The Editor's Desk

The pandemic continues

When I started this issue I was feeling very optimistic about the future. The first emergency use authorization for the Pfizer COVID-19 vaccine had just been issued, and initial vaccinations were occurring with great publicity. The Moderna vaccine was about a week behind in the approval process. The powers that be were promising that 20 million people would receive vaccinations by 1 January. I had hopes that I could be vaccinated by April.

In the square and round dance world things were looking up. VASARDA was planning to hold the Virginia State Convention and the 70th National Squared Dance Convention to be held in Jackson Mississippi issues a press release notifying everybody that they were "still on". I have been registered for some time, and I started hoping I would be able to go.

But the closer we got to the New Year, the more realism began to intrude. Cases (and deaths) began to surge to record levels. As I write this column on New Year's Eve the U.S. is approaching 20 million cases with over 340 thousand deaths. One out of every thousand Americans has died. Forecasts are for January to get even worse. Americans seem to be unwilling to follow recommended safety precautions - the Sunday after Christmas saw the greatest number of airplane passengers so far this pandemic. And according to the news, the expected 20 million vaccinations has shrunk to barely 2 million.

Why am I bringing all this up? It is to request strongly that we redouble our efforts to stay safe. Follow all the recommended safeguards and procedures. I really would like to get back dancing, and I really do not want to see any of you readers be the last person to contract (and possibly die from) COVID-19. I NEED PARTNERS TO DANCE WITH

I will now get off my soapbox. Until the next issue

From the WASCA President's Corner

CT and Margaret Montgomery
(WASCA Presidents 2020-2021)

We hope that all of you had a wonderful Holiday and are looking forward to a much better year in 2021. As we start to deal with the problems of restarting dancing, we suggest being extra CAREFUL and PATIENT.

Our suggestion of being patient about dance events (especially large events) is driven by what we found while looking for large dance events that might have started back to dancing too quickly. One example is a headline from the Myrtle Beach Sun News which read "A month after SC shag gathering, at least 5 dead and 20 test positive for COVID-19" (dated OCTOBER 23, 2020). This appeared to be a good sized event involving more than 800 dancers.

On dance-forums.com (October 9, 2020) we found the following post related to this event and provide how a dancer views this event.

"Tony Azar said on Facebook: Sad news - Prayers for Everyone. More than 60 Dancers with COVID-19 It's hard to believe that so many Dancers have Covid-19 after going to a Dance Event in September 2020. Our Dance Community needs to be more Patient. If you went to Shaggin'

on Main from September 23 - 27, 2020, Please go get tested & Stay safe."

A look on Facebook provided an updated post from Tony.

"... More than 125 Dancers are infected with COVID-19 & More than 15 Deaths.

Numbers keep growing, all I know is people privately tracking it. .. Dancers came from Florida, Kentucky, Ohio, Texas, Virginia, Tennessee, NC, SC, Etc... I know everybody is excited about getting back to dancing, but just need to be patient... My Heart Goes Out To Everyone!"

Again, our suggestion is to be patient and careful.

On the positive side, the recent availability of a vaccine would indicate that life will gradually start to return to something like normal in the year ahead so we just have to hang in there a little longer.

Take care, be safe and we hope that 2021 will be a good year for everyone.

A new WASCA Listserver was created on Google Groups. WASCA Membership Directors Nancy and Tom Stafford maintain this group, assisted by technical advisor Dick Otis.

NCASDLA President's Message

By Dick Otis

Its New Year's Eve and I am pondering our return to in-person square dancing this year.

As I look at the 2021 calendar, I think it's likely to be May or June before our first opportunities to dance in person.

I know here and there across the country, there are already small groups gather to dance together, many with masks as their primary caution. Some are closed communities or close friends.

But on the whole, I mean larger clubs, festivals, State Conventions, and weekend/week long square dance vacations.

In the local area, the March 2021 WASCA festival has already been cancelled. But I have hopes (ok maybe not HIGH hopes, but hopes) for the Virginia State Convention on May 22-22 in Williamsburg, VA. Depending on the state of COVID-19 vaccines (see Choreo Corner in this issue) by late May we may (not trying to be cute) be able to hold this Convention.

In high hopes, NCASDLA has tentatively reserved the Herndon Senior Center on May 16th for a Trail-in dance / workshop. The goal of course, is to get everyone back up to speed before the Convention.

NCASDLA plans to hold our first "NCASDLA Festival" on 6 June (again at Herndon Senior Center) with three halls, Mainstream/Plus, DBD/Advanced and Rounds. Here's hoping...

By August however, we plan to be up and rolling along nicely. Trish and I plan on another Pride Resort Vacation in NC and a weekend in Gatlinburg. But there is also the National Convention in Jackson, MS June 23-26.

