Happy New Year Everybody,

Well, after two very rough years and a rocky recovery year, we have made it to 2023. As many people have remarked, dancing is coming back, albeit slower than hoped for. Clubs that dance on weekends seem to be holding their own with about half their previous numbers. On the other hand, weeknight clubs are struggling and we have already lost several. That said, I would like to submit that we dancers live in a very fortunate time.

How can that be? Well, these days we are a community which skews older. After years of heavy usage, knees and hips are worse for wear and our dancing suffers accordingly. Unless something can be done, our dancing days are ending

Those of you who know me are aware that over the last 20 years I always started a dance by putting on several braces and taking several pain killers. This was the result of a soccer injury in high school. Even after two operations on my knee it became obvious my dancing days were numbered unless I did something.

That something was a total knee replacement (on 10 October). As I have subsequently learned there are a number of our fellow dancers who have had joint replacement and are back dancing. While I did not know of all the replacements, I did know of one role model who had a knee replacement and was back dancing in a surprisingly short time. In my case five weeks and one day after my operation I went to a very relaxed dance. I was not (and am still not) fully recovered, but I had enough mobility to be able to dance a slow mainstream. While I am not up to dancing "Fisherman's Luck" I was able to dance at Toys for Tots this year. It was my lack of stamina which forced me to leave early.

Why do we dancers live in a fortunate time? because joint replacements are possible, and have relatively low risk. In addition, while you may not know it, we dancers have a good number of role models for successful joint replacements which can serve as confidence boosters

Till next month

Happy New Year and welcome to 2023.

As we are writing this in mid-December a quick look at dance activity revealed over a dozen holiday dances in this area. There were a number of dinner dances, and we were fortunate to be able to attend the one at Friendship Squares again this year. We would like to thank all of the dancers and clubs that host these events. We look forward to reading articles about these events in this issue of Calls N Cues.

You may have noticed in news reports that "Toys for Tots donations are down 70%" and "A

record number of families are expected to register for Toys for Tots this year". We are happy to see that our dance community is helping to address this issue (as you have for many previous years). We were able to enjoy two of these special events. The first was the Toys for Tots Dance held in Herndon, VA which was sponsored by WASCA together with NCASDLA (National Capital Area Square Dance Leaders Association). The second was the Crabtown Squares Toys for Tots Dance held at Rolling Knolls Elementary School in Annapolis MD. Both these events were attended by representatives from the Marines and we were

pleased to accept a Certificate of Appreciation given to WASCA at the event in Herndon. These are important events along with the many other charity fund raising events that our clubs have each year and we would like to thank you for the effort you put into these activities.

We hope all of you have a great 2023.

NCASDLA President's Message By Gary Felton

Zero to Plus. Mainstream. SSD.

Many areas in the country have more Mainstream (MS) clubs than Plus. This isn't the case in some other areas, where MS clubs are few and far between. I believe we have three MS clubs in the Baltimore-Washington metro area. In our area, most new dancers are expected to learn the MS and Plus programs in one dance season! In most of the Mid-Atlantic and in parts of New York and Pennsylvania, this is the case. It also the case on the west coast, at least in California.

How much time does it take to learn the calls through Plus? CALLERLAB recommends that the BASIC Programs, calls 1–48, be taught in not less than 44 hours. CALLERLAB recommends that MS Program, calls 1–19, be taught in not less than 15 hours. Sixty hours is 30 nights (2 hour classes) or 40 nights (1.5 hour classes). CALLERLAB also recommends that calls be taught from more than a single position (formation and arrangement) and that styling and timing be included as part of the teaching program. The Plus Program is understood to include more creative use of the MS moves from other than standard positions. For this reason, CALLERLAB recommends that the Plus Program calls be taught in not less than nineteen sessions of two hours each (total 38 hours). Thirty-eight hours is 19 nights (2 hour classes) or 26 nights (1.5 hour classes). The total time, according to CALLERLAB recommendations, necessary to teach through Plus is 49 nights (2 hour classes) or 66 nights (1.5 hour classes). In other words, at least a full year of class is recommended to teach through Plus. Very few classes go for a full year or more.

This “rush to Plus” results in dancers who are

poorly taught and often quit out of frustration. There is simply too much material to cover in one season. Calls should be taught. Dancers are sometimes exposed to calls but not really taught. Teaching requires repetition and use from more than one position. Learning means that dancers understand enough to do the call based on what it means. If they are taught the call from only one position, it becomes ingrained in their minds and muscles (i.e. muscle memory). By using only one starting position, we are teaching the dancers that there is no other starting position (we teach by what we do, but also by what we do not do). Dancers also frequently dance the same sequence of two or three calls and so putting together calls in a different sequence becomes foreign to the dancers. Sit out a tip and watch the floor for the sequence “swing thru, centers run”. That is called so frequently that the simple change to “swing thru, centers trade” will cause the floor to stumble. Why would we teach this way? Because it is quicker to teach one starting position and use only one sequence.

There is a new program being introduced across the country called Social Square Dancing or SSD and it consists of learning 50 basic calls which are more or less the most used calls from the MS program. The goal is to get people dancing in a club setting in 12-14 weeks (<https://www.callerlab.org/dance-programs/social-square-dancing/>). In Fairfield Iowa, this has been going on for several years so they have some tangible results. They found that after six 12 week rotations, they had built their SSD group to nearly 100 new dancers! Out of this group of nearly 100, and after dancing SSD for another year, 30 chose to go on to Plus.

The 70 that did not choose to go on, but rather stay where they are for now, plan to bring their friends to the next NEW CLASS starting in just a few short weeks. These 70 new dancers who chose not to go on, would have been our current structure's dropouts. These would be the dancers who today we throw away. Few report dropout rates but the scant data reports 50-70% dropouts from zero-to-Plus class programs. How would you feel if 70% of your K-12 students dropped out of school? Yet we accept this in square dancing.

Whether the class teaches to MS or to SSD, the dancers become full participants in club much sooner than a zero-to-Plus class, the dropout rate is lower, and the people that would have been dropouts, instead bring their friends to a new class. Right now, the class I teach has learned 38 calls, they are dancing, laughing, and having fun. The only two dancers we have lost were due to physical limitations.

