An Epidemic of Loneliness and Isolation

We Square and Round Dancers have known about the physical health benefits of our dancing for a long time. In addition to the many physical benefits, there would also appear to be mental health benefits. In the spring of 2023, the US Surgeon General Dr. Vivek H. Murthy issued an advisory, "Our Epidemic of Loneliness and Isolation" warning about the dangers of loneliness. According to the introduction "It is associated with a greater risk of cardiovascular disease, dementia, stroke, depression, anxiety, and premature death. The mortality impact of being socially disconnected is similar to that caused by smoking up to 15 cigarettes a day, and even greater than that associated with obesity and physical inactivity".

After a chapter defining loneliness and isolation followed by one discussing the associated health outcomes thereof. The remaining two chapters propose a way to combat this epidemic through the use of social connection within communities. It defines six pillars to advance social connection. One of the pillars is to "Mobilize The Health Sector" which includes the recommendation for medical professionals to "assess and support patients". This part became apparent to me last summer while I was in the hospital. A number of the people I interacted with were interested in my mental state – did I feel lonely, isolated or depressed. As I mentioned in one of my columns last year, "With the Square and Round Dancing community at my back, I had to laugh inwardly at most of the questions"

Another of the pillars is to "Strengthen Social Infrastructure in Local Communities". This is where we can play a role. Square and Round Dances are as much social activities as they are dancing. It is very difficult to be either lonely or isolated at a dance. We need to publicize this benefit both in our recruiting new dancers and in seeking dancing venues. For the latter, we should point out to governments and churches that by providing venues they will "Invest in local institutions that bring people together". If they give us the space we will use it to ameliorate loneliness and isolation using "Friendship Set To Music".

The WASCA President's Corner

*Bob Lawn & Martha Thompson
(WASCA Presidents 2023-2024)*

Some good news for WASCA, The WASCA Board voted at our February meeting to go ahead with a Festival in March of 2025. We have a signed contract for the location. More information to follow shortly.

Steve Cunnion and Pat Marks will be Festival Directors for 2025. They will need lots of help to bring this all together.

The 2024 Festival is just days away as you read this, but it is not too late to register for the 2024 Festival. Daryl and John Davis are working hard to plan the 2024 Festival "Around the World in the Roaring 20's". As costs continue to go up it is vital that the number of attendees get back to pre-pandemic levels. We cannot have the quality festival we are used to without all our dancers registering.

WASCA meeting dates for Board and Delegates. 2024 (Revised 10/2023)

March 10th, Board at 3.

April, No meeting.

May 5th, Board at 1, Delegates at 3.

As I was trying to decide what else to

write this month my March-April 2024 issue of Readers Digest arrived. In it is a very nice article titled, "Let's Dance! It's good for your body, soul and even your brain." Read it if you can, it has a lot of good information on the benefits of dance.

"Growing evidence shows that dancing can boost brain health and help manage symptoms of neurocognitive and movement disorders, including Parkinson's, multiple sclerosis, Alzheimer's, dementia, and brain injury. The intricate mental multitasking that dance requires engages various parts of the brain at the same time, which can lead to the strengthening of neural connection across different regions. Basically, dancing requires more brain power than simpler repetitive exercises." More to follow in the next issue.

Difficulty of teaching/learning some calls

What makes some calls very difficult to teach? Think about what your brain has to do to get your body to the right place at the right time. In lessons, you hear a call and your brain has to recall what to do. After the recall, the brain has to tell the body what to do, but this can involve several steps. For this discussion, I'm not interested in the DBD variations of the many calls we dance, rather I'm interested in teaching calls initially and throughout lessons as we reinforce these calls.

What makes a call difficult?

These are the things that come to my mind that make calls difficult.

- *Number of people involved.* Obviously, two person calls have less complexity than four person calls and eight person calls have the highest potential for failure
- *Number of parts/number of actions before reaching a comfortable formation and arrangement.* A comfortable formation (ocean wave, line, etc.) and arrangement (men on the end, men on the left side of the couples, etc.) is somewhat difficult to define but it is a position that you have been in many times. A couple of examples are ocean waves with men on the ends and facing lines with men on the left side of the ladies. A call with only two actions returns to a comfortable position quickly. A call with six different parts that are not in a comfortable position will take much longer to return you to comfort.
- *No hands.* When the action of a call does not involve touching, the possibility for error increases greatly. From a line facing out, if I ask the boys to fold to face the girls, the chances are fair that I'll get all the boys facing a girl. If I then call star thru, the chances are good that I'll get exactly what I want. If I instead call slide thru, the chances are good that some people will turn to face in rather than the boys turning right and the girls turning left.
- *Alternating hands.* Most calls alternate hand usage. Square thru 4 uses right-left-right-left progression. Teacup chain is one in which men turn the ladies with a right-left-left-right progression or a left-right-right-left progression. Turning the ladies by the incorrect arm can result in the ladies ending up with the opposite man or one man getting two ladies coming at him at the same time.
- *Direction to turn.* My dancers still get the idea that slide thru means turn in because I use it that way a lot. However, slide thru is defined as pass thru, men turn a quarter right and ladies turn a quarter left and take your partners hand.
- *Arm turns.* A great many of our calls have "arm turn half" in their definitions and dancers become comfortable with this. I see dancers having problems with both $\frac{1}{4}$ and $\frac{3}{4}$ arm turns in that they don't know where to stop.

- *Similar actions.* A significant number of our wave-based calls start with the action “arm turn half, centers arm turn $\frac{3}{4}$ ” but each call has a different name. Dancers may do the call they are most familiar with rather than the call that was given.
- *Similar names.* How many call names start with “spin”? (spin the top, spin chain thru, spin chain the gears, spin chain exchange the gears). You can see how confusion can set in during lessons and continue into club.

