The Editor's Desk

Hello Everybody,

I must apologize that this issue is not as finished as I would like it to be. Between my computer dying and concentration problems while recovering from a knee replacement, I just didn't have the time I normally do to devote to preparing an issue.

Examples of this lack of time include the excessive white space through out this issue, how short this column is, that this issue is late coming out, and there is no birthdays and anniversaries page.

If you notice any glaring problems please contact me. I will be putting up a revision next week.

I will do better next issue.

Sunny days and cooler weather – perfect time to be returning to dancing again. There were a few cancellations of events due to concerns about the impact of hurricane Ian but it seemed that we were very fortunate to be only on the outer fringes of this damaging storm. Our thoughts go out to those in Florida and neighboring states who were in the direct path of the storm.

Take a look at the club flyers and special dance flyers in this publication and you will wish for more time to enjoy some of these events. Advertising does bring in more people to the various events. We recently danced with a visiting couple from Germany who were finding dances to attend in our area using this information. Really nice to meet new people this way.

We enjoyed attending the Pennsylvania Fabulous Fall Festival where we danced with some great callers including some that were new to us. Thanks to their festival committee for all the work and planning they put into this event.

In June of 2015 we had the opportunity to attend the 64th National Square Dance Convention in Springfield MA which was a great Convention for a lot of reasons. We attended an educational seminar titled “Operation Frontier”. The presenter was Dale Bennett who applied his experience in marketing and advertising to help Frontier Squares (Ohio) increase recruitment for new dancer classes. The seminar focused on their

current class which had started in early 2015. While the class was still in progress in June 2015, Frontier Squares recruitment had shown a surprising degree of success. For example, they had 102 visitors at their first three nights with 50 active dancers after 15 weeks of classes.

Over the years we have wondered if the Frontier Squares approach of 2015 was still in use and what changes they may have made. We discovered that Jack Pladdys who is Chairman of CALLERLAB's Marketing Committee and also calls for Frontier Squares was giving a USDA webinar on October 15, 2022 on Marketing Square Dancing. The first part of the webinar was devoted to the work that Callerlab was doing on marketing. In the latter part of his presentation he briefly discussed Frontier Squares current activity. The techniques seemed to be largely consistent with what was described in 2015. They still start classes in January although the speaker gave somewhat different reasons for why this helped them. They also used some of the same advertising techniques.

While I'm not sure that their methods are necessarily the best for all clubs, if you are active in planning new classes I would encourage you to take a look at the material at both the Callerlab site (look at Marketing under Committee) and the USDA webinar for Oct 15, 2022 at USDA.org.

Have fun – CT and Margaret

What Do Callers Think About

NCASDLA is holding a “Caller’s Workshop October 29-30, 2022. What does that mean? CALLERLAB has a list of topics that outline the things a caller needs to learn about. The curriculum is what most callers’ schools are based around. Below are many of the topics involved in being a caller.

CALLERLAB Caller School Curriculum

- Mechanics of Choreography
- Methods of Choreographic Management
- Music
- Teaching
- Programming
- Smooth Dancing and Body Flow
- Voice Delivery
- Timing
- Leadership
- Ethics
- Business Side of Calling
- Singing-Call Techniques
- Sound/Public-Address Equipment
- The Caller’s Partner
- Dancer Success
- Sociability
- Square Dance Party
- History, Heritage, and Tradition
- Self-Improvement Techniques

The topics can take an hour to present or as much as 10 hours to present. The presentation doesn’t teach how to call. It teaches what to learn about and how to learn. Its then up to the caller to do homework to internalize the material and change it from an academic subject to an internalized skill.

A workshop is different and it is not scripted by the CALLERLAB curriculum. The topics in this workshop were suggested by the NCASDLA membership. In other words, these are some of the things your caller(s) want to work on.

Workshop topics

1) Mike technique – What is it? What does it accomplish? How does a caller learn it/practice it? Can you hear the difference on a recording?

2) Moving from one formation to another, especially, into and out of each of the various arrangements, starting from normal couples back to normal couples.

3) Suggestions/Ideas for how to teach some of the more difficult-to-teach moves from the basic/mainstream/PLUS list.

4) Sight calling.

5) Setting up unique formations/arrangements and resolving the square from these formations and arrangements.

6) Level of difficulty. We use the phrase, but what is it and how do we utilize it. Why is spin chain the gears difficult? Why is “left fan the top” almost impossible for plus dancers to accomplish? What can we do to minimize level of difficulty without being just “plain vanilla”?

On average, there are approximately 2.5 seconds between calls during a patter. What does your caller think about between “swing thru” and “boys run”?

In order to call the next call, voice and music must work together or at least not compete for the dancers attention. The next call must “flow” to avoid jerky stop and go feelings and to avoid using the same hand twice. The call must be something the dancers have a good chance of accomplishing. This means having some balance between something they have done before (same old thing) and something completely unexpected. This balance has been referred to as “different but not difficult”. The call must be delivered clearly, so that hearing is not an impediment to success. This includes having the music at the correct volume, projecting the voice, using the microphone so that it is clear, not too loud (hurts the ears), and avoiding feedback from the sound system. The call has to be delivered at the correct time; enough before the next call has to be executed that the dancers can smoothly transition from one call to the next, but

not so soon that the dancers are still focused on executing the previous call. Finally, but maybe most importantly, how can the caller put everything together in a way that allows the dancers to have fun.

