# The Editor's Desk

Hello Everybody

Another month another issue. In general I enjoy editing Calls'N'Cues, with two exceptions: writing this column and assembling the obituaries. I always procrastinate those two chores. As of this writing everything has been completed except the obituaries. Part of my procrastination is psychological - I have known several of the deceased and their deaths have pained me in much the same way as it has others. Also while I knew the individuals, I only knew them through square dancing and know nothing about the rest of their life. Ideally I need three items: 1) a picture, 2) either a written obituary or a link to an online obit, and 3) information on which clubs they danced with and what specific other square dancing activities they were involved with.

Calls'N'Cues is only as good as the submissions that I receive. I begin compiling an issue on the 15th of the preceding month - on the 15th of November I will start working on the December issue. In general I would rather not deal with submissions for future issues with two exceptions:

1) *Birthdays and Anniversaries* - I will accept a file which provides, in date order, several months of birthdays and anniversaries. Should anybody on the list die, please send me an updated file - do not rely on my memory.

and

2) *Calendar of Events* I will accept a file which gives a date ordered list of club dances or other events. Please start each entry with the date, the club name (in all caps) and the dance theme (if any). After that provide any relevant information. Please see the current month's Calendar of Events for examples. Be aware that I will **NOT** extract events from Club Schedule flyers.

In general with submissions I would request that the first part of any file names you send me, to include pictures, would be your clubs' name so that when I save them I can easily find them again. Also please provide captions for any pictures.

One last note: at the most recent WASCA board meeting we discussed how to refund subscribers whose subscriptions ended after Calls'N'Cues went online. If you desire to receive a refund email Cecile & Tim Noyes (Subscriptions@wascaclubs.com) requesting the refund and providing an address to which the refund check should be sent. Cecile & Tim will calculate the refund at \$1.50 per unmailed issue and send the information to Linda Peterson who will cut the check and mail it out. Be aware that Linda is getting married early in November, so don't expect checks much before December. Also since it will cost WASCA at least 55 cents postage to mail the check not to

mention bank fees and administrative costs we would appreciate those who are due only small refunds consider the amount to be a donation to WASCA. Also, to allow us to close out our books on 1 June, all requests must be received by 1 April 2020.

And that is it for this issue. Now I need to get to work on the obituaries. Until next month

## From the WASCA President's Corner

CT and Margaret Montgomery  
(WASCA Presidents 2019-2020)

While it was not my original plan to cover this topic, I could not stop thinking about it.

On October 11, 2019 Crabtown Squares held its WASCA Theme dance. In addition, Friendship Squares was planning a banner raid at this dance. For most dances we have a standard start time of 7:30 pm for Pre-Rounds and 8:00 pm for Plus 2x2 dancing.

Since the cuer starts 30 minutes earlier, common practice is that the cuer's sound system will be in place and the caller only brings their computer and microphone. It is not unusual for the caller to arrive after 7:30. We dance at a school in Annapolis, MD. Security requirements of the school as well as the layout of the building result in us having someone to let dancers in from about 7:10 pm until around 8:20pm. The building is new since it was built next to an old school that has since been removed. A characteristic of the new building is that cell phones do not work inside. From the entrance door we use we cannot hear what is happening in the dance hall.

When the caller had not arrived by around 7:45 one of the Crabtown members came out to phone the scheduled caller. They found out that he would not be able to get to the dance and started the process of checking the availability of other callers. Several people came out to help in the cell phone calling process.

Meanwhile, our solution was inside the dance hall. Among our visiting dancers were David and Donna Cox. We had danced with David and Donna the previous night at Swinging Aces. We talked about other local dances for that weekend including Crabtown the following night and Belair Square Cats on Saturday night. Fortunately for us they made the decision to come to Crabtown. David did not have the equipment he needed in his car but was able

to get it quickly. In the meantime, our cuer, Chris Jopek extend the pre-rounds until David returned. From everything I saw the evening was saved. David's calling combined with the wonderful set of dancers we had visiting that night saved the dance.

More about David. He is a former President of the Metrolina Caller and Cuers Association and serves as the Secretary/Treasurer of the NC Callers Association. You can find more information at <http://metrolinadancers.org/david-and-donna-cox/> From Where's The Dance he will be calling at the Swinging Saints Square Dance Club on November 23 in Charlotte NC 28210.(Only about 400 miles south.)

Although David will probably never see this article the only thing I can add is THANKS THANKS THANKS.