Muscle memory

Muscle memory is the ability to repeat a specific muscular movement with improved efficiency and accuracy that is acquired through practice and repetition. Frequency of dancing and the calls that are called leads to muscle memory. Referred to as call frequency, you can think of it as the number of times a call is used in a two hour dance and then extrapolate that to how many times a dancer has danced that particular call. As an example, there are about 10 sequences in my patter tips. I would estimate that I call the call Swing Thru a little more than once in every sequence, say 12 times in a tip. Compare that to Fan the Top. I would say that I call Fan the Top perhaps four time in a two hour dance, and that may be a bit generous. For a dance with 8 tips, I call swing thru about 96 times and I call fan the top about 4 times. It is easy to see that dancers will be much more familiar with Swing Thru than they will be with Fan the Top. As a result, dancers develop muscle memory for the call swing thru, but not necessarily for Fan the Top.

Compare Swing Thru to Relay the Deucey

Both of these calls require conditional decisions and actions (involve “if”). For example, in Acey Deucey if I’m on the end of the wave I circulate, otherwise, I trade.

- For Swing Thru, you have to turn half by the right (if your right hand is available) and then determine if you have a left hand available and if so, swing half by the left. Notice there are conditional decisions (do I have a right hand available?) you have to make as you work through the call.
- Now for Relay the Deucey, you know that this call does not use right and left hands

but actually uses “ends and adjacent centers” turn half. But the truth of the matter is we callers teach you that you start half by the right. We don’t come out and say that, but in class, we almost always call Relay the Deucey from right hand waves with men on the end, so by doing the call that way only, we are teaching you that Relay the Deucey starts with a right hand swing from a right hand wave. (I may devote a whole article to this topic soon)

- There are six parts to Relay the Deucey and it starts with 1) swing half by the right. Next, 2) The new centers of each ocean wave turn three-quarters (270°), while the others half-circulate, forming a six-person wave and two lonesome dancers. 3) The wave of six, working as 3 pairs, turns $1/2$, while the others half-circulate. 4) In the wave, the center 4 turn $1/2$, while the other four dancers half-circulate. 5) The wave of 6, again working as 3 pairs, turns $1/2$, while the others half-circulate. 6) Finally, the center 4 of the wave turn $3/4$ (becoming the centers of the new waves), while the outside 4 half-circulate to become the ends of the final waves. Each of the last 5 parts has a “center” part or a wave of 6 part and an “others” part with corresponding conditional actions to take.
- There are 5 instances where dancers must half circulate, which means they have no hand hold with another dancer; they have to move to a spot that is not painted on the floor for reference. Let’s also note that we don’t ask dancers to do a half circulate in most other calls, so the concept of a “half circulate” is foreign to the dancers by itself.
- In the case of Swing Thru, we have two decisions to make and only two options for each call. We never completely release hand holds from the other dancers in Swing Thru (as we do with half circulates).
- In the case of Relay the Deucey, all dancers do the first part. Then they have five positions to recognize (centers or others), five decisions to make (do I cast by a hand hold and how much do I cast or do I half circulate) and then I have to execute that part of the call. Of course, each part has to be done in the correct sequence.

- This is a lot of thinking, decision making, and position recognizing to accomplish without finding a comfortable formation that I am used to, such as a right hand wave with men on the end. The calls I listed at the start of this article all have similar components that make them difficult to teach and learn.

Hopefully, this gives you something to think about when you see dancers having trouble with a call. As a caller, I would like to draw a balance between challenging choreography and dancer frustration. However, I often find myself calling the calls from the most basic setups and using the most straight forward choreography, with the goal of getting the dancers to succeed in dancing all the calls in the program.

In our area, the majority of clubs that do teach lessons, teach from brand new dancer to plus dancer in one season, frequently starting sometime

in late September to early October and finishing by the second week of March (approximately 6 months). This is often referred to as Zero-to-Plus.

Responsible leaders, within and outside of CALLERLAB, recommend that dancers dance regularly at the program at which they graduate for at least one year before they enter into classes or workshops for another program. This means that dancers graduating from the Mainstream Program should dance regularly at Mainstream dances for a year before going into the Plus Program. Hence, the recommendation is for dancers to take Mainstream classes in 29 two-hour sessions, dance for a year, and take Plus in 19 two-hour sessions. The recommendation is that dancers take two full years to complete learning through the Plus level. In our area, we push them through in 6 months. Does the complexity of the calls combined with the rush to get to Plus contribute to our shrinking dancer population and the folding of many clubs?

RDTA President's Message

by
Ken & Berni Ryder

Dear WASCA dancer friends:

We suspect that many of you I, like us, are ready for the end of winter with a hopefully early arrival of spring. One of the best features of the change of seasons is the outstanding special dancing events available in March. On Sunday March 3, RDTA had their annual Snowflake Ball at the Occoquan Elementary School in Woodbridge Va. We thoroughly enjoyed seeing and dancing with all those WASCA dancers who joined us for 2½ hours of outstanding dancing in two separate dance halls -- the phase II-IV and IV-VI halls -- and the many delightful snacks and assorted goodies. Our special thanks to Barbara and Tom Buchanan for developing a thoroughly enjoyable dance program and to Rose and John Miller for securing this very accommodating facility. We know the dancers had a great time dancing to the lively cueing of Barbara and Tom Buchanan, Christina Eum, Dom and Joan Fildardo, Eileen and Chip Hopper, and the Ryders. What a great way to get ready for round dancing at the WASCA Festival coming up March 14 to 16.