Bringing either MS or SSD into a club or an area is not something callers can do very effectively. It takes dancers to support the concept and to attend the MS or SSD club dances. One club can make the change and the change can be an addition to the club without the club losing anything

it currently has. More specifically, a club would make a two or three-year commitment to use current class resources and help create a 50-Call Standard Application SSD Club within their existing clubs. There would be no Plus classes until they have made SSD a success. If Monday night is the club's class night, turn it into an EVERY-Monday-night-never-stop-year-round SSD Multiple Classes/Club night. This is the component that requires existing club members to support by their presence. The current some-other-night-beside-Monday Plus dance would continue.

The other change that fails to get as much mention as it deserves is that the current 29 call plus program would pick up approximately 25 mainstream and basic calls that are not on the SSD program. This means that a Plus class would require approximately 20-25 nights.

Can we change? Should we? I hope this is fodder for discussion between dancers and within dancer organizations.

RDTA
President's
Message
by
Ken & Berni Ryder

Yes, it really is 2023 and we hope it will be an even better year with outstanding dancing opportunities for everyone. We hope everyone has enjoyed a safe, healthy and Happy Holiday season. We really enjoyed seeing and dancing with many of our WASCA dance friends at the annual Toys for Tots dance at the Herndon Senior Center on Sunday, December 4. While Berni and I had to cancel our Ryders Rounders Christmas dance due to a Covid encounter, we know that many of you enjoyed the special Christmas parties at various WASCA clubs during this Holiday season.

We are confident that 2023 will bring even more opportunities to join our fellow dancing friends to enjoy dancing in person. In Maryland, Barbara & Tom Buchanon have been dancing on Thursday nights at Christ Lutheran Church in Millersville MD. Dom & Joan Filardo continue to dance on Tuesday nights at the Knights Lodge in Ridge MD. Amy & Ken Shotting continue to offer "virtual [ZOOM]" dancing on Wednesday evenings and special monthly dances on Saturdays.

In Virginia, George & Jeannine Springer are dancing in-person in the Richmond area, as are Eileen & Chip Hopper in the Charlottesville area. In the WASCA area, Christina Eum is dancing on Monday evenings at the Herndon Senior Center. Berni and Ken Ryder have been dancing Monday afternoons at the Greenspring Community Center in Springfield VA and on Thursday evenings at St Barnabas Episcopal Church in Annandale VA. They have also resumed an intermediate workshop and a basic dance class on Sunday evenings at St Barnabas Episcopal Church. A number of other 2x2 clubs have continued their in-person dancing in the WASCA area.

We hope that many of you will join us and a number of your favorite RDTA cuers at the resumption of RDTA's Snowflake Ball. We have been able to secure a venue with two halls and will therefore be able to have both a phase II-IV and a phase IV-VI dance hall. Mark your calendars for Sunday, February 19, from 3:00 to 5:30PM and come join us to dance with your favorite RDTA cuer at our new locale -- Occoquan Elementary School -- 12915 Occoquan Rd, Woodbridge VA [see the flyer in this issue]. Stay safe and healthy. We'll look forward to seeing everyone on the dance floor in 2023.

62nd WASCA Spring Festival “WASCA’s Dancing Through the Cherry Blossoms.”

**by Directors:
Ginny Fromel and
Rene & Mike Hermann**

We are preparing to go “Dancing Through the Cherry Blossoms” at our WASCA 2023 Festival. Our festival flyer and editable registration form is on the wascaclubs.org site, which you can print out and mail in to get registered and make a room reservation. The official D.C. Cherry Blossom Festival starts as our festival ends, and you might want to arrange to see some of the events that will be happening at that time.

We are really excited about our callers and cuers for the festival, which you can find pictured on the back of our registration form. The callers include Jeremy Butler, Bill Harrison, Eric Henerlau, Tom Miller, Joe Saltel, Mike Seastrom, Mike Sikorsky, and Buddy Weaver. Our cuers will be Sherry & Rey Garza, Randy Lewis & Debbie Olsen, Marie & Randy Preskitt, and Tammy & Curt Worlock. There will also be some Line Dancing prompted by Donna & Doug Riley.

The 62nd WASCA Festival committee is working hard to get us back on track and increase our numbers, and we hope that you will enjoy all the fantastic decorations being prepared for the Dancing Through the Cherry Blossom Festival on March 16 – 18, 2023. We have quite a few volunteers helping to make this a really beautiful festival!

We had sixteen clubs schedule for Theme Dances to support the 62nd Festival! We have already participated in eight of these theme dances, and we are looking forward to visiting the rest of these clubs. You can help support our festival by attending some of these theme dances yourself. The Festival Directors, Ginny Fromel and Rene’ & Mike Hermann, along with other members of the 62nd Festival Committee and other WASCA Board members, will be attending as many of these theme dances as possible. We will be giving you more information about the upcoming festival, to be held March 16, 17, & 18, 2023 at the Hilton Alexandria

Mark Center. The dances let us tell you what is being planned, and the theme dance club collects our guest door fees! If you have not scheduled a theme dance and would like to, you need to contact Janet Kelley, at 703-437-4776 or FestivalThemeDance@WASCAclubs.com. Since our deadline for the festival hotel rates is February 4th, all theme dances must be scheduled prior to the 1st of February. But, you do not have to wait for your theme dance to register. Get registered, now! Then get on the dance floor to celebrate the upcoming festival and enjoy your theme dance instead of sitting out a tip or two to fill out your registration form.

We reviewed all the survey forms and have made several changes and improvements to make this year’s festival really great. We have arranged for a dance performance with Japanese dancers for Opening Ceremonies on Thursday night. We got quite a few comments on the Friday Night Dance, so we will be having GrooveQuest come back for another fantastic Sock Hop at the festival. We will have computer squares in our DBD, Advanced and Challenge Halls, and the new program will be more supportive of solo dancers. There will be specific locations in the Main Stream and Plus Halls for those Solos that want to connect with a partner. Our Challenge dancers will be back downstairs in the Aspen Room, and our Sewing Program will be in the Walnut room upstairs. Ann Wass’ sewing seminar will show you how to combine a variety of trims to embellish a basic square dance skirt or dress. Baskets will be raffled off as usual, so contact us at 2023FestivalDirectors@wascaclubs.com to let us know your club will participate. We have talked to three vendors about coming to the festival; and currently have two of them contracted to come. We need to get more people registered in order to persuade our third vendor to make the trip to D.C. We are also looking for more Committee Members to complete our team.

Advertising, Baskets, and Vendors could benefit from your help. Some of you might have made improvement suggestions on the survey and here is your chance to make it happen – Volunteer!