This event raises the question of can or should square dance organizations prepare for a scheduled caller not being available. If a club happens to have a club member or visitor who generally attends their dances, they might ask him to act as a backup caller.

A large dance will plan for such a problem. For example, even though we have eight callers on staff for the WASCA Spring Festival we also have a contract with an emergency caller for our March 2020 Festival. This person will be at the festival and ready to step in and call if needed.

Another solution might be the use of recorded or streamed material. For an article related to this you might want to look at "When You Have No Caller" by Buddy Weaver in the August 2019 issue of American Square Dance.

Have fun dancing

### *President's Message*

**Steve Lucius**  
**NCASDLA President**

Here's wishing you all the best for a wonderful Thanksgiving. Enjoy it whether your tradition includes a big family gathering, your favorite restaurant or a richly deserved day of rest at home gorging on football.

As square dancers we have a lot to be thankful for. Think of all the friends that you have made over the years and sharing with them both your and their happy family events as well as times of sadness.

Square dancing has given you the opportunity to form groups to entertain others such as nursing homes, the Health Fair and parades.

If you have never attended a National Square Dance Convention, you must give it a try. It is held once a year in different parts of the country with dancers and callers from all over the country. If you are into cruises, keep a look out for these events. Square dancers from all over arrange cruises with famous callers and almost always one of their local callers.

So you can see that we all have a lot to be thankful for and if you have children, the entire family can participate. Be sure to check our web page. Hope to see you around!

**Message**

*by*  
**Ken & Berni  
Ryder**

Greetings, WASCA dancers:

October has been a busy month for RDTA dance leaders and round dancers. We've enjoyed dancing with our various round and 2x2 clubs as they continue their regular dance programs. But we especially enjoyed our annual RDTA Autumn Leaves Ball that was held this year at the Lindale Middle School in Linthicum MD. Kudos to Amy and Ken Shottling for a wonderful dance program for both our II-IV and IV-VI halls. Dancing on the wooden gymnasium floors was a special treat. Our special thanks to the Buchanans, Christina Eum, the Filaridos, Christine Jopek, the Shottings, and the Ryders for cueing. One reason we RDTA members enjoy these balls is that it gives us a chance to dance with all the round dancers who attend. We also confess that we like to share some of the goodies provided at these balls during the moments we choose to take a break from dancing, rest our feet, and "schmooze" with our fellow dancers.

By November most all WASCA round dance and 2x2 clubs have been in full swing for a couple of months. Now is the time to get out and enjoy the friendship of welcoming club dancers and the pleasure of moving to great music fun while gliding through your favorite round dance figures. Many of the clubs are planning special dances for the upcoming holidays, so be sure to join your fellow dancers in enjoying these celebratory events.

While many of the beginner round dance classes are also well underway, it is not too late to join one of these classes if you are interested in learning to round dance. You should check with the leaders

holding a class convenient for you to see when they will start teaching a new rhythm. That's one of the ways that round dancing differs from square dancing. The individual rhythms -- e.g. rumba, cha, waltz, foxtrot, 2 step, jive -- do not necessarily depend upon each other. Although it helps to take a complete set of lessons, you can learn each rhythm separately, and you can choose to review or "brush up" on a particular rhythm that you may still not be fully comfortable dancing. Please check out the information available on current Round Dance classes in the section on Dance Classes later in this Issue. All of the RDTA leaders having classes this year would be happy to have you join them in enjoying our wonderful "social contact sport."

See you soon across the dance floor at various round dance events this November.

Berni and Ken Ryder, Presidents RDTA

# 61st WASCA Spring Festival “Get Your Kicks on Route 66”

On the Road in November

by Directors:  
Bobbi & Jeff Fuhr  
Linda Peterson & Steve Toth

We are on Route 66 and taking our little detour to Washington DC in March. We have been traveling. We made it to Friendship Squares for our first Theme Dance and they did a wonderful job. Amy & Ken Shotting round danced us from Chicago to California along the Route. Doren McBroom even did Pink Cadillac – it was a lot of fun. They also had snacks from the 50s including corn dogs and root beer floats. There was a fun time had by all.

The following Friday we headed to Pennsylvania for their state dance and it went well. We got two registrations, sold two shirts and got to round dance.

That Friday was also a Theme Dance for the Merry Notes which we hated to miss, but our trusty Assistant Directors, Ginny Fromel, Rene & Mike Hermann were able to hold down the fort and go see them. They said it was a wonderful dance and many of the Committee were there.

