have become some of the largest selling records in recent square dance history. The following was received from Tony & Jerry

ROYAL RECORDS - WE ARE TURNING 35 !!

It's hard to believe, but in 2021, Royal Records celebrates 35 years!!! It's been a wild ride. Our very first session was in 1986. We were both recording on separate labels – Jerry was on Rhythm and I was on Ranch House. We were both happy and very grateful to be on these labels, but as we became closer friends, we wanted to branch out on our own.

Both Wade Driver (owner of Rhythm Records) and Darryl McMillan (owner of Ranch House Records) were both extremely gracious and helpful in getting us started. Elmer Sheffield (ESP Recordings) was also integral in our beginnings.

In June of 1986 we went to Nashville with a pocketful of tunes and absolutely no idea of what we were doing. Kevin McManus had engineered several other square dance labels over the years, so he was able to work around the two novices he had in his studio.

That session produced some of our biggest hits – Beautiful Brown Eyes, Morning Sky, and the patter record Josh/Ricky. Watching the musicians and Kevin do their magic in the studio was absolutely amazing. And now, 35 years later, it is still as amazing!

Jerry and I have been very fortunate to have some of world's best musicians recording music for Royal Records. These Nashville "pickers" are the cream of the crop!!!

So, to acknowledge our anniversary, Jerry and I would like to introduce you to the amazing artists that we are honored to have making and producing our music.

We have used various musicians over the years. We have several, however, that have been with us since our very first session. Our current group of pros are:

Kevin McManushas been our engineer since our first session. He is known to the world of recording as an expert engineer and producer. His list of Southern Gospel and Country Music hits is

significant. He also has an outstanding reputation for his expertise in producing award winning videos. Among the many awards bestowed on Kevin are Video of the Year 1987, a 1994 Emmy Award, 1997 Producer of the Year, 1997 Engineer of the Year, 1998 Engineer of the Year, 2000 Engineer of the Year, 2001 Engineer of the Year, and 2002 Engineer of the Year Award!! Kevin has engineered or produced numerous country music projects for artists such as Ray Price, Floyd Cramer, Clinton Gregory, Gene Watson, Billy Walker, Faron Young, Lorrie Morgan, Western Flyer and numerous others. He has also produced Gospel Music projects for most of today's popular artists including, The Crabb Family, The McGruders, The Lesters, Gold City, The Whisnants and the legendary Cathedrals, Hinsons and The Kingsmen...to name only a few! Kevin's experience in live production dates back to 1974 when during his days with the Marshall Tucker Band he mixed FOH in venues such as Madison Square Gardens, Boston Garden, The Louisiana Super Dome, The Houston Astrodome, Denver's Mile High Stadium, Atlanta's Fulton County Stadium, Texas Stadium in Irving, TX, The Hollywood Bowl and others.

David Smith has been the bass player on every Royal Records Nashville session since 1987. He has recorded with Alabama, George Jones, and Loretta Lynn – just to name a few. David is our session leader – handling all of the arrangements and charting for the band.

Jenee Fleenor plays the fiddle, mandolin and acoustic guitar. In 2019, she became the first woman named the Country Music Association's Musician of the Year and the first fiddle player to win the award in over 20 years. She has performed with artists including Jon Pardi, Steven Tyler, Terri Clark, Martina McBride, Cody Johnson, and Rascal Flatts. She has written songs for many of the same musicians, as well as Dolly Par-

ton, Gretchen Wilson, Kathy Mattea. She currently tours with Blake Sheldon and is a featured musician on NBC's The Voice.

Bruce Wadkins was on our very first session, and has been on every one since. Bruce is our acoustic guitar and banjo player. He is a Grammy award winning artist and has been a session player in Nashville for over 35 years. He has recorded with Alan Jackson, Alabama, George Jones and many others.

