The Editor's Desk

Hello Everybody.

Welcome to the first online only issue of Calls 'N' Cues. It is available in two forms. The first is an online reader version produced by QuarkXPress. The other is a conventional .pdf file which can be downloaded and viewed or printed out.

With the ending of paper issues, I am beginning to make electronic format changes. The first change will not be obvious to most readers, but has very significant benefits. As background, for the last many years Calls'N'Cues has been printed on both sides of a folded 8½"x 11" sheet. Therefore each individual page was 5½"x8½" and each issue required a multiple of four pages. That meant that when submissions came in using 8½"x11" formats (which was just about anything.) manual operations were required to put them on an 5½"x8½" page. With issue I am converting to an 8½"x11" format. Since the online reader automatically fills the window being used, there is basically no difference in what readers see. However when you ask your browser to print a page you will get a full 8½"x11" page printout. Similarly any .pdf printouts will be full pages.

Now that Calls'N'Cues is formatted as a full page I am going to add two new sections: Club Dance Schedules and Special Dance Flyers. The first section will include any "camera ready" full page club dance schedule flyers electronically submitted to me. These schedule flyers will continue to be included in all issues until they are out of date. The second section will include any "camera ready" full page flyers for special dances which are electronically submitted to me. These dance flyers will continue to be included until the dance is held. These sections will NOT replace Club News or Calendar of Events. But be aware, I will not use the full page club dance schedules in making Calendar of Events entries.

That segues nicely into other sections. At this stage I have resolved how the various columns, authored articles, "centerfold", Club News, Calendar of Events, Club Dance Schedules, and Special Dance Flyers will be formatted. There are still a few sections I need to work on, but I didn't have the time to do it for this issue. They include handling pictures in Club News and developing a National Convention and Festival News column. To that end I would like to have someone who could write column(s) on both MDSDF SSB and VASARDA. I also need to decide how best to format the "Under the Weather", "Dance Classes", and "Birthdays & Anniversaries",

Several people have asked me how to find things in the electronic copies. While there is no text search ability in the QuarkXPress online reader, it has the ability to jump to a specific page. When you are on any given page, (say the What's Inside This Month page) click on the page

number. That will raise a slide bar. Then move the cursor up a bit and you will see thumbnails of all the pages, along with page numbers. You can then click on any specific page and jump directly to the desired page. The other option is to download the .pdf file and use a local reader to search for things. I have seen some hints I should be able to set up the .pdf files that QuarkXPress produces such that the table of contents becomes clickable. Right now I have too many other things to learn about Quark, however that is in my list of things to do.

Related to online viewing, there are those who would consider me a luddite. I have neither a smart phone nor a tablet, only a flip phone. On a couple of occasions I have borrowed both to see if the online version comes up and it does. However, I have not played with them enough to know how well it works on them. Would anyone who encounters an anomaly please take me aside at some dance and show it to me. (Emailing me will not suffice as I will need to see the problem and play with it for a while).

And with that I need to get back to making this issue.

From the WASCA President's Corner

CT and Margaret Montgomery
(WASCA Presidents 2019-2020)

We hope all of you have had a great summer and enjoyed a chance to dance at some of your favorite events. You may recall that at the May 5, 2019 delegates meeting we requested suggestions on how WASCA could show appreciation to the clubs. We have received a number of interesting suggestions. A couple of these related to www.wheresthedance.com (WTD), the suggestion being that WASCA should help in improving the accuracy of club information on the WTD site.

The FAQ on the site addresses why the site was created. The short version is that it helps dancers find dances that they may otherwise be unaware of and the ability to find dancing when traveling. The site also lists conventions and festivals. (Check out the WASCA Spring Festival for 2020.)

Early in the life of WTD WASCA worked to get WASCA clubs listed as "Charter Clubs". This was considered important since the information provided at the time was that charter clubs would never be charged a fee to be listed on WTD. Non-Charter Member clubs would be assessed a fee of \$25 per year for inclusion. Charter clubs would have their yearly fee waived on Jan 1 each year that they have dance events listed on the WTD calendar on that date.

We don't know what current policy is, however, there are Charter Clubs that remain listed on WTD and have not listed a dance event for years. Some of these clubs are large, operate an up to date and attractive web site and Facebook page and list their future dances on other Federation sites but have no future dances listed on WTD. It would seem such clubs do not see an advantage in listing their dances on WTD.

Another attractive feature of WTD is the ability to make changes related to a specific dance quickly. (Under

normal circumstances WTD can be updated in just a few minutes.) When faced with a change in dance location, start time, staff or the need to cancel a day before or even a few hours before the dance the preferred action is to get the updated information to as many places as possible. We have seen examples where clubs that use multiple channels of communication and typically keep WTD up to date had to cancel or move a dance with only a few hours before the dance. In some cases WTD is the last thing to be changed or is not changed at all. This seems to indicate that WTD is not viewed by these clubs as an effective communication tool for last minute changes.

We thought that clubs that were not listing future dances might just not have someone available to enter the required data. It now appears that the picture may be more complex, but the sample size we have looked at is small. So, we hope to take an additional look at this issue over the next couple of months.

On a different subject, in the last CallsNCues we predicted that this years National Convention would be the largest since 2012. We missed by a year. It is the largest since 2013. The three conventions since 2012 with the largest attendance are:

2019 Atlanta 4063,
2013 Oklahoma City 4185,
2012 Spokane 5545

(Information from <https://68nsdc.com/registration.html> and <http://www.nsdcnec.com/nsdc-conventions/past-conventions>) Atlanta held a good convention – Hope you were there.

Looking forward to seeing club representatives at the next Delegates meeting on September 22, 3pm at Lincolnia

NASDLA President

Here comes autumn and great dancing weather! Having lived in both Greenland and Texas, I really appreciate the weather in this area. Those of you who are recent graduates and relative newcomers to the square dancing world, WELCOME!

We have many dedicated callers in the area who have worked very hard in preparing you for the wonderful activity. Thank you, one and all, for all of your hard work! Now it is time to enjoy it all.

Needless to say, support your club, but also attend other clubs and special dances, especially those held to support deserving causes. There are many opportunities such as collect food for the needy, medical research, or at Christmas time, toys for children who will have many happy memories.

I would be remiss if I failed to mention our local callers' association (NCASDLA) special Free dance (see flyer on page 68). Held annually, this "Booster Dance" is our way of thanking all of you dancers for supporting us. This year's dance will be held Sunday, September 22, 2019, at the Lincolnia Senior Center, 84714 Chambliss St., Alexandria Va. 22312. It features the finest international callers and local cuers. This year we present Deborah Carroll-Jones and cuer Ken Ryder. The dance will be from 7:30 to 9:45pm as 2+1 Mainstream with announced plus tips. Current members will be sent an invitation.

As always, there will be a caller clinic preceding the dance from 3 to 5pm.

Hope to see you on the dance floor!