Advertisers Needed and Wanted to support our Program Book! This year’s Ad Contract is included in this Calls & Cues issue, and the 2023 Program Book will appear in the Calls & Cues for a year after the festival and remain in the archives after that. We hope you will support our Festival and WASCA, as a whole, by buying an Ad or selling an Ad or two to someone you know with a business. There are so many entrepreneurs out there now--let’s ask them to advertise! Advertising deadline is NOW, so send ads in by Jan. 10th to renehermann@verizon.net, and payments to her as well.

Now, looking at our Cherry Blossom Festival – Do Not wait to Register! To promote our festival, we

traveled to four 3 - 4 day festivals during the summer and early fall. We also had WASCA attendees put out a trifold and flyers at two more festivals and quite a few of the other Round Dance festivals being held. However, if you know of any people in distant states that have attended WASCA and would be willing to hand out flyers, we need their address; so, we can send them as many flyers as they might need.

We hope you all had a great Holiday Season and are looking forward to dancing with us in March. We all miss the dancing and personal interaction with friends and family. Hope to see you on the dance floor at the festival!

62nd Festival Directors

62nd WASCA Festival – “Dancing Through the Cherry Blossoms” Theme Dance

Has your club considered scheduling a Theme Dance to support the 62nd Festival? Some “early birds” have already selected their dates. Hurry...your most desirable date may not be available! Why not invite the Festival Directors, Ginny Fromel and Rene’ & Mike Hermann, along with other members of the 62nd Festival Committee and other WASCA Board members, to visit your club?

They will share highlights of their plans for the upcoming festival, to be held March 16, 17, & 18, 2023 at the Hilton Alexandria Mark Center. It’s an opportunity for us to tell you what is being planned, and your club collects our guest door fees! Remember if your club wishes to plan a date for a theme dance, you will need to check with me to see that your preferred date is still available. Schedule your theme dance early, and hopefully avoid cancellations due to any wintery conditions that may occur.

HAPPY NEW YEAR TO EVERYONE. I hope your holidays have been filled with lots of food, family and fun. I'm starting this article in early November so I can't comment on the 'cold' weather or the 'snow'.

We just recently had our theme dance (Nov 4th) and I can't even believe how much fun we had. We are way down in Southern Maryland, an hour's drive south of the beltway. That's probably the reason we don't get much company, although I invite people all the time. But this Friday night the WASCA board made their way down to "beautiful southern Maryland" (as I call it). And what a time we had. Between the class, the angels and our WASCA guests, we had 6 squares on the floor. What a site!! And that brings me to the real topic of my article.

First, thank you to all the delegation that made their way to our shores. It's a long way down and a long way home for all of you. But that didn't stop you (thank goodness).

As the volunteer coordinator, I wanted to attend as many theme dances as possible. So I googled each club and how far they were from my home, how many miles and the time it would take to get to them. WOW!! It immediately gave me a newer appreciation for the delegation that makes their way down to our club every year. But not just our club. They will attend theme dances for at least 15 clubs (as of this writing). Fifteen nights on the road, getting home late. That's a LOT of road time. But, what else do they do?? Let's see. There are meetings, lots of meetings. With the hotel, the callers, the cuers, the hotel staff, hotel management, hotel food service, floor people, and probably lots more we don't even know about. Not counting the meetings with each other, to coordinate everything. How many callers/cuers in how many halls to how many levels of dancing? So a thousand people can have a great time and dance for three days. So we can check-in, get our packets, get our hotel room, dance, say hello to old friends, meet new friends, eat delicious food, not to mention the ice cream, and just have a great time. AND, this is all volunteer hours. How many hours I wonder, over a year's time?

So maybe sitting for a few hours over the weekend doesn't sound so bad, does it? I always say, make your rest time, your volunteer time. Sign up for hours with your best friend. Sign up for the hours your better half is napping. Sign up for the busiest time, sign up for the slowest time. JUST SIGN UP. This festival cannot, would not happen without the many helping hands. Please lend a hand. After all, you can't dance every hour from 9a.m. to midnight (or later). Although some of the youngsters we have in our class this year probably could.

If your club can't have a theme dance, call one of the board members and see what hours are available. Sign up for an hour or two to sit and help wherever they need you. And take a minute to thank the people who made all this possible.

I will be getting the sign up board back in January so I will know what hours are still available. Give me a call and I will sign you up. Then remember to look in your registration packet for your reminder.

WASCA Spring Festival - Booster Club

Darlene Kress <darlenekress@prodigy.net>

My name is Darlene Kress, and I am the Booster Club coordinator for the upcoming 62nd WASCA Spring Festival, "Dancing through the Cherry Blossoms". I am very excited and honored to be a part of the WASCA committee team. As the Booster Club coordinator, my primary responsibility is to reach out to all the member clubs and ask you to become a member of the Booster Club.

To join the Booster Club, I will need just \$1 for each member in your club. So, for example, if your club has 30 members that would be \$30. As you may know, the WASCA festival is a huge event with lots of expenses and the Booster Club contribution is one way to help defray these costs.

Many clubs submit a check from their treasury, but there are other ways to raise the money, for example your club could sponsor a BOOSTER dance and let members know to bring a dollar to the dance. Also, if your club is not dancing but wishes to contribute to this cause, any donation is welcome.

In addition to a monetary contribution, I will need a current membership list in alphabetical order by last name. Club and membership names will be posted in the online Festival Program as a SUPPORTER OF WASCA. (Note: If your club does not wish to release their members' names, please just send me the number of members).

There are two steps needed for your club to become a WASCA Festival Booster Club:

1. Send a check for \$1 per member , made payable to WASCA to:
Darlene Kress
1746 Crofton Parkway
Crofton, MD 21114
2. Send your membership list to (or your number of members to
DarleneKress@prodigy.net

I am hoping to have 100% participation! I hope you will consider joining the Booster Club to help me reach my goal.

Computer Squares for WASCA's DBD - Adv - Challenge Halls

Charles E. Campbell

A new computer program, "Swirls", will be used in the upcoming Wasca dance this March. There are two big changes that dancers will notice with Swirls vs the previous computer squares program we used: Swirls greatly reduces the need for computer operators, and it supports singles as well as couples. Previously, as you probably recall, everyone wrote their number down on a sheet of paper signalling their intention to leave or stay, and one or more computer operators laboriously entered that information into the computer squares program.