Doug Jernigan, like Bruce Wadkins, was in our very first session, and has been on every one since then. Bruce was inducted into the International Steel Guitar Hall of Fame in 1994. Today, Doug tours as a concert performer, records with a host of Country Music artists and has plays on the Opry

Mike Schrimpf has been our harp (harmonica) player since 2012. Mike has worked with some of the most popular recording artists, including George Jones, Loretta Lynn, Conway Twitty, and Steve Mariner.. In addition to being a professional musician, Mike is also a producer, arranger, songwriter, and recording engineer

Rodger Morris, is our piano player, and like Bruce and Doug, has been on every Royal session since the beginning. Rodger, too, has recorded with many of country music's most popular artists. He engineered, recorded and produced one of Royal's most popular patter tunes – Kayla Raye

Eddy Anderson has been our drummer since 2016. He has played on numerous records for artists such as: Merle Haggard, Waylon Jennings, B.J. Thomas, Dottie West, Earl Scruggs, Dolly Parton, Kenny Rogers, Ronnie McDowell, and Joe Tex. He's toured with several artists throughout the years, including: DollyParton, Ricky Van Shelton, and Patty Loveless.

Kelly Back, on lead guitar, is the newest addition to our band. Kelly is highly regarded in the Gospel Music field. He has recorded with The Gaither Vocal Band, The Hoppers, Mark Lowry, and many others. In addition, he has recorded with various country artists – including The Oak Ridge Boys, T.G. Shepherd, and T. Graham brown.

Thanks to all of you for giving us 35 years of fun and for allowing Jerry and I to continue to produce, what we think is the best music in the business. Take Care, and Stay Safe,

Tony Oxendine and Jerry Story

CHOREO CORNER

with Dick Otis

Teaching with Virtual Dancing

In the Summer and Fall issues of Choreo Corner I discussed virtual square dancing. In this Winter edition, I'm discussing my recent experience teaching an Advance virtual class.

While there are many virtual square dances available, I wanted to teach an Advance Class. Fortunately (for me) Gary Felton also had the same idea and we decided to join forces and do a class together. Gary has been calling for some 40 years so I knew I was getting a great co-caller for this experiment (the experiment being doing it on-line).

The first challenge was that we would be teaching on-line to one real couple and one phantom couple (and in many cases, one dancer). Our view is there are several Advance calls that require a full square. Consequently, the total ~76 A1-A2s calls cannot be taught in a mini-square (at least not without introducing 4 additional phantoms for a total of 6). Gary took on that challenge and created a 20-week, 51 call list that we COULD teach. We named our class "Advance Techniques Class" and explained to the participants that completion of the class would not enable them to jump right into an Advance Club environment without additional training.

As of this writing (end of October) we've completed 17 class and two dances. We started with 45 couples/singles or "log-ins" who signed up for the class. Their experience spread from new Advance Dancers through Advanced and Challenge dancers. Being a virtual class, we have dancers from all over the US plus several from Japan and Australia.

For callers, teaching a class on-line verses in person is a new experience. In a class environment you can watch everyone at once. You can help individual dancers who are having problems. Classes are generally two hours with breaks.

We started the first class with two hours but quickly found that was too long. After several classes the group requested a 75-minute class. We divide the time into, five, 12-minute tips per class. Tip 1 is a review, tips 2-3 are teaching (3 new calls each week), tips 4-5 are practice.

Like most virtual dances, the greatest challenge is keeping the dancers aware of their formation and the location of the phantom dancers. Regardless of previous calling experience, calling a virtual dance (and especially a class) requires a lot of advance preparations and written choreography. While you can sight call a mini-square, calling to 2 dancers requires being able to tell them where the phantoms are in the formation. Also, if you don't have the couple back together after every other (or at least every third) call, they quickly lose track of the formation.

Timing is also problematic. With a class of 45 log-ins, the gallery view is just too small to watch everyone at the same time. In the gallery view, you can determine if they are moving (or not) but that's about it. The problem of course, is which dancer do you watch? Your choices are either experienced dancers, a new dancer couples, or a single dancer. If you watch the experienced dancers, the new dancers are often lost. If you watch a new dancer, then many dancers become frustrated. If you

watch a single dancer (most of whom are very experienced dancers) the caller cannot sufficiently observe the formation. Our baseline expectation for this class was one couple of new dancers. As a side note, we have (at least) three caller attending the class.

My solution was to add a second screen, or a second computer log-in so I could watch two or three dancers and/or the gallery view. I included a picture in the last issue. Gary watches the gallery view so that there are 25 logins on the screen. You have to determine what works best for you.

