## There is Good News There is Bad News

The good news is that as I write this the FDA has approved vaccinations for children 5-11. The bad news is that my 10yr old grandson has contracted Covid. He is on the road to recovery, but we do not know what (if any) "long haul" problems he might have. Additional good news - neither of his parents have contracted the disease - vaccines do work.

The next good news (again as I write this) is that infection rates in Montgomery County fell below 50 per 100,000 residents for seven consecutive days so the county lifted its mask mandate the Thursday before Halloween. The bad news is that on the Friday before Halloween the infection rate rose to 50.6 per 100,000 and according to the regulation they adopted, the mask mandate may need to be reimposed. The county officials will meet during the first week of November to decide what to do. The good news with respect to that decision is that the county has a 77% fully vaccinated rate.

Returning to bad news. Bill Harrison has been beat up by Covid. He was isolated for six weeks and spent a couple of more weeks recovering. The good news is that, while not 100%, he feels fine. He was vaccinated and it was never severe enough to require hospitalization. He is scheduled to participate in the NCA SLDA callers' clinic this last weekend in October. He has also announced he plans to restart his clubs this November.

Finally, even though dancing seems to be resuming with only minor glitches, I am going to continue publishing Calls'N'Cues bi-monthly for the next few issues. With respect to that, with all the activity that is now occurring over the summer, I don't think a single issue is appropriate for the summer. I am bouncing between monthly issues all year, and continuing the bi-monthly issues. I would be interested in dancers thoughts - particularly from those who submit articles.

And that is it for this issue - "see" you next time

## From the WASCA President's Corner

Daryl & John Davis  
(WASCA Presidents 2021-2022)

The 2021-2022 dance season has begun with many changes. Some clubs can dance in their normal venues, others have found alternate venues and still others are unable to dance at this time. We know that some dances are required to have masks and for others it is optional. I hope that as a dance community, we can be flexible and respectful of the mandates and personal choices. The past two years have been difficult for our community of dancers, so we look forward to opportunities to dance with all our friends.

Two very important things for our fellow dancers to consider within the next few months are nominations for the WASCA VP for the coming 2022-2023 dance year and WASCA festival directors for the 2024 festival. I know that I sound like a broken record on this, but we need new people to get involved on the WASCA board. As Vice President for the 2021-2022 term, you would be serving under CT and Margaret Montgomery as Presidents, so they will guide you well. We are also continuing on the board as past president and legal advisors. As you know we are making it easier to commit to the board by limiting the number of meetings we have and doing them virtually. The time commitment for the Board is minimal. We enjoy the inner workings of WASCA and getting to know dancers from all over our area. The board is made up of wonderful dancers who all perform their respective jobs well, so the position of VP is very simple. There are three main tasks, updating the delegates' handbook for the September meeting (we have this all electronically), receiving and presenting to the board all promotional fund requests and filling in for the President at meetings if they are absent. The rest is sharing your ideas for building up the dance community and making our activity the best it can be.

The WASCA Festival Director's position is currently open for the 2024 festival. All the callers and cuers have been hired, we just need the Festival Director. The person(s) who takes this position is the coordinator for all of the committees. They do not have to perform all of the jobs; they just need to manage their committee. The WASCA festival has written guidelines and timelines that make it easy to get things done and not miss anything. The 2024 Festival Directors would work as the Assistant Directors on the 2023 festival committee with Directors Rene and Mike Hermann and Ginny Frommel. This will be Rene and Mike's third time as a festival directors so you would be learning from the absolute best!! The director gets to choose the theme that is then approved by the board. They choose their committee members also. Many committee members like the jobs that they perform and come back year after year. You get to travel to theme dances and promote the festival with your committee and enjoy the limelight for a year. It is a bit more time consuming than the VP position, but a lot of fun. You can talk to any board member about your interest in either the VP position or the Festival Director position.

A point of information, we are currently the round dance program coordinators for the festival and are working on our dance database for the festival. If there are some newer dances that you would like added to the database, please email us and we will put them in if they are sufficiently popular. We have spoken to our local cuers for their suggestions also.

Thanks for supporting square and round dancing in the WASCA dance area. Keep dancing and inviting your friends and neighbors to come. This is an awesome activity and we want it to continue.

See you on the dance floor.

## NCASDLA President's Message By Dick Otis

Fall is in full swing now and Winter months are on the horizon.

Some NCASDLA callers and cuers get back to work as dancers cautiously venture out. While we are not out of the woods yet, with proper precaution we can enjoy our activity without much worry.

While the VASARDA Educational Seminar had to be cancelled this year due to facility issues, NCASDLA has the good fortune to have access to the Fairfax County owned Herndon Senior Center (Herndon, VA).

Halloween weekend many of our callers enjoyed a special two-day Caller School run by two! of Callerlab's 34 accredited caller coaches, Tom Miller and Bill Harrison.

As I write this, the school is next weekend but by the time you read this it will be a historical event. I'm excited that this year is providing a two-hour,

free Plus Dance featuring all the caller school attendees. You either participated (thank you) or you will have an opportunity next year when we plan to have a repeat caller school.

While COVID-19 initially limited attendance at area dances, as more dancers are feeling comfortable with our clubs' COVID precautions, dancers are coming back to the dance floor. We halted our planned 2nd Sunday of the month NCASDLA dances after the first dance in September due to turn-out and dancer concerns (and Thanksgiving and Christmas holidays). We plan to try again in 2022.

However, December will feature our annual Toys For Tots dance on the 2nd Sunday in December. So in actuality we only cancelled our October and November dance events.

We hope to see you all soon.