All of these factors contribute to dancer success and the caller has to evaluate these factors on average every 2.5 seconds during the entire patter.

All that said, your callers may be spending Saturday Oct 29 and Sunday Oct. 30 working on components of the above so that it is presented to you in a seamless flow that makes you think it is effortless. If you are interested in participating in this event, we need "human checkers". Come on out and help! RSVP to Gary Felton, <gdfelton@atlanticbb.net> and Dick Otis <dick.otis@me.com>

Greetings, WASCA dancers

The leaves are turning, the weather is cooling and we all are looking forward to a wonderful upcoming Holiday Season. We're thankful that we've been able to resume in person dancing with all our dancing friends at our local round dance and 2x2 clubs. Unfortunately, finding appropriate venues for special dances is not as easy as it used to be since not all local schools and other venues have made themselves available for dancing activity. We regret that RDTA will not have its annual Autumn Leaves Ball, but will hope to hold a special Ball this coming winter.

In the meantime, we think you will enjoy several special dances that will occur during this Holiday Season. On Saturday, November 12, the Virginia Caller Association will be holding their annual VASCA Symposium at the Bon Air United Methodist Church in Richmond VA. This event has a 2x2 dance in the evening, but will also feature round teaches and dances in the afternoon --from 1-4PM and a round dance party at 7PM. RDTA cuers teaching and cueing at this event include Calvin and Barbara Crofford, Christina Eum, Eileen and Chip Hopper, Jim and Kathie Klein, and Berni and

Ken Ryder. See the flyer later in this issue. On Sunday, December 4 at the Herndon Senior from 1-5PM, NCASDLA and the USMC Reserve will sponsor the 47th Annual Toys for Tots Square and Round Dance. Butch and Roberta Bloxom, Christina Eum and Berni and Ken Ryder will be cueing all your favorite seasonal round dances, while callers Virgil Forbes, Bill Harrison, Mac McCall, Dick Otis, Chris Stacey, and Jim Wass will be calling fun mainstream and plus squares. Check the flyer later in this issue for more details.

As a final reminder, don't overlook the opportunities for dancers to take some round dance lessons to learn a new rhythm, a different activity, or "brush up" on some rhythms you're still not fully comfortable dancing. See the information available on current Round Dance classes in the section on Dance Classes later in this Calls 'N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach a new rhythm.

We wish everyone a happy Holiday Season and hope to help celebrate that season seeing and dancing with all our WASCA round dancers at our local clubs and special dances.

62nd WASCA Spring Festival “WASCA’s Dancing Through the Cherry Blossoms.”

**by Directors:
Ginny Fromel and
Rene & Mike Hermann**

We are preparing to go “Dancing Through the Cherry Blossoms” at our WASCA 2023 Festival. Our festival flyer and editable registration form is on the wascaclubs.org site, which you can print out and mail in to get registered and make a room reservation. The official D.C. Cherry Blossom Festival starts as our festival ends, and you might want to arrange to see some of the events that will be happening at that time.

We are really excited about our callers and cuers for the festival, which you can find pictured on the back of our registration form. The callers include Jeremy Butler, Bill Harrison, Eric Henerlau, Tom Miller, Joe Saltel, Mike Seastrom, Mike Sikorsky, and Buddy Weaver. Our cuers will be Sherry & Rey Garza, Randy Lewis & Debbie Olsen, Marie & Randy Preskitt, and Tammy & Curt Worlock. There will also be some Line Dancing prompted by Donna & Doug Riley.

The 62nd WASCA Festival committee is working hard to get us back on track and increase our numbers, and we hope that you will enjoy all the fantastic decorations being prepared for the Dancing Through the Cherry Blossom Festival on March 16 – 18, 2023. We have quite a few volunteers helping to make this a really beautiful festival!

We have 15 clubs scheduled for Theme Dances to support the 62nd Festival! We have already participated in four of these theme dances, which produced a lot of publicity and fun for all of us. We are looking forward to visiting the rest of these clubs, and you can help support our festival by attending some of these theme dances yourself. The Festival Directors, Ginny Fromel and Rene’ & Mike Hermann, along with other members of the 62nd Festival Committee and other WASCA Board members, will be attending as many of these theme dance as possible. We will give you information about the upcoming festival, to be held March 16, 17, & 18, 2023 at the Hilton

Alexandria Mark Center. It’s an opportunity for us to tell you what is being planned, and the theme dance club collects our guest door fees! If you have not scheduled a theme dance and would like to, you need to contact Janet Kelley, at 703-437-4776 or FestivalThemeDance@WASCAClubs.com and set up your theme dance as soon as possible. Since our deadline for the festival hotel rates is February 4th, we want all theme dances scheduled prior to the 1st of February. But, you do not have to wait for your theme dance to register. Get registered, now! Then get on the dance floor to celebrate the upcoming festival and enjoy your theme dance instead of sitting out a tip or two to fill out your registration form.

