The Editor's Desk

Welcome to the May / June issue. I must apologize for its being late. Unfortunately, I injured my eye when a branch I had been pruning snapped back and slapped me in the face. Even though I was wearing safety glasses it hit me just below the eyeball and as a result I have been unable to focus on small items such as printed newspapers or displayed Calls'N'Cues issues. Fortunately, my eyeball has healed to the point I can get back to work.

Since replacing Arbell Thmpson, I have been editing (and changing) Calls'N'Cues for several years now. I would like to learn which of the features are interesting to readers.

Let's start with the one of Arbell's features that I have discontinued: Birthdays & Anniversaries. Considering that I dropped it several issues ago and nobody has commented on it, I assume it has not been missed.

My primary interest is to what extent the various club related features are of interest to readers. These include:

- WASCA Club Directory
- Picture Time
- Club News
- Calendar of Events
- Club Schedule Flyers

For each of these I would like to know if you read them? Do you find them useful? What (if any) changes you would like to see made to them. In particular I have been carrying events for the next two issues (next four months) in the "Calendar of Events". Is that going far out in time or not far enough? To what extent are the club schedule flyers useful?

One feature I would like to start is "Email to the Editor", but obviously I need emails from you to do that. Feel free to send me emails (editor@wascaclubs.com) that you would like to see published. Independent of whether you wish your email published, please send me any comments you have on Calls'N'Cues.

Until next issue,

*CT & Margaret Montgomery
(WASCA Presidents 2022-2023)*

Next month (starting on June 1st, 2023) will bring some changes and new faces to the WASCA Board. A big thank you to Bob Lawn and Martha Thompson who joined the WASCA Board as Vice Presidents a year ago and will now take the President's position while we move on to be Past Presidents. The current Past Presidents are Daryl & John Davis who will be kept very busy as Festival Directors for the 2024 Festival as well as being legal advisor to the Board.

We welcome Steve Cunnion as our next Vice President, Jan Frick as the Secretary, Fran Hernandez as Special events, VA and Mike & Carol McNamee as Special Events, MD.

The Board is completed by Linda & Steve Toth as Treasurer (re-elected for another year) Nancy & Tom Stafford as Membership, Nick & Chris Capozio as Square Dance Liaison, Janet Adams & Peter Ma as Round Dance Liaison, Kathy Moore & Paul D'Alessandro as Directors of Publicity who are all continuing with their three year terms of office. Other Board members continuing in their work include Richard & Judy Hack who make the badges used at the Festival, Bobbi Fuhr as Promotions and of course our Calls'n'Cues Editor, Ed Cragg. If you are already reading this you know what a fantastic job Ed has been doing.

We wanted to give special thanks to Bobbi & Jeff Fuhr, Stephanie & Joe Corson and Janet Kelley who have all been Board members for a very

long time and are now leaving their current positions. Bobbi and Jeff have been valuable members of the WASCA Board for many years and have multi-tasked in covering several positions. Most recently, Bobbi has been the Secretary and Historian and has been keeping records of everything for ever it seems! Meanwhile, Jeff was the Registrar for the 2023 Festival so they both had a busy year. As previously mentioned, Bobbi will continue in her position as Associate Director of Promotions. You all know Stephanie & Joe as they have taken your hotel reservations for the Festival and straightened out all your problems for many years as well as reporting on Special events in MD. Janet has kept us updated with what has been happening in Virginia. As WASCA serves such a large area it is easy to overlook events that are not in our immediate area.

The past half decade has been difficult primarily due to COVID but working with the talented and friendly people who make up the WASCA board has been a pleasure and an honor. We are now looking forward to our sixth year on the Board - this time as Past Presidents.

Many thanks to Ginny Fromel and Rene & Mike Hermann and all the people who helped them produce such a great Festival in 2023.

In concluding – a big thank you to all for your many hours of volunteering.

We hope that, with all your help, WASCA will continue to thrive in the years ahead.

Care for Your New Dancers

In mid-April, new dancers are getting close to graduating or may have already. For many clubs, this is the first graduation in three years and that is something to celebrate. Classes are often the life-blood of a club. In the Washington-metro area, we lose dancers regularly, often through no fault of ours. According to a realtor I know, houses in our area turn over once every seven years, which means a lot of people are moving and we lose dancers to moves. Some people retire and move away. Again, we lose dancers. On the national scale, dancers stay in the activity an average of three years. For these and many more reasons, we need to teach classes to maintain our club health.