With Swirls, you'll be getting a card (RFID tag) which resembles a gray credit card. At the computer station, there'll be a special "card reader" that you simply wave the card over (within about two inches). Doing that will tell the computer to put you into the dance (if you're not in it yet) or to take you out of the dance (if you had been in it). After you've swiped yourself out just put the card atop the appropriate stack. The reader will beep when it reads

The RFID Reader and a Single Female's RFID Card

your card; you'll be able to check the results (in or out) on the computer screen when its showing names with blue and white stripes. The couples and singles shown in the graphic below are all present in the dance.

Couple#001	Couple#005	Couple#010	Sngl#018	Sngl#027	Sngl#036	Sngl#045	Sngl#054

Who's Present Display

And now for the second “big change”: Swirls supports singles as well as couples! If you’re in a couple, just take one “couples” card which will have a green sticker with a couple id on it. There’ll be a stack of them atop a piece of paper that says “couples”; then swipe it atop the reader and Swirls will

handle both of you with just the one card. Keep it until you decide to leave the dance; swipe it again to take yourselves out of the dance and leave the card on the “couples” stack.

For singles: there are five selections you may make as shown in Table 1.

Dancing Style	Sticker Color	Meaning
M	blue	for those who dance the male part (only)
F	red	for those who dance the female part (only)
E	yellow	for those who dance either male or female (and don’t have a preference)
MF	yellow	for those who prefer to dance the male part but are able to dance the female part
FM	yellow	for those who prefer to dance the female part but are able to dance the male part

Table 1: Singles Selection Options

Pick the card that best suits your dancing style, and, like the couples, swipe it over the reader to enter yourself into the next dance. At the present time I do not plan on making MF or FM cards, but in just a minute I’ll tell you how to change your card into one of those on your own.

I know that some of you may have encountered a recently released program which supports singles that isn’t Swirls, but unlike that one, Swirls endeavours to always give singles an equitable amount of time vis-a-vis couples. Really, with Swirls there’s no need for singles to “couple up” first! Swirls will match singles up with other dancing-compatible singles for each tip. In fact, I’m strongly encouraging singles not to couple up first.

When it becomes necessary, Swirls may match a single up with someone named “(ask)”. That means, ask of those who are sitting out the current tip if one of them would care to join in as your partner for that tip. Raise your hand. Couples: please keep an eye out for that single who needs a partner. The more that singles tell Swirls that they can dance MF, FM, or E, the less often (ask) will happen.

OK, now for how to change your dancing style to MF or FM (and other changes). There will be “special” cards with two yellow stickers on them; the yellow stickers will have words instead of numbers, too. These special cards are command cards and are shown in Table 2 (on the next page)

Swirls assumes that those who can dance C1 can also dance A2 and DBD. Swirls also assumes that those who can dance A2 can also dance DBD.

If you are in a couple, but your partner leaves and you would like to continue to dance, it’s easy: simply swipe your couples card to “out” and pick up an appropriate singles card. Likewise, if a pair of singles wishes to become a couple, swipe your singles cards to “out” and pick up a couples card. Then, just swipe yourself into the dance.

For the curious: how does Swirls roll up squares? Imagine decks of cards, each card having a single person’s number on it, and each deck’s dancers having the same number of dances. Start with the deck whose dancers have the fewest dances; shuffle it. Then pick the top card and assign the associated dancer to a

square. If the dancer has a permanent partner (ie. a couple) that partner is also assigned to the square. If the dancer does not have a permanent partner (ie. a single), look for a compatible single dancer (dancing style wise) and assign him/her to that square. Repeat for each deck until the squares are filled.

Now, let's look at a typical rollup of squares; see the image entitled "Typical Swirls Squares Rollup". The couples are fairly obvious with names such as "Couple#014: 7". Singles are being matched up by Swirls and so have "names" such as "Sngl#028+039: 6". For those who study the graphic carefully you'll note that there's another entry "Sngl#039+028: 6". Don't worry, the right number of dancers have been assigned to their squares. Its just that singles don't know who their partner is and so displaying them both ways makes it easier for singles to find their assignment on the sorted display. Couple #014 has been assigned to square #7 and the two singles (#029 and #039) have been assigned to square #6.

The callers also will have rfid readers and will be switching the display from Present (blue and white) to Rollup (green and white) and back.

Finally, because there will be no operators, please don't forget to "swipe" yourselves out when

“Ya’ll Come to Alabama to Dance & Play on Mobile Bay!”

PARTY GRAS?

What's with our Mardi Gras Theme?

If you thought Mardi Gras—that annual celebration that marks the last day before the Christian season of Lent—began in New Orleans, you're clearly not from Alabama.

Although The Big Easy in Louisiana is perhaps best-known for its Mardi Gras revelry, the port city of Mobile, Alabama, founded in 1702 by French settlers, lays claim to being the city that first observed the event.

Apparently, as early 1703, the French held a type of Mardi Gras celebration in Mobile, New Orleans wasn't founded until 1718. Therefore, strictly speaking, Mobile had the earliest celebration of the two cities.

DANCE IN THE PARKS

We have developed a unique sightseeing/dancing opportunity for our attendees. We're calling it "Dance in the Parks". Instead of the usual flash mob bus tours, we have planned a FREE WALKING EVENT to dance in the public parks within walking distance of the Mobile Convention Center. In keeping with our Mardi Gras Parade theme, we will Parade to the different parks in the downtown area. When the Parade reaches each park, our callers & cuers will be set up and ready so the dancers can dance. We plan to do some squares, some lines, and some rounds as we parade park to park. Don't worry we'll have water at each location too. We plan to have the streets closed for our Parade route and we anticipate many spectators at each location to watch the dancers.

The Parade will begin at Cooper Riverside Park right beside the Convention Center, then journey one block to Mardi Gras Park. We'll journey another block to our last stop at Bienville Square before we head back to the Mobile Convention Center. Bienville Square has a lot of great old Live Oak trees that have been there for years and provide great shade in the summertime. The route is designed to start and end at the convention center. Oh, and there may be a special dangle for the first 100 dancers.

The following story about then Princess Elizabeth Square Dancing comes from the Square Dance History Project (squaredancehistory.org) by way of the October National Squares E-Magazine (nsdcnec.com/national-squares-e-magazine)

PRINCESS ELIZABETH SQUARE DANCING - 1951

These photographs of then Princess Elizabeth (and Prince Philip) square dancing took place during a visit to Canada in 1951. The Royals took to the sport well comparing it to Highland Dancing. Tony Griffin was the caller.