**President's**  
**Message**  
by  
Ken & Berni Ryder

After the depressing and discouraging 20+ months of quarantines, isolation, and economic shutdowns due to the coronavirus pandemic, it was exhilarating to see and dance with so many of our WASCA dancing friends at the RDTA's special "Masked" Fall Ball at the Herndon Senior Center on Sunday, October 24. Barbara and Tom Buchanan, Christina Eum, Dom and Joan Filardo, Eileen and Chip Hopper, and Berni and Ken Ryder joined together to provide dancers an outstanding and much needed opportunity to break out from our recent doldrums and enjoy our favorite "social contact sport" -- round dancing. It's been distressingly long, but at last many of our local dance clubs have been able to resume in-person dancing this fall.

In Maryland, Anne Arundel County schools have still not opened for dancing activities, but in the interim, Amy & Ken Shotting continue to offer "virtual [ZOOM]" dancing on Wednesday evenings and on Saturdays for special monthly dances. Barbara & Tom Buchanon have been dancing on Thursday nights at Christ Lutheran Church in Millersville MD and have recently resumed dancing on Wednesday evenings at Cardinal Forest Elementary School in Springfield VA. Dom & Joan Filardo continue to dance on Tuesday nights at the Knights Lodge in Ridge MD.

In Virginia, George & Jeannine Springer have resumed dancing in the Richmond area, Eileen & Chip Hopper are holding round dance lessons on Tuesday afternoons and evenings at the Coolwell Recreation Center near Amherst VA and the Center at Belvedere in Charlottesville VA. Christina Eum has started dancing on Monday evenings at the Herndon Senior Center. Berni and Ken Ryder have been dancing Monday afternoons at the Greenspring Community Center in Springfield VA and on Thursday evenings at St Barnabas Episcopal Church in Annandale VA. They have also resumed an intermediate workshop and a basic dance class on Sunday evenings at St Barnabas Episcopal Church. A number of other 2x2 clubs have begun dancing in the MD and VA areas.

Admittedly, we are not totally back to our pre-pandemic normality, since most of our venues require that we dance with masks covering our noses and mouths, consistent with state guidelines. Nevertheless, it is still wonderful to actually see and dance with all our dancing friends in person at various clubs and special dances. Stay safe and healthy. Please get your vaccine shots and booster shots to help avoid or minimize the effects of the covid virus's multiple variants. We'll look forward to seeing everyone on the dance floor in the near future.

**Long after the pandemic is over, less fortunate children and their families will still be struggling -- both economically and emotionally.**

**That's why I'm asking you to be a Secret Santa to a child in need now!**

Dear Friend,

**There was no envelope. No stamp. Just this tiny note folded up and left in the mailbox for Santa.**

As the mailman read the young girl's letter, he knew it called for quick action. It was just two days before Christmas!

He quickly delivered it to the local "Santa" he knew, his friend and fellow Marine Toys for Tots Coordinator Kevin Mallon.

Kevin didn't waste a minute. He went straight to work putting together a bag of toys for all three children.

And on Christmas Eve, the mailman went back to the house where he had picked up the note and left the gifts on their doorstep with a note that simply read, "Love, Santa."

The thought of children living in poverty going without a single present at Christmas is hard enough. But because of the pandemic, these children have suffered much more, both emotionally and educationally.

That's why we provided 1 million educational toys, books, and games to children in need during the spring and summer, distributing them with help from our friends at Good360.

**Your gift of \$10, \$15, \$25, or even a generous \$50 will help ensure we can "refill Santa's bag of toys" in time for Christmas, so no child goes without.**

## “Get Your Kicks on Route 66 – Back on The Road Again”

**See you in March of 2022**  
**We are starting the count down!!!!**

by Directors:  
Bobbi & Jeff Fuhr  
Linda & Steve Toth

We are on Route 66 again and took a little detour to Lusby Maryland. We had our first theme dance for the new improved “Back on the Road Again” 61st WASCA Spring Festival. It was so much fun to see everyone. We had between 3 and 4 squares dancing. Many from our committee were able to make it and the weather was perfect. It is just so great to be dancing again and the Aqua Squares is such a friendly club. We had fun dancing to Gary Felton. A huge thank you to Aqua Squares and to all our committee that were there to support the festival. We even got 3 registrations and some ads for our program book. It was quite a night.

The Aqua Squares had some of the decorations out that they will use in the room they are decorating for the festival. They also lent us a binder of the history of the Michelin Man and we will bring it to the theme dances for you to look at. Just a hint – he started out looking pretty mean

We had a meeting at the Hotel to tie down some questions we had. We met with our hotel representatives and in attendance was Steve and I, Bobbi & Jeff and Ed. We were concerned because we had lost the Retreat – the Retreat is being converted into apartments and we needed to make sure we had all the other space available to us. We can move some things around and still have plenty of space. In losing the Retreat, we will all be in the tower. Joe and Stephanie are working really hard to get us all in appropriate rooms. You need to register right away so you can get a room in the hotel. We lost about 100 rooms in the Retreat. There is still plenty of sleeping rooms, but you don’t want to be left out.

One of our big questions was on the elevators because we will all be using the elevators. We are happy to announce that as we speak, they are putting in **NEW high speed elevators** and we still have permission to use the service elevators also. In fact they are renovating the entire hotel and it should be first class. We had a sneak peek at the drawings and it is gorgeous. Our next task will be to work with the chef and plan our meals for March.

This year is going so fast. Thanksgiving is just around the corner hope everyone has a blessed one. We will be seeing you on the dance floor and there are so many special dances coming up. Look in Call’n’Cues for all of the write-ups and flyers. Remember that Rock’n’Roll is here to stay. March will be here before you know it and get your poodle skirts out and your blue suede shoes and get ready to cut the rug. The records are spinning for our sock Hop.