We're all looking forward to finally dancing "Around The World In The Roaring 20's" with the exceptional cuer couples on staff --the Garzas, the Johnsons, the Preskitts, and the Worlocks. Amy and Ken Shottling are the program coordinators for the Round Dance Student Invitational at this 2024 WASCA Festival. They are working with the Gar-

zas and the Preskitts to assure WASCA round dance students will have a stupendous dancing experience during the Student Invitational on Saturday, March 16 from noon to 2PM in the Terrace Ballroom. We also want to remind round dancers to consider joining two of their favorite local RDTA cuers -- Christina Eum and Eileen and Chip Hopper -- who will provide phase II-IV/V dancing during the RDTA hour on Saturday, March 16 from noon to 1PM in Plaza Ballroom A. Why not take a late lunch and join them for an hour dancing some of your favorite dances that are not already on the current WASCA round dance program.

We expect to have our annual RDTA Butterfly Ball later in early June at the Lincolnia Senior Center. In addition to these special dances, your local RDTA cuers continue to dance at their Maryland and Virginia round dance and 2x2 clubs. Check the schedules later in this issues for specific times, days and locales. Finally, why not shake off your lethargy and join all those WASCA round dancers having fun dancing with their special partners to great music. Check with your local cuers or the information in this Calls 'n Cues issue for a basic round dance class convenient for you. Make 2024 your time to get down and rumba, cha ,waltz, two step, and jive!!

Stay safe and healthy. We'll look forward to seeing everyone on the dance floor during the rest of 2024.

**63rd WASCA Spring Festival
“Around the World
In The Roaring Twenties”
by Directors:
Daryl & John Davis**

Festival month is here and we are ready and excited! All of the theme dances and preparations are complete as we look forward to the culmination of our efforts at the 63rd Annual WASCA Festival. This is a wonderful event and a tradition that is worth keeping, supporting and treasuring in the years to come. We were barely 4 years old when the first festival took place and appreciate the long history that it has. Our single goal for this festival is to provide the best square and round dancing opportunity for our guests. We hope that through the hard work of the committee and the WASCA Board of Directors, that we can give each person an enjoyable memory of a weekend of dancing, fellowship with friends both old and new, as well as a chance to be entertained.

We would like to encourage everyone to attend the Opening Ceremonies on Thursday evening at 7 PM. We hope that you will enjoy the skit and special entertainment as we commence our Roaring 20's Cruise!

We also invite you to attend Our Roaring 20's Friday Night Entertainment.....A Silent Film Melodrama with the emphasis on DRAMA – as we swoon and wait for the hero to vanquish the villain!

A special note to our square and round dance students, please plan to attend the invitationals on Saturday beginning at noon. You may check in for the dance at 11:30 AM and it is free. We would love for you to come and see what a festival is all about and have the opportunity to dance with our national callers and cuers. We also have a special offer for our students, if you would like to stay and dance the easy mainstream hall following the invitational; you only need to pay a \$5.00 fee. You will get a special student ribbon entitling you to dance that evening. This wonderful offer is just for our square and round dance students so take advantage and stay for an evening of dancing.

We hope that you enjoy the WASCA festival as much as we did planning for it. We encourage you to volunteer to help the 64th festival and the directors, Steve Cunnion and Pat Marks. Going behind the scenes at a festival such as ours is challenging and rewarding. We will gladly pair you with a sub-committee chair to learn the ropes and get your feet wet.

We'll see you at WASCA!

Before You Board

The Top Drawer Travel Bureau welcomes you aboard the most luxurious liner ever built, The Luxuriana. You are a valued passenger, used to the highest quality accommodations; our goal is to exceed your expectations. This Guide provides information to make the most of your Atlantic crossing.

Dress

Ladies: Your usual sophisticated daywear of shirtwaist, skirt and jacket or day dress may be temporarily abandoned for cruise wear: shorts, halter top, bathing costume, or a daytime sundress. We suggest adding a topper to wear between your stateroom and the pool, to avoid becoming chilled. We recommend a large sun bonnet.

Gentlemen: You, too, may discard your business attire for more relaxed shorts, sporty shirts, argyle sweater and bathing costume. Leave behind your homburg and fedora; pack instead a Panama or boater.

Both: For men, dinner requires black tie, white tie optional, with Chesterfield, white silk neck scarf and suede gloves as required by the weather. Ladies follow suit, their decolletage harmonious with his selection. A fur jacket or satin wrap will provide adequate warmth.

Fine Dining

The Luxuriana offers two dining rooms, one with 24-hour service. There is an ad-

ditional French café below the Upper Deck, open from 7 am to midnight.

Notable dinner selections include Appetizers (featuring egg rolls and grilled oysters), Entrees (starring baked ham) and Desserts (baked Alaska and pineapple upside-down cake).

The Café offers vichyssoise, Caesar salad, artichoke and smoked salmon sandwiches, lemon mascarpone cheesecake and other light fare.

Entertainment

The Main Ballroom Orchestra will delight and enchant you with Fox Trot, Peabody and Charleston dance selections. Between sets, the New Jazz Ensemble, straight from New Orleans, will provide a pleasant interlude.

Accommodations

Luxuriana's staterooms provide the utmost in comfort surrounded by the traditional European décor preferred by the discriminating passenger. Your stateroom suite offers spacious wardrobes, dressing table, chaise longue and writing desk. A Smoking Room, Writing Room and Lounge are available for relaxation, all adjacent to the Grand Staircase.

This article is dedicated to my late father, John 'Jack' Portner, of Washington, DC. Orphaned at age 11, Jack spent his middle and high school years at a boarding school in the French Alps, returning to the States annually for summer sailing camp. He crossed the Atlantic every June and August on liners like those described in these articles. Various details of this 'Guide' are taken from Jack's memories of his voyages, particularly the baked Alaska created by the chefs for his mid-Atlantic birthday celebration. On display in my home are his monogrammed silk evening neck scarf and white suede gloves, arranged beside his perfectly preserved black felt fedora.