We have reviewed all the survey forms and are making changes and improvements to make next year’s festival really great. We got quite a few comments on the Friday Night Dance, so we will be having GrooveQuest come back for another fantastic Sock Hop at the festival in 2023. We will have computer squares in our DBD, Advanced and Challenge Halls, and we are looking into a new program that will be more supportive of solo dancers. There will be specific locations in the Main Stream and Plus halls for those Solos that want to connect with a partner. Our Challenge dancers will be back downstairs in the Aspen Room, and our Sewing Program will be in the Walnut room upstairs. We have talked to three vendors about coming to the festival; but currently only have two of them contracted to come. We need to get more people registered in order to persuade our third vendor to make the trip to D.C. We are also looking for more Committee Members to complete our team. Advertising, Baskets, and Vendors could benefit from your help. Some of you might have made improvement suggestions on the survey and here is your chance to make it happen – Volunteer!

Advertisers Needed and Wanted to support our Program Book! This year’s Ad Contract will be in-

cluded in this Calls & Cues issue, and the 2023 Program Book will appear in the Calls & Cues for a year after the festival; and then, it will go into the archives and remain available. We hope you will support our Festival and WASCA as a whole by buying an Ad or selling an Ad or two to someone you know with a business. There are so many entrepreneurs out there now. Maybe they wish to advertise.

Now, we need to look to our Cherry Blossom Festival and Don't wait to Register. To promote our festival, we traveled to as many festivals as possible this past summer which included The National Convention in Evansville, Indiana; The Star-Spangled Banner Festival in Hunt Valley, Maryland; the

HASSDA festival in Saint Joseph, Missouri, and the Pennsylvania Fabulous Fall Festival in Gettysburg, Pa. We also had WASCA attendees put out a trifold and flyers at the Tennessee and North Carolina Square and Round Dance Festivals and quite a few of the other Round Dance festivals being held. However, if you plan on going to any other festivals and would be willing and able to take a small trifold and some flyers with you, please let us know.

We hope you are all staying safe and keeping busy. We all miss the dancing and personal interaction with friends and family, which is why it was really fantastic going to the festival this year. Hope to see you sometime soon on the dance floor!

62nd WASCA Festival – “Dancing Through the Cherry Blossoms” Theme Dance

Has your club considered scheduling a Theme Dance to support the 62nd Festival? Some “early birds” have already selected their dates. Hurry...your most desirable date may not be available! Why not invite the Festival Directors, Ginny Fromel and Rene’ & Mike Hermann, along with other members of the 62nd Festival Committee and other WASCA Board members, to visit your club?

They will share highlights of their plans for the upcoming festival, to be held March 16, 17, & 18, 2023 at the Hilton Alexandria Mark Center. It's an opportunity for us to tell you what is being planned, and your club collects our guest door fees! Remember if your club wishes to plan a date for a theme dance, you will need to check with me to see that your preferred date is still available. Schedule your theme dance early, and hopefully avoid cancellations due to any wintery conditions that may occur.

The Faces behind the Blossoms

In today's world, an 'internet sensation' goes 'viral', gaining instant recognition and popularity. But in the 'olden days', global familiarity was usually result of many individuals' efforts. Cherry blossoms' popularity is no exception.

Mrs. Eliza Ruhamah Scidmore, a globe-trotter when most women were homemakers, visited her brother, in the US Consular Service Japan in 1885. She was enchanted by the Japanese people, culture and the beautiful flowering trees. Upon her return, the author, travel-writer, newspaper correspondent and photographer, proposed to the U. S. Army Superintendent of the Office of Public Buildings and Grounds that the trees be planted along the recently reclaimed Potomac waterfront. She explained in a Washington Star article "...since they had to plant something in that great stretch of raw, reclaimed ground by the riverbank, since they had to hide those old dump heaps with something, they might as well plant the most beautiful thing in the world—the Japanese cherry tree." The superintendent rebuffed her request, claiming policeman would have to be stationed nearby 24/7 to keep young boys from climbing the trees to get at the fruit. When she replied that the trees bore no edible fruit, he responded "What! No cherries! No cherries! Huff! What good is that sort of cherry tree?". Undaunted, she repeated her request to every new Superintendent for the next 24 years, and com-

plained that her pleas "were of no avail, no matter how fervent, long or often repeated to successive indifferent and obdurate S.P.B.G.s (Superintendents of Public Buildings and Grounds)."

However, by the early 1900's, Department of Agriculture Plant Explorer Dr. David Fairchild had begun experiments with Japanese flowering trees, and was advocating their introduction to America. He planted several varieties in his own yard in Chevy Chase. His efforts bore fruit (!) in 1908, when DC schoolchildren planted them in schoolyards on Arbor Day. The day before the event, he spoke with Mrs. Scidmore about her idea for the Potomac River banks; in his Arbor Day speech, suggested planting the trees along present day Independence Avenue in Potomac Park.