*Don't forget to register. Register and take care of your housing so you don't miss out.  
**It will be a great party.***

### Has your club scheduled a “Back on the Road Again” Theme Dance?

Our Festival Directors, Linda & Steve Toth and Bobbi & Jeff Fuhr, are anxious to begin visiting clubs. Why not invite them, along with members of the 61st Festival Committee and other WASCA Board members, to visit your club? They will share highlights of their plans for the 61st Festival, to be held March 17, 18, & 19, 2022 at the Hilton Alexandria Mark Center. Theme dances are intended to boost interest of club members and tends to encourage registering for this awesome event. ## IT'S BOOSTER TIME

I bet you thought I was talking about the COVID booster. Nope. This kind of Booster doesn't hurt. You don't have to drive anywhere or make an appointment. You don't even have to roll up your sleeve. All you have to do is collect a dollar from each club member and send it with a list of members to me.

If you have been to a WASCA festival, you know what an amazing event it is. Then you also know how much work and how much money it takes to put this festival together. Everyone can help, even if we don't take a position on the board. We can help by volunteering at the festival and sending in our Booster money. Just a dollar from everyone can really help. It's just one dollar to you, but added up it makes a difference and it helps the festival. Have a BOOSTER dance. Everyone will bring their dollar and then you send it to me with a list of your members. I will forward it to the treasurer. It adds up, it makes a difference, it helps.

Send your Booster dollars (checks made out to WASCA 2022) with your list of members to:

Paula Ropshaw  
P.O. Box 495  
Ridge, MD 20680

See you on the dance floor

# Hello WASCA Delegates, 61st Festival Committee Members, and Dancers

We hope you are all as excited that square dancing has started up again and the 61st WASCA Festival is returning! This means that we can look forward to a great dancing experience at the Festival in March. For this to happen, we need everyone to help by selling ads for the Festival Program Book.

There is an ad contract attached to this email for you to use to secure ads for the book. Each person who sells ads will have their name in a drawing for a \$50 gift certificate. This means your name goes in for each ad you sell. The more you sell, the more chance you have of winning.

Please talk to your club, your caller, your cuer and your club members about placing an ad in the program book. You can place a personal ad – is someone you know having a birthday at the time of the Festival? Put in a “Happy Birthday” ad to surprise them.

A full-page ad costs \$100 but if we get eight 1/8-page ads, that comes to \$200 so smaller may be better in this case. So, you see, selling small ads may be the way to go. Let’s make 2022 the best program book yet with more ads than ever. Sample ad sizes are shown below and the contract is found on the next page

Just a note: if you have someone interested in the cover ads, please check with us to be sure they are available. If you have any questions, please contact us at [thedeubels@cox.net](mailto:thedeubels@cox.net).

## Get Your Kicks On Route 66! Back on the Road Again The Machines That Built America

*After last month's family-oriented column on station wagons, this one will be rather less conservative. The machines that built American are.....motorcycles*

The answer to "Is Route 66 a good motorcycle trip?" could be "Route 66 is the road created in Heaven for motorcycle touring". Whether you actually own a "hog", or just dream of riding one, don your leathers and helmet, pack your saddlebags and rev your engines for an unforgettable two week trip!

Let's start at the beginning of Route 66, Chicago, the "Windy City", "Paris of the Prairie". Tool along Lakeshore Drive by Lake Michigan, stop by the "Bean" in Millennium Park, grab a drink in the Signature Room at the top of the Hancock Tower and finish off with some of the best comedy in America at Second City. Don't stay out too late - your trip south along the Pontiac Trail kicks off early. Along the Trail, you'll drop your kickstand at the Route 66 Museum. Listen to stories about the Mother Road, view memorabilia and artifacts, and experience the glory days of 66.

**Rt. 66 Museum, Pontiac**

**Heartland road**

Next, travel the heartland, through small towns and large cornfields on the mostly two-lane section of Route 66 to St. Louis. Roar over the Chain of Rocks bridge, where Rt. 66 crosses the Mississippi River, into "The Gateway to the West". Stay over and enjoy live music and BBQ ribs.

Ride through Missouri, stopping in Fanning to see the World's Largest Rocking Chair, tackle the twisting roads of Devil's Elbow, and overnight in Joplin, the city almost demolished by a tornado in 1911. Head towards Oklahoma and into Indian reservation country. Much of this land was resettled by Native American tribes, forced to migrate by the US government: Choctaw, Chickasaw, Seminole, Creek and Cherokee. This section also passes through the great cattle trails of the 1860s, used to move herds from Texas to the railhead at Abilene, Kansas. Slow down along the Chisholm Trail to visit another Rt. 66 Museum, in Clinton, before crossing the Texas Panhandle, the southernmost part of the Great Plains. View the Cadillac Ranch before taking a break at the midpoint of Rt. 66, Adrian, Texas. Park your bike in the ghost town of Glen Rio, where one foot is in Texas, the other in New Mexico.

Head into the High Plains of NM, where Comanches and cacti nod their heads as you breeze by at high altitude. Stop over night in Santa Fe, at 400 years old, one of America's oldest cities. Stay in first gear to enjoy the Southwestern architecture, the river valley of Taos or a mountain trail.

**Rt. 66 Museum, Clinton**

**Santa Fe Cathedral Basilica**

**NM highway & mountains**

Cruise into Arizona, to Petrified Forest National Park and the iconic Wigwam Motel, Holbrook. Cool your jets on the South Rim of the Grand Canyon to enjoy the sunset.

**Wigwam Motel**

**South Rim**

A detour to Las Vegas is mandatory for bikers, but first, see the Colorado River and traverse the top of the Hoover Dam. Next challenge is the Mojave Desert, with its volcanic rock and Joshua trees.