Message

Greetings, WASCA dancers:

As we roll into September, we hope the DC summer heat and humidity will away. We look forward to resuming our regular club dancing with those clubs that suspended dancing during the summer. There were many opportunities to enjoy some outstanding round dancing this summer. We enjoyed dancing with many of our WASCA friends at the 56th Star Spangled Banner Festival [SSBF] in July, and at Pam Bennett's Summer Special Round Dances on certain Fridays at the Lincolnia Senior Center. While we missed dancing with many of our WASCA friends at the Filardo's Chesapeake Summers End Get-a-way in August this year, we enjoyed the opportunity to cue teach and dance with the Adcocks, the Hichman's and several of our NC dance friends at the NC state convention. ,

At the SSBF, Amy and Ken Shotting had a great turnout of new dancers at their Introduction to Rounds. Having had a taste of the fun we round dancers share, we hope that many of those couples and other WASCA dancers interested in joining our activity will consider taking some round dance classes this fall.

Several RDTA leaders are holding round dance classes in the Northern Virginia, Central Virginia, and Maryland areas this fall and winter. The classes will cover various rhythms including cha cha, rumba, two step, waltz, jive and foxtrot, among others. They would be happy to have you join them in enjoying round dancing. If you are looking for some new fun, exercise, and friendship, consider joining a class to learn more new moves in our "social contact sport." check out the information available on current Round Dance classes in the section on Dance Classes later in this Calls 'N Cues Issue.

Finally, we want to remind all WASCA area round dancers about a couple of special dancing opportunities coming up this fall. First, there is the annual NCASDLA booster dance (see flyer on page 68) on Sunday, September 22 at the Lincolnia Senior Center from 7:30-9:30PM. Deborah Carroll-Jones will be calling mainstream and some plus tips and Ken Ryder will be cueing. We also want to remind everyone about RDTA's annual Autumn Leaves Ball coming up in October (see flyer page 71) . This year's RDTA Autumn Leaves Ball will be held on Sunday, October 13, from 3:30-6:00 PM but at a new location -- Lindale Middle School 415 Andover Rd. Linthicum, MD. As always, there will be two separate halls for those who dance at the phase II-IV level and/or the phase IV-VI level. See the flyers in the Special Dances Flyer section in the back of this issue which contain additional information about both the NCASDLA Booster Dance and the RDTA 2019 Autumn Leaves Ball. With Amy and Ken Shotting serving as program coordinators, the 2019 Autumn Leaves Ball will be a special event you won't want to miss.

We hope to see you soon across the dance floor.

Berni and Ken Ryder

61st WASCA Spring Festival “Get Your Kicks on Route 66”

**by Directors:
Bobbi & Jeff Fuhr
Linda Peterson & Steve Toth**

We are working away on the 61st WASCA Spring Festival and getting all of our ducks in a row. Life is swell and we are getting ready to bring back the way of the beehives, pageboys and the D.A.; of spats, fedoras, poodle skirts, saddle shoes, and pedal pushers.

We are working our way around on “Getting Your Kicks on Route 66”. Did you know that there is 2,448 well-worn miles of Route 66? It travels from Chicago to Los Angeles, crosses three time zones and it was America’s first paved highway. We have been able to pick up our callers and cuers along the way. You will get to see Jerry Biggerstaff, Eric Henerlau, Tom Miller, Joe Saltel, Mike Seastrom, Mike Sikorsky, Jerry Story, Buddy Weaver, Linda & Paul Robinson, Sherry & Rey Garza, Marie & Randy Preskitt, Tammy & Curt Worlock and Donna & Doug Riley. What a lineup, plus opening ceremonies we will have Nick Capozio sing us a song that he wrote especially for our 61st Wasca Festival. Also, we will have a show stopping 50’s swing dance exhibition and that is just opening ceremonies on Thursday night. Then the dancing begins.

Our very special event on Friday night will be a “Sock Hop” with the Groove Quest Band for your dancing pleasure. Remember to save your energy because you won’t want to miss this. What a party! We really need you to pull out your poodle skirts, bucks and saddle shoes, pony tails, slick your hair back, roll up your sleeves and just hang on because the band will knock your socks off. Come hear Elvis, Ricky Nelson, Buddy Holly, Bobby Darin, Richie Valens and so many more. It is a great group.

Just in case you haven’t heard we have our puzzles in and what a gas it is to put a puzzle together and see all of your friends faces smiling back at you. Wasca has its first puzzle and I am sure it won’t be our last. What a good looking group and it is only \$20.00. Our shirts are making a hit also. We saw so many of them in Atlanta and it was a beautiful site. Look for the teal where ever you go – you are looking good.

We need some help on Thursday to put up decorations. We will have them ready to go but will need some hands to help. We already have a few people who have volunteered to do some of the rooms. The round dance room is covered. That team does a spectacular job every year. The Aqua Squares also takes a room and outdoes themselves each year. The youth room creates their own atmosphere and makes it fun and youth friendly. We need help in the other areas. Decorations make the event even more fun. Let us know if you can help us out. We will need help on Thursday morning and early afternoon. We have ideas for the big banner in the big hall. It will make it much easier to put up and take down.

We are adding some extra incentives for advertising, volunteering and baskets:

We will have four prizes for the 61st “Get You Kicks On Route 66” Wasca Spring Festival for getting ads for the Program Book and Syllabus. Every person who gets an ad (regardless of size of the ad) for the program book or syllabus will have their name put into a basket for a drawing for a \$50.00 gift card. We will also have a prize of a full-page ad in Calls’n’Cues for the club who brings in the

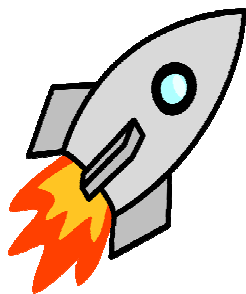

most ads and second prize will be a half page ad. The last prize will be to the person who brings in the most ads and that person will receive \$50.00. Please see Darrella Deubel to submit ads – 703/425-4072 – FestivalAdvertising@wasca-clubs.com.

Anyone who volunteers to help at the tables – baskets, registration, 50/50s, t-shirts, dolls, puzzles will have their names put into a basket for a drawing of a \$50.00 gift card from Kohl's. See Anne Giancoli to volunteer – 301/262-1978.

Every club who enters a basket will receive a ¼ page ad for their club. The basket who receives the most tickets will get a full-page ad in Call-

s'n'Cues and the basket who gets the second most tickets will get a ½ page ad. In addition, every basket that is entered will be put into a jar and there will be a drawing. The first basket drawn will receive \$ 50.00 cash and the second basket will receive \$25.00 cash for their club. Darrella Deubel is also handling baskets for us and the 61st - 703/425-4072 - FestivalAdvertising@wascaclubs.com.

We look forward to seeing you all on the dance floor and come join in and enjoy the Theme Dances for the 61st Wasca Spring Festival – “Get Your Kicks on Route 66”. See you on the dance floor – Linda, Steve, Bobbi & Jeff.

BE A BOOSTER!!