Scidmore solicited annual subscriptions of one dollar from travelers who had seen the trees firsthand. She intended to use the funds to donate 100 trees per year, and wrote to First Lady Helen Taft, who was interested in beautifying the area. Mrs. Taft had herself seen the trees in Japan, and responded favorably.

Noted Japanese chemist Dr. Jokichi Takamine, who discovered adrenaline and takadiastase, learned of Mrs. Taft's interest during a visit to New York's Japanese Consul General Kokichi Mizuno. Takamine offered a gift of 2,000 to Mrs. Taft in the name of Tokyo. As we know, Mrs. Taft accepted the generous offer.

WHAT A HUGE SUCCESS OF A WEEKEND

HUGE THANK YOU TO ALL DANCERS AND EVERYONE WHO HELPED

The weekend started off with an Opening Dance evening with Tom Miller and Dayle Hodge calling and Chris Jopek and Steve Davis; Amy and Ken Shotting cueing. At one point we had 19 squares on the floor a couple of times that evening. My understanding with the people who were sitting out we could have had 23 squares dancing. It was great to have Chris and Amy do a duet for the round dancers. A welcome treat!!!! It was a great start to a wonderful weekend of dancing.

Friday was a good day but not without it challenges of only changing 4 halls in one day. It was good but also frustrating to see that we had more dancers than our Plus hall would accommodate and the round dance hall was not far behind that. It was one of the rooms that we needed to move because of air conditioning and sound issues. Many positive compliments on the dance flooring that we rented. Even had dancers from Michigan speak with Mr. Schlitter about the flooring and the availability of it.

This facility was not able to meet our dancer's needs for air conditioning and the sound was the other issue. In the Eisenhower ballrooms the walls were of an older divider and did not do a good job with the sound bleeding from one room to the other. They did do a good job with keeping water available for the dancers after Thursday evening. The grab and go was a hit for lunch and the evening dinner meal for \$20.00 was good for those who participated in that.

Dan Grimes was in charge of the Solo Dancers and had a wonderful site seeing walk for the dancers to do on Saturday morning. My understanding was this was successful and dancers that went did enjoy it. A total of 15 people attend the walk. Super job Dan!!

Dave Black was in charge of the caller/cuer lounge and did a super job of making sure that snacks and water was available for all of them. Dave even made sure to take drinks to the callers while they were calling. Super job Dave!!

Welcome to our Party Gras 2023!

Team Mobile is excited to invite all ya’ll to attend the 72nd National Square Dance Convention® in downtown Mobile, Alabama in June of 2023. Most of the Team has just returned from the 47th Tennessee Square & Round Dance Association (pictured above) where we had one heck of a good time dancing and promoting our Convention.

We have over 1,400 dancers registered so far and are hoping that number continues to grow as the Party time gets closer. We remind everyone we see that they will truly regret missing this one. So, if you don’t come Dance and Play on Mobile Bay and all your friends and fellow dancers come back talking about what a great time they had, don’t forget – we told you it was going to be awesome!

SOLO DANCERS

Y'ALL COME DANCE & PLAY ON MOBILE BAY!

SOLO RIBBONS

First things first - a "Solo Dancer" is simply a dancer without a partner. If you are "Single" and have a regular dance partner, you are NOT a Solo dancer. If you arrive as a Solo and partner up with someone for the duration of the convention, please remove your Solo ribbon as you are no longer in need of a partner.

SOLO MEET UPS

Throughout the day, we will identify varying dance halls on the Program with RED to indicate that this is where Solos can gather during these times and hopefully find partners.

MEET & GREET

Each morning, we will have a Solo "Meet & Greet" from 9:30-10 in the Mainstream Dance Hall. During this time you can mingle and fellowship with other solo dancers. From 10-10:30 we will have a "Solo Mixer" (dance) so you can identify dancers that dance at your preferred energy and skill level.

SOLO STANDING

Each dance hall will have the Solo Banners shown.

Find Your
Next Dance
Partner Here

However, we are trying something new - will not place the banners near seating areas. Therefore, if you are in a dance hall looking for a partner, when its time for the next tip, you can go stand in the designated area by the banner indicating to other Solos that you are ready and waiting to dancel

Last things last, if you are a Solo dancer, please find a partner before heading to the dance floor. Unlike other dances, the dance leaders are on a tight schedule and will not have time to wait for you to find a partner.

CHOREO CORNER

Explode and

with Dick Otis

As we wrap up the 2022 year, most clubs are finally back to normal dancing. Attendance, and in some cases skill level, have dropped in the past three years. Several of our favorite callers and may dancers have passed on to the next big adventure. They will be missed.

For the end of the year Choreo Corner, I'm going to review the Plus Call, Explode and (Anything). Standard applications of this call (e.g the least difficult and most likely to be successful) include: (1) Right-Hand Waves with Boys on the end of the wave, (2) Left-Hand Waves with Girls on the end of the wave, (3) Title Waves and the center four dancers in a Right-Hand Wave.