Next, we were off to CrabTown Squares and had a fantastic time. We got to round dance to Chris Jopek and to a new caller who is here from South Carolina. It was a funny story and you need to talk to

Margaret & CT Montgomery about what happened, but Dave Cox ended up calling for us and it was a great dance. Dave is working up here and hope his job lasts a long time in Maryland. He and his wife are a perfect fit for WASCA. The dancing was fun, the food was amazing and the decorations were great and a fun time had by all.

Tom Thumbs is next on the list and always a blast. Peg & John Kincaid had us dancing to all the hot spots along Route 66. Dale Hodge did a wonderful job. WASCA is so lucky to have such magnificent clubs.

This year is going so fast. Thanksgiving is just around the corner. We also have a wedding in the middle of this and that makes life really exciting and busy as you can imagine. We will be seeing you on the dance floor and there are so many special dances coming up. Look in Call'n'Cues for all of the write-ups and flyers.

Remember that Rock'n'Roll is here to stay. March will be here before you know it and get your poodle skirts out and your blue suede shoes and get ready to cut the rug. We are going to have a blast. The records are spinning for our sock Hop. Don't forget to register. We have used 533 room nights at the hotel already and you don't want to be left out in the cold. Register and take care of your housing so you don't miss out. It will be a great party.

## **Get Your Kicks on Route 66 Advertising for WASCA's 61st Square and Round Dance Festival**

It's November!!! That means only four months until the 61<sup>st</sup> WASCA Festival. It also means only two months until the deadline to submit ads for the program book. Remember that it takes time for new advertisers to get an ad ready so don't delay in asking early. The deadline for contracts and payment is January 6, 2020. Renewing advertisers only need to turn in a contract and payment if they are repeating their ad. If you submit an ad contract be sure your name is on the contract at the bottom so you can receive credit for it. Now get out there and Sell! Sell! Sell!

If you haven't participated in the advertising campaign previously, now is a great time to start. We need everyone to help make this Festival great and we need the money we raise from the advertising to help do that. Does your club eat out before or after a dance? Ask the restaurant if they would place an ad in the program book. Do you have a small business? Advertise it in our program book. How about thanking someone in your club by placing an ad with a personal message? There are so many ways to support WASCA with a simple ad. Don't wait until December to begin the process or you will miss the deadline. Start today – don't procrastinate. **Let's see if anyone can sell eight business card size ads – that equals one page and brings in \$200 vs selling one full page ad for \$100. See what combinations of ads you can sell to fill a page.**

The ad sizes range from business card size (\$25) to full page (\$100). You can design your ad copy or we can help you with it. If you design your own ad, please look at the requirements on the ad contract so your ad will be truly camera ready. Don't wait too long to begin the process because it does take time to get the program book put together. The sooner you contact an advertiser, the better chance of getting an ad. Local businesses are always looking for opportunities to get their name in front of potential customers. **The deadline for submitting your contract, payment, and ad copy is January 6, 2020.**

**\*\*\*Again this year we're offering an incentive to the individual who submits the most ads (\$50) and all those who sell ads will be in a drawing for a \$50 gift card. The person selling the ad must fill out the information at the bottom of the ad contract to receive credit. Be sure your club affiliation is there also.\*\*\***

It is easy as 1-2-3-4

1. Fill out the contract form with the information for the size ad purchased. Remember to include your name and club name at the bottom of the form.
2. Have the check made out to WASCA.
3. Put the contract and check in an envelope and mail to the address on the form.
4. Prepare your ad copy and email it to us at the email address on the contract.

Start contacting advertisers now so will have a lot of new ads in the 61<sup>st</sup> Festival program book.

Please list the items in your basket. People will be able to know what is in the basket, even if they can’t see all the items.

A small amount of wrap will be available at the display area if you run out of time.

Please bring your baskets to the first-floor staging area Thursday as soon as possible.

Please contact Darrella or Tom Deubel at 703-425-4072 or email [thedeubels@cox.net](mailto:thedeubels@cox.net) as to what your club basket theme will be, what is in your club basket and size (height, width, & weight), for suggestions/questions, or to arrange pick up.

### **GOALS TO BEAT**

2018 we had 18 clubs enter 22 baskets for a total of \$1,622.00.