So, your club has taught a class and they are graduating. What can you do to keep the new graduate? The transition from class to club can be difficult. Often, we graduate dancers and then ask them to come dance on a different night, at a different location. This by itself can cause logistical problems, so talk with new dancers and ask them if they'd like to ride with you to the club dance. When new dancers miss a club night, make sure someone calls them to inquire if everything is okay, and let them know that they were missed.

If your class and club are on different nights, then they will visit the club and be met with many people they have never seen before. Introduce them to club dancers and make them feel welcome.

Make sure the club members know that these new dancers are important to the club. Remind the club that they were once new dancers and it would be beneficial if the club dancers were tolerant of any mistakes the new dancers make.

The first thing is to get them to dances and many clubs shut down for the summer. Make the new dancers aware of where to go to dance this week and next week. If you're going to a dance, ask them to ride with you. At a dance where the caller is not your club caller, let the caller know that you have new dancers with you. We callers will usually bend over backwards to make sure they succeed.

These are dancers; so refer to them as such. Let the "new" label fade away. When the dance starts, make sure you welcome them into your square. This is a way to protect them by giving them a familiar face in the square. Talk with them during breaks. If there is something they don't understand you can let the caller know that they had some trouble with a particular call. A skilled caller can workshop a call without the floor even knowing a workshop is going on. That avoids any embarrassment to the new dancer. Do any and everything you can to make them comfortable and let them enjoy the dance.

What can you do at you home club? Ask new dancers to participate in club activities. Make the new dancer a part of any social activity. Some social activities that have occurred in clubs are Book Swaps, NCAA Tournament Brackets, Game Night, annual Picnic. Make them feel included. However, don't try to make them President. Give them three years of dancing before you load them down with club responsibilities.

The dancers that join the club are the dancers that will be the most successful in recruiting for a new class next year.

Greetings, WASCA dancers

We thoroughly enjoyed seeing and dancing with so many of our WASCA dance friends at the WASCA 62nd Festival. The success of the 2023 WASCA Festival reflected the dedicated work of many. On behalf of all WASCA round dancers, we especially want to extend warm thanks to Daryl and John Davis for all their efforts developing the dance program and selecting the teaches and directing the Round Dance activities; to Amy and Ken Shotting for organizing and leading the Student Invitational; and to Christina Eum, Eileen Hopper, and Chris Jopek, our RDTA "belles," for cueing at the much enjoyed RDTA hour on Saturday at WASCA.

With the end of the terribly long and frustrating coronavirus pandemic and its often confusing masking mandates, we appreciate returning to "normal" [maskless-- or at least masks optional] dancing. Most of our local area clubs are back to regular "normal" dancing.. In Maryland, the Filardo's are dancing on Tuesday evenings and the Buchanan's are dancing on Thursday evenings. In Virginia, Christina Eum is dancing on Monday evenings, the Buchanan's are dancing on Wednesday evenings, the Hopper's are dancing in the Charlottesville area on Tuesdays, the Springer's are dancing in the Richmond area, and the Ryders are dancing on Monday afternoons and Thursday evenings. In addition to these in-person dancing opportunities, Amy and Ken Shotting have continued to hold their "virtual" dances on Wednesday nights with occasional special Saturday "virtual" dances and the Ryders have continued their "virtual" Monday night dances.

This May, June and July provide a number of opportunities to round dance at a special events -- and we hope to see and dance with many of you at

RDTA President's Message

by
Ken & Berni Ryder

several of them. June will start off with a special Spring Fling featuring Barbara and Wayne Blackford -- June 1-3 at "the Barn" and its beautiful floating wooden floor in Columbia SC [see flyer in this issue for details]. On Saturday June 10, RDTA will hold its annual Butterfly Ball at the Lincolnia Senior Center from 7-9:30 PM. Amy and Ken Shotting will be programming this phase II-IV round dance which will feature many dances newer round dancers, especially students, will enjoy. See the flyer in this issue and come fly with us at this very special Ball.

Later in June we have the National Square Dance Convention in Mobile Alabama -- June 21-24. [Again see the flyer in this issue]. July will offer additional round dancing special events with the annual ICBDA Convention in Winston-Salem NC - July 5-8, and the 58th Annual Star Spangled Banner Festival at the Delta Hunt Valley Hotel -- July 13-15. [Flyers for both of these events are also included later in this issue.].