EXPLODE AND ... (Anything)(From waves only) - Starting formation - Any 4-dancer ocean wave. **TIMING** - 2 for the explode portion.

Everyone releases handholds, steps forward and turns a quarter in (90°) to face the adjacent dancer, and does the (Anything) call (e.g., Right & Left Thru, Star Thru, etc.).

STYLING: In all "Explode and ..." figures, follow the styling suggestions for each of the "and ..." figures used. Let's try some sequences:

1. HEADS Pass the Ocean, Explode & Touch ¼
CENTERS Walk & Dodge, Left Swing Thru
GIRLS Circulate, Swing Thru
Explode & Pass the Ocean, Recycle
Pass to the Center, CENTERS Pass Thru
Allemande Left, Promenade Home.

2. SIDES Pass the Ocean, Explode & Roll
CENTERS Pass Thru, Touch ¼
CENTERS Trade, BOYS Run
Right & Left Thru, Load the Boat
Pass to the Center, CENTERS Slide Thru
Back Away, You're Home.

3. HEADS Square Thru, Spin the Top
CENTER WAVE Explode & Box the Gnat,
ENDS Hinge

END BOY Run, Double Pass Thru
Face Out, Wheel & Deal
Double Pass Thru, Everybody Partner Trade
CENTERS Slide Thru, Back Away.

4. SIDES Pass the Ocean, Extend
Trade the Wave, All 8 Circulate
Explode & Load the Boat, Swing Thru
BOYS Run, Couples Circulate
Ferris Wheel, CENTERS Square Thru 2 &
Partner Trade.

5. HEADS Flutter Wheel &
Lead Right, Swing Thru
Spin the Top, Explode & Eight Chain Thru
Allemande Left, Square Your Set.

Let's look at a couple of non-standard applications - e.g. other arrangements

6. SIDES Pass Thru, Separate, around 1 to a
Line
Lines Go Forward & Back,
Pass the Ocean (boys together)
Explode & Touch ¼, BOYS Run
Zoom, Double Pass Thru
Everybody Partner Trade,
CENTERS Pass Thru
Allemande Left @ Home.

7. HEADS Flutter Wheel,
SIDES Pass the Ocean
Extend, Single Hinge
Explode & Touch ¼, Pass Thru
ENDS Fold, Slide Thru
Chain Down the Line, 12 Sashay
Pass the Ocean, Right & Left Grand,
Promenade Home.

I hope everyone has a great time getting back up to speed. Enjoy your Thanksgiving!

Hopefully, many of you have been dancing regularly. We see many clubs struggling to survive so all need to give your support where you can. We attended the Gad-Abouts 65th anniversary dance on October 30 2022. We noted many other club badges on dancers enjoying the spectacular dance. When we counted the squares, there were at least ten squares dancing plus several dancers watching. Joe Saltel called a fantastic dance and Butch & Roberta Bloxom cued many popular rounds. We were fortunate to dance when Joe Saltel and Art Lavigne called a tip together.

There are several New Year Eve dances planned in our area as well as some Christmas dances. To get up-to-date information on dances in the WASCA area, subscribe to WASCA@googlegroups.com and/or MDSDF@googlegroups.com.

Most clubs are dancing now but its always a good idea to check with the club to make sure they are dancing if you have not seen a notice posted on the WASCA or MDSDF group list. Note also that Thanksgiving and Christmas Holidays alter many clubs "normal" dance schedule.

The WASCA Delegates meeting was held virtually on September 25, 2022. Fifty three (53) clubs are currently members of WASCA. 36 Clubs were virtually represented. We really appreciate all of those clubs who sent in their membership renewals and membership datasheets by June 1. We update the club listing in Calls 'n' Cues for every issue. The next issue deadline is December 15. We need your changes by December 13. Be sure to check the information in this issue to make sure it is correct for your club listing. Let us know of any corrections needed.

Also, don't forget to update your club's information on Wheres the Dance.com. If you need help in updating your club's schedule, just let us know.

The Toys for Tots dance will be held December

4, 2022 from 1:00 to 5:00 P.M. at the Herndon Senior Center in Herndon, VA. The Toys for Tots dance is chaired by Jim Wass and supported by NCASDLA and WASCA. This is truly a worthwhile dance to attend. All toys and proceeds from this dance remain in the Washington area. There are many fun activities planned. Recommended donation is a new unopened toy or a minimum \$10.00 contribution per person.

The next Delegates meeting will be a virtual meeting on February 26, 2023 from 3 to 5 PM. Plan to attend. Promote your club by telling the other delegates about your clubs' planned dances and other activities that your club is doing.

If you need further information or have a question about or correction for the Calls 'n' Cues Club Listing, please email us at membership@wascaclubs.com or drop us a note or phone message at 703-573-8378.