# Get Your Kicks On Route 66!

## Route 66 the TV Series

Although the hit TV series 'Route 66' was filmed in many more states than its namesake crossed, it provided a realistic picture of America in the early 1960s. Route 66, known as 'The Mother Road', enabled Americans to travel great distances for short vacations, experiencing a country much less homogeneous than the one today. Accents, livelihoods, ethnic backgrounds and attitudes varied widely in provincial societies where citizens stayed in the same city, neighborhood and job their entire lives. "Route 66" was filmed in 25 states, where viewers were exposed to places far from 'home' visually, architecturally and environmentally, where goods and services were entirely different. Chain stores, restaurants and motels had yet to be created, so every journey along the highway, and every episode of the show, widened horizons instead of offering the familiar.

'Route 66' premiered on October 7, 1960 and ran for 116 episodes, ending March 20, 1964. It was an indirect spin-off of ABC's 'Naked City', a similar anthology with each episode filmed on location, and was also inspired by Jack Kerouac's 'On the Road'. Martin Milner starred as Tod Stiles, a new college graduate with an uncertain future, and his friend George Maharis as Buz Murdock. The latter left after three seasons and Glenn Corbett as Lincoln Case, a recently discharged Vietnam veteran, replaced him as Tod's co-star. The two lead characters wandered across the country, acting out various storylines with a changing cast. They took odd jobs along the way, such as grape pickers in a California vineyard, lobster fisherman in Maine and loggers in the Northwest, encountering troubled individuals or dysfunctional families whom they helped. The two buddies symbolized the restless youth of the 60's, searching for life's meaning. Tod represented the well-to-do, clean-cut, decent, all-American type; Buz, and later Linc, were working-class, hipper and more Beat Generation in attitude.

The list of guest stars is impressive: Lon Chaney, Jr., Peter Lorre and Boris Karloff played themselves in a Halloween Special; Ethel Waters was nominated for an Emmy; others include Ed Asner, Elizabeth Ashley, Ed Begley, James Caan, James Coburn, Joan Crawford, Robert Duvall, Barbara Eden, Peter Graves, David Janssen, Buster Keaton, George Kennedy, Cloris Leachman, E. G. Marshall, Lee Marvin, Leslie Nielsen, Susanne Pleshette, Robert Redford (yes, that Robert Redford), Martin Sheen, Rod Steiger, Tuesday Weld and Dick York. William Shatner and DeForest Kelley would become famous in 'Star Trek'; Michael Conrad later starred in 'Hill Street Blues'; Alan Alda guest-starred as a surgeon, presaging his career role as Hawkeye Pierce in 'Mash'.

Nelson Riddle was commissioned to write the instrumental theme song, but CBS decided on a new song rather than pay royalties for Bobby Troup's '(Get Your Kicks on) Route 66'. Riddle's song was one of the first tv theme songs to make Billboard Magazine's Top 30, after Ray Anthony's 'Dragnet' theme.

Wikipedia's summary is worth repeating verbatim: 'Despite all the adventure, travelogue, drama, and poetry, the real subject of the series was the human condition, with Tod and Buz often cast as a kind of roving Greek chorus, observers and mentors to broken-down prizefighters and rodeo clowns, sadists and iron-willed matrons, surfers and heiresses, runaway kids and orphans, and other people from all walks of life, forced by circumstances to confront their demons.'

One hallmark of the show was the way it introduced viewers to new ways of life and new cultures, for instance, a view of a shrimper's life in episode two of season one, "A Lance of Straw", and a look at Cleveland, Ohio's Polish community in episode 35, "First Class Mouliak". Here, the young are pushed by their parents into careers and marriages they may not want, in an effort to hold community and family together, albeit at the expense of the happiness and well-being of the children.'

# The Pennsylvania Fabulous Fall Festival

After several years without a Pennsylvania state convention, in 2019 the Pennsylvania Square & Round Dance Federation (PSRDF) put together the Inaugural Pennsylvania Fabulous Fall Festival which was held at the Harrisburg Radisson Hotel from Thursday - Sunday September 26-29. With over 320 dancers registered and dancing, so they considered this first effort an overwhelming success and are planning another one next year. Pete Wex and Susan Hein from the Lancaster, PA area put the major pieces together for the festival and did an outstanding job. Other local Lancaster area clubs (Swing Thrus and DoPasO) helped with manpower needs. Dancers came from Pennsylvania, as well as many surrounding states, and some dancers traveled great distances to get to the festival. Callers and cuers that participated included: Ted Lizotte, Jimmy Roberson, Gary Shoemaker, Doren McBroom, Dayle Hodge, Art LaVigne, Dan Koft, Bob Engel, Deb Elser, Chris Jopek, Kathy Koft, and Amy Shotting.