WELCOME BACK!!!!!! We hope your summer was full of family, friends, and fun. I personally love the fall. The kids head back to school, the weather gets chilly, the leaves start changing, you pull out the sweaters and jackets. It's time to look at your fall calendar. I hope lots of square dances fill your fall calendar. There is a holiday in practically every month in the fall. Labor day in September, Halloween in October, Thanksgiving in November, and of course, Christmas in December. Your club probably has a special dance for all those holidays. Let's add one more reason to have a special dance.....A Booster dance. Advertise a BOOSTER DANCE NIGHT so everyone comes with their dollar. Collect the dollars, make a list of all your members and send it to me. Get you club's name and members listed in the festival souvenir program. Help us reach our goal of 100% participation.OR...you send us your dollar per member and not list the names. We will put your club name in the booster page as SUPPORTERS OF WASCA FESTIVAL. There are 63 clubs in WASCA, lets try for 100%. Your club can help WASCA with all the many things that make this the best festival on the east coast. We have the best callers and cuers, the best venue, the best dance floors and the best dancers. All monies and lists must be to me by December 15th in order to be placed in festival program. Detailed information will be given to your delegates at the delegates meeting in September. Our phone number is 301-872-4547, our address is P.O. Box 495, Ridge, MD 20680. Our email is riley4106@yahoo.com. Call if you have a question, a suggestion or just want to chat.

See you on the dance floor!!!

Get Your Kicks on Route 66 Advertising for WASCA's 61st Square and Round Dance Festival

Well, summer is over and the fall square dance season is beginning. This means it is only six months until we can begin getting our kicks at the WASCA Spring Festival. March will be here before you know it! So it's time to begin making plans for you, your club, or caller/cuer to think about supporting WASCA with an ad in the Festival Program Book. Contracts will be sent to previous advertisers as well as all clubs, callers and cuers in the WASCA area. There are ad contracts in all the delegates' packets you will receive at the Delegates' September meeting.

If you haven't participated in the advertising campaign previously, now is a great time to start. We need everyone to help make this Festival great and we need the money we raise from the advertising to help do that. Does your club eat out before or after a dance? Ask the restaurant if they would place an ad in the program book. Do you have a small business? Advertise it in our program book. How about thanking someone in your club by placing an ad with a personal message? There are so many ways to support WASCA with a simple ad. Don't wait until December to begin the process or you will miss the deadline. Start today – don't procrastinate. Let's see if anyone can sell eight business card size ads – that equals one page and brings in \$200 vs selling one full page ad for \$100. See what combinations of ads you can sell to fill a page.

The ad sizes range from business card size (\$25) to full page (\$100). You can design your ad copy or we can help you with it. If you design your own ad, please look at the requirements on the ad contract so your ad will be truly camera ready. Don't wait too long to begin the process because it does take time to get the program book put together. The sooner you contact an advertiser, the better chance of getting an ad. Local businesses are always looking for opportunities to get their name in front of potential customers. **The deadline for submitting your contract, payment, and ad copy is January 6, 2020.**

*****Again this year we're offering an incentive to the individual who submits the most ads (one free registration to the 62nd Festival) and the club that is credited with the most ads receives \$50. The person selling the ad must fill out the information at the bottom of the ad contract to receive credit. Be sure your club affiliation is there also.*****

It is easy as 1-2-3-4

1. Fill out the contract form with the information for the size ad purchased. Remember to include your name and club name at the bottom of the form.
2. Have the check made out to WASCA.
3. Put the contract and check in an envelope and mail to the address on the form.
4. Prepare your ad copy and email it to us at the email address on the contract.

Start contacting advertisers now so will have a lot of new ads in the 61st Festival program book.

Get Your Kicks On Route 66!

Illinois

When US 66, the 'Main Street of America' was designated on November 11, 1926, the original route included mostly pre-existing roads in order to minimize construction and open 66 to traffic as soon as possible. Illinois, the first of eight states through which 66 passed, had already paved most of the roads that would comprise US 66; much of the rest of the now-iconic route was still a gravel-and-dirt road. Thus, let us begin with Illinois as the first stop where we get our kicks.

The first known Chicago-to-St. Louis road was an earlier Native American Indian trail and stagecoach road, renamed the Pontiac Trail in 1915. Route 66, once outside the metropolitan Chicago area, traveled down the Pontiac Trail through many cities and towns on its way southwest, including Joliet, Odell, Bloomington, Lincoln, Springfield, Edwardsville and East St. Louis. IL 4 coincided with most of the Pontiac Trail and closely paralleled the Chicago and Alton Railroad tracks running from Chicago to East St. Louis. In 1922, teams of horses dragging equipment behind them prepared the roadbed for IL 4. Laborers earned 40¢/hr. to perform backbreaking labor on the roadbed. The next year, concrete was poured in Bloomington-Normal. By 1924, IL 4 was almost entirely paved between Chicago and St. Louis. Construction on the few remaining parts of US 66 in Illinois began in 1926.

In Illinois and throughout the Midwest, the construction of US 66 had a serious impact on the economies of small, rural towns; these smaller communities witnessed a hive of new activity when the road finally passed through. Previously, in 1916, the Congressional Federal Aid Post Road Act, known as the Shackleford Bill, appropriated \$75 million to states over the next five years, and the federal government became actively involved in road building for the first time. Five roads in Illinois were designated to receive federal money under the legislation; they were: the National Old Trails Road (National Road, present-day US 40), Lincoln Highway, Dixie Highway, the road from Chicago to Waukegan, and the road from Chicago to East St. Louis, including portions of IL 4, which was the actual predecessor to US 66 in Illinois.

By the 1930s, US 66 extended from Chicago through Springfield to St. Louis; most of the original pavement was used at late as early 1940. However, the dangers of the original pavement led to the nickname "Bloody 66," due to the frequently deadly road accidents along the mostly rural route. By World War II, Route 66 had become the heaviest trafficked highway in Illinois; the increase in military traffic hastened the aging road's deterioration. The Defense Highway Act of 1941 provided Illinois with about \$400,000 in funding, and by 1942, plans were in place to make much needed road repairs that were also intended in part to make the road safer for traffic.

In 1930, the Chain of Rocks Bridge was opened on Bypass US 66 to circumvent St. Louis. The Luna Cafe, Bel-Air Drive-In sign, and the Old Greenway Motel can be found along this stretch of road, as well as The Mustang Corral, a Ford Mustang shop, just before IL 157 on the right hand side eastbound.

Chain of Rocks Bridge

Route 66 originally followed IL 4 north of Hamel; the section of US 66/IL 4 from Nilwood to Girard was listed on the National Register of Historic Places on May 23, 2002. Passing north of Auburn and south of Springfield is the last brick alignment in Illinois. Finally, breaking off of IL 4, the route passed the Illinois State Capitol and the Old State Capitol

Brick portion of IL 4 north of Auburn

An alternate route northward from Hamel was opened in 1930. It branched off to the east, bypassing Staunton, and moved northeast through Mount Olive.

Soulsby Service Station, Mount Olive

The highway continued past Litchfield, through Livingston, to Springfield and on to Atlanta, the home of the famous Dixie Travel Plaza. This full service restaurant, dubbed 'A Palace for Kings of the Road' was inducted into the Illinois Route 66 Association Hall of Fame for its contribution to the character of Route 66.

Public library and tower clock on the town square in Atlanta

Funks Grove to the north featured the Funk family's 'pure maple sirup'. Continuing northeast to Bloomington and Towanda, the route is now a parkway and trail where travelers can see classic Burma Shave signs.