Boomerangs Square Dance Teaching Council

A Brief History

by Becky Stewart

The Boomerangs Square Dance Teaching Council had its beginnings in the mid 1990's. A group of enthusiastic dancers had the opportunity to try something new in classes. With the availability of the Lincolnia Center, we were able to run three classes simultaneously, Basic, Mainstream and Plus. We had three callers dedicated to conducting the classes. This enabled us to offer a new concept in classes. We did not have to hurry students through levels. The students progressed at their own speed. Our hope was to put dancers on the floor who were proficient and comfortable with the calls, while having lots of fun.

If a student did not fully understand or needed more floor time, then it was easy for them to repeat a class, or even to switch during a series. Each class had a Class Coordinator who was a member of the Council. They oversaw the administration, coordinated with the caller, the students, and angels. We went on an active campaign for angels. Angels had to be willing to adjust and fill in where needed. Some nights an Angel might start the night dancing as a lady in Plus, then be moved to dancing as a man in Mainstream and finish the night dancing as a lady in Basic. We had some really dedicated wonderful angels.

For the first couple of years, we were constantly evolving as we discovered what worked and what was not so successful; with the focus always on having square dance classes and how to improve the classes.

The Council structure was a little different with no member being President. Each Council

Member had a vote. One Council Member served as Treasurer, but each Member took a turn at being the Chair of a meeting and then the next month they acted as Secretary and took notes.

The Council Members and Angels came from numerous clubs. There have been various talented and committed Callers who contributed their time and talents to this endeavor, and without them this experiment would never have happened.

Through the years a lot of people have come through the door and participated in classes in various roles. The Boomerangs changed lives and provided a place for fun and camaraderie. It took a consortium of people through the years to make the Boomerangs possible. It took so many, many people working together for over 25 years. It was an innovative and unique concept that worked well for many years. I congratulate all those connected with the Boomerangs for their success. They shared their love and enthusiasm for dance with hundreds. I am so glad that I was a part of it for even a small time.

Humpty Dumpty

Square Dance Version

by Jim Cooney

Humpty Dumpty sat on a fence,
Then Humpty Dumpty went to a dance;
He tried some new moves and met some new friends,
And learned that square dancing is an
"old-fashioned" new trend!

He was amazed at what he could do,
He was astonished at learning anew,
He couldn't believe this was happening to him,
And finally decided to come back again.

So he came back again in just one week's time,
To see if it's true that you have a good time,
When you don't sit around in ratty old chairs,
And get up and dance in 8-person squares.

What played on his mind was this one little fact:
Now what do I do, how do I act?
I liked what I saw, what I was able to do,
And now I want to see it all the way through.

Humpty then set himself out on a quest,
So eager to dance and learn from the best,
No worries he said, and others beware,
I'm learning square dancing from Aqua Squares!

He says callers are great, and teach you they will,
So pay strict attention to some guy named Bill,
And be extra careful, and not only wary,
Because then there's another, and his name is
Gary.

He did allemande left and then weave the ring,
And found out that the callers could actually sing!
The basics came quick and he learned on the go,
With calls like pass thru and of course do-si-do.

He learned as a gentleman to do a courtesy turn,
Not to grab too tight or you'll cause an arm burn,
Slowly but surely, he was becoming aware,
There was all kinds of fun when you did the
grand square!

With trade by and swing and right and left grand,
Everyone wanted to hold onto his hand,
He bowed to his partner, his corner, egad,
They thanked each other for the fun they just had.

Intrigued by the lyrics set to the music he heard,
Humpty continued to think it was really absurd,
Tunes were not only country or western or even
hard rock,
But he square danced to the likes of Beethoven
and Bach.

The end for Humpty is not really in sight,
For now he can do what he thought was not right,
He stayed with the lessons and got into the groove,
And now he enjoys making all the right moves.

Aqua Squares president, Jim Cooney, has delusions of grandeur every now and then. He dabbles at playing the drums and imagines himself as a rock band superstar, when in reality, is more like Thumper the Rabbit. When he's out on the golf course, thoughts of playing at Pebble Beach or at the Old Course at St. Andrews makes him think he's playing for a championship, when he's really just a duffer. The club thought he was cured of that kind of thinking, but wouldn't you know it, he's at it again! This time he thinks he's a Children's Nursery Rhyme author and came up with a square dance version of Mother Goose's famed Humpty Dumpty. Here's his latest illusion into his Walter Mitty world.

AQUA SQUARES

Paula Ropshaw

Hello fellow square dancers, from beautiful southern Maryland. It's getting cooler down here on the water, but we are ready for it. The leaves are turning and it is beautiful outside. We danced 4 Fridays in October, the 28th being our Halloween dance. Only dance 2 Friday nights in November, the 4th and 18th. Nov 11 we are dark for Veterans Day and the 25th we are dark for Thanksgiving. December we dance 3 Friday nights, 2nd, 9th and our Christmas dance on the 16th. We are so excited that the WASCA committee will be visiting us on Friday, Nov 4th. We love having company. We have a wonderful class this year of 11 new dancers. And almost all of them are former dancers that have come back to dancing. How exciting!!! Our class starts at 7pm until 8:30pm with announcements for 15 minutes (if we're lucky) and then we dance plus from 8:45 to 9:45. Our two callers, Bill Harrison and Gary Felton are keeping both class and club on their toes. Come on down and visit us, we love company.