THANK YOU FROM THE BOOSTER CLUB.

Dear Fellow Square Dancers.

THANK YOU!! Once again the generous hearts of square dancers have shown through. Twenty-two clubs have participate in the BOOSTER CLUB. Plan ahead for next year. Plan your Booster dance in advance. Put it on your calendar. Make it a regular thing. Participants of the spring festival know the importance of everyone helping out. Either volunteering at the festival or at your club level. There is so much to be done. Theme Dance, Booster Dance, volunteering to decorate, volunteering to help. Don't wait for the board to ask you, ask them what you can do.

See you on the dance floor.

34th Virginia State Convention “Join Our Alamo Ring in Virginia Beach” Report

***Nancy & Tom Stafford
Jeanette & Wayne Lockhart***

Fun, fun, fun. The 2024 Virginia State Convention started with a Valentine's Dinner and Dance on Wednesday, February 14, 2024. The meal was fantastic with Jeanette and Wayne Lockhart making everything except the fried chicken. Matt Worley provided the music and entertainment. Charlotte and John Richardson provided some of the desserts. Bill and Janice Turley helped with the set up and checking people in. We had over 40 attendees which helped get the 2024 Convention off to a good start.

The Convention was held at a new location (Holiday Inn Virginia Beach-Norfolk in Virginia Beach, Virginia) at a new time of year (Feb instead of May), so no one knew what to expect. You can see the Program book that was done before the Convention at callsncues.cragg.info/. We had 235 attend the 2024 Convention. There were Halls for SSD/Mainstream which included Contra; Lines and a Clogging demo; Plus; DBD; Advanced and Round Dancing. The SSD/Mainstream had a number of dancers varying between 2 to 6 squares. The clogging demo brought a lot of dancers in to give clogging a try.

There was a used clothing sale overseen by Darrella and Tom Deubel. We want to thank everyone for their donations. We had never seen such a pile of square dance clothes. The new (and many experienced) dancers really appre-

ciated having the chance to get some bargains. Lake of the Woods helped out by taking all the remaining clothes for their new dancers.

A Make and Take demonstration by Donna and Bob Klaiss was held on Friday, February 16 2024. Donna demonstrated Japanese Sashiko hand embroidery. Donna always has interesting ideas for the dancers. We had a clogging demonstration on Friday night by the Kountry Kickers. That event was well attended.

Saturday night the Cardinal Award, in recognition of the recipient's dedication and contributions to square dancing as a caller, cuer, contra prompter or line dance leader, was presented to Jeremy Butler by Christina Eum, the 2022 recipient. The Monticello Award, in recognition of dancers who have shown Excellence in leadership and dedication over a significant period of time and have been acknowledge for their contributions within the State of Virginia, was presented to Marilyn Hill by the 2022 recipients John and Charlotte Richardson.

We had a basket and 50/50 raffle. SuzieQ Creations sold badges and other items. Saturday night we had an Afterparty with a display of all the Virginia State Convention banners and a magic show by NoMo the Magician.

From our perspective, the Convention was a success with many happy dancers.

35th Virginia State Convention “Let the Good Times Roll”

**Victoria and Paul Kosar
2025 Convention Directors**

The Virginia Square and Round Dance Association just had their 34th Virginia State Convention February 15-17, 2024 and a great time was had by all! Tom and Nancy Stafford and Wayne and Jeanette Lockhart were the directors of “Join our Alamo Ring” and it was a really fun convention. It was really nice to see more people dancing this year and we hope to see everyone return for our next convention.

Paul and I just had our 1st committee meeting and I have to tell you what a great convention committee we have! Lots of great ideas and fun things are going to be happening at the Virginia State Convention. It's Mardi Gras time! Our theme for the 35th Virginia State Convention is “Let the Good Times Roll” and we think it's going to be fabulous. It truly takes a lot of eager and excited volunteers to make a GREAT convention happen and we think we have them on our committee.

We already have a great start on our registrations for next year and we're very excited to continue our convention at the Holiday Inn Virginia Beach/Norfolk Hotel and Conference Center. Mark your calendar for February 20-22, 2025. This is a convention you won't want to miss. The parking is free and there are many restaurants in the area to enjoy. Heck, you can even visit the ocean. Many of our dancers told us they had a great time and it really was nice to visit old friends and make new ones.

We'll continue our Basket Raffle, Vendors, Sewing/Craft Workshop and 50/50 Raffles. We have awesome Callers, Cuers, Prompters, Clogging as well as Line dancing. This would be a great way to try Clogging.

Email us if you'd like a flyer at vjkosar@gmail.com. We would love to send some flyers to your club, send us your address! See you all on the dance floor – and don't forget to “Let the good Times Roll!!!”

The 74th National Square Dance Convention® will be held at
Shreveport Convention Center
400 Caddo St, Shreveport, LA 71101
June 26 - 29, 2024

For more information go to <https://74thnsdc.com/>

2024 is here and it's hard to believe 2023 is already behind us. Tonia and I drove 50,000 miles last year promoting the 74th National Square Dance Convention® in Shreveport in 2025. We were able to meet so many dancers in Louisiana and around the country and we are looking forward to 2024!

The entire Shreveport Team is hard at work putting together the 74th National Square Dance Convention® Pre-Convention on March 15 & 16, 2024. Everyone who can attend will get a sneak peek at the beautiful Shreveport Convention Center. **If you want to help with the convention or learn**

about the convention, please put the weekend on your calendar. If you want to attend some outstanding dances, please put the weekend on your calendar. The Louisiana Square Dance Convention will start the night before the pre-convention giving extra opportunities to dance on Thursday night, Friday, and Saturday afternoon. The 74th National Square Dance Convention® Pre-Convention will give you lots of opportunities to dance, work and play in Shreveport. The Saturday night pre-convention dance is **FREE** if you have registered for the 74th National Square Dance Convention®. Check out our website www.74thnsdc.com

We have been busy the past few weeks attending dances throughout Louisiana, Mississippi and Texas. The callers and dances have been fantastic! If you are having a dance please send me an email at tedhofmeister75@gmail.com. We may not be able to attend, but as we travel across the country we are always on the lookout for dances to attend and would love to meet you.