Also, for your long-range planning, Jim Wass plans to hold the annual Tots4Tots dance on December 12th (2nd weekend in December), again this year at the Herndon Senior Center.

OK folks, let's get dancing in person again soon!

Dear WASCA dancer friends:

Even though this continued, horrific coronavirus pandemic has severely restricted our ability to directly see and dance with all our WASCA dancing friends, Berni and I still hope everyone had a safe, healthy, and wonderful 2020 Holiday Season. Admittedly, New Year's celebrations for this year were also more restrained and somber than normal, but we join everyone in hoping for a far better new year in 2021. With one coronavirus vaccine already approved and distributed and others close behind, we believe we can see an end to this pandemic and a possible return to in-person dancing with all our dancing friends some time in this new year 2021. Unfortunately, most our local schools, churches, community centers and other public facilities that our local clubs, festivals and special dance events use for in-person dancing activities remain closed. Consequently, we have had to cancel our RDTA Snowflake Ball for 2021 normally held the 2nd Sunday in February. We will get through these troubling times, but it appears that won't happen as quickly as we had hoped.

We want everyone to remain safe and healthy and if that requires us to continue to miss our dancing friends for another couple of months, we'll be just more excited to see and dance with everyone once we overcome this pandemic. We're still hopeful that we can have our RDTA Butterfly Ball in late April or early May, assuming that our local schools and other community centers re-open and many of our dancers have had access to the coronavirus vaccines.

RDTA President's Message

by
Ken & Berni Ryder

In the meantime, several local callers and cuers have effectively adapted technology to "see" and dance with some of us using either ZOOM or JITSI web meeting technology. Admittedly, these "virtual/distance" round dances are not perfect substitutes for the in-person dancing that we all love and enjoy, but they have provided an alternative to keep moving to great dance music. For those who are interested in trying this "virtual/distance" round dancing, get in touch with Amy and Ken Shottings or Berni and Ken Ryder. The Shottings are "virtual/distance" dancing on Wednesday nights; the Ryders are "virtual/distance" dancing on Monday nights. Both also had special "virtual" dances during the Holiday Season to help dancers celebrate these unusually trying times. The Shottings had a special "virtual" Holiday Tea Dance on Saturday December 19 and a "virtual" Happy New Year/Hogmanay Tea Dance on Saturday Jan 2 that enhanced round dancers holiday celebrations. The Ryders had a "virtual" dance on December 31, New Year's Eve to help dancers toast the New Year 2021 and enjoy their first dances in 2021.

With patience and perseverance, we will get through these difficult times. Stay healthy, patient and well and we look forward to a safe and prudent return to our favorite "social contact sport" -- round dancing -- as soon as schools and other local facilities reopen and vaccines become available to all our dancer friends, especially those who are most vulnerable to this pernicious coronavirus.

Tracking Back to “Get Your Kicks On Route 66”

by Directors:
Bobbi & Jeff Fuhr
Linda & Steve Toth

We only have a couple of more days in 2020 and it was one that was not good for our favorite activity. We have lost so many wonderful people and many of them dancers, callers and cuers. We want to keep everyone in our thoughts and prayers. It is also so hard to not see our friends, stay home and the hardest part is to watch TV. How do people do that all of their lives? Steve and I are on the run seven days a week and never just sit and watch television – it is awful plus it is depressing. I love to be around happy dancers and can't wait to be back in the fold again and start having fun. One good thing has happened for us anyway – we had the downstairs completely remodeled and it is beautiful. We had 110 boxes of books and “stuff” in

the living room and dining room for a few months, but now most things are put away. If we hadn't been locked in the house it probably would have taken us 5 years to get everything put away.

We all will be ready for the WASCA Festival in 2022 and we are working away at it. We are keeping with our theme of – On The Road Again – Route 66. We will keep our 50's theme with the poodle skirts and leather jackets. The colors are still going to be the Silver, Black and Turquoise, but any colors will do and as we saw with some of your outfits – Scottie dogs work well too on the skirts. We just want you to have a ball.

The hotel is working with us and hopefully everyone will be healthy by then. We were so afraid for this March. We had to make a decision because if we waited and had to cancel in December which looks like we would have, we would have had a huge bill from the hotel. As it was, we had to pay over \$12,000 to cancel the contract. We could not take a chance of not being able to make our room nights and having to pay for the ballrooms. It was such a hard decision, but to keep us all safe, it was a good decision. With the vaccine we are hoping that we can all get the first one in February/March and the second one in April/May or there about – we should all be healthy and be able to strip off our masks and hug our friends. It will be on everyone's wish list for 2021 is Good Health for us all.

We wish you all a Happy and very Healthy New Year in 2021!!!!!!!!!!!!