The final surge is across the Angeles Crest Highway, through the Angeles National Forest. This route, one of the top motorcycle rides in California, rises to over 2300 meters. Descend into the Los Angeles Basin and turn off the ignition on the Santa Monica Pier, the "End of the Trail".

NOTE: Thanks to Ed Cragg for the subject, and Eagle Rider for the tour notes.

## 46<sup>th</sup> TENNESSEE SQUARE AND ROUND DANCE CONVENTION

Five Lake of the Woods square dancers had a fabulous time attending the Tennessee State Square dance convention. More than 1100 dancers, filled the main hall with energy and excitement. A live band backed callers who traveled from clubs in all parts of the country. Song choices ran the gamut from the gospel "Victory in the Lord" to the 50s "Blue Suede Shoes" to the more current "Uptown Funk." We all agreed that the Tennessee State convention is on our schedule for next year.

**Single Square Dancers USA celebrated 50 years of dancing  
SSDUSA's 50<sup>th</sup> Dance-A-Rama Festival  
Was Held on Labor Day Weekend of 2021.**

At our 50th Dance-A-Rama I experienced mixed feelings. On the one hand, I was sad to see SSDUSA going out of existence after 50 years with the important mission of trying to promote square dance opportunities for single/solo dancers. However, our organization was no longer sustainable. Our DAR's had not attracted enough dancers and mostly had been losing money, plus we could not find new leaders to fill vacant board positions or to replace leaders who had been serving for years. Our lack of Regional Directors in some regions had resulted in areas where our DAR's were not being promoted. In recent years we could not find local dance organizations to sponsor DAR's, which meant that the SSDUSA Board ended up having the work and responsibility of putting on the DAR's ourselves. I also felt a tinge of sadness that since this was our last DAR, I probably would never see many of the dancers I had often seen at DAR's over the past 18 years. On the other hand, I felt relieved that this was the last year of doing the work and having the responsibility of putting on a DAR. Mostly I felt happy and grateful that we did not have to cancel our 50th DAR again (as we had in 2020) due to Covid-19 and that 212 dancers showed up, keeping the dance floors mostly full of dancers who appeared to be having a good time.

I want to thank our great staff, callers Jack Pladdys, Tim Tyl, Tom Davis and Travis Cook, and cuers Carolyn & Tony Ahart and Bonnie Lawrence, for keeping us dancing and making it FUN! I especially want to thank Susan Lee, who did an outstanding job serving in multiple roles: as Treasurer, Registration Chair and Chair in charge of the DAR itself. She also made all the arrangements for the tours, and both tours were great! I learned a lot I never knew about Madison County on the Thursday tour, even though I was born and lived there until age 13. I also want to thank the rest of our SSDUSA Board and Chairpersons for all that they contributed. Most of all, I want to say thank you to "each and every one of you" who attended. I agree with Susan that it was you, the dancers, who made the festival what it was. All in all, I also believe it was a great ending to 50 years.

Most of the space in the upcoming Intercom will be devoted to tributes to recognize dance leaders who have contributed their time and effort to putting on our annual Dance-A-Rama festivals, keeping our Single Square Dancers USA organization functioning, and/or helping to promote and support singles-friendly/solo-friendly dancing across our nation. This final "Intercom" will be viewable in November at [dar2021@ssdusa.org](mailto:dar2021@ssdusa.org). We certainly have failed to recognize numerous others who have also made great contributions. Just think of all of the people it has taken to keep SSDUSA going over the past fifty years! We apologize to all of the dance leaders that we have failed to recognize. We appreciate all the time and effort given by all the dance leaders over the years. Velma Doyle, SSDUSA President

### Take a break from dancing with these Evansville sites

EVANSVILLE — If you need a break from dancing at the 71<sup>st</sup> National Square Dance Convention® but want to stay in the air-conditioned indoors, the city of Evansville has plenty of places to spend a few hours.

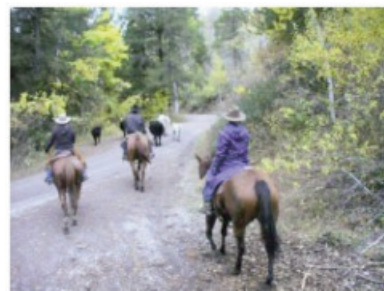

Evansville has plenty of museums if you find yourself in the mood to learn. The Evansville Museum of Arts, History & Science has more than 30,000 artifacts from all periods of history. The Koch Immersive Theater has a 360-degree digital projection featuring astronomy and science programming. The Evansville Museum Transportation Center concentrates on transportation from the 19<sup>th</sup> through the mid-20<sup>th</sup> centuries, including a three-car train and a model train diorama of the city. Evansville's Wartime Museum has airplanes, ships, tanks, and ammunition manufactured in Evansville during World War II, including a P-47.

Two historic homes may also be worth a visit. The Peters Margedant House was built by William Wesley Peters, first apprentice of Frank Lloyd Wright, and made USA Today's list of Top 25 buildings to see in Indiana. It's tiny, at 552 feet, but very influential in design. The Reitz Home Museum is a Victorian mansion with all the hallmarks of that era. Lush furniture, silk walls, and hand-painted ceilings can be seen throughout.

The Eastland Mall is a 10-minute drive away with chain and unique shops if you're in a shopping mood. More information about the convention is available at [71nsdc.org](https://71nsdc.org).

## What is a Trail Thru Dance?

A Trail Thru dance is a dance held “on-the-trail” to the National Square Dance Convention®. These special dances are sponsored by various groups, clubs, or organizations. Trail Thru Dances are usually held within a day’s drive of the host city for the National Convention. These dances are held to celebrate the visitation of dancers passing through the area “on-the-way” to the National Square Dance Convention®. Trail Thru Dances are not official convention dances, but they are an exciting part of the total National experience enjoyed every year by many dancers.