As part of the class, I record each session for subsequent review and practice by class members. Most of the videos are publicly available on my YouTube channel

www.youtube.com/user/SquareDancers

I discovered by trial and error that Zoom records whatever you are looking at, e.g. the gallery view, the active speaker, or whomever you've "pinned". If you enable the Zoom dual screen option, you can view the active speaker, or whomever you've "pinned". You cannot however, display the gallery view. With two screens enabled, Zoom records the second display. That means you can't record the gallery view unless you turn off the

second display. All of this is subject to change as Zoom constantly updates their software.

Note: I always ask the dancers if anyone objects to the class being recorded (no one to date). I also ask my "featured dancers" if they mind being recorded since in the video, they become the single focus for the viewers.

Zoom recording rules changed with Zoom version 5.3.0. Now you can pin multiple log-ins to the primary screen, and the Zoom recording captures this primary screen. Now I can pin (up to 8 logins) to the screen. I record four which gives me a comprehensive overview of the dancers.

I acknowledge that virtual dancing is not for everyone. Virtual square dance classes are even more difficult - but they are also rewarding for both the dancers and the callers.

Anything we can do to keep dancers and callers engaged and proficient through this pandemic is a good thing. I hope you found this discussion interesting!

CLUB NEWS

AQUA SQUARES

Paula Ropshaw

Hello fellow square dancers, from beautiful southern Maryland. We had our annual picnic and club meeting on Sept 12th. It wasn't a picnic, it was an ice cream social. We bought individually wrapped ice creams so everyone could get their own. Of course our biggest and most important topic was our dance hall. We were notified that our dance venue, the southern Community Center, will start opening up and we are welcome to resume using our room, as long as we can maintain social distancing. What????? We discussed masks and gloves, which are all good ideas, but we just couldn't see a 'swing your partner' from 6 feet away. ☹ We are going to stay dark until December or January and see what the rules will be at that time. Our big fear is that we may lose our hall if we don't use it. Many of our members are doing the zoom dancing and loving it. It doesn't take the place of a yellow rock, but it will have to do for now. Did we ever realize – before now – just how much physical touch impacts our lives? How much we need it? How much we would miss it? Lots of lessons taught and learned during this pandemic. Club elections were not part of our annual meeting this year. Jim Cooney, our president, is doing his usual exemplary job, even past his required time in office. We wish everyone a healthy quarantine and look forward to dancing again. Paula Ropshaw, 301-872-4547

AMYABLE ROUNDERS

Amy Shotting

Would you like to try Virtual Round dancing? Well, on Wednesday nights, you're invited to join Amyable Rounders in the comfort of your own home for a night of round dancing. Yep, date night in your own living room without the commute. :-)

When talking to many of dancers, the general sentiment was that they all missed round dancing, and many were afraid that they would forget everything they learned.

Movement to music is good for the mind, body, and soul especially during these difficult times. So when our dancers reached out and asked us to try Zoom, we figured we'd give it a try; anything to help in whatever way we could.

We will alternate "Wednesday Workshop Night" with "Wednesday Dance Night".

--"Wednesday Workshop Night" - 8pm: We have been reviewing figures at the phase III-IV level with a few dances to warm up and cool down. We send out what we will be covering a day ahead so that our dancers, who have mixed skill levels, can decide if they want to join us.

--"Wednesday Dance Night" - Phase II - IV 8pm - 9pm: 7 dances / small break / 7 dances / Say goodnight, and if you wish..... 9:05 - 9:30: Diehard - phase IV-VI

If you are interested in joining our Amyable Rounders Wednesday Workshop &/or Dance, or have questions, please email me directly, KAShotting@aol.com, and I will be happy to talk to you and/or put you on my "Amy Zoom list".

One way or another (now or later), see you "on the Round dance floor."

BELAIR SQUARE CATS

Mike Herman

Several clubs have been getting together virtually to keep their members connected, Belair Square Cats is one of the Maryland clubs having these meetings. Our president, Diane Gill, is hosting these meetings on our regular dance nights and we would enjoy having guests visit us. Our next zoom get together will be Saturday, Nov. 14th our "Heroes Salute" dance.