33rd Virginia State Convention, Williamsburg VA 2021

Convention Update by Tom & Nancy Stafford

The 2021 VA State Convention Is still being planned. Several companies have asked for emergency approval for new COVID-19 vaccines. Governor Northam has been making distribution plans. We may get the chance to get vaccinated next Spring before the 2021 Convention. If dancers get vaccinated and the Governor allows large groups we will hold the 2021 Convention.

The VASARDA Presidents, Nick and Chris Capozio, Co Directors Jeanette Lockhart and Tom and Nancy Stafford met with Bill Saccardi, sales representative, at the Fort Magruder Inn and Conference Center on November 19, 2020. Mr. Saccardi was very supportive of our having the State Convention. He said that what was important was to keep our dancers and his staff safe. Fort Magruder Inn will have all safety protocols in place. We were very happy that the Fort Magruder Inn is willing to work with the 2021 VA Convention so that we can host a safe place to dance.

If your registration was rolled over from the 2020 VA State Convention, you will need to submit a new 2021 registration with the top filled out and marked ROLL OVER on the form. This helps the Registrars know that you are planning to attend so that your registration packet can be made. If you haven't registered yet, please register.

Please make your hotel registration. The information is on the 2021 VA State flyer which is in this issue. You will need the code to get the Convention rate.

We need you to advertise. Contact Darrella Deubel at thedeubels@cox.net to place your ad. She will be happy to help you.

We are planning on a Wednesday special event. We will publish the information as soon as we have it. We are working with the Williamsburg Tourism Department.

If you have any suggestions for the 2021 Virginia State Convention, please let us know. The Committee is planning a really fun Convention..

**Single Square Dancers USA will be celebrating 50th years of dancing
SSDUSA's 50th Dance-A-Rama Festival
To Be Held on Labor Day Weekend of 2021.**

Since the COVID-19 virus forced Single Square Dancers USA to cancel our 50th Dance-A-Rama festival that was scheduled for Labor Day weekend of 2020, the SSDUSA Board has secured a venue to celebrate our 50 years of dancing with a final Dance-A-Rama festival with a one year gap. We have signed a contract with the Airport Holiday Inn in Des Moines, Iowa to hold our Dance-A-Rama festival there on Labor Day weekend of 2021. Amenities at this hotel include refrigerators, microwaves, and free Wi Fi in the rooms. They have a full service restaurant and a free shuttle that runs within a two mile radius of the hotel, You can use Uber, Lyft, or Taxis to get to the downtown or other places in the local area. There is plenty of free parking at the hotel and a free shuttle (Keck) from/to the nearby Des Moines airport which is just minutes from the hotel, basically just down the street. Dancers may even want to find time to enjoy the hotels unique Tropical Courtyard with indoor pool and whirlpool. Some of you may remember this hotel from when we held our Dance-A-Rama there in 2012. The hotel has done extensive remodeling since then and all dancing will be on one level this year. Iowa's State Square Dance Convention will be held there in the spring of 2021

We are pleased and excited that we will still have the entire outstanding line-up of callers and cuers that were to entertain us in 2020: Callers: **Jack Pladdys** (OH), **Tim Tyl** (TX), **Tom Davis** (OH) and **Travis Cook** (KY), and Cuers: **Phyllis Burdette** (OH) and **Bonnie Lawrence** (IN) (with Bonnie also teaching and leading line dances).

I will serve as Chairperson in charge of our festival, and am excited to welcome you back to Des Moines. I am already busy looking for places for us to go on tours. Take a look below at some of the interesting and beautiful sites that Iowa has to offer. The Capitol, Sculpture Park and our Art Center are free. There is a free shuttle that operates in the downtown loop (from the Capitol to the Sculpture Park). Come early or stay late and see what you didn't get to see in 2012 or when the National was here in 2016.

Don't forget that ALL square and round dancers are welcome at our Dance-A-Rama festivals. You can now download our Registration Form from the SSDUSA website: dar2021.ssdusa.org. We hope to see you in Iowa!

Jerry Lee Story

June 21, 1955 ~ December 19, 2020

Jerry Lee Story age 65 of Fairfield, passed away Saturday, December 19, 2020, at the University of Iowa Hospital and Clinic.

Jerry was born June 21, 1955, to Kenneth and Marian (Hammond) Story in Keokuk, IA. He married Kristine Sue Laux on July 25, 1976 in Fairfield, Iowa.

Jerry graduated from Fairfield High School Class of 1973. He was an International Square Dance caller and local business owner. Jerry enjoyed shooting pool and going to the gun range. He was a Green Bay Packers fan and enjoyed watching FOX news.

Jerry used his love of music to honor the Lord by making a Gospel CD "Wings of a Dove". Jerry was known for his sense of humor and his story telling. What he loved most was spending time with his kids and grandkids.

He will be missed by his wife, Kristy of Fairfield; his two sons, Joshua (Esther) Story of Navarre, FL and Jacob (Som) Story of Fairfield; his grandsons, Seth, Luke, and Nathan Story; his two sisters, Jeanie Ludeking of Knoxville, TN and Jane (John) Kurt of Minnesota; and numerous nieces and nephews.