If you are driving to the 71st National Square Dance Convention® you should attend one or more of these unique dances. Known Trail Thru Dances will be listed on the 71<sup>st</sup> website, [71nsdc.org](http://71nsdc.org), and information provided by the sponsors will be used in other advertisements and press releases as appropriate.

Dancers traveling to the 71st National Square Dance Convention® should check [71nsdc.org](http://71nsdc.org) for the latest information on Trail Thru Dances taking place on their route and make plans to attend as many of these exciting dances as possible. Trail Thru Dances certainly will be a great way to relax and enjoy yourself with friends after a day of travel.

Visit our web site at [71nsdc.org](http://71nsdc.org), and check out “National Squares Online” E-Magazine at [nsdcnec.com](http://nsdcnec.com).

## Norva Pope

She felt a lump in her left breast a couple of months ago, the side where she had had previous breast cancer. She was quickly worked up and found to have a different cancer. This one was a Stage 1 (good and small) but Grade 3 (aggressively growing) cancer. It was recommended that because of previous radiation to that side and her general good health that she undergo a left mastectomy and it should be done quickly. So today at Mercy Hospital she has undergone a left mastectomy (not radical) and she is expected to be discharged tomorrow (September 16).

Please keep her in your prayers for a speedy recovery. Her spirits are good and she believes she is in Gods hands so she is confident she will be up and about soon. She needs to recover quickly because she and I are scheduled to leave on a cruise to Panama in November.

Cards can be sent to Norva Pope, 15 Melville RdPasadena MD 21122

# Ellen Weber

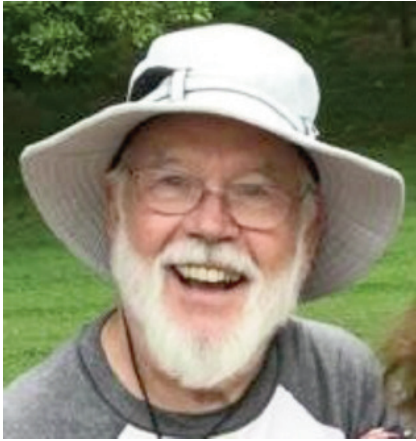

November 25, 1946 - September 23, 2021,

Ellen was called home to her eternal rest on September 23, 2021. She was the second child of the late Lt. Col. Albert J. Luban, U.S. Army(Ret.) and Helen E. Luban. Born in Brooklyn, New York, she spent her life traveling as an Army Brat with her family to many wonderful locations, such as Germany, England, Thailand, and other stations in the U.S. She is survived by her husband of 54 years, Louis N. Weber. She loved the theater and was in many performances throughout her life. She and Lou even met at a theater in Thailand.

Ellen and Lou started dancing with Norm Iglehart in 1991. They were members of the Diamond Wheels, Circulators, Circulating Diamonds, Crabtown Squares, Square Dealers, and the Belair Square Cats. Their motto was "Get Involved" because putting everyone's ideas together can only make square and round dancing better for all. Once they started to square dance, they were truly involved not only with WASCA, but MDSDF, Vasarda and the Nationals. They traveled to their first National Square Dance in 1992 in Cincinnati, Ohio with the Maryland City Maniacs-a group of friends made while learning to dance. They did their first volunteer position with the WASCA Festival Committee in 1992 as assistants to Ann and Andy Giancoli, the Sewing Panel Chairpersons. And, as Lou says, the rest is history. They had continued to volunteer on the Festival Committee for many years and served on any committee that needed help. Her favorites were Fashion Shows and After Party Shows and she was truly a star. They were Festival Directors for WASCA 2004 for "Wearin' O' the Green," the 45th Festival. They were WASCA Presidents in 2006-2007. They were very active with the 49th National Square Dance Convention and worked on several committees, including Business, Youth, Decorations, Publicity and Programing. They were the ARTS Representatives for the WASCA Board.

## James D. Allen

*December 7, 1939 - September 27, 2021*

James D. Allen died on September 27 of Burkitt's Lymphoma. Jim was born in 1939 on a farm in rural Ohio. After graduating from Ohio State University and earning his Masters degree at Virginia Polytechnic Institute as an electrical engineer, Jim embarked on a 50-year career as an Electronics Designer, Systems Engineer, Software Developer, Proposal Writer, and Management Consultant. He spent 25 years on U.S. Navy and Air Force programs, making significant contributions to major programs, including Peacekeeper Missile and the ICBM Minuteman Missile. He also worked on the SQQ-89 Navy Cruiser Combat System, GPS receivers in the F-16 Fighter Aircraft, and the National Missile Defense System. He was an active Senior Member of the Institute of Electrical and Electronic Engineers, serving in various branches and receiving multiple awards.

Jim and Mary, his surviving wife of 35 years, have enjoyed the love and support of their seven spectacular children, John (Alison), Matt (Beth), Chris (Ana), Ken (Connie), Shanua (Arshid) Joo, Bryan, and Ann Marie (Steve) Carr, as well as 11 amazing grandchildren. Back on the Ohio farm, Jim's sister Karen (Leon) Locke kept him up on the local happenings with their weekly phone conversations. Uncle Jim will be missed by his many nieces and nephews who enjoyed his visits home.

When Jim got a Fitbit, he began daily long neighborhood walks, chatting with everyone along the way. He earned a "Pole to Pole" award from Fitbit for walking 12,430 miles. Not content with walking the neighborhood, Jim also walked on the Great Wall of China, on Machu Pichu, at the Taj Mahal, around the Parthenon and in many foreign cities and towns. Jim also loved to square dance and was a member of several square dance clubs. Always interested in politics, Jim served for many years as Election Officer and Chief with the Fairfax County Board of Elections.