# RDTA Annual Autumn Leaves Ball

By Angie Clark

The Annual RDTA (Round Dance Teachers Association) Autumn Leaves Ball was held Sunday, October 13, 2019 at Lindale Middle School. This new location in Maryland brought with it a great and successful Ball. RDTA is composed of cuers from Pennsylvania, Maryland, and Virginia. The cuers who delighted the dancers for the afternoon were Chris Jopek, Barbara Buchanan, Amy Shottling, Dom Filardo, Christina Eum, and Ken Ryder. Dancers and cuers showed up to fill two dance halls! Dancers had a choice of the Phase 2-3-4 hall or Phase 4-5-6 hall. Cuers had time in both halls for all dancers to enjoy. We were charmed by a variety of phases and rhythms, including brand new dances taught at recent festivals, conventions, and weekends. The wood floors were an added bonus for the dancers. Everyone was excited to dance on wood floors. And of course, we are dancers and cannot go without mentioning the beautiful food table presented by Ken and Berni Ryder and all the goodies provided by the cuers.

None of this would be possible without you, the Dancers. The fellowship is the thing that draws most of us to this activity. Thank you for coming out and having a fabulous time. We missed all who were unable to attend, but look forward to seeing you at the RDTA Snowflake Ball in February.

A special thank you to Laura Vykol, and Tom and Linda Turlington from Friendship Squares for their help in obtaining Lindale Middle School for our Ball and dealing with related details instrumental to the success of the Ball.

# CHOREO CORNER

with  
Dick Otis

Trish and I excited by the arrival of our first grandchild on October 09th. Arriving at 19 inches and 5 lbs 1 & 3 oz, our new grand-daughter Zoey is the cutest thing in the world – at least our world. We have been a little pre-occupied lately, so this month I'm doing a flash back to my article a few years on Relay The Deucey (slightly modified by a few more years of experience).

I've noticed some dancers can have a momentary relapse on this call, especially when called from an extended application formations such as a Left-Hand Ocean Waves. Lets start by look at the Callerlab's definition.

“RELAY THE DEUCEY - Starting formation - Parallel Ocean Waves. TIMING – 20

All Circulates in this definition refer to the Original Circulate path established by the ends of the original ocean waves. No dancer ever stops moving during this call; the pauses written into the definition (i.e., the action described as "half-circulate") are there for clarity of description and for teaching purposes only.

- Each end and the adjacent center dancer turn one-half (180 degrees). The new centers of each ocean wave turn three-quarters (270 degrees), while the others half-circulate, forming a six-person wave and two lonesome dancers.

- The wave of six, working as 3 pairs, turns 1/2, while the others half-circulate. In the wave, the center 4 turn 1/2, while the other four dancers half-circulate.

- The wave of 6, again working as 3 pairs, turns 1/2, while the others half-circulate.

- Finally, the center 4 of the wave turn 3/4 (becoming the centers of the new waves), while the outside 4 half-circulate to become the ends of the final waves.”

If you put four Callers in the room, they are likely to give you eight different ways to teach this call! Some dancers will relate to one way, others to a different way.

It sounds like this:

1. Everyone Partner Trades
2. The Centers 4 Cast Off 3/4 - while the ENDS 1/2 Circulate
3. The Center 6 dancers (in the title wave) Trade |  
- while the other End 1/2 Circulates
4. The Center 4 dancers Trade - while the ENDS 1/2 Circulate
5. The Center 6 dancers Trade – while the other End 1/2 Circulates
6. The Centers 4 Cast Off 3/4 - while the ENDS Circulate to reform the waves

My first advise is choose the method that works best for you.

Let's dissect the definition a bit, first from a “standard application”. Callerlab defines standard application as “those calls from which a caller may reasonably expect close to 100% dancer success.” Variations not listed are considered extended applications.

For this call Callerlab defines the standard formation as a right-hand waves with the BOYS on the ends of the wave, with the note “Called almost exclusively from this arrangement”. Why? It's because we are looking for a 100% success rate.