The first big dance members of the 74th NSDC will be attending this year will be the 68th annual Florida State Square & Round Dance Convention in Deltona, Florida outside of Orlando. Tonia and I used to dance in South Georgia when we lived in Albany, GA, so looking forward to dancing in the southeast and dancing and visiting with dancers in Florida and surrounding areas in the southeast. The General Butler Bash is a great dance in Somerset, KY on January 26 & 27. We were able to attend last year and it was so much fun. The 15th Annual February Frenzy, hosted by the South Texas Square & Round Dance Association on February 9 & 10 in Port Lavaca is a great dance by Lavaca Bay with Tim Tyl calling and Tammy and Marvin Lee cueing. A candlelight dinner is planned which helps us guys that can't seem to remember Valentine's Day is right around the corner.

WOW! It's hard to believe that the 74th National Square Dance Convention® Pre-Convention is almost here.

Tonia and I are so excited and looking forward to seeing so many of you in just a few days. The entire Shreveport Team is hard at work putting together the **74th National Square Dance Convention® Pre-Convention on March 15 & 16, 2024.**

Everyone who can attend will get a sneak peek at the beautiful Shreveport Convention Center. If you want to help with the convention or learn about the convention, please put the weekend on your calendar, with a city virtual tour on Friday morning and breakout sessions on Saturday morning. If you want to attend some outstanding dances, please put the weekend on your calendar. If you're just coming to dance, the Louisiana Square Dance Convention will start the night before the Pre-Convention starts giving extra opportunities to dance on Thursday night, all day Friday, and Saturday afternoon. The 74th National Square Dance Convention® Pre-Convention will give you lots of opportunities to dance, work and play in Shreveport. The Saturday night Pre-Convention dance is free if you have registered for the 74th National Square Dance Convention®, or you can also register at the door. **Saturday night at the Pre-Convention is the last day you can register and pay only \$55** for the 74th National Square Dance Convention® June 25-28, 2025.

There are rumors that an alligator may be in attendance, but when you are **"Dancing on the Wild Side"** in Shreveport one can never tell.

I am really excited about our Dance Leaders that have volunteered their time and talents to make sure you have a great time dancing during our 74th National Square Dance Convention® Pre-Convention. With the pre-rounds starting at 6:30, we will have 3 ½ hours of square and round dancing, so make sure you come energized and ready to dance!

Phil and Tom Manning from 1981. Look at that flashy green shirt, Phil's mom was quite the seamstress.

Tonia and I attended the National Square Dance Conventions® in the late 70's and besides the adult callers; you had teenage callers also vying for time to call. If you want to take a flash back in time to those nationals in the late 70's, Tim Tyl, Phil Moorehouse and Larry Marchese were 3 of those up-and-coming teenage callers. It will be a real treat for these three to be together, with Joey Duhamel calling and Martin Philyaw and Ken Vantiger cueing. See you in Shreveport!

Thank you for helping us make our 2024 Registration Goal of 500! We are so excited to see what we accomplish in 2025

and beyond. We need many **volunteers** for simple jobs requiring a few hours and as well as some positions requiring a larger commitment. Please contact Gary & Claudia Lester, 75NSDC General Chairman, at 75NSDC@gmail.com.

Today, Waco has a growing population of 141,997 citizens and is the center of a thriving cultural district. These attractions carry the flair of lighthearted fun. One can attend any of the activities expecting the usual look and experience but open to a "whole new world!"

Go to the Cameron Zoo and see the 50,000-gallon saltwater aquarium where the otters swim around the kids as they slide through the otter exhibit! How about that? The Mammoth National Monument shows the remains of a nursery herd of baby mammoths with a Mama and a Papa. The only one in existence of its kind. It is a must see! And, if you go to the Mayborn Museum on the Baylor University campus adults and

children can step lively on a giant floor piano and interact with science exhibits. Want to get moving to some live music? *IT'S ALL GROOVY!* Go to the 1914 Hippodrome for cool drinks and awesome local live music! Symphonic concerts are available all year long so check out their website and enjoy a summer concert along the Brazos!

You think you'll never experience the surf and waves on Oahu, Hawaii? Waco Serf is so sophisticated in their surf and wakeboard water that surfers from California come to practice there because the water engineers can control the length and height of the waves better than Neptune and he is King of the Seas! In addition to surfing, the Brazos River and Lake Waco offer prime fun on river paddling, rowing, photography, and birding! For those who want to practice for the Talladega Car Race, Heart O' Texas Speedway offers multiple classes every Friday night during the summer. Reservations are necessary! It is popular! This author has done it! Pure Blast! Waco offers great fishing on Lake Waco as well as 3 golf courses and Top

offers bikes and kayaks!

Waco is in the sunbelt and temperatures soar. But there are many remedies for cooling off. For the young at heart, go to the Dr Pepper Museum and see how the favorite cola of Texas is made! It is the original building; it is a definite step back into the Twilight Zone. Entrepreneurs have carved out a niche of satisfying craft breweries such as Pivovar

Brewery, Brotherwell Brewing, Bare Arms and Balcones Distilling. Visit Country Spring Vineyard outside of Waco for a scenic taste room and outdoor porches.