What better way to celebrate the end of pandemic isolation by getting out, getting down, and dancing, For those who are ready to so, why not join us in enjoying our favorite "social contact sport" and consider taking some lessons to learn to round dance or "brush up" on some rhythms you're still not fully comfortable dancing. See the information available on current Round Dance classes in the section on Dance Classes later in this Calls 'N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach a new rhythm. All you need are your dancing shoes and a willing partner.

We look forward to seeing and dancing with you all on local and national dance floors in the following months.

62nd WASCA Spring Festival “WASCA’s Dancing Through the Cherry Blossoms.” Final Report by Directors Ginny Fromel and Rene & Mike Hermann

62nd WASCA Spring Festival March 16 – 18, 2023

We really want to thank our fantastic festival committee. On their own initiative, the committee anticipated and solved issues on their own. With their devotion to square dancing, they volunteered to continue with us after Covid and the added responsibilities of their positions. They started working on the WASCA Festival Committee after the 2019 festival, and after four years, we finally celebrated the 62nd WASCA Festival – “Dancing Through the Cherry Blossoms.”

We had 697 attending the 62nd WASCA festival this year. We attended all “17” fantastic dances for the clubs that had theme dances. We had 25 clubs that participated in the “100% Booster Club,” 26 clubs brought banners to display, and 28 clubs, organizations, and individuals brought baskets for the Raffle to support the 62nd Festival! We also had some fantastic decorations in all our dance halls, and we hope you all had a chance to see and appreciate the efforts made by our decorators.

We had computer squares in our DBD, Advanced and Challenge Halls, and the new program helped support solo dancers and couples. There were specific locations in the Main Stream and Plus Halls for those Solos that wanted to connect with a partner. Our Challenge dancers were moved back downstairs and danced in the Aspen Room. We contracted with two vendors for the festival, and they seemed to have plenty of customers. The Dance Shoes of Tennessee and Maverick Man/KAT’s Artisan Jewelry information can be found in the 62nd Festival Handbook currently listed in the Calls & Cues.

Several changes and improvements were made for this year’s festival, starting with our Opening Ceremonies on Thursday night. We presented our annual Awards, and introduced all the Callers, Cuers, Prompters, and the WASCA Board. We arranged for a performance with the Regional Onoe School of Dance Japanese dancers to perform a Classical Japanese Dance as a reminder of how the D.C. “Cherry Blossoms” got here. This was followed by a night of great dancing with a Round Dance showcase of teaches (8-9 p.m. in the Terrace Ballroom). We sold 50/50 tickets, Basket raffle tickets, beautiful potholders, and cherry blossom items all night. The Solo Program had their evening dance in Plaza A at 11:00 p.m. followed by an Ice Cream Social.

Our Friday schedule was packed with a lot of dancing, classes, workshops, and a great Sewing Seminar with Ann Wass showing everyone how to combine a variety of trims to embellish a basic square dance skirt or dress. After dinner, we introduced our 62nd Festival Committee followed by more fantastic dancing. We made arrangements for GrooveQuest to come back for another fantastic Sock Hop. The Band and our line dance prompters were working together to help everyone with the 50/60's dancing.

The Saturday schedule was filled with more dancing, which included the Square and Round Dance Invationals from noon – 2 p.m. in the Plaza Ballroom and the Terrace Ballroom. After dinner, the 63rd Festival Committee was introduced which was followed by more fantastic dancing. The baskets were raffled off early Saturday evening and managed to make \$1,574.00, and the Potholders made \$1,000.00.

We especially want the committee to know how much we appreciate all their help in supporting Ginny, Rene, and Mike through this beautiful and fantastic festival. The picture on the side shows most of our committee that supported us over the last four years!

**63rd WASCA Spring Festival
“Around the World
In The Roaring Twenties”
by Directors:
Daryl & John Davis**

Welcome to the 63rd WASCA Festival, “Around the World in the Roaring Twenties”!! We hope that you will be as excited about this festival theme as we are. Let’s get our flapper dresses, cloche hats, feathers, boas, racoon coats, boaters, spats and tuxes ready to go. We are planning to sail around the world on the great cruise liners of the late 20’s and dance in every port! We can visit Paris, Rome, Cairo, Madrid, New York, Venice, Athens and dance till we drop!

Our committee is still looking for more volunteers to decorate the dance halls, take charge of receiving and hanging the club banners, and helping with the room counts. Most importantly, we are looking for Assistant Directors who would like to lead the 2025 64th festival. When you agree to be a festival director, you can choose your theme and your committee and enjoy being in the spotlight for a year. We are hoping that someone will step up and volunteer for this position soon.