Jerry was preceded in death by his parents, Kenneth and Marian.

In – lieu of flowers, memorials may be made to St. Jude Hospital or Ronald McDonald House. Cards and memorials may be sent to Kristy Story, 2270 Marigold Blvd., Fairfield, Iowa 52556.

A GofundMe has been set up for Kristy's benefit: <https://www.gofundme.com/ff/jerry-and-kristy-story>

From the 2019 WASCA Festival Program Book

Jerry began calling in 1969 at the age of 14. In 1976, he married his high school sweetheart, Kristy, who was in his second beginner class. Two children, Joshua & Jacob, soon followed and his career picked up momentum.

He found himself touring full time calling dances and festivals coast to coast and around the world. Early in his career he traveled to Saudi Arabia 10 consecutive years calling for several Western companies where many recordings of Jerry's calling and teaching were made & distributed throughout Sweden and around the world. Due to this distribution, Modern Western Square Dancing exploded in Sweden and other places around the world. Many young Swedish callers learned to call from these recordings and are still calling today. Jerry and Kristy raised their sons in Mission, Texas while operating a very exciting square dancing program at the Peppermint Palace in El Valle Del Sol RV Park since 1983.

Jerry is co-owner of Royal Records and has numerous hit records. His gospel CD "Wings of a Dove", recorded in Nashville, sold thousands of copies worldwide. Jerry is proud to have been part of the McAllen Callers Association & promoting McAllen, Texas as the Square Dance Capital of the World by holding the "World's Largest Beginner Classes." He also served as a Board of Governors member in CALLERLAB and is dedicated to the preservation of Modern Western Square Dancing. He says the secret will be creating a more sustainable direction for the activity. Jerry lives and calls in Fairfield, Iowa and is co-owner of Pride Resorts RV camp in Maggie Valley, NC. Jerry called for the WASCA Festival in 2016, 2017 & 2019. He had been scheduled to call in 2021.

Jerry Story (continued)

From Steve Kopman

I wanted to share my best and worst calling experience of all time that happened to involve Jerry.

Best: I had received a cassette tape of Jerry calling Fisherman's Luck from a dancer. I listened to it with amazement. How could anyone talk that fast? Where did he take a breath? I kept listening and listening and started to copy Jerry's version of the singing call. I practiced it so many times I got tired of singing the melody and started practice calling it with Jerry in harmony, word for word. Now if you've ever heard Fisherman's Luck this was an unimaginative challenge.

Not long after I was booked to call a festival in St. Louis that Jerry was also featured. Sometime on Saturday we were slated to call in the A2 hall together. At the completion of the hour I said to Jerry, let's call a singing call and put on Fisherman's Luck. Jerry's eyes got HUGE when he heard the introduction and I whispered to just call it like he normally does. And from the very 1st words "well, the 4 little ladies gonna chain the ring" we called word for word in harmony. This was, without a doubt, the highlight of my calling career. First, I got to call with Jerry Story a legend in our business, and I got to surprise him with one of the songs that he was most famous for. At the completion I was emotionally exhausted and we looked at each other and just knew this was something special.

Worst: I signed up to call at the National Square dance convention in Salt Lake City. Prior to the convention I received my calling assignments and was thrilled to see I had an 8:40P spot in the Plus hall. Now, Kopman's don't often get spots like this in the plus hall at nationals so I was beside myself with excitement. That was until I arrived in the hotel in Utah. I picked up my program book and like most callers looked to see who was in front of me at my Plus spot. And, of course, you've figured out it was Jerry Story. I called my dad's room and he picked up the phone and I said "Sh*t"... That was all. Apparently he'd looked too and said, hey, at least you're gonna have a good crowd. UGGGGGGGGHHHH!!!! (That actually turned out to be incorrect).

At all national conventions you have to sign into the room 45 minutes ahead of time or lose your spot. As I arrived in the monstrous hall I noticed square after square running into the room to get their spot. At first there were about 5 squares in the hall. But within 10 minutes prior to Jerry's spot there were now 100. I'm watching the convention center room fill up with excited dancers waiting to get to dance to Jerry for 10 minutes. Where did they all come from? By the time Jerry walked up the stairs onto the giant stage there were now about 150 squares on the floor. There was an insane buzz in the hall. He plugged in his mic and simply said "howdy". And the crowd yelled back "howdy". Then Jerry did it again. He yelled "howdy" and the crowd screamed back "howdy". My heart was pounding. I was afraid to look down at my chest because I knew I'd see my heart beating through my body. Jerry said ONE WORD and had the crowd eating out of the palm of his hands. I thought it couldn't get better than this, but it did. Jerry took those screaming dancers and for 10 minutes did what he did best. He had the dancers moving continuously with amazing flow and they were screaming at the completion of every sequence. I was an emotional wreck. By the time he finished the dancers were exhausted and so was I. The room emptied as quick as it filled up which might have been a good thing for me. This was, no doubt the worst experience of my calling career.