First, note that Relay The Deucey cannot be fractionalized, e.g. the Caller is not allowed to say “do the first half of Relay The Deucey”, or any faction thereof. The definition specifically says “No dancer ever stops moving during this call”. There are a lot of simultaneous parts going on and the Caller must be a silver-tongued devil to help you though the movements.

We can however, count the number of moves for everyone in the call, all six of them. My personal preferred method is to count to six as the square progresses through the call. That way you ALWAYS know went to keep going and when to stop.

Lets give it a go and see how we do. Here goes the Caller “Heads Square Thru Four, step to a wave and everybody Relay The Deucey: partners trade and the centers (boys) cast off 3/4, a girl moves up to join a wave of six, the center six trade, and a boy gets off and the center four

trade, new girl gets on and the center six trade, a boy gets off and the center (girls) cast off 3/4 while the boys move up to the end of the wave. “

Wow, are these hints this really helpful? From my perspective perhaps not so much. To start with, it ignores the end dancer who must walk around the outside by his or herself with nobody else to help them. Secondly, it's a huge torrent of words for which the dancers must pick out the words that apply to them vs. somebody else.

Does it help at all? Well, yes it does. The words are mostly focused on the people getting on and off the end of the waves, and it helps everyone to know when they are done so they don't keep going. But it's not applicable except for this one formation and arrangement.

We can modify the above helper words by focusing on the “Ends” and “Centers” in a gender independent fashion. That would go something like this:

Everybody Relay The Deucey, partners trade, and the centers cast off 3/4 while the Ends 1/2 circulate; the End joins the wave and the center six trade, and an End gets off and the center four trade, a new End gets on and the center six trade, and (to finish) an End gets off, the centers cast off 3/4 while the Ends move up to reform the waves.”

I think that's better, but it's still a lot of words. My preference (which, I understand, is not for everyone) would be something that remind the Ends to keep moving on their 1/2 circulates, but then focus on what the Centers dancers are doing:

“Everybody Relay The Deucey, the partners trade, the centers cast 3/4, the center 6 trade, the center 4 trade, the center 6 cast off 3/4 while the Ends reform the wave.”

Jerry Story always says, “Lets do my favorite call!” He starts with the same formation above, but adds a Swing Thru to start. I like that because it now feels like a Spin the Top to start; except the in-facing end (boy is this case) does not move into the center of the title wave, he/she just keeps walking around the outside to hook on the end of the title wave.

So lets try it his way: “Heads Square Thru four and Swing Thru, Relay The Deucey! Partner's trade and the center's Cast Off 3/4, 1st Boy On and Swing Thru, Right and Left, Next Boy On and Swing Thru, Right and the BOYS Cast Left 3/4. This allows the Jery to keep a cadence going, focuses on the majority of the dancers, and let's everyone know when they are done with the call.

Now the hardest part of the call is the END Dancers and their 1/2 circulates. I've heard Callers tell the lone-some END dancers to watch their partner moving down the wave, and keep abreast of them for timing. This works well (and is Trish's preferred method, so of course I love it too :). Half Circulates are introduced in the Plus Program in two calls, Relay The Deucey and Coordinate. Of the two, I think that Relay The Deucey is harder because in Coordinate, everyone is doing the 1/2 Circulate, no-one moves very far, and everyone has someone to help them.

In Relay The Deucey, the In-facing END dancer is circulating half-way between the waves, e.g. not very far. The Out-facing dancer is circulating half-way around the outside to join the end of the wave.

Likewise the END dancer who is leaving the wave has further to go for their half circulate, but then not very far for their last 1/2 circulate (moving up to the end of the wave). In fact the term “1/2 circulate” is deceiving because the END dancer just keeps moving around the outside without stopping. The “official” definition even notes: “the action described as “half-circulate” are there for clarity of description and for teaching purposes only.

Up to this point, we've described Relay the Deucey with the BOYS on the end (of the waves) to start (standard application) and with the GIRLS on the end to start (extended application). When we are really experienced, we can do the call with BOYS together and GIRLS together to start. AND... we can do it all from Left Hand Waves. In my view NONE of these arrangements are DBD, they are just variations on extended applications – some harder than others.

However you remember to do Relay The Deucey, remember to have fun doing it! After a while doing it form a left-hand wave formation will seem easy. It is after all, exactly the same call, only different. Just remember that everything starts with a left hand, and the END dancers are doing their circulates in the opposite direction.

So go out and have some fun with Relay The Deucey!.