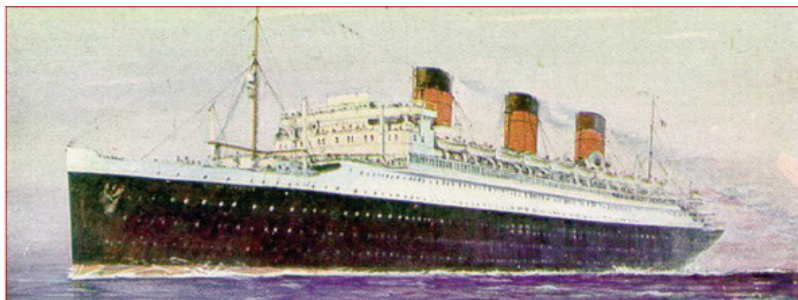

Janet Kelley is our theme dance coordi-

nator, so please contact her to schedule your theme dances. We would like to do all theme dances prior to February as the room rates are being held till the very beginning of February and then the normal rate will prevail.

We have read all the surveys that have been sent in and appreciate everyone who took the time to fill them out. We will be discussing the issue with Finn & Porter not being open regular hours during the weekend and will try to make some changes to the food buffet to make it more reasonable and easier to navigate. We will probably be switching some dance rooms around based on the number of squares also.

We sincerely hope that everyone will be able to support the festival this coming year. We are still not back up to our pre-covid numbers and we need those numbers to make sure that the festival can continue in the future.

Looking forward to seeing you on the dance floor!

Around the World in the Roaring Twenties

A Brief Overview

Although cruise ships today inspire thoughts of luxury, opulence, fine dining and glorious adventures, the great ocean liners were originally immigration vessels. Before World War I, these enormous ships depended on the thousands of passengers in Steerage ('third class') to pay expenses. The crowds jammed together below decks in the movie 'Titanic' represented typical immigrant workers and their families, heading for a new life in the U.S. (Note: Unfortunately, the two most memorable pre-WWI liners sank tragically: the Titanic in 1912, and the Lusitania, torpedoed by a German U-boat off the Irish coast in 1915.)

The ships' gigantic size proved to be an asset during the war, when the liners were used as troop ships. After the war, however, the US ended mass immigration from Europe. The shipping companies turned instead to the luxury market, touting class, style and elegance. From the 1920s to the 1960s, the floating temples of style, products of maritime engineering and elegant design, offered a fantasy world of opulence and sophistication, sweeping across the Atlantic at speeds of up to 58km per hour. Cunard used this approach with their motto 'Getting There is Half the Fun!'. (Aside: Remember Honda's 1960's sales pitch 'You Meet the Nicest People on a Honda'?!)

A 2018 exhibit at the Royal Albert Museum in London described the ships' new role:

"French, German and British shipping companies competed with one

another to create ever more stylish and opulent liners, which became symbols of national power and pride. The great French liner Normandie...was perhaps the most beautiful passenger ship ever built, with its magnificent art deco interiors and furnishings. A vast golden lacquer panel from the Normandie's first class smoking room show(s) scantily dressed young men and women playing sports...Cunard fit(ed) out the Queen Mary and the Queen Elizabeth in a style that harked back to the great days of empire. The Queen Mary's first class dining room looked like the inside of an English country house, dominated by a soaring mural depicting Merrie England...elegantly dressed women and men ma(de) the grande descente, the nightly parade down the staircase from the upper deck to the lounge. These grand staircases served as a viewing platform for women wearing the latest fashions from the design houses of Paris."

Hollywood didn't ignore the trend, as ocean liners became sets of glamour and luxury: Shall we Dance featured Fred Astaire and Ginger Rogers sailing from Paris to New York; Gentlemen Prefer Blondes pictured Marilyn Monroe and Jane Russell making the journey in the opposite direction.

Dear Fellow square dancers and the entire square dance community. We have all known at one time or another that our beloved sport is in danger – considering the average age of our dancers. And we are all doing our best to get new dancers on the floor.

I don't want to be a 'chicken little' "The sky is falling the sky is falling" but I am seriously concerned, not just for our sport but now for our festival. And I am not the only one concerned. If you read Ed Cragg's article in the March/April CNC Editor's Desk, he said "***I have some concerns about future festivals. That concern can be expressed in one word: VOLUNTEERS.***" We cannot continue this amazing festival with the few volunteers that step up, year after year after year. I don't have to name the folks that are there every year, helping you sign up, get your packets, make the hotel look amazing, make sure you get your hotel room straight, etc. Look at these folks, you see the same ones every year.