Anyone with decorations for this theme can have them within camera range for this meeting and we usually start with talking about the theme. Then there is a breakout session (small groups) to chat and see what is happening within this group. Diane then brings all the breakout groups back together for announcements. She usually has some ideas about future activities and who might be interested. Last is the Trivia game; another small group of us trying to come up with answers to some old game quizzes, think Family Feud.

On Oct. 31 some club members purchased tickets to the Montpelier Farms' Corn Maze. All participants had to wear a mask and there was a pumpkin patch also on the site for bringing your own decorations back home to carve or just sit in your yards.

Early in December there may be a mall shopping spree with a stop at a restaurant. Remember Toys for Tots collections will still be happening in our area and the kids always look forward to a gift from Santa.

Future plans for the club include a possible weekend at Cacapon State Park near Berkeley Springs WV on Dec 18 – 20th. Diane has already rented cabins for her family and there are more available cabins and a lodge if you are interested in this adventure.

If you are interested in more of our picnic pictures, go to the Belair Square Cats Facebook Page. Keep well and think of this Holiday Season as a Mini Celebrations for a future bigger event.

BOOMERANGS TEACHING COUNCIL

Mary Sellman

Since it's almost impossible to learn to square dance 6 feet apart, Boomerangs Teaching Council and hopefully all of you, are keeping our distance and dances are canceled until we receive the "all clear". The next Beginning CTM Class session for new dancers has been postponed indefinitely. Until we can meet safely, keep your distance, wash your hands, stay healthy and safe! We look forward to seeing you on the dance floor soon!

Prospective students may contact the Boomerangs at 571-210-5480 for details/enroll in classes. Cost for all students is \$30 per 4 weeks with an \$8 charge for walk-ins. Please consult our website: Boomerangssquaredance.org for additional information.

CRABTOWN SQUARES

Margaret & CT Montgomery

We hope that you are still able to keep in touch and try out some of the many opportunities for virtual socializing and dancing.

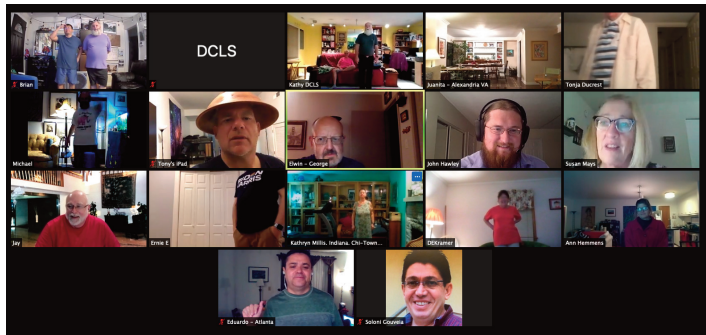

Under normal circumstances, we would now be starting our new season of dancing at Crabtown but unfortunately that is still not an option. Due to the policy of Anne Arundel Schools (as well as our desire to keep everyone safe) Crabtown Squares has cancelled all plans for dancing through the end of 2020.

For more information, please contact Dave and Linda Cleveland at 443-878-9013 or cleve747@gmail.com Hoping to see everyone again soon even if it has to be virtually

DC LAMBDA SQUARES

Tonja Ducrest

DC Lambda Squares continues to meet virtually on alternate Thursday nights. We look like this.

DC Lambda Squares
Zoom Activities

We play trivia games and bingo. We sometimes just chat over one another as many people try to say something at the same time. We have guest callers.

Recently we had John Hawley from Massachusetts.

DC Lambda Squares
Guest Caller John Hawley
from Massachusetts

In one sense we have had guest callers, such as John, we might never have had. We also have visitors from all over the country who stop by and join in the Hollywood Squares boxes with us. That way of staying connected has brought more of us together. In a virtual sense, you might say.

The club is planning an All Saints Day picnic in Rock Creek Park on the day after Halloween. It won't be like picnics from years before; but it is another opportunity for us to be connected. And to actually see one another in person.

DC Lambda Squares is a lesbian- and gay-inclusive square dance club serving the Washington, DC metropolitan area. The club is also straight-friendly and provides opportunities for members, visitors, and guests to dance in non-traditional roles in a comfortable environment for socializing around square dancing activities. DCLS supports square dancing levels through C1.