I was blown away by the fact Jerry could, in seconds, create an experience for the dancers that could not be accomplished by anyone else in our activity. He was the consummate entertainer.

There were many more exciting things I could share of experiences calling with Jerry and might save them for a later date. I feel blessed to have had the opportunity to work with him. It was truly the highlight of my calling career.

He will be sorely missed but today I put on a CD in the car with me, Jerry, Tony and Pat Barbour from a festival in the 80's in Myrtle Beach and just smiled. Another cherished memory of having the privilege of working with the best in our business.

Square dancing will not be the same without him.

From Tony Oxendine

Jerry had been a full-time caller for over 40 years calling in all 50 states and numerous foreign countries. In the square dance world, his was truly a household name. In addition, Jerry and Kristy owned a small bar(The Hideaway) in Fairfield, IA.

Like the rest of the world's full-time callers, Jerry's income completely dried up during the pandemic. In addition, the Hideaway had to close as well. In April, Jerry and Kristy both were hospitalized after being diagnosed with Covid 19. Prior to his death, he was in the ICU Unit of Iowa University Hospital for almost 4 weeks undergoing multiple surgeries, an amputation of his leg, and a barrage of tests.

Jerry had devoted his life to our great activity. His amazing choreography and unbridled enthusiasm has thrilled thousands and thousands of dancers worldwide for almost half a century. He has taught hundreds of callers in various callers schools. He was the pioneer in getting the SSD Program established. He will be remembered as one of the best callers our activity has produced. This is an opportunity for the square dance world to give back. Kristy needs our help. With Jerry's death, Kristy is now saddled with negotiating a growing mountain of medical and household debt. A GoFundMe has been established at <https://www.gofundme.com/f/jerry-and-kristy-story> All funds that are collected will be used to provide some financial stability for Kristy as she goes through this long recovery period. Thank you in advance so very much for anything you are able to donate to help. If you prefer to write a check, please contact me through GoFundMe for details.

Judy Soffler

December 3, 1940 - December 7, 2020

From Sam Soffler

I am sad to say Judy Soffler, my beloved wife of 58 years, passed away on December 7, 2020, four days after her 80th birthday.

Judy was born in New York City and grew up in the borough of the Bronx in New York City. She graduated from the Bronx High School of Science and from Queens College and earned a Master Degree in Biostatistics from Columbia University. Upon graduation Judy worked for Bankers Trust Bank and a Medical Insurance Company. I a

Following the birth of our first child, Suzy, Judy became a devoted full time mother and later a grandmother. She was also a fond nurturer of cats and plants. Judy enjoyed visiting botanical gardens, such as New York Botanical and Brookside Gardens. She knew the names of many plants and sought the names of unknown ones she came across. In addition to plants, she was similarly interested in and knowledgeable about the names of birds and dogs.

A favorite form of recreation for Judy was Israeli folk dancing at which she attained the level of Advanced at one time. Judy enjoyed Square Dancing, which she danced at the Advanced Level.

Judy was very much concerned about the environment and human rights for ALL people. She regularly supported and donated to organizations dedicated to these causes. I was very fortunate to have met, married and have Judy with me for all these years. She will be missed by me, our children, our grandchildren, her cousins, and dear friends.

The United Square Dancers of America's Social Media Committee

Proudly Introduces Our New *Zoom* Series *Beyond the Dance Floor*

Dancing — We all miss dancing! The great news is, as a community we've been adapting to "the new normal". It's been wonderful to see callers and cuers set up virtual dance events. Online groups have been set up to discuss returning to dancing and what precautions need to be taken. IAGSDC even transitioned their International Convention into a "home edition" with virtual dancing and live online activities. Happily, in some areas of the country, clubs are cautiously and carefully beginning to dance again, but there is still more to do.

The **United Square Dancers of America** — USDA — your National dancers' organization, is excited to introduce a monthly series of web-based programs via *Zoom* to support clubs on the business and marketing end of our activity. The programs will be used to introduce more dancers across the country to who/what USDA is, the programs and services we provide, and a way to keep square and round dancing in the forefront of people's thoughts even if they aren't able to get together on the dance floor.

Beyond The Dance Floor – It takes a lot of effort and organizational skills to keep our favorite activity alive and USDA is here to help. From bylaws to event planning, club officer duties, promotion, communications, newsletters, youth and handicapable programs – this series is designed to help groups across the country build and grow your clubs.

Workshops are scheduled to last 90-minutes to allow plenty of time for questions & answers, plus we will welcome input from participants. Our first workshop launches on Saturday, October 10th and our complete schedule is listed on the subsequent pages.