- *Every shaver / Now can snore / Six more minutes / Than before / By using / Burma-Shave*
- *A shave / That's real / No cuts to heal / A soothing / Velvet after-feel / Burma-Shave*
- *Hardly a driver / Is now alive / Who passed / On hills / At 75 / Burma-Shave*
- *Past / Schoolhouses / Take it slow / Let the little / Shavers grow / Burma-Shave*
- *If you dislike / Big traffic fines / Slow down / Till you / Can read these signs / Burma-Shave*
- *Don't take / a curve / at 60 per. / We hate to lose / a customer / Burma-Shave.*

Going onward towards Pontiac, the road between Cayuga and Chenoa is particularly interesting: some portions of the northbound lanes have been abandoned, while the southbound lanes still carry traffic. There 14 structures and buildings remain along this 18.2 mile stretch, eight of which are historic listings. There are also 12 highway bridges, all of concrete, and a 'box culvert': a cast-in-place or pre-cast reinforced concrete and has a box shape that is located under the embankment to drain water from one side of the road to the other.

The section to Joliet, mostly agricultural, is listed on the National Register of Historic Places. Joliet itself boasts of many historic structures: The Rialto Theatre, a movie palace; Joliet Union Station, an example of the Beaux Arts style; several Art Deco structures and the first Dairy Queen, opened in 1940.

The Rialto Theater

The route continues northeast, through Plainfield, to Chicago, where it terminates one block southeast of this sign.

National Convention News

Atlanta was one of a kind!

For those of you who went to Atlanta can attest it was a wonderful time. The facilities were magnificent, parking was easy. Food was plentiful and there was so much excitement. There was just not enough time to see and do everything. There were so many special highlights and if I had to mention just a few – the Wall of Honor, the Fashion Show, the ceremonies, the dancing on the bridge, the Re-

ceptions for the International Dancers, the Reception for the Callers/Cuers/Instructors, the tours, the educations and the dancing. The 68th National Square Dance Convention® was a true success in every sense of the word – all you saw was smiles. They had quite a committee and cheers to all of them and the incredible job they did. It was true Southern hospitality at its best.

Next Year, Spokane, Washington has got it all!

Now for 2020 in beautiful Spokane. The 69th National Square Dance Convention® will be held June 17- 20, 2020. To avoid the Spokane Hoopfest, this Convention is a week earlier than normal (For 2020 only). In a departure from normal, it is being put on by the National Executive Committee.

For those of you who have never been to Spokane it is located in eastern Washington along the Spokane River adjacent to the Selkirk Mountains and west of the Rocky Mountain foothills. It is only 92 miles from the Canadian-US border. Spokane's official nickname is the "Lilac City". It is just a fun city to walk down the river walk, ride the tram across the river or go on a heart pumping water rafting or kayaking trip.

The 69th National Square Dance Convention® will be held in the Convention Center and is surrounded by several hotels. On Wednesday we will have a BBQ in Riverfront Park and the show will be the Music & Comedy of Joe Stoddard. That is the kick-off of the Convention.

Other exciting news is that the "Ghost Riders" will be there. With the help and support of the callers, Spokane will have the great Ghost Riders. They have been supporting the National Square Dance Convention's for over 30 years. They really bring the dancing to another level.

2019 Star Spangled Banner Report

The 56th Star Spangled Banner Festival, held July 18-20, once again proved to be a wonderful weekend of dancing and friendship. The Festival celebrated the 50th anniversary of the Landing on the Moon - a theme that everyone enjoyed. The dancers participated in a full weekend of both square and round dancing - that featured an excellent staff of callers and cuers. The winners of the 5-3-2's, the 50/50's and the baskets, all took home lots of goodies. The Solos had a fun hour of dancing and enjoyed ice cream and fellowship afterwards. The Friday Entertainment had all of us looking for the lost astronauts. The new square and round dancers celebrated at the Grad Ball - having fun with other new dancers and angels, while having fun with the callers and cuers. And let's not forget dancing in the pool. The aqua squares had a good time, while cooling off in the hot weather.

Everyone had a great time. While watching a video of the moon landing, we were thinking about what we were doing 50 years ago as "one small step for man, one giant leap for mankind" made history.

Thanks for joining us this year. For next year only we're moving to the Eisenhower Conference Center in Gettysburg, PA for July 23-25, 2020. We hope you'll plan to join us for another fun weekend.

See you on the dance floor.

CHOREO CORNER

with
Dick Otis

The summer of 2020 is now history, Trish and I have traveled far and wide this summer, and we are excited to get back to the regular dance season.

I'm writing this article from the beautiful Pride RV Campgrounds in Maggie Valley, NC where we are continuing our own dancing education under the tutorage of Jerry Story and Tony Oxendine. If you are interested in taking a peek at what they do, drop by my YouTube channel, www.youtube.com/SquareDancers and check it out!

Recently, Callerlab updated the Plus Program list and some Plus definitions. Two calls were moved to other levels (Extend and 3/4 Tag) giving us 28 calls on the list. One definition that changed is Crossfire. This is one of my favorite calls which, when Trish and I were learning Plus, we rarely heard called at a dance. When I asked callers why they didn't call Crossfire many answered, because the dancers can't do it. I thought that was a strange answer. Of course if nobody used the call then dancers would not be able to dance it. Happily, I now hear it called more often (or if not I ask them to call it!). So let's take a closer look at my favorite call. From Callerlab's Plus Definition (September 22, 2018).

"CROSSFIRE - Starting formation - Two faced line, Parallel lines of four, Inverted Line(s). TIMING - 6

As the centers begin to Trade, the ends Cross Fold. Upon completing their Trade, the centers release hands and step straight forward forming an ocean wave or mini-wave with the dancers they are facing. If the Trade leaves the original centers facing no one, they step forward and remain facing out."

There are two points in the definition that Callerlab is clarifying. The first point is that Crossfire is a two-part call, the first part is "As the centers begin to Trade, the ends Cross Fold" and the second part is "centers release hands and step straight forward forming an ocean wave or mini-wave".

The second point of clarification is "forming an ocean wave or mini-wave". Specifically, from outfacing lines, the Centers of the line partner trade and step forward into an Ocean wave in the middle, while the ENDS cross-fold to become partners on the outside (e.g. a 1/4 Tag formation).

I won't go into the caller discussions about Crossfire about this change to the definition. As the definition is now

changed the arguments are moot and to most of us it doesn't matter anyway. So let's see what we can do with the call.

(1) First, from a two-faced line, which is probably how you were originally taught the call, Crossfire results in a right or left-hand column (depending on if the two-face starting line is right or left handed). Interestingly from this position, the caller can call Coordinate and then Crossfire again in an infinite do-loop (not recommended).

This gives us the first two (common) ways to call Crossfire (left and right two-faced lines), with many variations of arrangement (boy-girl, girl-boy, boy-boy etc.)

(2) Secondly as discussed above, from out-facing lines, the Centers of the line partner trade and step forward into a (right hand) Ocean wave in the middle, while the ENDS cross fold to become partners on the outside. The end result is a 1/4 Tag formation.