How hard would it be for you to sign up to take an hour or two at any of the spots that are staffed by volunteers. Make it your rest time. Sign up with a friend that you haven't seen since last WASCA and catch up while you help out. Seriously, what is stopping you from giving a couple of hours that weekend?

And it's not just during the festival. Have you thought about taking a leadership role for the festival? As of this writing there are **STILL** open positions. **Don't wait for someone to call you asking for help....YOU CALL THEM and offer your help. Ask what do you need? What can I do?**

Is there a better way to recruit and organize volunteers? I am open to listening to anyone with any ideas. Call me, let's talk about it. Let's do some brainstorming. Two or three or five heads are better than one.

Please, consider the future of our festival, sign up, help out. You will meet the nicest folks in the world, and you will probably make some lifelong friends in the process.

Obituaries

Joseph Walter Goglas

1947 - March 22, 2023.

As with his wife Robins, the online information of Joe's passing is almost nonexistent: "Joseph Walter Goglas, 75, of Clermont, Florida, passed away on March 22, 2023. Joseph is survived by his loving family."

At very least I would add that he will be missed by WASCA Dancers. Joe's wife, Robin died ten months previous in May 2022. I had the same problem with her obituary and ended up publishing Robin and Joe's nomination for the WASCA Dancer Appreciation Award. For those that are interested, see Robin's obituary in the July/August 2022 issue.

Please send notices of deaths in the Square / Round Dance Community to editor@wascaclubs.com

CHOREO CORNER

“ The Basic Program, Trade Family”

with Dick Otis

Happy May (and June) everyone. For this issue I'm going to discuss the Basic Program, Trade Family. This may seem trivial to many dancers, but there is a new Callerlab restriction you may not be aware of that passed in 2017.

Anytime a program has a “family” name it means there are several formations/arrangements for executing the call. In the Basic Program we have the following families:

- Promenade Family
- Right & Left Grand Family
- 1/2 Sashay Family
- Turn Back Family
- Ladies Chain Family
- Circulate Family
- Trade Family
- Ocean Wave Family

The Mainstream Program only has two families; Thar Family, Tag the Line Family. The Plus Program doesn't have any families, and the C1 Program only has one; Rotate Family

As you climb the square dance program ladder, most of the families are just the basics. I'm looking at the Trade Family mostly because Trades (and Circulates) are the foundations of many calls. If you can't Trade you can't do much of anything else. The trade family is introduced halfway through the Basic Program, specifically as you start Basic Program Part 2.

There are three sections in the Trade Family: Trade, Partner Trade and Couples Trade

(1) Trade: Two dancers may Trade only when they are facing the same or opposite directions. Additionally, each dancer must be directly to the right or left of the other, but they do not need to be adjacent. Trade, when used without designating dancers, means Everyone Trade.

Two dancers exchange places by walking forward in a semicircle, passing right shoulders if they start facing the same direction. Dancers end facing the opposite direction from their original facing directions.

From a Mini-Wave, dancers maintain their handhold.

From a Couple, dancers swing their joined hands backward slightly as they release their handhold. This gets them turning in the correct direction as they start moving forward.

Callers sometimes use helping words with this call. For example, from normal Facing Lines, "Pass Thru, Girls Trade down the line" alerts the women that they are not adjacent. Another example is "Trade by the Right" (or Left), which indicates that each pair of dancers who Trade are in a Right-Hand (or Left-Hand) Mini-Wave. In certain cases, helping words are necessary to designate pairs (e.g., from an Alamo Ring, Trade by the Right) or designate dancers (e.g., from an Inverted Line, Those Who Can Trade by the Left).

(2) Partner Trade: The Partner Trade is a specific type of the general trade described above. Partner Trade starts and ends with a couple.

It is common to use Partner Trade rather than Trade for a Couple, but both have the same effect. Using Partner Trade helps dancers anticipate passing right shoulders.

Partner Trade is improper when the dancers are not adjacent.

(In 2017, the Mainstream Committee voted to restrict Partner Trade to start from a Couple only.)

(3) Couples Trade: Couples Trade is called from Two-Faced Line, One-Faced Line, and non-adjacent Couples. For this call, each couple works as a unit, e.g. they stay together as if they were one person.