A relaxing way to get acquainted with Waco is to take a guided tour of the city. The Brazos tours of the city highlight the beautifully restored Waco Family Mansions and when they linger into the evening the tales of the local haunts and ghosts do come alive quite convincingly. The river cruise is the most relaxed as your guide points out interesting historical sites and events.

Getting hungry yet? Waco is very unique because restaurants of all kinds and cultures have gravitated to this town! There is more to eat in Waco than one might expect. Waco has always been a delicious simply southern restaurant preparing food like Mama would "set" on the table. Cafe Homestead gets a 4.8 rating as the home-style meatloaf, and the seared trout melts in your mouth. And for those coffee drinkers, check out Heritage Coffee. It roasts and serves carefully curated crafted coffee.

In addition to down home vittles, Waco has Korean, Middle Eastern, Texas barbecue, Mexican restaurants and bistros and grills. Most are within walking distance of the Waco Convention Center where the 2026 National Square Dance Convention® will take place. Even in the heat of Texas, the downtown trolleys can take you to loads of dining options.

James “Jay” Richard Kolakoski,

December 18, 1935 – January 16, 2024

James Richard Kolakoski, of Springfield, Virginia, passed away on January 16th, 2024, in Arlington, Virginia surrounded by family. James was born 1935, in Hopewell, Virginia, to the late Roman Kolakoski and Catherine Blaha Kolakoski. James is preceded in death by his sister, Catherine Poos, brothers, Roman, Charles and John Kolakoski. A first generation American of Polish and Czech descent, Jay spent his childhood in Hopewell and Arlington on various family farms, some without indoor plumbing or electricity. Due to his father's passing in his early childhood, to help the family, Jay would ride his bicycle to deliver the Hopewell Paper and sell the family's fresh eggs, butter, fruits, and vegetables.

He graduated from W&L High School, Arlington, Virginia, in 1954, and enlisted in the United States Marine Corps. Jay received an Honorable Discharge in 1962, after which time he graduated from Benjamin Franklin University in Washington, D.C. His aptitude for math served him well as he made his career working as an Accounting Manager for the Federal Government until his retirement 1994.

In 1961, he married Patricia “Pat” Ann Hotz, daughter of Rudolph Louis Hotz and Christine Reiter Hotz. They were blessed with three children, Cynthia Ann, Yvonne Alicia, and Daniel Patrick. James was affectionately known as Jay, “Ski,” Jim, or “Jimricky” to his friends.

A lifelong Catholic, Jay was a founding member of St. Raymond of Peñafort Catholic Church in Springfield, VA, and also volunteered for St. James Catholic Church in Falls Church. With his children he was active in both the Boy and Girl Scouts. He taught his children by example the value of “always be prepared”. Post retirement, Jay volunteered at INOVA Fairfax Hospital as a wheelchair transport aide for many years. Jay enjoyed square dancing with the Merry Notes, Bs&Bs & Boomerangs., He was a founding member of the local bridge club.

He and his wife, Pat enjoyed traveling and visited many countries on five continents, frequently taking their grandchildren with them throughout the USA. His other hobbies included playing tennis, bird watching, reading books, watching movies, and spending time with his beloved family, whom he cherished and honored in every possible way a person can.

Jay had a unique sense of humor, which he named “Kolakoski humor” that garnered many a laugh or an eyeroll from his family over the years—and maybe an elbow in his ribs from his loving wife from time to time. He could see the beauty in all things, quietly and happily observing the merriment in social and family gatherings. He loved nature, especially blue jays, gold finches and hummingbirds and had a gentle and kind countenance and spirit; being around him made you slow down to appreciate God's gifts in the flowers, plants, birds and wildlife surrounding us.

He is survived by his wife of 62 years, Patricia Ann Hotz Kolakoski, daughter Cynthia Ann Buddell (Steve), daughter Yvonne Alicia Schultes, son Daniel Patrick Kolakoski (Happel); four grandchildren: Zachary Alexander Schultes (Casey), Taylor Maria Moore (Ron), Kyle Dickson Kolakoski, and Roman Brevard Kolakoski; and three great-grandchildren: Peyton Elizabeth Schultes, Rory Augustine Moore, and Remy Xavier Moore; his sister Mary Jo Kolakoski, sister-in-law Zenaida Olaes Icañan Kolakoski, as well as many beloved nieces, nephews, brothers-and sisters-in-law, cousins, and close friends.

In lieu of flowers, donations may be made in James R. Kolakoski's memory to St. Joseph Roman Catholic Church, 151 West Washington Street, Petersburg, Virginia 23805.

It is with heavy hearts that we announce the passing of Doris Elizabeth Scobee (Hart). Doris was born May 10, 1935 in Biloxi, Mississippi to Ernest D. Hart (09/24/1903 to 06/15/1963) of Gulfport, Mississippi and Mabel Elizabeth Howard-Hart (09/30/1904 to 02/19/1970) of Biloxi, Mississippi.

Doris was a beloved daughter, sister, wife, mother, aunt, grandmother, great-grandmother and friend. She is survived by her husband Erwin Martin Scobee of Hannibal, Missouri. The two met over a game of Ping-Pong at the first Baptist church in Biloxi. Erwin may have lost the match, but he won Doris' heart. Doris and Erwin wed on June 4, 1955 and were blessed to have spent 68 years together, side-by-side, raising a family, embarking on new journeys, and traveling the world.

Doris is also survived by her second-born son, Russell Wayne Scobee of Hanover, Maryland and by her youngest son and daughter-in-law, Glenn Allen Scobee and Denise Scobee of Eldersburg, Maryland. She is preceded in death by her eldest son, David Martin Scobee of Windsor Mill, Maryland and her daughter-in-law, Regina Darlene Scobee of Hanover, Maryland. She is also preceded in death by her three siblings: Ernest C. Hart, Myrtice Hart, and Effort E. Hart (Sonny). She is survived by eight grandchildren: Vanessa, Valerie, Doug, Tyler, Mike, Heather, Kelly and Becca. She is survived by seven great-grandchildren and several nieces and nephews.