The press coverage helped spur the rapid growth of square dancing in that country. In his monthly column, "As I See It" (*American Square Dance*, October 1995, p. 75), Bob Osgood passed along information about that event.

We received a pair of letters from Bob and Ruth Pereira, Carp., Ontario, Canada, shedding more light on our May '95 story about the time in 1951 when then Princess Elizabeth square danced at Government House in Ottawa. Here, from his detailed research, is a condensed account of Bob's story.

The idea of the Royal Square Dance Party originated with the Governor General, Viscount Alexander of Tunis and Lady Alexander who were introduced to square dancing at the 1950 Calgary Stampede and immediately became square dance buffs during their stay at Government House, square dancing was often a featured entertainment and they proposed that as their special 'do' during the two days of official ceremonies of the Royal Tour in Ottawa, Princess Elizabeth and the Duke of Edinburgh be invited to a private square dance party.

The dance was private in the strictest sense of the word; no press, and special invitations were sent to only 80 guests..." This guest list incidentally read like a who's who of government officialdom. And how did the royal couple know how to handle the dancing? For one thing, both the Princess and the Duke were carefully "paired up" with others of the invited guests who knew how to square dance. In addition, during the dinner preceding the dance several of the dancers, using lumps of sugar as dancers, explained to the royal couple the elementary points of square dancing. According to A.G.S. "Tony" Griffin, one of the hosting dancers, the couple "caught on very quickly due in part to the pair's knowledge of Highland Dancing.

Scot W Byars

1959 - December 10, 2022..

Scot Byars started dancing in 1965 in the San Francisco Bay area when his parents dropped him off at the local pre-teen club for one night of peace and quiet each week. Soon he was a member of the Spotlighters, an exhibition group.

In 1970, at age 11, Scot accepted a challenge from his partner to do a better job than she could on a singing calls, and he was hooked. Soon his dad was driving him three hours each way on Wednesday evenings to call for the Konocti Kickers in the town of Clearlake. Before long he was also club caller for the Fairfield Barnstormers (a teen club), Rancho Rascals of San Pablo (the pre-teen club where he started), and the Huffs and Puffs of San Rafael, an adult club with a regular weekly attendance of twenty-five squares.

Scot estimated he had taught over 3,000 people to square dance! Between moves throughout California, he has taught new dancers, as well as calling festivals, hoedowns, parties, and intro nights. He has been a full-time caller since 2003.

He was a pioneer of the Blast class format, teaching from zero to Plus in three seven-hour sessions, he has been called the Master Blaster.

In March of 2015, Scot earned the title of CALLERLAB Accredited Caller Coach. To accomplish this, he completed a rigorous training and testing process that takes several years. He was also recently re-elected to the Board of Governors of CALLERLAB.

Scot traveled all over California, and visited Alaska, Arizona, Colorado, Idaho Nevada, Oregon and Virginia, doing both dances and festivals. He calle for five clubs in El Dorado, Sacramento, Solano, and Placer counties (California). He is well known for his exceptional singing voice and extremely upbeat and enthusiastic style.

On Saturday, 26 February 2022, more than 150 square dancers convened at San Andreas Town Hall to celebrate his retirement (and career) the best way they know how--by pulling on their boots and dancing.

Scot called for the WASCA Spring Festival in 2014; 2015 and 2018

He is survived by his wife Erin who is a cuer.

Wally Dorsey

From Ken & Bernie Ryder

On Sunday, December 11, we lost a cherished friend and long-time dancer -- Wally Dorsey. We knew and danced with Wally for more than 30 years at WASCA festivals, various round and square dance clubs, and other special dances [e.g. Toys for Tots, cancer dances, etc] throughout the WASCA area.

When we receive additional information from the family about any planned memorial service and a formal obituary notice we will share them with everyone.

In the meantime, we plan to hold a special Memorial dance on Saturday, January 28, 2023 at the Lincolnia Senior Center from 7-9:30 PM to celebrate Wally's love of dancing with all his dancing friends who can make it. We'll have more information about this special dance as plans are completed. The Lincolnia Senior Center was one of Wally's favorite dancing venues.

CHOREO CORNER

{anything} and Spread

with Dick Otis

2023 Happy New Year Everyone! Looks like we made it (through the worst of COVID). I urge everyone to continue to be careful, but I'm excited everyone seems to be coming out of hibernation!

Beginning in January 2023, the Merry Notes Square Dance Club has invited me to call a 25 minute "pre-dance" workshop. I will continue these workshops if people come out to dance, and if it is not an issue the scheduled caller.

The first call I plan to review is the call "Anything and Spread". This call can be used in three ways: (These definitions seem straight forward but #3 is not without some caller controversy which I will explain). Let's look at some examples.

#1 - Only some of the dancers are directed to spread, e.g. Directed Dancers - example: from a static square, Heads Star Thru & Spread means that the Heads (the directed dancers) do the "anything call" Start thru, and then the Spread call, e.g. they slide apart sideways to become ends, as the inactive dancers step forward between them. Note that inactive dancers also have a role to play, they need to move in to get between the dancers who spread.

#2 - If the (Anything) call finishes in lines or waves, then the centers anticipate the Spread action by sliding apart sideways to become the new ends, while the original ends anticipate the Spread action by moving into the nearest center position.

#3 - If the (Anything) call finishes in tandem couples (e.g. leaders and trailers) the lead dancers slide apart sideways, while the trailing dancers step forward between them.

I'll start with the 3rd definition because it is not without some controversy. The definition gives the example: Wheel & Deal (from a line of four), the lead dancers slide apart sideways, while the trailing dancers step forward between them. So, from a

double pass-through formation, the centers are spreading. But not because they are centers, it's because they are leaders. The controversy comes from a completed double pass-through formation. If the caller called double pass-through and spread, it would be the same thing as put centers in, which is how 99.5% of Callers would call this. But that's just a technicality you will most likely never encounter.

A little less obvious however, is the comment in definition #2, specifically "the original ends anticipate the Spread action by moving into the nearest center position". I think it is more correct to say, everyone needs to anticipate the Spread call. If you hear "anything" and Spread then you should not finish the anything call, but move directly into the position you should be in after the spread. The most common example of this is Follow Your Neighbor and Spread, and Heads Star Through and Spread. Another less often called is Fan the Top and Spread. Here are some sequences to try out.