Each couple maintains their handhold. From a Two-Faced Line, center dancers also maintain their handhold.

Two Couples may Trade only when they are facing the same or opposite directions. Additionally, each Couple must be directly to the right or left of the other, but they do not need to be adjacent. If there are four Couples that are directly right or left of one another, then the dance action is completed separately by each outside Couple with the nearby inside Couple.

Advanced Program: While it's not a “family” collection, the Advanced Program has an additional trade call, Triple Trade, called from multiple positions.

From tidal waves, tidal two-faced lines, point-to-point diamonds, six-dancer ocean wave, or any 3 pairs of adjacent dancers: The two end dancers remain in place as the three adjacent pairs of dancers (the six in the center) Trade with each other.

Trades are one of the foundations of Square Dance. I hope everyone is comfortable with these calls.

Forty-seven clubs were represented at the May 7, 2023 WASCA Delegates virtual meeting. Currently there are fifty clubs that are members of WASCA. May is here and some clubs will be pausing dancing until September. Other clubs will continue through the summer. Please let us know if you are changing your summer schedule. Please see the last paragraph regarding summer club schedules. We were asked by a new dancer what we did in the summer when our club doesn't dance. We told the dancer that there's several clubs we can visit and that one of the highlights of our summer will be the National Square Dance Convention in Mobile AL. We make attending the National Square Dance Convention a road trip and plan out many places to see on the way there and back. Did you know that dancing is good for your mind and your health? Staying socially active is important as it can help prevent social isolation and loneliness which are both linked to negative health outcomes. Keep on dancing this summer.

The 2022/2023 WASCA fiscal year is fast approaching its end. The 2023/24 club membership renewals are due by the end of May. If you need a membership form go to www.wascaclubs.org and fill out the fillable PDF membership form, save it to your computer with a new name and then print it out and mail it with the \$20 dues. The information from the membership form will be used to enter the times the club dances; the location where the club dances; the caller and the cuer, and the clubs info contact in the WASCA Club Directory found in Calls 'n' Cues and on the Web. We also use the current information to get a contact email and phone number so we know how to contact someone if we or someone else needs information. The membership information and annual dues are needed to keep your insurance coverage current.

The next WASCA Delegates' Meeting will be held on September 24, 2023. Please mark your calendars now.

Is your club dancing this summer? If so, please let us know ASAP so that we can get the information in the Calls n Cues Directory and on the Web page. Please send us any email address, phone number, or postal address changes for your President (manager), Delegate, Alternate Delegate, or Information Contact. You can email them to membership@wascaclubs.com or call us at 703-573-8378 with your changes.

BIZZY BEES

Ann Brownell

The Bizzy Bees Welcomed Mac and Phyllis McCall back to the Hive for our Bunny Hop. Mac taught us a new step-Spin the Egg. We did a good job spinning it and not cracking it-though we were cracking up at the call! Many thanks to Chris Stacy for filling in while Mac was on leave. Be sure to come back and visit us, Chris!

Our Hawaiian Luau was a huge success, as the pictures show. We were ready for the Tropics. Our last dance in April will bring us April showers and then in May, we will have May Flowers! The last dance of the season will be the annual Ice Cream Social. We love to have visitors. For further information, contact Dave and Teresa Harrington at 571-306-7975.

CRABTOWN SQUARES

Margaret & CT Montgomery

After more than 40 years of enjoyable dancing, Crabtown Squares has regretfully decided that it is time to close our doors at the end of this season. The increased cost of the venue and the declining number of our club members has caused us to come to this decision after much thought and consideration.

We thank all the members of the local clubs who have continued to support us with their attendance and enabled us to continue for a while after the close down due to Covid. Also, our thanks to our club caller Dayle Hodge and club cuer Peg Kincaid who have supported us with so many hours of great calling and cueing.

Our final dance will be our May 12 Ice Cream Social (casual dress) with caller Dayle Hodge and cuer Peg Kincaid.

We look forward to seeing you again and hope that you will be able to join us one more time for fun and dancing at our usual location and time - Rolling Knolls Elementary School, 1985 Valley Road, Annapolis, MD 21401. Early rounds start at 7:30pm and 2x2 from 8:00pm to 10:00pm.

Any changes to location or time will be posted on the www.wherethedance.com and www.marylandsquaredancing.com websites.