After starting her family, Doris returned to college to earn her nursing degree. She worked as an OR nurse at Grace Medical Center (formerly Bon Secours Hospital) and St. Agnes Hospital (Ascension) in Baltimore, MD for many years. She took an extraordinary amount of pride in her work and her efforts to help others. After her retirement, Doris continued to volunteer at different surgical centers from time to time. Doris was an avid collector who enjoyed duckpin bowling, square dancing and camping; all hobbies in which she shared a similar passion with her cherished husband. She loved Abba, Neil Diamond and Andy Williams.

Doris was a renaissance woman. She was a college-educated, working mother with countless interests and avocations. She was a role model who inspired her family and friends. She was a matriarch and the epicenter of the Scobee family. She was and always will be greatly admired and loved by many.

Doris was a Tom Thumb member years ago. If you know of anyone who did know her, please pass the information along to them.

CHOREO CORNER

Basics for the Plus Dancer

March is here and the 2024 WASCA Festival is just around the corner in less than three weeks. In preparation for this annual event, Doren and I held our fourth annual Pre-WASCA Plus Review workshop. We were pleased to have three squares.

Many local callers have observed that dancers at all levels are very good at the level specific calls, but are weak at some basics. For example: At the Plus level dancer can do the “big 6” calls; Teacup Chain, Load the Boat, Coordinate, Track Two, Relay the Deucey, Spin Chain and Exchange the Gears. Other calls can be more problematic, Peel Off, Peel Top, Fan the Top, Spin Chain the Gears, many of which include someone casting off 3/4 and other dancers moving up. Even at the Advance level, you will hear the caller say “Mainstream alert”.

These dancers may have problems with Basic and Mainstream calls, especially when called from non-standard formations, for example Spin the Top, Spin Chain Thru, Box the Gnat, Turn Thru and even Circulates and Runs.

Part of this problem, which is common in the US, is a rush to learn Plus before the basics are solid. I don't have a solution for this (apparently nobody else does either). We understand why dancers want to dance Plus - most clubs dance at the Plus level.

As dancers I recommend that you attend your local club's classes again either as angels, or taking a class dancing as the opposite gender. If you have the opportunity to attend a Dance By Definition (DBD) class or dance, it will be well worth your time (and fun besides).

It becomes incumbent on callers in both dances and classes to use and review the basics as well as calling Plus routines. Ask your caller to call some Basic or Mainstream level DBD. You'll be surprised at how much fun this can be.

Dancers, if you find yourself frequently breaking down a square at dances, it's time for you make a plan to identify and work on any issues. That might include more lessons, dancing at a lower level or just seeking help from your caller on calls that you are having problems with.

Finally, if you are an experienced dancer, please don't form “pat squares” with your friends all the time. Everyone likes to have a square that dances well and doesn't break down and that's OK. But some of the time you need to share your experience with newer dancers too.

I look forward to seeing everyone at WASCA this year. Feel free to contact me at Dick.Otis@me.com with comments, good or bad, and let me know what you would like to read in future Choreo Corner articles.

Club News

AQUA SQUARES

Paula Ropshaw

Hello fellow dancers from beautiful southern Maryland. It is so wonderful to be dancing again. Our club is keeping two and sometimes three squares on the floor every Friday night. And we have to thank our wonderful callers, Bill Harrison and Gary Felton for all the fun they provide. Our class members are – hopefully – having a good time as club members and we are so happy that many of them will be attending the festival. In January we celebrated 46 years as a club, February we had our St. Valentines dance with lots of red on the floor. We will be dark on March 15th because we will all be at the festival. We are continuing with our Second Friday Open House dances. It is very exciting that we have had several people return each month to dance with us. We hope we can hook them with our Friendship Set to Music. We dance every Friday night from 7:00 – 9:30 at the Lusby Community Center. We love company, so come one down and visit.

See you on the dance floor.

BELAIR SQUARE CATS

Mike Herman

Beware! The Cats are getting ready to go on the prowl to retrieve our banners with our new banner chairperson, Jackie. We just had our Barbed Wire and Roses dance and had our banners stolen by new dancers! Then adding to the group were enthusiastic students as well as our second hand Rose. It was a great night.

Now we look forward to an exciting Spring starting with our Dr. Seuss dance on March 9th. Everyone is encouraged to bring a new or used book for the local book drive. We have Dayle Hodge calling and Peg Kincaid cueing. March 23rd will be our Easter Parade dance complete with a Bunny Cake show off. Cats, we're not abandoning you, just inviting some other friends to celebrate the season. Dayle Hodge and Barbara Buchanan will be leading the dancing. April 13 will be Western Days with Virgil Forbes calling and Dom Filardo cueing.

On April 27, we are EXCITED to celebrate a milestone – Belair Square Cats' Anniversary. The club has been

dancing for 60 YEARS! Our caller for the night will be Dayle Hodge. Cueing will be handled by Amy Shotting.

We look forward to seeing everyone at the Festival in March as well as an upcoming dances.

BIZZY BEES

Ann Brownell

The Bizzy Bees started the New Year by bailing on our first dance as we got rained out and the school closed. That was our Funny Joke Night!! However, all was not lost as at the next dance of Chocolate Frenzy, we told our jokes between our Chocolate breaks. February brought us a Mardi Gras party. Everyone enjoyed the King Cake and Jan Frick found the baby so will have a year of good fortune!