(3) Third, from in-facing lines, the Centers of the line partner trade and step forward as a couple, while the Ends of the line cross fold, to stand behind them in a completed double pass thru formation.

(4) From out-verted lines (e.g. the Ends of the line are facing out, and the Centers are facing in) the Centers will Partner Trade while the Ends cross fold and then extend to form right hand waves.

When you add in different arrangements (which positions are occupied by a boy or girl) and relationships (which one of the 4 girls is adjacent to a reference boy dancer) there is a rich collection of ways to call Crossfire.

And there you have all the ways to do Crossfire, there are no other ways; well at least from the Callerlab specified starting formations.

Just for fun, let's look at a couple of other possibilities which we can do if we are calling a Dance By Definition (DBD) dance – or more likely a workshop. From the definition all we need to call Crossfire are centers and ends.

(5) If we have a 4X4 tidal wave (e.g. two couples together in a line on one end, and two couples together on the other end, then we have centers and ends (of each line). Crossfire from this formation results in a parallel two-faced lines.

(6) If we have Facing Diamonds then of course we have centers and ends, so using the definition, we can call Crossfire. For a formation with the Boys in the wave and the Girls as points it works like this.

The center of the diamonds (Boys) do the trade and extend to look out of the box of 4, while the points of the diamond (Girls) do the cross-fold to look into the box; the ending is a T-Bone box formation.

And for your special entertainment, check out this 55 second video of Tony Oxendine teaching his infamous Double Crossfire – ONLY available to CallsNCues readers at: tinyurl.com/doublecrossfire

I hope everyone is ready to spread their wings and learn some new Crossfire moves!

Square Dancing in China

Square dancing is an annoyance no more in Nanning community

From chinadaily.com.cn | Updated: 2019-08-13

While it's commonplace for Chinese square dancing to be accompanied by loud music, one group of older dancers in Nanning has decided to turn off the loudspeakers without turning down their fun.

Tired of noise complaints, the Nanning Dream Team ditched the speakers and added individual headsets to make sure they can still enjoy dancing in the community, but in what to neighbors must be a more civilized way.

In a city square in Nanning, South China's Guangxi Zhuang autonomous region, nearly 100 seniors concentrated on following the moves of their dance leader while wearing headsets to listen to the music.

Many passersby did a double take when they saw the dance team go through a routine, seemingly without any audible music blaring from loudspeakers.

When asked why they dance in this way, they said they had no other choice.— The area where they dance is between two close residential buildings, so noise echoed and disturbed nearby residents.

Surrounding merchants and residents used to complain about the noise they made. Some even splashed water or threw items from the upstairs floors of buildings close by.

The team leader, surnamed Yang, said the dancers didn't want to annoy the neighbors, and that's why she suggested the group dance with headsets.

This perfect solution has ended complaints, simply via a small transmitter which can set channels and transmit the signals, creating the music all the dancers listen to simultaneously.

"I bought the device at my own expense, while our dancers pay for their own headsets," Yang said. "Dancers can adjust the volume of their wireless headset and select stereo mode, which is very beneficial for us to enjoy dancing and not disturb others anymore. What a win-win solution!"

The move has impressed many in the neighborhood. A female resident surnamed Wen, owner of a snack counter opposite the square, has witnessed several conflicts in the past and said she's very happy the seniors have solved the problem.

Before the new technology was put into use, some dancers worried whether wearing a headset is harmful to their ears or whether they could all hear the same music at the same time. They found this wasn't a problem at all.

Originally a small team with a few dozen people when it was founded nine years ago, the Nanning Dream Team is now a large square dance group with 121 members. Members are from Guangxi, Shandong, Chongqing and other places and are all retirees above 50, with the oldest 82 years old.

Their daily hour-long square dances are held from 8-9 pm.

Besides their regular evening dancing, the dancers also enter will provincial dance competitions in Guangxi and travel together.

Many Chinese netizens and media accounts have forwarded video of the Nanning Dream Team square dancing with their headsets to support them, thinking it is a practice worth expanding nationwide.

Chris Stacy

In late May, Chris, who suffers from diabetes, woke up to discover he was blind.. He can only see light and shadows. He told Dick Otis that he could see the “play” button in square view if it takes up the entire screen. He can’t see the dancers. After several doctors visits, they are hopefully they can arrest any further deterioration, e.g. total blindness. As you can imagine this is a major life changing event for him.

In early June Chris was at DC Lambda Squares when he began throwing up. He was taken to Howard University Hospital where it was determined that he had had a heart attack. Three stents were put it/around his heart and he is doing OK. Thus he is having TWO major life changing events at the same time. Chris wants to acknowledge everything that the Lambda Squares has been doing for him, including transportation.

Chris is going to need our collective help re-adjusting to his life. Hopefully with help he will still be able to do some calling. He was very upbeat this morning - typical Chris - but you have to image what is going on in his head.

Friends have established a Go Fund Me for Chris at <https://www.gofundme.com/f/chris-stacy>

Please keep Chris in your prayers and standby to help as needed.

Wanda Stockman June 9, 2019

Wanda Stockman, 79, of Feagaville, Maryland, went home to be with God on June 9, 2019. Wanda is survived by her husband of 55 years, Charles Stockman.

She was the loving mother of Charles Robert Stockman Jr. (Rob) and his wife Lura, and Tana Flanagan and her husband Chris. She was also the proud grandma of Kaylyn and Kara Flanagan. She is survived by a sister Barbara Huesman and husband John and nephews Mark and Paul Huesman; brother-in-law David Stockman and companion Carolyn Casper; sister-in-law Connie Miller; niece Chawna Koontz and

Stephanie Dryman, and nephew Scott Stockman.

Wanda earned a teaching degree from Towson and taught math at Middletown Middle School for over 20 years.

She was active in the Frederick County Promenaders, The Red Hats, Frederick Church of the Brethren and a seniors exercise class at the William Talley Rec Center. Following the class, she thoroughly enjoyed a hot cup of coffee with friends at McDonalds. Throughout the years, she was an avid walker, gardener, and cook. She valued family gatherings and especially enjoyed helping her granddaughters make creative birthday cakes.

With her gentle demeanor and positive spirit, she was quick to offer a kind word to others. She readily gave to those in need, and she will be dearly missed.

Interment was at Mt. Olivet Cemetery.

Barbara Caroline Clemence

Sept 17, 1931 -
May 10 2019

Barbara C. Clemence died peacefully on Friday, May 10, 2019 at Anne Arundel Medical Center. She is survived by six children, eleven grandchildren and six great-grandchildren. She was a longtime member of St. Matthew's United Methodist Church in Bowie.

On September 17, 1931, she was born Barbara Caroline Wight in the house her father had built in Johnston, Rhode Island. On July 1, 1950, she married G. Vail Clemence. Barbara first spotted her future husband Vail when she was five, seeing him from an upstairs window during an annual summer camp. It was the earliest moment of a childhood friendship that grew into a lifetime together; when he passed away in 2017, they were in their 67th year of marriage.