## November 2019

By Tom & Nancy Stafford

Fall is here and winter is around the corner. We hope you are supporting your clubs by attending your club dances and hopefully you are attending other dances as well. We have been doing a lot of traveling and on a recent flight I was reading an article on table tennis and Senior Olympics. The author was amazed at how her father was enjoying participating in the Senior Olympics and how much fun he was having with his team. Of course, I could find a lot of similarities between her article and square and round dancing. We enjoy the social activity of dancing. We have made many friends through dancing and look forward to seeing many of them when we dance. Square dancing is not competitive in one sense but in another way we do like to "win" by getting through a tip without breaking down. The author of the article commented on how her father seemed to be staying young by joining the table tennis group. I am not sure if dancing keeps us young but it sure does keep us moving.

We were notified by Dick Otis that the Adams Apples, a DBD club, which danced on the 2nd and 4th Tuesdays at the Herndon Senior Center has gone dark.

The Toys for Tots dance will be held December 8, 2019 from 1:00 to 5:00 P.M. at the Herndon Senior Center in Herndon, VA. The Toys for Tots dance is chaired by Jim Wass and supported by WASCA. This is truly a worthwhile dance to attend. All toys and proceeds from this dance remain in the Washington area. There are many

fun activities planned. There will be both a prize raffle and a cake and pie raffle. Food and beverages will be available for purchase. Recommended donation is a new unopened toy or a minimum \$20 contribution per couple or \$10.00 per person.

If your President/Manager, Delegate, or Alternate Delegate changes or has a change in address, etc. during the year, please send us the new name with the address, phone number and email address. We need the correct information so that we can send the WASCA Secretary the up to date information that she needs to email or mail the Delegate's minutes for the next meeting. We also need the correct-up-to date info for the insurance policy.

The next Delegates meeting will be November 10, 2019 at Herndon Senior Center, 873 Grace St., Herndon, VA from 3 to 5 PM. Plan to attend. Bring flyers of your clubs' planned dances and let the other Delegates know what your club is doing.

If you need further information or have a question about or correction for the Calls 'n' Cues Club Listing, please email us at [membership@wascaclubs.com](mailto:membership@wascaclubs.com) or drop us a note or phone message at 703-573-8378.

### BELAIR SQUARE CATS

*Mike Herman*

The Belair Square cats have had a busy autumn. Our banner stealing chairperson Jennifer Linn organized a trip to the Aqua Squares club in beautiful Southern Maryland. An enjoyable evening of dancing was had by all as caller Gary Felton put everyone in good spirits. On Tuesday evenings Virgil Forbes has been teaching a new group of student square dance lessons sponsored by the

club. Some of these students came to a regular club dance night to check out things and they had a good time. We have a good group of student dancers. On Saturday November 9th the club will honor Veterans Day by holding the Hero's Salute dance. This will also be the MDSDF theme dance for the Star Spangled Banner festival to be held in Gettysburg, PA this coming July 2020. Dayle Hodge will call squares and Christiana Eum will cue rounds. Saturday November 23rd will be the club Thanksgiving dance. Mac McCall will call squares and Christiana Eum will do the cueing. The dances are held at the St. Matthews Methodist Church located next to Bowie Senior High School. We dance between 7:30 to 10pm. Please join us for a fun evening of dancing.

### Bizzy Bees

Bill Harrison, our International caller, instructs using the Condensed Teaching Method (CTM). Dancers who have completed Mainstream and would like to join the class to review or improve their skills are welcome. Cost for all students is \$30 per 4 weeks with an \$8 charge for walk-ins.

Prospective students may contact the Boomerangs at 571-210-5480 for more details or to enroll in classes. Please consult our website: [Boomerangssquaredance.org](http://Boomerangssquaredance.org) for additional information.

## CRABTOWN SQUARES

*Margaret & CT Montgomery*

Our WASCA Theme Dance on October 11 didn't quite go as planned but the evening was saved by the patience, understanding and support of those present. Chris Jopek did a wonderful job of cueing the early rounds and continuing to cue while we tried to find a replacement caller on very short notice. We were delighted to learn that among our guests for the evening was David Cox, a caller from North Carolina. He volunteered to step in and call for the remainder of the evening which was very much appreciated and enjoyed.

Friendship Squares are always welcome visitors and this time they brought two squares of dancers (including some graduates from last year's class) to steal our banner.