The club regularly meets Thursday, 7:30 – 9:30 P.M. However, due to the Coronavirus Pandemic: currently there are No Club or Class Nights. DCLS typically follows DC Public Schools' closures. (currently closed through April 24).

The DC Lambda Squares normally dance at
National City Christian Church
5 Thomas Circle, NW
Washington, DC 20005

GAD ABOUTS

Martha Thompson

It was decided by all participating in our virtual meeting on 13 July, (there were about 25 people participating) that Gad Abouts will cancel all of our dances until the end of this year. We know this is very disappointing to all of our dancers, but the chances of restrictions being reduced any time soon seems remote.

We hope everyone stays healthy and we see you back on the dance floor when this is resolved.

Gad Abouts Officers

GERRYMANDERS OF MARYLAND

Ed Cragg

Continuing with our pandemic non-dances, the Gerrymanders honored all of September as National Square Dancing Month. Individual September days were Teddy Bears on the 9th, Mexican Independence day on the 16th, WD-40 on the 23rd and Frisbees in the 30th. October non dances started with Chocolate Covered Pretzels on the 7th, Baldness on the 14th, and Durable Incandescent Light Bulb on the 21st. However rather than honoring National Chocolate Day on 28 October, we chose to have a pre-halloween Zoom meeting.

Gerrymanders of Maryland Pre-Halloween Zoom Meeting

Bill Houston had access to a Zoom channel and arranged the meeting. With comings and goings we had about 10 attendees including our callers Bruce Simperts and Kenny Farris.

When actively dancing, the Gerrymanders dance two programs. On the 1st, 3rd and 5th Wednesdays we teach and dance floor level (to include beginner) from 7:30 - 8:30. After refreshments (usually to include ice cream) we dance full mainstream until 9:15 followed by easy plus / plus workshop for the rest of the evening. We end the evening with and a full plus tip. We accept students beginning at any time on a pay each night attended basis. When they are present, we teach new students from 7:30 to 8:30 pm. We have been finding with the students we have been having are learning very fast with this program. It fits nicely with students who are taking lessons elsewhere but would like some more practice. The more regular they can come the faster they learn. Students still can pay on the quarterly basis if they wish or they can pay as you go basis of \$7 per night. Bruce Simperts and a guest caller (on 5th Wednesdays) preside.

On the 2nd and 4th Wednesday we dance a plus workshop from 7:30-8:00. Then from 8:00 until 9:30 we dance full plus. Kenny Farris is our caller. We dance at the North Chevy Chase Christian Church every Wednesday evening from 7:30 to 10:00. The cost is \$7.per night. Mr. Gerry-mander will be glad to answer any questions or give directions if you call him at 703-920-2624.

GOOD LUCK SQUARES

Ginny Fromel

The Good Luck Squares is currently praying for one of our members, Elizabeth McGeehan, after her recent shooting. She was shot numerous times in early August and was recently moved to the University of Maryland Trama Center in Baltimore. She is doing better and has

recently been taken off the ventilator. We would appreciate all your prayers and well wishes; and if you know her and/or would like to send her a card, her address is: 12317 Stafford Lane, Bowie, MD 20715.

We are really missing our dancing, and we don't know how we can celebrate the upcoming monthly holidays, which usually includes our special Thanksgiving dinner the Thursday before Thanksgiving and several December Holiday events with our usual members and any guests that can join us. We had a small get-together in August with an outside pot-luck dinner, and we are hoping to find a place to get together again soon. We have had two zoom/dance events during the summer, and enjoyed the line dancing that Jim Wass called and demonstrated. We hope to be back at the Trinity Moravian Church, 7011 Good Luck Road in New Carrollton, MD sometime soon; but for now, we have to wait and pray that this Virus will end. For information or directions call Ginny Fromel at 301-552-1576 or Jim Wass at 301-257-1348.