Watch your email, our website and Facebook for links to the actual, **FREE** workshops.

CHOREO CORNER

with Dick Otis

It's New Year's Eve, and finally things are starting to change. Yes, it will still be a few months yet, but we can see the light at the end of the tunnel. By my count there are now 3 approved COVID-19 vaccines and one "emergency" use.

- Pfizer-BioNTech Vaccine - first kid off the block. US
- Moderna Vaccine - close second, US
- Sinopharm COVID-19 Vaccine - China

Oxford-AstraZebeca Vaccine - UK emergency use
 This are all two dose vaccines, with several weeks in-between shots.

One promising vaccine still in clinical trials is one by Johnson and Johnson. Unlike the approved vaccines, this one is a single shot, recombinant adenovirus vaccine that uses a live pathogen believed to be 97% effective.

As of tonight, here is the world status on Vaccine Development. Researchers are currently testing 64 vaccines in clinical trials on humans, and 19 have reached the final stages of testing. At least 85 preclinical vaccines are under active investigation in animals.

So what does this mean for square dancing? Well it's only my educated guess, but sometime between May and August of 2021 we should be working back to "normal".

During the past six months lots has happened. We've lost callers and dancers to the pandemic and/or other illness. Most dancers have not been dancing at all, and assuming they return (some will not), we will have less dancers, many of which will need some refresher workshops.

predict these dancers will be the core of our returning club members. But we will have to work hard at encouraging new to join our activity to survive and prosper. Folks, it's not too late to join in the Virtual Square Dance fun. Find dances at:

Facebook:

<https://www.facebook.com/groups/Virtual-SquareDances>

<https://www.wheresthedance.com>

On a personal note, along with Gary Felson, I just finished a Advanced Dance, 22 week course on Advanced Calls which can be done in a mini-square. It was a very valuable experience - both for the dancers and for the callers. I plan to continue calling virtual Advanced dances with Gary and other Callers on Wednesday nights through the winter and springtime.

Next on my planning list, is a virtual four week Plus Refresher course. I hope to announce this schedule soon. If you are interested in attending, shoot me an email at dick.otis@me.com

I'll finish up this edition with a reminder for everyone to look forward to the coming year. I hope to see everyone in person dancing on the floor soon.

January-February 2021
By Tom & Nancy Stafford

WASCA held its first ever Virtual Delegates' meeting on Sunday, November 8, 2020. We actually felt that the online meeting worked really well. WASCA currently has 60 member clubs. There were 52 clubs represented at the online meeting. Our biggest challenge was making sure that we had every club checked in but the Delegates were happy to help us in getting their club recognized.

The next Delegates meeting will be held virtually and is currently scheduled for February 28, 2021 This is the Annual meeting for WASCA. At this meeting, there will be an election of the 2021/2022 WASCA officers and other Board members.

Because of the pandemic, we don't have much to report on club activities. We do know that the Merry Notes have cancelled all dancing through May 2021 and will hopefully start in September 2021.

If you haven't switched over to the new WASCA Listserver, please do so soon. The WASCA dances at Yahoo Groups was scheduled to end in December. The new WASCA Listserver will be the source for dance news once we get out of the pandemic. To subscribe, send an email to WASCA+sub-

scribe@googlegroups.com. In the body of your email, please let us know what your club affiliation is or reason for subscribing.

We would like to encourage dancers to volunteer to serve on the WASCA Board as well as in their local clubs. Several in the WASCA area also serve on various national organizations. We would like to see our clubs and organizations thrive by getting more people into square and round dancing. Volunteer and help your club and square and round dance organizations.

If your President/Manager, Delegate, or Alternate Delegate changes or has a change in address, etc. during the year, please send us the new name with the address, phone number and email address. We need the correct information so that we can send the WASCA Secretary the up to date information that she needs to email or mail the Delegate's minutes for the next meeting.

If you need further information or have a question about or correction for the Calls 'n' Cues Centerfold or WASCAclubs web site, please email us at membership@wascaclubs.com or drop us a note or phone message at 703-573-8378

AMYABLE ROUNDERS

Amy Shotting

Would you like to try Virtual Round dancing? Well, on Wednesday nights, you're invited to join Amyable Rounders in the comfort of your own home for a night of round dancing. Yep, date night in your own living room without the commute. :-)

When talking to many of dancers, the general sentiment was that they all missed round dancing, and many were afraid that they would forget everything they learned. Movement to music is good for the mind, body, and soul especially during these difficult times. So when our dancers reached out and asked us to try Zoom, we figured we'd give it a try; anything to help in whatever way we could.

We will alternate "Wednesday Workshop Night" with "Wednesday Dance Night".