Barbara formed her own 4-H chapter to teach other girls the arts of cooking and sewing. She played piano starting in childhood; by her teen years she was serving as accompanist for the children's Sunday School songs at Belknap Chapel,

She would go on, as an adult, to play and sing for the local Choral Society in Manassas Park, Virginia. When they moved to Newport News, she directed and accompanied both the youth choir and an "Up with People" young people's performance group at Denbigh Presbyterian Church, where she also served in the adult choir as singer and pianist.

Music was central in the Clemence household. Family singalongs took place in the living room, where two pianos shared space with a trumpet, trombone, clarinet, flute, melodica, accordion, several harmonicas and guitars, a banjo, a drum kit, and a small pump organ. Her children especially treasure memories of her sitting down with their father to play piano

duets, and of his picking up his trombone or guitar to accompany her as she played and sang one of the songs they loved that were popular from the turn of the century to the fifties and sixties.

Her childhood expertise with a sewing machine also proved invaluable through the years, as she designed and stitched together countless school costumes, Halloween costumes, and theater costumes for her singing and acting brood. And later, during the years she and Vail danced with the Bowie Square Cats, she created coordinating costumes they'd wear to the group's full-dress square dance and round dance evenings.

But of all her gifts, none was more special than her talent for relationships. She had an uncanny knack for connecting with strangers and making lifelong friends wherever she went. It was a talent she exercised for a number of years as a volunteer with the Gallup organization, conducting in-field polling in any kind of weather, in every kind of neighborhood, meanwhile, never slackening her pace as a busy mother of six who over the years virtually never missed a pick-up or drop-off of her children for whatever intricately-scheduled activities filled each hectic day. .

Perhaps the most significant example of the way she invested herself in the lives of others comes from her retirement years, when for 13 years she and Vail led the volunteer organization FISH of Greater Bowie, devoted to providing routine and emergency transportation for seniors in need. FISH stands for Friendly and Sympathetic Help, and the Capital Gazette records that in one recent year the group provided 729 rides and logged over 13,000 miles of volunteer work. That statistic appears in a Gazette article.

It's not every day, nor every week, that this world marks the passing of such a woman, who at eighty-seven leaves a legacy of passion and eagerness to serve that - along with her love for her family, her community, and those who simply needed her - was so powerful and so enduring. She will be greatly missed, much mourned, and lovingly

BOBBI'S

SQUARE

SAGE STUFFED CHICKEN

1	Tbsp.	Olive Oil, plus more	8	Fresh	Sage leaves
4	5 oz.	Chicken breasts, boneless & skinless	½	Tsp.	Salt
8	Thin	Slices prosciutto	½	Tsp.	Pepper
8	Thin	Slices Fontina cheese			

1. Preheat the grill to high and brush with oil.
2. Place a chicken breast on a work surface and slice horizontally in half. You will have 2 thin breasts for a total of 8.
3. Place each breast between 2 pieces of plastic and lightly pound to 1/8th inch thickness, taking care not to tear the chicken.
4. Place a slice of prosciutto, a slice of fontina and a sage leaf on each piece of chicken.
5. Beginning with the narrow end, roll up the chicken and secure with toothpicks.
6. Brush the rolls with oil and sprinkle with salt and pepper.
7. Grill the rolls, turning occasionally, for 7 to 11 minutes, depending on their size or until browned on all sides and cooked through.
8. Transfer to a serving platter, remove the toothpicks and serve.

This incredible recipe comes from Stonewall Kitchen. National Harbor has a store; even Giant Food sells their brand or just go online. Everything is delicious. We also like the Farmhouse Red Relish, and Whoopie Pie Mix.

WILD MAINE COBLER

		Butter to grease pan	1	Tsp.	Grated lemon zest
¼	Cup	Sugar	1	13 oz.	Jar Stonewall Kitchen Wild Maine Blueberry jam
1 ½	Tbsp.	Cornstarch	½	Tsp.	Cinnamon
2	Pints	Blueberries *			

1. Or 2 – 14 oz. bags of frozen fruit (not defrosted).
2. Preheat oven to 425°. Butter a 2 – 3 quart baking dish.
3. Combine sugar, cornstarch, lemon zest, cinnamon and jam. Gently stir in blueberries. This is the base of the cobbler – one bowl.

4. Prepare pastry:

1	Cup	Flour	½	Stick	Butter
2	Tbsp.	Sugar, divided	¼	Cup	Lt. cream, ½ & ½ or milk
1 ½	Tsp.	Baking powder			

5. Combine dry ingredients, flour, 1 tbsp. sugar and baking powder; and then cut in butter (may pulse in blender).
6. Add dairy product and mix until dough pulls together.
7. Break off pieces of dough and flatten slightly, laying each in an irregular pattern on top of the fruit. Since it makes 6 servings, I make 6 small biscuits.
8. Sprinkle 1 tablespoon of sugar on top.
9. Bake for 25 – 30 minutes until pastry is lightly browned and berries hot.
10. Serve with whipped cream, ice cream or yogurt.

P.S. Great with any fruit: peaches, mixed berries, etc.

MEMBERSHIP ARTICLE

-

September 2019
By Tom & Nancy Stafford

56 clubs have renewed their membership for 2019/2020. As this article is being written in August, the seven clubs who have not renewed will have probably renewed by the time you are reading this. The first Delegates meeting for 2019/20 will be held September 22 2019 at 3:00 PM at the Lincolnia Senior Center, 4710 Chambliss St., Alexandria, VA. Entrance D.

Please plan to bring your dance flyers and be ready to make announcements about your club's activities and any upcoming special dances.

You really want to attend the September Delegates meeting as you will get a lot of information on the 2020 WASCA Festival as well as an updated Delegates' Handbook.

NCASDLA will host a booster dance from 7:30 to 9:45 PM after the Delegates Meeting. Deborah Carroll Jones will be the caller and Ken Ryder will cue. The dance will be Mainstream, Plus and 2x1 Rounds.

We hope that you have had a great summer and are ready to get back into the square and round dancing fun and fellowship. There are a lot of Fall activities planned.

John Marshall, caller for Marshall Arts, Marshalls Deputies and Phantom Eights, had back surgery on July 15 2019. He is doing fine. His club schedules in early September are modified. Marshall Arts, a C2 club, will be dancing on Monday, September 16. Marshalls Deputies, a C1 club, will most likely dance on Thursday, September 19, 2019. Please confirm with the club contact.

The Boomerangs will start a new Basic CTM class on September 11 2019 at 7:30 P.M. Bill Harrison will be the instructor. The class will be held at the Lincolnia Senior Center, 4710 N. Chambliss St., Alexandria, VA.

Please send us any email address, phone number, or postal address changes for your President (manager), Delegate, Alternate Delegate, or Information Contact. You can email them to membership@wascaclubs.com or call us at 703-573-8378 with your changes.