LAKE OF THE WOODS

Susan Thomas

Fall is in the air and the leaves on the trees are beginning to show their autumn beauty. Around the lake some have decorated their trees, drive ways and houses with orange lights, pumpkins and other decorations that symbolize the season

Lake of the Woods Square Dance Club resumed dancing in August, but it was not business as usual. Several members had tried dancing with phantoms with the calls made available from Ben Brown on Zoom. Several couples got together with another couple and danced in mini squares with four people. This evolved into the idea that perhaps the Club could mask and socially distance, and meet together to dance in touchless mini squares. A detailed plan to dance in this format was submitted to officials at Lake of the Woods in order to obtain the use of the facilities at the Lake. Since the Club dances at a gym at the Lake of the Woods Community Center, there is no problem with plenty of air in the space. Mini squares have been located six feet apart, everyone has worn masks, and the calls have been executed without touching the other dancers.

As an added precaution there has been plenty of hand washing and hand sanitizer. Chairs have been placed along the walls in pairs of two with six feet in between. We have been able to leave them there for the cleaning crew to sanitize on Saturday before putting them back in storage. Gene Chamberlain and Mike McIntire have provided the

calls. Each dance has required a bit of workshoping as different couples have attended and have needed to get accustomed to doing a wide variety of calls without touching the other couple. Some adjustments have been made and continue to be made to the caller schedule as various callers were or are not able to come due to COVID 19 concerns.

Likewise, the Club did not attempt to have any lessons for new dancers this fall, and the consensus has been that dancers should be limited to members to the Club in order to limit the chance of spreading COVID from one part of the state to another. No food or beverages have been shared. Anyone needing a snack or beverage has been asked to provide their own.

President Dick Unser has included the following precautions with the notice for every dance:

- Masks and social distancing are required.
- Members should be healthy with no fever for the past two weeks, not have traveled outside the country for the past two weeks, and not have been in contact with a COVID infected person.

- Dancing will be conducted without touching

No food sharing (bring your own drinks and food snacks)

October has five Fridays, but it has not been determined as to whether those scheduled to call will be able to do so. Callers may be self quarantined due to exposure to the virus, or their personal health issues are making it unsafe for them to expose themselves to a wider range of people. Kudos to Gene Chamberlain for calling extra and working out what dance calls will work while dancing in the mini square format. Unless, things change a lot, a seasonal meal to celebrate the holidays is unlikely.

For our club as well as yours, no doubt we are all more than ready to have COVID 19 over with so that we can resume business as usual. Follow all the precautions and stay well!

RYDER'S ROUNDERS

Ken and Bernie Ryder

Ryders Rounders dances and classes remain suspended for this fall due to the shutdown imposed by the coronavirus pandemic.. Unfortunately, despite continued modest improvements hospitalizations and mortality rates, Fairfax County public schools, community centers and churches remain closed and are likely to remain so until next year. Whenever Hope Lutheran Church, St Barnabas Episcopal church and other public facilities open and become available for safe and prudent in-person dancing, we will resume dancing every Monday night throughout the year from 7:30 to 9:30 PM at Hope Lutheran Church and every Thursday night from 7:00 to 9:30 PM at St Barnabas Episcopal Church on Ravensworth Rd in Annandale. Our Sunday and Monday classes will also remain suspended until January 2021.

In the meantime, we have been "virtual/distance" round dancing using JITSY web meeting technology with many of our Ryders Rounders and other dancers. We have even managed to have some "virtual party" dances, including our annual Halloween party dance on Monday October 26. We couldn't enjoy sharing goodies with everyone, but everyone enjoyed "seeing" everyone dancing in the Halloween costumes. Our dances begin at 7:30 PM every Monday night. While not a perfect substitute for our normal in-person dancing -- we can't enjoy partying with everyone as we often do at Ryders Rounders -- it appears to be an acceptable alternative for everyone to enjoy what Ken still calls our "social contact sport". Hopefully, we'll be able to return to in-person dancing in January 2021.

If you have any questions or need more information about the clubs, the workshops, or beginner lessons, please call Berni and Ken at 703 323-6615.

C.L.O.G. - 37th National Convention - July 22-24 - 2021

For the Love of Clogging

Clogging is a dance form that combined percussive footwork with Appalachian figure dancing in the 1920s, and has evolved constantly ever since. We continue to celebrate our 'hoedown' roots, while also enjoying new ways for people to move with and without partners, and connect rhythms with music—from hip hop to country western and everything in between.

C.L.O.G. is a leadership organization that fosters education, networking, and a family-friendly environment for those who love to clog. We are proud to engage cloggers of all ages, levels and aspirations.