1. Heads Pass the Ocean, Extend, Hinge, Follow Your Neighbor & Spread, Hinge, Walk & Dodge, Wheel & Deal, Zoom, Centers Square Thru 3, Allemande Left, Promenade.
2. Sides Right & Left Thru, Heads Star Thru & Spread, Go Forward & Back, Star Thru, Double Pass Thru, the Ends Cloverleaf while the others Partner Trade & Back Away.
3. Heads Pass the Ocean, Extend, Fan the Top & Spread, Boys Trade, Everybody Recycle, Pass Thru, Tag the Line, Face Left, Wheel & Deal & Centers 12 Sashay, Allemande Left, Promenade.
4. Heads Star Thru & Spread, Everybody Pass Thru, Wheel & Deal, Spread, Pass Thru, Tag the Line, Face Right, Bend the Line, Star Thru, Allemande Left @ Home.

Let's everyone spread some cheer and a few calls in the new year!

It is January and it is getting close to the 2023 WASCA Festival “Dancing Through the Cherry Blossoms.”. A few clubs that are having theme dances in January are the Panhandlers on Jan. 7; the Merry Notes on Jan. 13; the Gerrymanders on Jan. 18 and the Good Luck Squares on Jan. 19. The club theme dances promote the 2023 WASCA Festival as well as help the clubs financially. Its always fun to attend a club and see what decorations they have decided on to promote the current WASCA Festival theme. If you have not registered, now is the time.

If you have the opportunity in January and February, you should take the time to visit a club. Check the Club Directory listing in this issue to see what club dances on the night you have available. Remember to check the dance level and verify the time and location before you leave.

The WASCA Delegates meeting will be held virtually on February 26, 2023. Fifty-two clubs are currently WASCA members. Delegates please be sure to check in by using the link sent to you before the meeting. The WASCA secretary will send out the link and minutes. This is the annual meeting where the WASCA Board is elected. Promote your club by telling the other delegates about your clubs’ planned dances and other activities that your club is doing.

We would like to encourage dancers to volunteer to serve on the WASCA Board as well as in their local clubs. Several in the WASCA area also serve on various national organizations. We would like to see our clubs and organizations thrive by getting more people into square and round dancing. Volunteer and help your club and square and round dance organizations.

If your President/Manager, Delegate, or Alternate Delegate changes or has a change in address, etc. during the year, please send us the new name with the address, phone number and email address. We need the correct information so that we can send the WASCA Secretary the up to date information that she needs to email or mail the Delegate’s minutes for the next meeting.

If you need further information or have a question about or correction for the Calls ‘n’ Cues Centerfold or WASCAclubs web site, please email us at membership@wascaclubs.com or drop us a note or phone message at 703-573-8378.

AQUA SQUARES

Paula Ropshaw

Hello fellow squared dancers, from beautiful southern Maryland. We hope your holidays were full of fun, food and family. I would be remiss if I didn't thank the festival committee for visiting or theme dance. With them and our growing class and our club, we had 6 squares on the floor. Our hall almost wasn't big enough. We are looking forward to the new dancer year of 2023. Can't believe it is 2023. WOW. The new year brings lots of resolutions and reflections. I reflect on my family and friends. And I reflect on my square dance life. I take the time to thank all my family and friends and my square dance community. Aqua Squares has been dancing for over 40 years. How grateful I am for the many folks that has kept our club dancing. And say thank you for all the different callers we have had the pleasure to dance to and with. We will dance 4 Fridays in January, 6, 13, 20 and 27. We dance 4 Fridays in February, 3rd, 10th (our Valentine Dance), 17th and 24th. Our class starts at 7pm til about 8:30 and our plus dancing goes from 8:30 to 9:30. We dance to the amazing calling of Bill Harrison and Gary Felton. You are always invited to our dances. We love company and we love to have fun. Feel free to stop by any time and experience our southern Maryland hospitality.

BELAIR SQUARE CATS

Mike Herman

The holiday season has been festive but a cold one. That positions nicely into our first 2023 dance themed "Snowflake Ball". Come enjoy good fellowship on Jan 14th as Dayle Hodge & Christina Eum provide the calling & cueing. For our next dance on Jan 28th the theme will be "Gangster Mystery Mayhem", which should provide fun and excitement. February is when people express their love on Valentine's Day. Bring your square dance students to the "Barbed Wire and Roses Dance". This dance will be called to the level of the new dancers. Also during this dance there will be a second hand rose clothing sale in the hallway outside the dance floor where we plan to have gently worn square dance items available for purchase. Dayle Hodge & Amy Shotting will be calling &

cueing. The second dance in February will be "Tropical Island Dance". Please bring a Hawaiian shirt or hula skirt if you want to embrace the theme. Kenny Farris will call squares & Christina Eum will cue rounds. The club has sponsored square dance class lessons on Tuesday evenings this year taught by Virgil Forbes. The new students look forward to learning the new dance steps. Please join us on the second and fourth Saturdays each month to dance plus level tips and easy to intermediate round cues. The dancing starts at 7:30pm and goes until 10:00pm at the St. Matthew's United Methodist Church on route 450 in Bowie. For more information please contact either President Darlene Kress (703)851-5348 or Vice President Jennifer Lins (443)454-0499. We look forward to seeing you on the dance floor.

BIZZY BEES

Ann Brownell

The Bizzy Bees have had many fun dances. Our Halloween Pumpkin dance was a great success. We followed that with a Turkey Trot and finished the year with Santa's Arrival. We've been having old friends return to the club-so nice to see them again. Mac McCall has been keeping us on our toes. Chris Stacy will take over for a few months come January. January will bring a Snowfall Dance and Groundhog dance-will the dance ever end or will it continue day after day! Feb will have us with our Valentines and Celebrating Mardi Gras. We welcome guests and encourage everyone to attend. For further information contact Dave and Teresa Harrington at 571-306-7975.

CRABTOWN SQUARES

Margaret & CT Montgomery

Our special fundraiser dance for Toys for Tots was held on December 9 with fantastic support from four squares of dancers and local restaurants. Dayle Hodge and Peg Kincaid kept the dancers moving with square and round dancing to some great Christmas music. Dancers brought toys and/or gave cash donations. An additional

donation was made to Toys for Tots with profit made from the proceeds of the raffle. Gift cards/certificates were donated by 20 local restaurants to provide a total of 32 prizes for the evening so there were many lucky winners. Two Marines were present to accept the donations during the dance and a third Marine arrived with a truck to transport the toys at the end of the evening. He was delighted to see so many toys as this was his last pick up for the day and more than doubled the amount of his collection. A big thank you to all who participated.