He lived life to the fullest and left many happy memories. Memorial service to be held from 2-4PM at Frying Pan Farm Park 2739 West Ox Road Herndon, VA on October 31, 2021. In lieu of flowers, please donate to your local PBS network or NPR.

Jim was a member of the Bizzy Bees Square Dance club

# CHOREO CORNER

with Dick Otis

It's been a slow start this fall getting back to dancing. It's not only dancers who may be a little rusty, Callers also find themselves a little rusty too! Even though I've been calling a lot of Zoom dances over the past two year, calling live to a full square is completely different. Regardless of what program you dance (Basic, Mainstream, Plus, Advanced, Challenge), both our memories and our muscle memories are a little out of shape.

Let's take a look at a Basic Program call that can be challenging to dancers at any level. It's not difficult (that's why it is on the Basic Program) but the calls that follow can trip you up if you are not careful.

The call is **Box the Gnat**. This is a gender specific call, e.g. for a man and lady only.

*Starting formation:* Facing Dancers

*Dancer action:* Dancers step forward, join and then raise their right hands. The lady steps forward and does a left- face U-Turn Back under the raised joined hands, as the man walks forward and around the lady while doing a right-face U-Turn Back. Each dancer ends in the other's starting position.

*Ending formation:* Facing Dancers with right hands joined in a handshake position.

So how is this call a problem? Mostly because dancers do not full turn through and end up facing the wrong direction. Note the call also ends facing the other person with right hands joined in a hand-shake position. Box the Gnat is often followed by a Pull By, Right & Left Grand or sometimes Square Thru 4.

But it could also be followed by say, Fan the Top.

From normal couples, the facing dancers would do the Box the Gnat, and then momentarily step to a wave and fan the top, with the boys doing the "fan" part. This is more difficult because the boys are holding onto the girl in front of them with a right hand. They have to change their focus to step forward a join left hands with the other boy for the Cast 3/4. In fact, any call which doesn't immediately use the right hand after a Box the Gnat is going to be more difficult.

Here's another follow-on call which is more difficult: Box the Gnat & Roll This call ends with a 1/2 Sashayed couple facing the opposite wall from where you started. The left hand is free for the next call, but since each dancer rolled a different direction the only comfortable next call has to move straight forward.

We are all aware that most square dance calls (not all however) have a left-hand version. Many dancers, especially if they haven't been taught left-handed calls, find the difficulty level higher. There is a left-hand version of Box the Gnat called Swat the Flea. (I guess someone doesn't like flying insects).

## Swat the Flea

Dancers step forward, join and then raise their left hands. The lady steps forward and does a right- face U-Turn Back under the raised joined hands, as the man walks forward and around the lady while doing a left-face U-Turn Back.

I hope you all come out and enjoy the Tots4Tots dancing on December 12th at the Herndon Senior Center, 1-5 PM. Maybe we call all kill some insects together!

**By Tom & Nancy Stafford**

It is beginning to look a lot like Fall in our neighborhood. We hope that you have found a club that is open and that you have been dancing. Many clubs are dancing. Some clubs have been able to dance in their regular venues; others are dancing in new venues and some clubs are waiting for 2022 or still searching for a venue. Please be sure to check with the club to make sure they are dancing if you have not seen a notice posted on the WASCA Listserv or MDSDf group list.

The WASCA Delegates meeting was held virtually on September 26, 2021. We know that it is nice to meet in person but some of our venues are still requiring social distancing and cannot handle groups. We do enjoy not having to drive to a meeting place! Fifty-five clubs were virtually represented at the meeting. Fifty-nine clubs are currently WASCA members.

The Toys for Tots dance will be held December 12, 2021 from 1:00 to 5:00 P.M. at the Herndon Senior Center in Herndon, VA. The Toys for Tots dance is chaired by Jim Wass and supported by WASCA. This is truly a worthwhile dance to attend. All toys and proceeds from this dance remain in the Washington area. There are many fun activities planned. Recommended donation is a new unopened toy or a minimum \$20 contribution per

couple or \$10.00 per person. The Herndon Senior Center requires that all dancers be vaccinated and wear masks.

If your President/Manager, Delegate, or Alternate Delegate changes or has a change in address, etc. during the year, please send us the new name with the address, phone number and email address. We need the correct information so that we can send the WASCA Secretary the up-to-date information that she needs to email or mail the Delegate's minutes for the next meeting. We also need the correct-up-to date info, including dance venues, for the insurance policy.

The next Delegates meeting will be a virtual meeting on February 27, 2022 from 3 to 5 PM. Plan to attend. Promote your club by telling the other delegates about your clubs' planned dances and other activities that your club is doing.

If you need further information or have a question about or correction for the Calls 'n' Cues Club Listing, please email us at [membership@wascaclubs.com](mailto:membership@wascaclubs.com) or drop us a note or phone message at 703-573-8378.

*Paula Ropshaw*

Hello from beautiful southern Maryland. Our Hallo-ween dance was cancelled because the senior center was closed because of the rain and winds. Good thing too, most of our members come over the Solomon's bridge, which is WAY high and scary during the good weather. We dance three dances in November: the 5th, 12th, and 19th. We are dark on the 26th for Thanksgiving. December we dance 3 Friday nights: 3rd, 10th, and the 17th is our Christmas Dance. Looking ahead, we dance 4 Fridays in January, February and March. Hard to believe we are already looking at 2022. We are all looking forward to the festival, seeing old friends and meeting new ones. Remember, we love company so we invite you to come down to our beautiful part of Maryland.