A short history of Crabtown Squares will be included in this edition. For more information, please contact Dave and Linda Cleveland at 443-878-9013 or cleve747@gmail.com

GAD ABOUTS

Bob Lawn

The Gad Abouts have settled in to dancing at St Pauls Lutheran Church, 24 East Baltimore St. Funkstown, Md. We held our graduation on Thursday, March 25th. Five new dancers graduated. Several of our graduates attended the WASCA Festival and were able to dance in the Plus Hall. We had a very nice dance with Jeremy Butler calling on April 22. There were 7 squares.

GERRYMANDERS OF MARYLAND

Ed Cragg

The Gerrymanders are dancing whenever we can get enough dancers. With only 5-6 memers who dance regularly we rely on visitors to make a square. To be sure we have enough dancers we have been asking dancers to RSVP to ecragg@alumni.rice.edu by noon on the day of the dance (Wednesday).

Beginning in June and for the rest of the summer the Gerrymanders will dance a floor level program. With other clubs going dark for the summer, our purpose is to provide a place for recent mainstream graduates and for dancers returning after Covid to dance. In essence we will provide tips with workshop patter (as appropri-

ate) for the least experienced dancer present followed by a singing call utilizing the calls from the patter.

We dance at the North Chevy Chase Christian Church every Wednesday evening from 7:30 to 10:00. The cost is \$7.per night. Mr. Gerrymander will be glad to answer any questions or give directions if you call him at 703-920-2624.

GOOD LUCK SQUARES

Ginny Fromel

"AT THE 62nd WASCA FESTIVAL"

We had our final hurrah for the Good Luck Squares on Thursday, January 19th, but we ALL went to the WASCA Festival in March. We have participated in many different activities over the years. We have hosted WASCA Festival theme dances every year, donated a basket every year since the basket raffle started, and we usually had quite a number of members attending the festival. We had an annual Halloween Dance, Thanksgiving Dinner Dance, Christmas Sweet Celebration Dance, Pre-New Year's Eve Celebration Dance, and Birthday celebrations that will be missed..

Jim Wass started the Good Luck Squares and called on Thursday nights for 33 years. We have had dances in several locations over the years and spent the largest amount of time at Robert Frost Elementary School in

Good Luck Squares Caller – 2023 Festival

New Carrollton, MD. Several years ago, we moved our dances to the Trinity Moravian Church in New Carrollton.

The 2023 WASCA Spring Festival was our final event for the club members, and “all” of our members were there and working as committee members or volunteers, as we were “Dancing Through the Cherry Blossoms.”

bridge. Please call Ron Dean at 703-568-7651 before Noon on Saturday if you plan to attend. Sometime we do not have enough for a square and we have to cancel. Don't want you coming to an empty hall.

GREENSPRING SENIORS

Dick Otis

The Greenspring Seniors is primarily a social club which enjoys square dancing on the 1st, 3rd, 4th, (and 5th) Tuesdays from 1:30-3 pm in the Accotink Room at Green Spring. Since there is a wide range of square dance experience from brand new dancers to experience pros we alternate tips between teaching a class for brand new dancers and dancing the full mainstream program. Anyone at an experience level is welcome to join us. We have a full range of dancers from 10 to 95 years old! The club coordinator is Pat Messalle, 240-461-4059, or pmessalle1@gmail.com

LAKE OF THE WOODS

Susan Thomas

In spite of all the high winds our area experienced in recent weeks, Lake of the Woods Square Dance Club is still here. Everyone is enjoying the warmer temperature and the beautiful spring flowers. In March Lake of the Woods danced to the energetic calls of Gene Chamberlain on the second, fourth, and fifth Friday. The Club changed the dance time to begin at 7:00 and go until 9:00 to accommodate those who have to work on Saturday and those who like to be home earlier.

In March ten Lake of the Woods Club members and two students attended WASCA in Alexandria. This event helped new dancers get a better picture of the square dancing world. Everyone enjoyed the event, but came home feeling the effects of all that dancing.

*Lake of the Woods
Members and Students are having fun at the
WASCA Spring Festival 2023.*

The 2023 students have received excellent instruction from Gene Chamberlain who displayed his teaching expertise each week and moved students through Mainstream and Plus Calls. Gene generally included all the calls taught previously to help the students practice them repeatedly. At the same time, he seamlessly added new calls.