We have two dances in November:

November 8 is the Harvest Pie Dance with caller Drew Scarce and cuer Amy Shotting. Remember that this dance starts with early rounds at 7pm to allow extra time to eat pies and draw the raffle.

Back to our usual start time of 7:30pm for early rounds on November 22 for the Falling Leaves Dance caller Dayle Hodge and cuer Peg Kincaid.

All dances are at our usual location, Rolling Knolls Elementary School, 1985 Valley Road, Annapolis, MD 21401.

Dances are usually held on the 2nd, 4th and 5th Fridays and any changes to location or time will be posted on the [www.wheresthedance.com](http://www.wheresthedance.com) and [www.maryland-squaredancing.com](http://www.maryland-squaredancing.com) websites.

We are a 2x2 plus club (with early rounds) that loves to have a good time with good people and we would love to have you come to our dances.

## DC LAMBDA SQUARES

*Tonja Ducrest*

DC Lambda Squares was host to a group of German tourists (ten; including a caller whom we invited to call a couple of tips while he was with us) who stopped by to dance with us during a tour of the eastern part of the US and ending in Toronto. During September and October they visited Nashville, Memphis, New Orleans, DC, New York, Toronto. They joined us in our gender bending squares. We gave them dangles to remember us.

## FREDERICK COUNTY PROMENADERS

*Henry Lane*

The Frederick County Promenaders had a rare Sunday afternoon dance for Halloween, however the early date did not deter dancers from displaying a wide variety of costumes.

Promenaders display their Halloween Costumes

Also in October, the Promenaders stole a banner from the Bel Air Square Cats. We thank them for their hospitality and an enjoyable evening. Our new Social Committee Chairperson, Sarah Stamper, has been quite active planning banner raids so we plan to visit other clubs in the near future.

This month, the annual Veterans Salute dance will be on November 1st. If you are a veteran who has memorabilia to share, please bring it along.

Guest Caller Doren McBroom will be doing the honors for our Thanksgiving dance on November 15th. We'll have a pot luck dinner before the dance, so if you're hungry, bring a dish (food) and come early.

Once again the Promenaders are excited to have a good size class of beginning dancers who are progressing well in the early stages. We appreciate the hard work caller Dan Grimes has put in to teach the class, and the Angels who have been stalwart in supporting it each week.

We look forward to seeing you on the dance floor. Our complete dance schedule is included below, and is on our web calendar;

*Bob Lawn*

The Gad Abouts new dancer classes started in early September. We have seven new dancers and 4 or 5 dancers who have been away for awhile and are back to re learn how to square dance. ## GERRYMANDERS OF MARYLAND

*Ed Cragg*

Fall dancing is now in full swing. The big event for November is Thanksgiving. The Gerrymanders motto is "We Dance Every Wednesday" and that includes the Wednesday before Thanksgiving. We know that it can be a very busy time, and we recommend that you plan to take the evening before the big day off and come dance. Refresh and restore yourself in advance. Kenny Farris will be calling.

That provides the lead in to the basic Gerrymander's information. We dance every Wednesday evening from 7:30 to 10 pm. We are an open, mainly singles, but with many couples as members, square dance club, dancing beginner (if needed) to plus level. You never need to have a partner to dance with us! We dance at the North Chevy Chase Christian Church, 8814 Kensington Parkway, Chevy Chase, MD 20815 (GPS 39.002102, -77.075835). The church is near the intersection of Connecticut Ave and the Beltway. For detailed directions see <http://www.gerrymanders.info/DirectionsAndMap.html>

We now dance two programs. On the 1st, 3rd and 5th Wednesdays we teach and dance easy mainstream from 7:30 - 8:30. After refreshments (usually to include ice cream) we dance full mainstream until 9:15 followed by easy plus / plus workshop for the rest of the evening. We end the evening

with and a full plus tip. We accept students beginning at any time on a pay each night attended basis. We teach new students from 7:30 to 8:30 pm. We have been finding with the students we have been having are learning very fast with this program. It fits nicely with students who are taking lessons elsewhere but would like some more practice. The more regular they can come the faster they learn. Students still can pay on the quarterly basis if they wish or they can pay as you go basis, \$7 per night. Bruce Simperts and a guest caller (on 5th Wednesdays) preside.

On the 2nd and 4th Wednesday we dance a plus workshop from 7:30-8:00. Then from 8:00 until 9:30 we dance full plus. Kenny Farris is our caller.