## BELAIR SQUARE CATS

*Mike Herman*

Belair Square Cats have had a busy fall so far with the club dancing resuming in September. Like so many of us, we have had to forsake some old traditions over the past months. Belair Square Cats decided not to do refreshments due to Covid. Then our schedule said "Harvest Pie Dance". So our club President, Diane Gill, suggested and made arrangements for club members to either donate pie with the Foods and Friends organization or donate to local food banks to help needy families. And so we are sharing pies with more than just the dancers that come out to dance on that night. The pie donation goes on through Thanksgiving, the length of the time Food and Friends runs its Thanksgiving Pie charity.

For November/December dances:

"Heroes Salute" 11/13/2021

Dayle Hodge caller / Dom Filardo cuer

"Leftover Turkey" 11/27/2021

Kent Forester caller / Christiana Eum cuer

"Jingle Bell Rock" 12/11/2021

Bill Harrison caller / Peg Kincaid cuer

Visitors are always welcome to come dance with the

club. It's always a fun evening with good calling, cueing, and fellowship. The club dances on the second and fourth Saturdays at St. Matthews United Methodist Church between hours 7:30 - 10pm. The church is located at 14900 Annapolis road, Bowie, MD 20715 on route 450 next to Bowie HS. The church asks that all visitors wear masks inside when not dancing and follow local C-19 protocol. For information please contact either: Diane Gill, President (301) 351-1369 OR Darlene Kress, VP (703)851-5348

See you soon on the dance floor.

## **FREDERICK COUNTY PROMENADERS**

*Jan and Alex Dommerich*

The Frederick County Promenaders are happy to be back dancing in-person. They are so grateful for the many guests who have joined them on the dance floor.

In November they'll be hosting two dances: "Veterans

Salute” on November 5 and “We are Thankful” on November 19 (there will be no potluck; everyone is encouraged to bring an item or two for the Frederick County Food Bank). December 3 will be their WASCA theme dance “Rock & Roll on Route 66”. Their “Holiday Colors Dance” on December 17 will be followed by caroling. All dances will be at the Mt. Pleasant Ruritan Club, 8101 Crum Road, Walkersville, MD from 7:30-10:00 PM. Mike McIntyre will be calling and cueing. Masks are required. Everyone is to bring their own snacks and drinks.

Many Promenaders are still talking about their last two summer events. Sixteen Promenaders and seven family members attended a Frederick Keys Baseball Game on July 30, celebrated a Keys’ win, and watched amazing fireworks. Fifteen members and one guest participated in a demo before the Baker Park Concert by the Frederick Symphony Orchestra and Prism Rock Band on August 29. Robert Abdinoor organized the event while Mike McIntyre did the excellent calling. Everyone had a good time!!!

Many members wore black, gold, and white (club colors) for our “Welcome Back Dance” on Sunday, September 5. Posters in memory of Sherry Downs and Don Gray were signed. Everyone helped Arlie Morgan of the Gadabouts celebrate his 94th birthday. Ron Welke won the drawing of the evening. Andrea Smith brought flowers for the “welcome table”. Mike McIntyre made all 36 people comfortable on the dance floor with his up-beat calling.

Three squares enjoyed the “Fall Colors Dance” on September 17. The dancers’ attire and Mike’s music gave a glimpse of the leaf colors and cooler weather to come. Robert Schneck won the drawing of the evening and Andrea Smith won the Web-site Trivia Contest sponsored and organized by Don Barber, web-site master. The club banner was hoisted on a newly donated banner stand.

Art LaVigne called the “Wild West Dance” on October 1 while Sheriff Ray Everitt (wore a huge badge and had the cutest horse) kept the 32 dancers in line at the Ru-

ritan Corral. Donna Reid won the drawing of the night, Jackie Armistead won the door prize and Andrea Smith won Website Trivia Contest #2. The western attire worn by many and Art’s lively music made for a fun evening.

Spooky music and calling by Mike McIntyre, neat costumes, lovely decorations, and 35 dancers were the keys to a super “Halloween Dance” on Sunday, October 10. Costume prizes (donated by Margie and Don Barber) were awarded to Jan Dommerich (Pumpkin Wizard) – most creative, Jimmie Powell (beekeeper) – scariest, and Ray Everett (Alpine dancer with unique mug) – funniest. The drawing was won by (nun) Bonnie Rohr, the door prize was won by Leslie Crosswhite, and Website Trivia Contest #3 was won by (cat) Andrea Smith. Linda & Ray Everett and Bonnie Rohr brought the decorations.

Classes are being taught Wednesday evenings 7:30-9:30 PM at the Ballenger Community Hall in Feagaville, MD by Dan Grimes. Usually there are three squares on the floor with students and angels.

### **GERRYMANDERS OF MARYLAND**

*Ed Cragg*

The Gerrymanders dance two programs. On the 1st, 3rd and 5th Wednesdays we teach and dance floor level (to include beginner) from 7:30 - 8:30. we dance full mainstream until 9:15 followed by easy plus / plus workshop for the rest of the evening. We end the evening with and a full plus tip. We accept students beginning at any time on a pay each night attended basis. When they are present, we teach new students from 7:30 to 8:30 pm. We have been finding with the students we have been having are learning very fast with this program. It fits nicely with students who are taking lessons elsewhere but would like some more practice. The more regular they can come the faster they learn. Students still can pay on the quarterly basis if they wish or they can pay as you go basis of \$7 per night. Bruce Simperts and a guest caller (on 5th Wednesdays) preside.

On the 2nd and 4th Wednesday we dance a plus workshop from 7:30-8:00. Then from 8:00 until 9:30 we dance full plus. Kenny Farris is our caller. We dance at the North Chevy Chase Christian Church every Wednesday evening from 7:30 to 10:00. The cost is \$7.per night. Mr. Gerry-mander will be glad to answer any questions or give directions if you call him at 703-920-2624.