--"Wednesday Workshop Night" - 8pm: We have been reviewing figures at the phase III-IV level with a few dances to warm up and cool down. We send out what we will be covering a day ahead so that our dancers, who have mixed skill levels, can decide if they want to join us.

--"Wednesday Dance Night" - Phase II - IV 8pm - 9pm: 7 dances / small break / 7 dances / Say goodnight, and if you wish..... 9:05 - 9:30: Diehard - phase IV-VI

If you are interested in joining our Amyable Rounders Wednesday Workshop &/or Dance, or have questions, please email me directly, KAShotting@aol.com, and I will be happy to talk to you and/or put you on my "Amy Zoom list".

One way or another (now or later), see you "on the Round dance floor."

BELAIR SQUARE CATS

Mike Herman

Snow may fall during the winter but our club members are busy participating in virtual round/square dancing. The Belair Square Cats had three Zoom meetings in Nov/Dec. Our club President Diane Gill reviewed each evening theme & she discussed upcoming planned club activities. Fun games were played that included playing team Wheel of Fortune. Some club members gave updates about themselves. The club plans to have a Zoom New Year's Eve celebration on Dec 31st to welcome 2021. We are looking forward to when everyone can meet again on the dance floor in person. Please stay safe this winter doing fun things.

BOOMERANGS TEACHING COUNCIL

Mary Sellman

Since it's almost impossible to learn to square dance 6 feet apart, Boomerangs Teaching Council and hopefully all of you, are keeping our distance and dances are canceled until we receive the "all clear". The next Beginning CTM Class session for new dancers has been postponed indefinitely. Until we can meet safely, keep your distance, wash your hands, stay healthy and safe! We look forward to seeing you on the dance floor soon!

Prospective students may contact the Boomerangs at 571-210-5480 for details/enroll in classes. Cost for all students is \$30 per 4 weeks with an \$8 charge for walk-ins. Please consult our website: Boomerangssquaredance.org for additional information.

Boomerang Classes normally meet every Wednesday evening from 7:30 to 9:00 at Lincolnia Senior Center, 4710 N. Chambliss St., Alexandria, VA 22312.

CRABTOWN SQUARES

Margaret & CT Montgomery

One of the highlights of the year for Crabtown Squares is usually our annual Toys for Tots Dance in December when we enjoy dancing with our many guests, visiting with the Marines and conducting the raffle of prizes donated by the local restaurants.

Unfortunately, due to the Covid restrictions, we were

unable to continue this tradition in 2020 though we hope that 2021 will give us the opportunity to do so again. This year, Crabtown Squares wanted to continue to support the Marines Toys for Tots program and were able to send a cash donation of \$600 using club funds and additional donations from club members.

We look forward to everyone being able to post more positive news and a return to normal activities as soon as possible.

Meanwhile – we send our best wishes for good health and happiness in 2021.

GERRYMANDERS OF MARYLAND

Ed Cragg

When actively dancing, the Gerrylanders dance two programs. On the 1st, 3rd and 5th Wednesdays we teach and dance floor level (to include beginner) from 7:30 - 8:30. After refreshments (usually to include ice cream) we dance full mainstream until 9:15 followed by easy plus / plus workshop for the rest of the evening. We end the

evening with and a full plus tip. We accept students beginning at any time on a pay each night attended basis. When they are present, we teach new students from 7:30 to 8:30 pm. We have been finding with the students we have been having are learning very fast with this program. It fits nicely with students who are taking lessons elsewhere but would like some more practice. The more regular they can come the faster they learn. Students still can pay on the quarterly basis if they wish or they can pay as you go basis of \$7 per night. Bruce Simperts and a guest caller (on 5th Wednesdays) preside.

On the 2nd and 4th Wednesday we dance a plus workshop from 7:30-8:00. Then from 8:00 until 9:30 we dance full plus. Kenny Farris is our caller. We dance at the North Chevy Chase Christian Church every Wednesday evening from 7:30 to 10:00. The cost is \$7.per night. Mr. Gerry-mander will be glad to answer any questions or give directions if you call him at 703-920-2624.

GOOD LUCK SQUARES

Ginny Fromel

We could not have our annual Thanksgiving Dinner Dance or enjoy our Holiday Dance with shared treats followed by our two home visits that helped celebrate the holidays and bring in the New Year. However, we did have a zoom dance on November 23rd with nine members in attendance, and we all had a great time! In the future, we will not be having a theme dance this coming January, but we will “find” a way to celebrate The Good Luck Squares' 31st Anniversary Dance. We hope to be dancing again sometime in the new future, which will be from 7:00 – 9:00 p.m. at Trinity Moravian Church in New Carrollton, MD. For information or directions call Ginny Fromel at 301-552-1576 or Jim Wass at 301-257-1348.el at 301-552-1576 or Jim Wass at 301-257-1348.