BOOMERANGS TEACHING COUNCIL

Mary Sellman

Boomerangs Teaching Council Is Closing

With heavy hearts, the Boomerang Square Dance Teaching Council announces we are closing. For over 25 years, a wonderful consortium of people worked to make Boomerangs a success, sharing their love and enthusiasm for dance with so many.

Boomerangs initiated an innovative and unique concept originated by Steve Stevenson, our first caller, in the late 90's. The idea was to give students the opportunity to begin classes several times a year. At that time, clubs that were teaching, only started classes in the fall, so beginners had to wait an entire year if they missed those classes. After completing Basic, Mainstream and Plus (as many times as necessary) Boomerang students were encouraged to join one of the many area clubs. This model worked well for many years, thus, providing an integral contribution to the growth and health of square dancing in the Capital Region.

There has been a sharp drop in participation, Covid struck and our venue was unavailable for months. The

council reluctantly agreed that our usefulness has come to an end.

We extend our deepest gratitude to those who stepped forward over the years to call, teach, angel and serve on the council. Thank you all for your hard work and dedication! Remember, get up and dance!

There were five squares on the floor for the Open House Dance on September 7 including angels and prospective students. Dan Grimes is teaching our class each Wednesday at the Ballenger Community Hall in Feagaville, MD. Andrea Smith and Ray Everett are serving as class coordinators.

Sixteen members attended the Pennsylvania Fabulous Fall Festival September 15-18 in Gettysburg, PA: Jackie Armistead, Margie Barber, Jan & Alex Dommerich, Ra-

chel Zeigler, Sarah Stamper, Bonnie & Jerry Pollack, Dan Grimes, Jeff Waybright, Ed Kiebler, Pam Beale, Mike McKee, Bonnie Rohr, Andrea Smith, and Nancy Dankanich. All had a great time.

The social committee held a fire-pit activity September 30 at Bev Magyar's house. Because of rain, the hotdogs were cooked in an air oven and the s'mores were made in the microwave. It was an enjoyable evening for the six participants.

Cameron Harnish was the caller August 19 for our "Ice Cream Social Dance" attended by 26 Promenaders and 11 visitors. Ilene Parmeter led some line dances. Linda Everett won the day's drawing and Nancy Dankanich won the door prize donated by Sarah Stamper. Individual ice cream packets were provided. It was a great dance to end the "summer season".

The "Welcome Back Dance" on September 11 was attended by 27 members and 5 guests. Mike McIntyre called, cued, and led line dances. He dedicated one tip to the 21st anniversary of 9/11. Door prizes were won by Arlie Morgan (donator – Margie Barber) and Bonnie Rohr (donator – Beverly Gearinger). Ed Kiebler won the day's drawing and Andrea Smith won the web-site contest. A sea of black, gold, and white attire (club colors) made for a beautiful dance floor. There was also beautiful music, calling, and dancing. Sixteen members gathered at I HOP after the dance (organized by Sarah Stamper).

Virgil Forbes was the caller for the "Uniform (work or hobby clothes) Dance" on September 23; Ilene Parmeter led several line dances. Twenty-six members and two non-dancing guests attended. 10pm (early rounds at 7:30, Plus 2x2 8-10pm).

GAD ABOUTS

Bob Lawn

The Gad Abouts will start the new dance year in a NEW location. After many years in the old hall, we will now be at St Pauls Lutheran Church, 24 East Baltimore St. Funkstown, Md. Parking and access to the dance hall are directly behind the church off Chestnut St. We will also be dancing a half hour earlier, rounds at 6:30 and 2x2 at 7pm. We will end about 9:30pm. We start the year with a bang, with national caller Mike Sikorsky once again visiting us for our opening dance.

GERRYMANDERS OF MARYLAND

Ed Cragg

The Gerrylanders are dancing whenever we can get enough dancers. With only 5-6 memers who dance regularly we rely on visitors to make a square. To be sure we have enough dancers we have been asking dancers to RSVP by noon on the day of the dance (Wednesday).

The Gerrylanders dance two programs. On the 1st, 3rd and 5th Wednesdays we teach and dance floor level (to include beginner) from 7:30 - 8:30. we dance full mainstream until 9:15 followed by easy plus / plus workshop for the rest of the evening. We end the evening with and a full plus tip. We accept students beginning at any time on a pay each night attended basis. When they are present, we teach new students from 7:30 to 8:30 pm. We have been finding with the students we have been having are learning very fast with this program. It fits nicely with students who are taking lessons elsewhere but would like some more practice. The more regular they can come the faster they learn. Students still can pay on the quarterly basis if they wish or they can pay as you go basis of \$7 per night. Bruce Simperts and a guest caller (on 5th Wednesdays) preside.