Bizzy Bees

Mardi Gras Dance Attendees

The next dance is our Madhatter dance-wear your hat! March will bring us a "Young at Heart Dance". We are dark on March 26 as the school is closed for Spring break. April will be "Poor House Dance"--apropos just before taxes and "Tip Toe Through the Tulips." Does anyone have a Ukelele? May will bring us the "May Pole Dance" and our traditional Ice Cream Sundae dance at the last dance of our season on May 28th. We love to have visitors. Don Barber announced his Trivia Contest winners: Bonnie Pollack and Kevin Sullivan. Door prizes were won by Linda Everitt, Ron Welke and Rachel Zigler. Bonnie Rohr won the afternoon's drawing. It was fun dance to begin the 2024 Promenader dance year.

It was like a Penguin Convention at the "Opposites Dance" on January 21 because so many dancers wore black and white attire. Four squares+ including 6 students and 12 guests enjoyed Mike McIntyre's great calling and cueing. Door prizes were won by Beverly Magyar and Sandy Buck. Dave Ludewig won the afternoon's drawing. It was a memorable dance.

Five squares enjoyed the "Football Dance" on February 4. It was our "student dance" so Mike McIntyre called all Mainstream calls. He also cued and called a line dance. Six Promenader students and three students from Gad Abouts attended. Door prizes were won by Andrew Provo and Glenn Marshall. Roger Forsythe won the afternoon's drawing. It was a great dance with lots of football attire including shirts, hats, shoulder pads, and even a cheese head.

*Fredrick County Promenaders

The guest caller, Terry Headlee, used many love songs for his Mainstream and Plus calls for the Promenaders' "Valentine's Day Dance" February 18. Four squares enjoyed his line dances, too. Door prizes were won by Jackie Armistead, Mary Ann Gearinger, Sandy Buck, Mike Sumy and Rachel Zigler. The afternoon's drawing was won by Clara Kohler. It was a heart-warming dance. Fifteen Promenaders gathered after the dance for dinner at the Modern Asia Restaurant in Frederick. Lois Roney was the organizer.

Five squares participated in the Promenaders' "Holiday Dance" on December 15. The evening began with a wonderful smorgasbord potluck dinner and ended with a carol sing accompanied by Viola Noffsinger. Six of our class students attended. Caller, Mike McIntyre, used many Christmas songs for his calling and cueing which was great. Door prizes were won by Jeff Waybright, Margie Barber, Mary Ann Gearinger, and Alex Dommerich. The evening's drawing was won by Margie Barber. Margaret and Dan Tucker, charter members, came to visit. Jeff Waybright, Linda & Ray Everitt, and Don & Margie Barber did the set-up. Beverly Magyar provided table decorations. It was a memorable holiday event!!!

The Promenaders donated many gifts for a needy family in Frederick. Margie Barber collected the gifts and delivered them.

LAKE OF THE WOODS

Susan Thomas

January has come and gone. Does February find you sticking to your new year's resolutions or are they history too? The Lake of the Woods Square Dance Club has been dancing to bring activity to some of those wintry days. Gene Chamberlain provided calls for both dances in January and again for the Chocolate Insanity Dance on February 9th. For the dance on the 9th everyone was encouraged to bring a chocolate dessert. Cake, cookies, cupcakes, brownies and candy all showed up in ample supply. Gene called mainstream and plus tips to help those who indulged to burn off some of those delectable calories. You can get an idea about the goodies in the photo.

*Lake of the Woods
Chocolat Insanity Dance*

Eighteen students started Mainstream Square Dance Lessons in September. They were invited to come to dances for special tips as early as the end of October. Sixteen of those students started formal plus lessons on Tuesday, February 6, 2025 with Gene Chamberlain continuing as their instructor. One of the original eighteen students had to suspend participation due to necessary medical attention.

Thanks go to Dick Unser, and Steve and Linda Futato for offering four workshops in the month of January to enable those who had completed Mainstream Lessons to review and get ready to begin Plus Lessons with Gene Chamberlain in February. Steve and Linda Futato had the following to say about the January workshops:

This mini break between programs, allowed students time for more practice in mainstream and the opportunity to work through all their questions about calls, handholds, square orientation and formations. The workshops had three parts.

First, Dick would run participants through a patter and explain calls that broke down the square.

Steve followed with a thorough walk-through of three or four specific calls. He chose the calls based on student requests and the observations made by the workshop team.

Linda ended the lesson with a singer. The singer started with a spoken walk-through and hints to allow students to dance to the beat of the music. After a few walk-throughs, students danced to the song.

After each workshop, Steve sent students a list of calls, some helpful hints, and an audio recording of the singer. Thanks to the workshops, students were ready to start Plus Lessons on a solid mainstream foundation.

Gene Chamberlain will direct our steps again on March 8th and 29th. Ben Brown will call the tips on March 22nd.

You never know where you might find Lake of the Woods members square dancing. On February 2nd some members ran into Mike McIntyre from Winchester at an open house at Early's Carpet in Amissville. He called and the members square danced. Check it out in the photo. Several Lake of the Woods members anticipate attending VASARDA 2024 in Virginia Beach. Who

Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

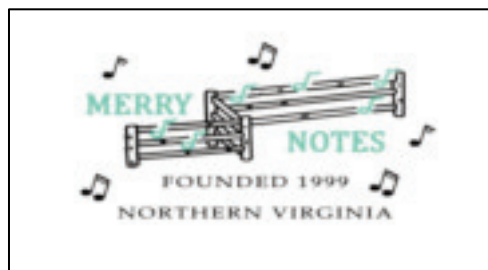

Need a valid health-related reason to try square dancing?

Here (paraphrased in part) is what *AARP research has found.

“...**you** can make a difference in your **brain’s health**.
...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),
NOURISH (eat well), **DISCOVER** (think), and **CONNECT**
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”