LAKE OF THE WOODS

Susan Thomas

Let me guess. Either your square dance club has not been dancing or you have looked for innovative ways to dance safely. Lake of the Woods started to do some touch free dancing in August. For several dances the group danced in two couple mini squares. There was plenty of hand sanitizer and hand washing even though we were not touching. Members wore masks and the chairs were spaced apart around the walls. No food or beverages were served. Members had been advised to bring any such items for

themselves. All dancers have worn masks, and the mini-squares have been socially distanced. Things have progressed and now by the end of the dances, Gene is calling for a full square. If you have not tried it, you might be surprised at just how much your brain expects your hands and arms to be involved in your square dancing moves. Gene Chamberlain has called for almost all the dances held since the pandemic. Other callers have cancelled due to health concerns or other matters.

In October the Lake of the Woods Club dressed in costumes in observance of Halloween. Ron Lipps dressed in hazmat attire and Steve Josephson impersonating a fisherman with his rod, reel, and net were awarded prizes for their costumes.

In November the dance was on the Friday of Veterans Day weekend. Many members showed their support of our veterans by donning outfits that featured the colors red, white and blue and /or other patriotic symbols. Again, Gene Chamberlain was our caller and the Club started the evening with mini squares before progressing to the normal four couple squares. The Club is fortunate to dance in the gym at the Community Center so there is plenty of air circulation and space to socially distance.

Due to COVID concerns, in December the Club did not have a dinner or pot luck meal. For the same reasons, Santa did not make an appearance this year. At the December dance there were not enough people to make two regular squares. At several of the other dances there were two regular squares. Perhaps, holiday conflicts or COVID concerns were the cause for the smaller gathering. Since the governor has limited group gatherings to 10 people effective December 14, 2020 and it is unlikely the restrictions will be lifted before January 31, the Club will not be dancing in January. The Club has dances and callers scheduled for 2021. There is no guarantee that the callers will not cancel due to COVID concerns, however.

Likewise, the consensus has been that dancers should be limited to members of the Club in order to limit the chance of spreading COVID from one part of the state to another. No food or beverages will be shared. Anyone needing a snack or beverage has been asked to provide their own.

Under normal circumstances Lake of the Woods dance on the 2nd, 4th, & 5th Fridays from 7:30-9:30 at the LOW Community Center, 110 Sweetbriar Park Rd, Locust Grove VA 22508. For more info contact . RYDER'S ROUNDERS

Ken and Bernie Ryder

Ryders Rounders dances and classes remain suspended for the rest of 2020 and into January 2021 due to the shutdown imposed by the coronavirus pandemic. Unfortunately, despite the approval and distribution of the first coronavirus vaccine and the hoped rapid succession of several others, Fairfax County public schools, community centers and churches remain closed and are likely to remain so until some time into 2021. Whenever Hope Lutheran Church, St Barnabas Episcopal church and other public facilities open and the coronavirus vaccines become available for safe and prudent in-person dancing, we will resume dancing every Monday night throughout the year from 7:30 to 9:30 PM at Hope Lutheran Church and every Thursday night from 7:00 to 9:30 PM at St Barnabas Episcopal Church on Ravensworth Rd in Annandale. Our Sunday and Monday classes will also remain suspended until our local schools and churches become available in 2021.

In the meantime, we have been "virtual/distance" round dancing using JITSY web meeting technology with many of our Ryders Rounders and other dancers. We have even managed to have some "virtual party" dances, including our annual Christmas party dance on Monday December 21. We also enjoyed dancing on New Year's Eve to welcome the New Year 2021 and have our first few dances in 2021. We couldn't enjoy sharing goodies with everyone, but everyone enjoyed "seeing" everyone dancing in the Holiday garb. Our dances begin at 7:30 PM every Monday night. While not a perfect substitute for our normal in-person dancing -- we can't enjoy partying with everyone as we often do at Ryders Rounders -- it appears to be an acceptable alternative for everyone to enjoy what Ken still calls our "social contact sport". Hopefully, we'll be able to return to in-person dancing later in 2021.

If you have any questions or need more information about the clubs, the workshops, or beginner lessons, please call Berni and Ken at 703 323-6615.

The second shows Caller Steve Lucius who celebrates his Birthday February 6, 2021 and the third shows Gloria Garrett who celebrates her Birthday on February 17, 2021. C.L.O.G. - 37th National Convention - July 22-24 - 2021

For the Love of Clogging

Clogging is a dance form that combined percussive footwork with Appalachian figure dancing in the 1920s, and has evolved constantly ever since. We continue to celebrate our 'hoedown' roots, while also enjoying new ways for people to move with and without partners, and connect rhythms with music—from hip hop to country western and everything in between.

C.L.O.G. is a leadership organization that fosters education, networking, and a family-friendly environment for those who love to clog. We are proud to engage cloggers of all ages, levels and aspirations.