On the 2nd and 4th Wednesday we dance a plus workshop from 7:30-8:00. Then from 8:00 until 9:30 we dance full plus. Kenny Farris is our caller. We dance at the North Chevy Chase Christian Church every Wednesday evening from 7:30 to 10:00. The cost is \$7.per night. Mr. Gerry-

mander will be glad to answer any questions or give directions if you call him at 703-920-2624.

One last note: we typically have either an equal gender balance or have more men than women.

GOOD LUCK SQUARES

Ginny Fromel

We are currently making arrangements for our final hurrah for the Good Luck Squares. We have included a photo collage invite for our Farewell, 33rd Anniversary, and Theme Dance, that shows just a few of the many activities that we participated in over the years. We have hosted WASCA Festival theme dances every year, donated

a basket every year since the basket raffle started, and we usually had quite a number of members attending the festival. We have been banner stealing whenever we could

find another club that would participate. We have an annual Halloween Dance, Thanksgiving Dinner Dance, Christmas Sweet Celebration Dance, Pre-New Year's Eve

Celebration Dance, and Birthday celebrations that will be missed. Even at the lessening of the pandemic, we could not get enough people to come back to dance. We had posted all our dances in the Calls & Cues prior to making the final decision to close, but hopefully they will be removed from the calendar listing this month. Emails were sent out weekly to anyone we thought might be interested in attending our dance, but we have had to cancel our dances since September. We were always looking for new members, but the demographics in our area have changed drastically and our last two attempts at having a class failed. Jim Wass started the Good Luck Squares and has been calling on Thursday nights for 33 years. We have had dances in several locations over the years and spent the largest amount of time at Robert Frost Elementary School in New Carrollton. With price increases at the school, we started having our dances at the Trinity Moravian Church, 7011 Good Luck Road, New Carrollton, MD. We will be sending out email reminders to all previous members and anyone that might be interested in attending our final dance! For information, directions, or to get put on the email list, please contact Ginny Fromel at vfromel51@comcast.net or 301-552-1576 or Jim Wass at 301-257-1348..

LAKE OF THE WOODS

Susan Thomas

Starting Tuesday, September 20th, the Lake of the Woods Square Dance Club has been hosting beginner square dance lessons. We are happy to have five new students learning how to square dance under the instruction of Gene Chamberlain. Besides for our 5 new students, it is great to see that 15 club members have been attending as “angels”. Classes are held weekly on Tuesday evenings in the Lake of the Woods Clubhouse, lower level, and the mainstream portion of instruction should be completed by December 12th.

Lake of the Woods Square Dance Class

In addition to dancing at our twice monthly square dances, LOW Square Dance Club members have also been busy dancing for the entertainment of others. They danced for the residents of Chancellor’s Village Retirement Community in Fredericksburg, VA on September

21st. Charlie Shoemaker, the square dance caller, put the LOW Club dancers through a series of tips (patter and singing calls). During the dancing, the residents clapped their hands and tapped their feet to the music. Then some adventuresome residents joined the Club members in dancing to some basic calls.

Then on September 26th, club members travelled to the Virginia State Fair in Doswell, VA to perform in the Farm Bureau Center. While there, they joined other Virginia square dancers and caller Gene Chamberlain to put on a demonstration dance for fair attendees. After observing for a while, audience members were encouraged to join in the fun and dance with the club members. The LOW Square Dance Club members enjoyed dancing with friends from other square dance clubs and with the beginning dancers. Next year, when you attend the Virginia State Fair, plan to stop by the Farm Bureau Center and have fun square dancing.

Club members also danced for the residents of Dog-

wood Village Assisted Living Facility in Orange, VA on October 12th. Once again Charlie Shoemaker was the square dance caller. Besides for the club members demonstrating several Plus tips, several of the residents agreed that they would like to give square dancing a try and danced with Club members to slightly easier calls. The members of the LOW Square Dance Club enjoyed chatting with and dancing for the residents of these senior living facilities. The residents of both facilities definitely enjoyed the entertainment, thanked Charlie and the dancers for visiting, and asked them to come again.

Lake of the Woods Square Dance Club will be holding its Spooky Halloween Dance at the Lake of the Woods Clubhouse, lower level, on October 28th and will be dancing to the calls of Charlie Shoemaker.

Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as dancers progress.

Need a valid health-related reason to try square dancing?

Here (paraphrased in part) is what *AARP research has found.

“...**you** can make a difference in your **brain’s health**.
...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),
NOURISH (eat well), **DISCOVER** (think), and **CONNECT**
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”

(*AARP Bulletin, Oct 2019, page 42)

*DBD means "Dance by Definition" of the call. Sometimes it is also called "All Position Dancing" Examples of DBD routines are hard to explain because one Caller's DBD is different than another's. DBD routines can be very simple, or very complex (usually a mixture). What makes DBD simple for a dancer is experience, there is nothing like having seen that call before. What makes it hard is that for many dancers who have been dancing for many years, is they have only been exposed to a call from limited positions on the dance floor.