Have a very happy New Year and we hope to see you at our next dance which will be held on Friday, January 13. The theme is Chocolates and our caller will be Dayle Hodge and Cuer Peg Kincaid.

February 10 will be the Valentine's Day dance – same caller and cuer and probably chocolate there too!

dent dance so Mike McIntyre will be calling all main-
stream tips. FRIDAY, February 24 will be our "Mardi
Gras Dance" from 7:30-9:45 PM. All dances will be at the
Mt. Pleasant Ruritan Club, 8101 Crum Road, Walkers-
ville, MD. Mike McIntyre will be calling and cueing for

(witch), funniest - Sheila and Dennis Covert (gnomes),
and most original - Andrea Smith (good witch). Three

FRIENDSHIP SQUARES

Friendship Squares held its annual holiday dinner dance on the first Saturday of December. We had 98 attendees! We received a lot of compliments on the food, decorations, festive and friendly atmosphere, and of course the dancing with Tom Miller and Peg Kincaid.

We'll be having a New Year's Eve dance on Saturday, December 31, at Magothy United Methodist Church, but that will be in the past by the time you read this.

Unfortunately, there's some bad news. Jim Newell, a long-time member of Friendship Squares, passed away a few days before Christmas. He participated actively in square dance classes and danced often at Friendship, Crabtown, Belair Square Cats, Chesapeake, Tom Thumb and other clubs. We will miss him.

Friendship Squares continues its square dance classes on Wednesdays, 7-9pm at the Magothy United Methodist Church, 3703 Mountain Road, Pasadena, MD 21122. Virgil Forbes is teaching. HE IS CURRENTLY TEACHING AND CALLING MAINSTREAM, AND SHOULD BE STARTING THE PLUS CALLS AROUND MARCH 15, 2023. For anybody who has taken SSD or Mainstream and who would like to review and practice and learn more, January and February would be a great time to join the class and learn the Mainstream and PLUS calls, so you can dance at more tips at local dances! Partner is not needed. \$7 per class. For more information, text Darlene Kress 703-851-5348 or Laura Vykol 410-917-3348.

Friendship Squares dances at the Friendship Church of the Brethren, 217 Mansion Road, Linthicum, MD on the first Saturday and third Friday of the month, 7:30-10pm (early rounds at 7:30, Plus 2x2 starting 8-10pm). Here are a few Friendship dances coming up:

GAD ABOUTS

Bob Lawn

The Gad Abouts have settled in to dancing at St Pauls Lutheran Church, 24 East Baltimore St. Funkstown, Md. We celebrated our 65th anniversary as a square dance club with a dance featuring Joe Saltel and Butch Blossom. It was very well attended and a great time was had by all. Our new dancer sessions continue with 5 dedicated new

dancers. They are progressing very rapidly and have finished mainstream before Christmas. Our next special caller night will be April 22, 2023 with Jeremy Butler.

GERRYMANDERS OF MARYLAND

Ed Cragg

The Gerrymanders are dancing whenever we can get enough dancers. With only 5-6 members who dance regularly we rely on visitors to make a square. To be sure we have enough dancers we have been asking dancers to RSVP by noon on the day of the dance (Wednesday).

The Gerrymanders dance two programs. On the 1st, 3rd and 5th Wednesdays we teach and dance floor level (to include beginner) from 7:30 - 8:30. we dance full mainstream until 9:15 followed by easy plus / plus workshop for the rest of the evening. We end the evening with and a full plus tip. We accept students beginning at any time on a pay each night attended basis. When they are present, we teach new students from 7:30 to 8:30 pm. We have been finding with the students we have been having are learning very fast with this program. It fits nicely with students who are taking lessons elsewhere but would like some more practice. The more regular they can come the faster they learn. Students still can pay on the quarterly basis if they wish or they can pay as you go basis of \$7 per night. Bruce Simperts and a guest caller (on 5th Wednesdays) preside.

On the 2nd and 4th Wednesday we dance a plus workshop from 7:30-8:00. Then from 8:00 until 9:30 we dance full plus. Kenny Farris is our caller. We dance at the North Chevy Chase Christian Church every Wednesday evening from 7:30 to 10:00. The cost is \$7.per night. Mr. Gerry-mander will be glad to answer any questions or give directions if you call him at 703-920-2624.

One last note: we typically have either an equal gender balance or have more men than women.

GOOD LUCK SQUARES

Ginny Fromel

We are currently making arrangements for our final hurrah for the Good Luck Squares. We have included a photo collage invite for our Farewell, 33rd Anniversary, and Theme Dance, that shows just a few of the many activities that we participated in over the years (found in the special dance flyers section). We have hosted WASCA Festival theme dances every year, donated a basket every year since the basket raffle started, and we usually had

quite a number of members attending the festival. We have been banner stealing whenever we could find another club that would participate. We have an annual Halloween Dance, Thanksgiving Dinner Dance, Christmas Sweet Celebration Dance, Pre-New Year's Eve Celebration Dance, and Birthday celebrations that will be missed. Even at the lessening of the pandemic, we could not get enough people to come back to dance. Since September, we have only had one event, and that was a few of us going out the Thursday before Thanksgiving for dinner. We had two special get-togethers for December--a Christmas Celebration and a pre-New Years party. Jim Wass started the Good Luck Squares and has been calling on Thursday nights for 33 years. We have had dances in several locations over the years and spent the largest amount of time at Robert Frost Elementary School in New Carrollton. With price increases at the school, we started having our dances at the Trinity Moravian Church, 7011 Good Luck Road, New Carrollton, MD. We have tried to reach as many of our previous member as possible in hopes of getting them to come join us for the Farewell Dance. In January, we will be sending out email reminders to all previous members and anyone that might be interested in attending our final dance! For information, directions, or to get put on the email list, please contact Ginny Fromel at vfromel51@comcast.net or 301-552-1576 or Jim Wass at 301-257-1348.

GRAND SQUARES OF PRINCE WILLIAM COUNTY

Ron Dean

We are still dancing Saturday nights at the Woodbridge Senior Center, 13580 Church Hill Dr. in Woodbridge. Please call Ron Dean at 703-568-7651 before Noon on Saturday if you plan to attend. Sometime we do not have enough for a square and we have to cancel. Don't want you coming to an empty hall. Have a wonder filled Thanksgiving.