CLUB NEWS

AQUA SQUARES

Paula Ropshaw

Hello from beautiful Southern Maryland. Welcome back to the square dance year of 2019-2020. Can you believe it is already fall? The summer is over (boo), the kids head back to school (yay). Aqua Squares had a wonderful summer of dancing and socializing and eating. We started the summer with our annual picnic and club meeting. We had 37 members attend and it was held at the beautiful home of John and Maddie Phelps. So much delicious food!!!! We also had the honor to be able to present another Quilt of Valor to one of our members – Tony Guido. Tony, thank you for your service. At the meeting we voted to start a class in September. We will have two Introductory Dances in September, the 13th and the 20th. But before that – we have our Welcome Back dance on September 6th. Get out all your square dance finery to start the new year. What a surprise we had at one of our summer dances. Keenan Kocan – a very new member – 2 years out of class – stepped into a square in the girl’s position. Who was next to him? Cindy Keller in the boy’s position. Keenan has been sneaking off and taking DBD classes. What a fun time that square had! We already have 5 girls that can dance the boys side, now we have a boy that can dance the girl’s side. We are a very lucky club. Our September schedule looks like this: 6th Welcome Back Dance, 13th & 20th Introductory Dances, 27th Class and Plus dance. Class instruction runs from 7:00pm – 8:30pm with Plus dancing

starting after club announcements, and going until 9:30pm. In October we will have class and dance on the 4th, 11th, 18th and our Halloween dance is on the 25th. Our callers, Bill Harrison and Gary Felton will give you a fun dance. We love company, so come on down and visit us any time. Check our website for details and directions. See you on the dance floor.

Gad Abouts Square Dance Club,

Bob Lawn

The Gad Abouts new dancer classes started in early September. We started the year off with a great dance called by Mike Sikorsky and cued by Butch Bloxom. We have special dances lined up this year with Bob Engle, Jeremy Butler, Tom Miller, Cameron Harnish, Gary Shoemaker and Dan Koft.

Our past president Dan Grimes continues to organize dances at a local recreation center, the Y, and a senior center in an effort to attract new dancers. We also have a group of dancers taking classes with Art to learn the Advanced calls.

We have several demos planned to start the new year that will hopefully attract some new dancers to the club.

BELAIR SQUARE CATS

Mike Herman

The 2019 – 2020 dance season is here. We hope everyone has had a safe and enjoyable Summer. Many Square Cat club members attended the National Square Dance Convention in Atlanta and/or the Baltimore Star Spangled Festival. Lots of fun was had by all who attended these events. The Belair Square Dance club will hold two September dances. On September 14th the “Welcome Back Dance” has Virgil Forbes calling squares and our own Barbara Buchanan cueing rounds. Later in September on the 28th, Dayle Hodge will call squares and Dom Filardo will cue rounds at the “Country Barn Dance”. Also, the club will hold square dance lessons again on Tuesdays. Virgil Forbes has graciously accepted to teach the square dance lessons. Please contact Stephanie/Joe Corson for more information about classes. The club dances at St Matthew’s United Methodist Church located next to Bowie HS. Dancing is scheduled between 7:30 to 10pm. Please join us for a fun night of dancing.

CAMPFIRE SQUARES

Mary Ann Kreitzer

Campfire Squares continues to enjoy a season of fun despite an abbreviated camping schedule this year. The April campout at Ramblin’ Pines in Woodbine, MD filled the hall with three squares of enthusiastic twirlers. Our August ice cream social, a summer staple, was a highlight of the weekend at Camping World in Colonial Beach where dancers alternated moves on the dance floor with moves in the pool. Because of scheduling conflicts with Halloween campground activities, we moved our final campout from October to September 27-29 where we will once again visit Ramblin’ Pines. Fun and fellowship with Campfire Squares often includes grandkids. At Ramblin’ Pines they enjoy the jumping pillow, feeding the goats, and craft activities like rock painting. Kids are always welcome in the hall and around the campfire. So come for a visit and dance to Mac McCall. We’d love you to join our dancing family! For more information call, text, or email Larry and Mary Ann Kreitzer at 540-331-1599 or lpkreitz@shentel.net.

CRABTOWN SQUARES

Margaret & CT Montgomery

We hope that everyone enjoyed dancing during the summer and took the chance to dance at some Festivals and Conventions – some far and some near.

After a busy and hot summer, come and join us to relax and give a big welcome back to John Marshall after his recent surgery.

John will be calling at our 37th Anniversary Dance on Friday, September 27 together with our cuer, Peg Kincaid. Dancing starts with early rounds at 7:30pm followed by 2x2 dancing from 8pm until 10pm at our usual location, Rolling Knolls Elementary School, 1985 Valley Road, Annapolis, MD 21401.

Dances are usually held on the 2nd, 4th and 5th Fridays and any changes to location or time will be posted on the www.wheresthedance.com and www.maryland-squaredancing.com websites.

We are a 2x2 plus club (with early rounds) that loves to have a good time with good people and we would love to have you come to our dances.

Going for Extra Credit Pictured here at the Bell Air Square Cats Plus graduation in Bowie: (from DCLS) Brian, Soloni (as a follow), Ernie, David. Not pictured: Robert. Demonstrating a strong interest in our wonderful activity, these DCLS members went out to take Virgil Forbes's Plus class though some of them were already dancing Plus. Here they are displaying their certificates. Soloni is wearing his vacation shoes.

Community Dance Saturday On a lovely day in June it was the beachiest scene ever..... inside a building.

There was a magnificent rainbow cake.

And there were real (sort of) little pigs to munch on.

Tom Miller threw out the first beach ball and then lived up to his reputation as a personal favorite, though sadly that someone was not there to notice. And everyone got in the shade for a picture.

The DC Lambda Squares club sent a sizable contingent up to New York City to take part in the Stonewall celebrations. They started out with a dance on Friday night and ended with a mammoth parade.

From New York City the Lambda marchers zipped back down to Philadelphia for the annual convention of the International Association of Gay Square Dance Clubs. Along with the usual international visitors from Japan and Canada, this year we had dancers from Sweden as well.

Some of the Swedes even stayed on longer so they could visit us in DC and dance with us at our club night. What level do you think they danced? - C-3!

On Saturday August 10 the Lamda's held a workshop with 20 People; (2 Squares; Plus Four) attending. It made for a terrific Mainstream Workshop on Saturday over at the Barkley. Chris called, continuing the fine job he's been doing as the teacher these past many weeks. This bodes well for the club: our members come out to support the new dancers.

DC Lambda Squares is a lesbian- and gay-inclusive square dance club serving the Washington, DC metropolitan area. The club is also straight-friendly and provides opportunities for members, visitors, and guests to dance in non-traditional roles in a comfortable environment for socializing around square dancing activities. DCLS supports square dancing levels through C1.

The club regularly meets Thursday, 7:30 – 9:30 P.M.
National City Christian Church
5 Thomas Circle, NW
Washington, DC 20005

This location is accessible by Metro via McPherson Square on the Blue/Orange line or Farragut North on the Red line. On-street parking is available.

For further information, contact club President, Joe Branch, President@dclambdasquares.org, or Vice President, Vicepresident@dclambdasquares.org. Check out the Lambda Squares' website: <http://www.dclambdasquares.org/>

FREDERICK COUNTY PROMENADERS

Henry Lane

The Frederick County Promenaders hope all our dancing friends had a great summer.

We appreciate all off you who braved the summer heat to join us for our Summer Sizzler dances.

The Promenaders are thrilled to announce that Mike McIntyre will be our official Club Caller beginning in September. We will still have the occasional guest caller, as indicated on our web calendar. Linda Roberts will be back to cue our rounds. We also elected a new set of club officers; Andrea Smith, President, Margie Barber, Vice-president, Tim Beal, Treasurer, and Suzanne Law, Secretary.