One last note: we typically have either an equal gender balance or have more men than women.

### **GOOD LUCK SQUARES**

We are dancing again at the church, and we are trying to get back into a normal routine. We didn't celebrate any birthdays in October, but we have one in November and two more birthdays in December. We are hoping that this will be a great year of square dancing with our usual members and any guests; but for the time being, we are dancing in the church hall again. We have had to cancel some of our September and October dances, but the next few months should get us back on schedule. We will be posting our dances in the Calls & Cues in order to keep you informed and hope that you can join us for some great mainstream level dancing. ## **LAKE OF THE WOODS**

*Susan Thomas*

I suspect that many of you join me in welcoming the cooler days of autumn. For the dance on August 27 and again on September 10th the Lake of the Woods Square Dance Club invited persons who might be interested in learning to square dance to a "Free Drop in Dance". Callers Ken Jordan and Ben Brown respectively called tips where the prospective students could dance in a square in addition to watching the Lake of the Woods members dance Mainstream and Plus. On September 20th lessons sponsored by our club began with Gene Chamberlain as the instructor.

The Lake of the Woods Club has welcomed guest dancers from Tuckahoe Squares, Tidal Waves, and Circle Eight at recent dances. Since August 28th some of our members have gone other places to dance. They have danced at SVCC, Fluvanna Flutter Wheels, Circle Eight, and SVSARDA.

Five members took a longer trip. Linda Futato reported that five Lake of the Woods square dancers had a fabulous time attending the Tennessee State Square Dance Convention. More than 1100 dancers filled the main hall with energy and excitement. A live band backed callers who traveled from clubs in all parts of the country. Song choices ran the gamut from gospel "Victory in the Lord" to the fifties "Blue Suede Shoes" and from there to the more current "Uptown Funk". All five participants agreed that the Tennessee State Convention is on their schedule for next year.

In addition to teaching lessons, Gene Chamberlain kept the Club dancing on October 8th, and is scheduled to do so again on November 12th and December 10. On December 10th the Club will reserve tables in the Lake of the Woods Club House, and enjoy a holiday meal together before the dance. Ken Jordan will call again for us on October 22nd.

As Halloween approaches members will scratch their heads to try and figure out just how they should be dressed on October 29th when Charlie Shoemaker has members rushing to keep up with all of the calls.

Lake of the Woods dancers are also serving as angels on Monday evenings to help the students practice square dancing. Students are learning quickly. After a few more lessons they will be invited to attend club dances and special tips will be called to allow them to dance at the club dances,

It sounds like Lake of the Woods members and students will enjoy numerous dancing opportunities. Come and be our guest and join in the fun.

## MDSDF Ambassador Dance Program

For many years Emma Hahn coordinated a club visitation program she called the Ambassador Program. In her honor, and because it's such a good idea, the participating clubs are going to continue the program, and invite other clubs to join us. The procedures are simple:

- 1) Each participating club designates one dance as their Ambassador Dance, coordinating to avoid conflicts.
- 2) Each participating club agrees to send two dancers to each other club's Ambassador Dance.
- 3) At the dance, the host club introduces the Ambassadors and presents them with a token gift.
- 4) The sign-in sheets for each of these dances reside in a notebook representing in many ways the history of MDSDF.

Ambassador Dances are currently scheduled for November 5 (Tom Thumbs), November 19 (Friendship Squares), and March 27 (Four County Squares).

If your club would like to join the Ambassador Program, please respond to John Plaisdell and Tom Thumbs will be expecting you at the first dance of the series!

For nearly 50 years, Cornerstones has been helping neighbors in need overcome tough economic times in an already high cost-of-living region. We support the Reston Winter Clothing Collection site & Embry Rucker Shelter.

Embry Rucker Shelter is a 70-bed residential shelter that provides healthy, safe, emergency housing for families and single men and women. We are dedicated to helping our clients overcome the circumstances that led to their homelessness and facilitate their transition to stable housing.

Homestretch, for more than 30 years, has helped homeless families in Virginia become self-sufficient by giving them the skills, knowledge and hope they need to become productive participants in the community.

ShelterHouse was formed in 1981, as a grassroots responder to the homelessness crisis in Fairfax County. Community volunteers from several ecumenical groups joined together to help address the needs of their homeless neighbors. They started by providing direct emergency assistance - items such as blankets, food, and warm clothing were distributed from the trunks of their cars. We serve these specific shelters: Patrick Henry Family Shelter, Katherine Hanley Family Shelter & Artemis House.

Patrick Henry Family Shelter provides emergency shelter for 9 large families (5+members) with children who have been referred by Fairfax County Coordinated Services Planning (CSP). The shelter offers a variety of programs for children including tutoring, therapeutic services, and weekend activities; programs for adults include alcohol and drug education, literacy training, job coaching, parenting classes and counseling services. Average length of stay is approximately 90 days.

Katherine K. Hanley Family Shelter opened in 2007 and was the first emergency shelter in Fairfax County to adopt a rapid re-housing approach; an approach that was so successful, it has since been incorporated into all emergency shelters in Fairfax County. KHFS currently houses up to twelve families due to COVID restrictions, with the full capacity for 24 families. They serve both single and two parent households with children of all ages. The KHFS team works to determine active barriers that residents face and provide aid in housing, financial planning, employment, community building and more.

Artemis House is Fairfax County's only 24-hour emergency shelter for victims of domestic and sexual violence, stalking, and human trafficking.

Fairfax County is committed to nondiscrimination on the basis of disability in all county programs, services and activities. Reasonable accommodations will be provided upon request. For more information, call 703-324-4600, TTY 711.