GREENSPRING SENIORS

Dick Otis

The Greenspring Seniors is primarily a social club which enjoys square dancing from 1:30-3 pm at various locations around Green Spring. Please see our schedule in the Organizational Schedule section of this publication. Since there is a wide range of square dance experience from brand new dancers to experience pros we alternate tips be-

tween teaching a class for brand new dancers and dancing the full mainstream program. Anyone at an experience level is welcome to join us. We have a full range of dancers from 10 to 95 years old! The club coordinator is Pat Messalle, 240-461-4059, or pmessalle1@gmail.com

LAKE OF THE WOODS

Susan Thomas

October, November and December have been a time for special dances for the Lake of the Woods Club. Charlie Shoemaker called for the Halloween Dance, and looked out over squares filled with creature in assorted costume attire. Winners in the costume contest were Roy Stein and Carol McMasters with Hattie Brinsfield and Carol Donoho receiving honorable mention.

On November 16th seven Lake of the Woods dancers and two Green Cloverleaf dancers gave a square dance demonstration for residents at The Culpeper, a senior living facility. Charlie Shoemaker called for the dance demonstration. Gene Chamberlain called as club members remembered veterans in November. Gene joined us again in December for the Christmas Dinner and Dance with the dancers decked out in holiday outfits.

The Square Dance Club met for a meal together for the Christmas celebration.. Everyone met at the Lake of the Woods Clubhouse Restaurant in a room reserved for the Club. Everyone ordered their choice for the Dutch Treat Meal. Following the dinner everyone went to the Lower Level of the Clubhouse for the square dance called by Gene Chamberlain. Club member brought cookies for dessert and to fill tins as a holiday gift for Gene and Regina Chamberlain.

As is often the case, all the celebrations in November and December resulted in the consumption of more calories than usual. Gene Chamberlain tried to give us a head start on burning some of those extra calories by starting the first plus tip at the December Dance at record speed. Since the mainstream tips involved the students who have been learning basic and mainstream this fall, Gene moderated the tempo on the mainstream calls,

January is a time for new beginnings, resolutions, and often house and closet reorganization. As we leave December behind, we don't want to find that our favorite outfits have mysteriously shrunk while hanging in the closet. Consequently, we'll need to engage in some energetic dancing in January. On January 13th and January 27th, the Club will be holding the regular 2nd and 4th Friday night dances with Gene Chamberlain calling on January 13th. On January 27th Ken Jordan will help us exercise our minds and bodies. Let's hope the January weather permits. December 15th reminded us of just how uncomfortable wet wintry weather can be. January can be balmy or brutal! Both January dances will be held in the Community Center.

February will find the Club battling those calories again. Gene Chamberlain will call for the Chocolate Insanity Dance on February 10th. On February 24th, Larry Winegard is scheduled to keep the Club searching our brains for all those calls that the February slump has dulled. There will be mainstream and plus tips.

At Lake of the Woods square dance lessons are taught in the lower level of the Lake of the Woods Clubhouse. Lessons will continue on Tuesday evenings for students who have completed basic and mainstream. Gene Chamberlain will continue as the instructor. The expectation is to supplement the lessons with workshops conducted by Dick Unser, Steve Futato, and Linda Futato. The workshops will reinforce the calls Gene Chamberlain has introduced. Gene Chamberlain will introduce new calls, and call dance tips using the calls that have been introduced. Lessons introducing plus calls will begin on the Tuesday evenings starting January 17, 2023 from 7:00 to 9:00.

On January 13th the Club will hold a business session. One of the items for discussion is whether or not to change the time for dances from 7:30 to 9:30 to 7:00 to 9:00. Anyone planning to join the Club for dances in February should check with Dick Unser to confirm whether or not the time for the dances has changed.

The Lake of the Woods Square Dance Club dances mainstream and plus level from 7:30 to 9:30 on the second, fourth and fifth Friday of each month at the LOW Community Center located at 110 Sweetbriar Park Road, Locust Grove, VA 22508. RYDER'S ROUNDERS

Ken and Bernie Ryder

We have continued in-person dancing on Monday afternoons -- 1-3PM --at the Greenspring Community in Springfield and on Thursday evenings -- 7:00-9:30PM-- at ST Barnabas Episcopal Church in Annandale. While we had to cancel our annual Christmas Party Dance due to a bout with Covid, we will have a special Happy New Year and Holiday Season Party dance with all our Ryders Rounders dancing friends who could join us at St B's on January 5, once we return from the Holiday Ball in Columbia SC. Without our normal venue on Monday evenings, we have continued "virtual/distance" round dancing using JITSI web meeting technology with many of our Ryders Rounders and other dancers. Our "virtual" dances begin at 7:30 PM every Monday night.

Unfortunately, Ryders Rounders dancers and Berni and I lost a long-time dancing friend when Wally Dorsey passed on Sunday December 11. We will have a Special Memorial Dance Honoring Wally's love of dancing at the Lincolnia Center on Saturday January 28, from 7-9:15 PM. We hope to make this a 2x2 dance and invite all Wally's dancing friends to join us to celebrate Wally's joy in dancing.

In addition, on Sunday evenings we have continued holding an intermediate workshop from 5-7PM and a beginner dance class from 7-8:30PM on the beautiful wooden floor of the Richardson Room at ST Barnabas Episcopal Church. We have continued our basic Waltz class with plans to graduate in December. On Sunday, Oc-

tober 23, class danced their first waltz -- adding All Night Waltz to their waltz dance repertoire.

We invite all round dancers to join us in-person at Greenspring or St Barnabas or virtually on Monday evenings. If you have any questions or need more information about the clubs, the workshops, or beginner dance lessons, please call Berni and Ken at 703 323-6615.

Experience the FUN, joy and camaraderie of square dancing without having to complete formal square dancing classes. The emphasis will be on "dancing" rather than "learning." A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as dancers progress.

Need a valid health-related reason to try square dancing?

Here (paraphrased in part) is what *AARP research has found.

“...**you** can make a difference in your **brain’s health**.

...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),
NOURISH (eat well), **DISCOVER** (think), and **CONNECT**
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”

(*AARP Bulletin, Oct 2019, page 42)

*DBD means "Dance by Definition" of the call. Sometimes it is also called "All Position Dancing". Examples of DBD routines are hard to explain because one Caller's DBD is different than another's. DBD routines can be very simple, or very complex (usually a mixture). What makes DBD simple for a dancer is experience, there is nothing like having seen that call before. What makes it hard is that for many dancers who have been dancing for many years, is they have only been exposed to a call from limited positions on the dance floor.