A special thanks to Robert Abdinoor for organizing our summer Wednesday night workshops. Callers-in-training Robert, Suzanne Law, and Fred Hockenberry alternated Wednesdays with Dan Grimes to provide a Plus level workshop which gives our newly graduated dancers, and others, a chance to hone their skills in a more casual dance.

I've included a photo of fourteen Promenaders who travelled to a Tom Thumbs dance in May to steal their banner. We thank them for their hospitality, and an excellent dance, on that occasion.

Frederick County Promenaders steal a banner at the Tom Thumbs

We also retrieved a banner from the Four County Squares in June, a visit that was long overdue.

Promenaders retrieve a banner from the Four County Squares

We were also visited in force by the Friendship Squares this past month.

Since our regular Friday dance night conflicted with the Star Spangled Festival in July, we held our dance on the Sunday afternoon following the festival. Not only was the dance well attended on a sweltering hot day, but there were nineteen dancers present who had danced at the Star Spangled festival the night before! A photo of these SUPER DIE HARDS is included below. In all fairness, the dance was an ice cream social, but we're still appreciative of those among us who "Live Lively" by square dancing.

Promenaders and friends who danced Sunday following the Star Spangled Festival

We look forward to seeing you on the dance floor. Our complete dance schedule is on our web calendar; <https://www.frederickcountypromenaders.com/promenaders-calendar.html>.

GAD ABOUTS

Bob Lawn

The Gad Abouts had a busy summer with several special dances, visitations to other clubs and demos at several nursing homes in the area. At our dance on July 14th we helped celebrate the wedding that day of our caller Butch Bloxom to his partner Roberta Harris. We wish them the best.

We have special dances lined up this year with Mike Sikorsky, Bob Engle, Jeremy Butler, Tom Miller, Cameron Harnish, Gary Shoemake and Dan Koft.

Our past president Dan Grimes continues to organize dances at a local recreation center, the Y, and a senior center in an effort to attract new dancers. We also have a group of dancers taking classes with Art to learn the Advanced calls.

Our next special dance will be with Mike Sikorsky on September 14th .

Our classes start on September 9th, Monday, from 7 to 9pm. We are looking forward to another large class. For more info contact club President Bob Lawn at 717-977-1040 or rtlawn@msn.com or our web site at gad-about.com.

GRAND SQUARES OF PRINCE WILLIAM COUNTY

Ron Dean

The Grand Squares has had a mixed summer. In May we lost a long standing member of the club, Ann Carey. Ann danced with the Grand Squares for most of our 35 years. She made outfits for many of the ladies in the club. She will be greatly missed. On a lighter note the club held their annual Ice Cream Social in July. In August we started a new square dance class using the CALLERLAB Condensed list. The Grand Squares dance every Saturday night at the Woodbridge Senior Center, 13850 Church Hill Dr. in Woodbridge from 7:30 to 9:30 p.m. Call Ron and Kathy DEan at 703-497-7201 or Ron's cell 703-568-7651.

LAKE OF THE WOODS

Susan Thomas

What did you do this summer? That is a question often heard when friends get back together at the end of summer. Lake of the Woods Square Dance Club started the summer months with a "Plus Blast" from 2:30 to 6:30 on June 1st. Gene Chamberlain took the dancers through a complete review of plus calls with four or more squares on the floor. Everyone enjoyed pizza at the break from dancing.

Gene was back to call for the Lake of the Woods Club on June 14 followed by Charlie Shoemaker on June 28. Casual attire is the dress code for the summer months. Cliff and Judy Henson attended the 68th National Square Dance Convention in Atlanta, Georgia from June 26th to 29th.

Regarding the Convention in Atlanta, Judy reported the following: "The National Square Dance Convention in Atlanta was the most fun a square (or round) dancer could ever possibly imagine. Over four thousand dancers at all levels and at all ages, could dance any time from nine in the morning until eleven at night. "

Cliff and Judy also took advantage of a special side trip to Stone Mountain where they rode to the top of the mountain on a gondola, ate a delicious buffet of fried chicken with all the fixins, and saw a forty five minute light show to end the evening. Cliff and Judy highly recommend that everyone who loves to dance plan to attend one of the upcoming Nationals which happen every year.

After the dance on June 14, the Club elected new officers for the July of 2019 to July of 2020 term. Much appreciation was expressed to the officers who were completing their term in office. There was enthusiasm as well as gratitude extended to those who have agreed to serve for the next term. Incoming president, Dick Unser has launched a new website for the Club. See the link below and use it to check out Lake of the Woods Square Dance Club.

On July 12th Gene Chamberlain challenged the dancers with some new choreography. Ben Brown called for the second dance in July, and Gene Chamberlain and Larry Winegard kept the dancers moving on August 9th and 23rd.

The Club will begin Square Dance Lessons Wednesday evenings beginning September 18th with Gene Chamberlain as the instructor. Lessons will be held in the Lower Level of the Lake of the Woods Club House which is located at 205 Lakeview Parkway, Locust Grove, VA 22508. A series of 14 lessons costs \$75.00 per person. Perspective students are invited to drop-in during one of the Friday night dances on August 9th, August 23rd, or September 13th to check out the Club and learn a few square dance calls in a tip called just for them. Lake of the Woods Friday night dances are held in the Community Center Gym from 7:30 to 9:30. Square dancing is a good investment of your time since you are able to exercise both your body and your mind with one activity. On September 13th Ken Jordan is sure to provide dance participants with a good time

. The Lake of the Woods Square Dance Club dances mainstream and plus level from 7:30 to 9:30 on the second, fourth and fifth Friday of each month at the LOW Community Center located at 110 Sweetbriar Park Road, Locust Grove, VA 22508. Guest dancers are always welcome. Square dance attire is encouraged from September through May. Casual attire is fine for summer. LOW Square Dance Club provides light snacks and Steve's famous decaf and regular coffees! For more info or directions, visit our website at <https://sites.google.com/view/lowsquaredanceclub/home> or text/call Dick and Lynn Unser at 703-298-6254.

LORDS & LADIES

Joyce Haring

The caller for our September 6 dance will be Larry Winegard. The theme for this dance will be "Country Hoedown" and it is always fun when Larry uses these wonderful songs for our dancing pleasure. The club will be "Traveling the USA" at its dance on September 20. Charlie Shoemaker will be taking us around the USA. It will be an enjoyable way to visit other areas of our wonderful country.

On October 4 our members and guests will enjoy an "All Singing Calls" dance with Larry Winegard who will be calling. Don't be surprised if he uses some favorite songs for us to enjoy. Then on October 18 Larry will be our caller for a "Show Tunes" dance. This will fun as we dance to some great songs from film musicals. Larry surprising us with his repertoire and/or memory!

Visitors are always welcome. The club dances at the Lake of the Woods Community Center, 110 Sweetbriar Road, Locust Grove, VA 22508 on the first and third Fridays of each month. For more information call Marty & Ruth, 540-412-2186 or Frank & Mary, 540-972-3187.