*Lake of the Woods
Square Dance Lesson Graduates
Receiving their Certificates and Badges*

Thanks go to Steve Futato and Dick Unser who held workshops to help reinforce calls for the students. Likewise, thanks are due to those club members who attended lessons as "angels". Serving as an "angel" was not only necessary to form squares for current students, but also it served as an excellent review for club members who may have been unable to dance for a while due to an assortment of reasons. In addition, the students got to know a number of the club members, and that made them more willing to attend dances.

Students were encouraged to attend the club dances, and dance the special tips that had the calls they had learned. The students celebrated their new found skills with a graduation celebration on April 14th. The students received their membership badges and danced with the Club for the remainder of the evening. Lake of the Woods Square Dance members are pleased to welcome the four students who completed the lessons to the Club. It is great to have four new friends!

Also, on April 14th the Club held their Spring Dinner Dance at the Lake of the Woods Clubhouse. The group enjoyed not only food and fellowship, but also the scenic view across the lake as they square danced in the Lake of the Woods Clubhouse Ballroom. Gene Chamberlain helped the group burn off some of the calories with his speedy delivery of calls. The Club also celebrated the 80th birthday of one of the members with birthday cake and ice cream for dessert. It was also great to have a 96 year old square dance friend join the group for the dinner and dance.

*Lake of the Woods
Celebrating a Member's 80th Birthday*

On April 28th the Club anticipates welcoming Larry Winegard as the caller. Gene Chamberlain will return on May 12th and again on June 9th. There will be no dance on May 26 because of the Memorial Day weekend. Ken Jordan is scheduled to call for the Club on June 23, 2023. Those who prefer may wear casual attire to the dances in the summer months.

We also sponsor a Plus Danceshop every Tuesday 7:00 PM – 9:00 PM at The Raymond Santmyers Youth Center. The instructor/caller is Mike McIntyre. It's

been challenging to keep the danceshop going but we're finally starting to have more people come out. We hope that the interest will continue. It's a fun Tuesday evening and a good mid-week exercise opportunity!

The History of the Crabtown Squares

The Crabtown Squares was formed as the result of a local church's weekend retreat. George Anderson called a First Nighter and several couples enjoyed this dancing so much that they wanted to continue.

The Crabtown Squares began operation in September, 1981 with a membership of approximately fifteen couples. George Anderson was the original club caller and Rick and Mitzi Busick were the first Presidents. Dances were held once a month at Germantown Elementary.

Crabtown Squares joined WASCA in 1983 and MDSDF in 1985.

In 1984 the club moved to its present location of Rolling Knolls Elementary School, just outside of Annapolis off General's Highway, and organized the first square dance class of its history. Dances were held from 8 to 10:30 on the second and fourth Friday of each month.

George Anderson retired from calling in 1989 and Steve Jacques took over. Steve was the club caller from 1989 until 2005. Any dancers who joined us during those years can tell stories of Steve's many costumes and skits designed to keep us dancing and laughing. From 2006 thru 2014, the club enjoyed a schedule of various callers from the area. Dayle Hodge became the club caller in 2015 and kept us moving and thinking with his creative calling.

Several attempts have been made to include round dancing at the club dances. Dolores and

Dick Herridge were the club cuer from 1993-95 but there were too few club round dancers to support this activity. Starting in 1998 the club had various cuers for select dances. Finally, in 2002 Crabtown Squares sponsored a round dance class led by Amy and Ken Shotting. Thanks to the Shottings with the support of Christina Eum, the club was finally able to offer round dancing at every dance. In 2006, when Amy and Ken needed to curtail their obligations due to family commitments, Peg and John Kincaid took over as the club cuer.

In 1990 the club initiated two annual special events—the Harvest Pie Dance and our Toys for Tots benefit dance. The Pie Dance was started to take advantage of a fifth Friday in the fall since the holidays limit us to only one dance in November and December. It was very successful and was even a dinner dance for a couple years. Crabtown Squares biggest success has been our benefit dance for Toys for Tots. Thanks to the generosity of the dancers and the donations by local businesses for the Restaurant Raffle, we have been able to donate thousands of dollars and hundreds of toys to the Marine Corps Reserve for their Toys for Tots.

Finally most dancers who visit us regularly would attest to our most popular tradition—the after party at “The Bees”. The club regularly headed to the nearby Applebee's with twenty or more people to continue the fun and fellowship. Now it's TGIFridays but it's still fun!

Here (paraphrased in part) is what *AARP research has found.

“...**you** can make a difference in your **brain’s health**.
...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),
NOURISH (eat well), **DISCOVER** (think), and **CONNECT**

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”

A vibrant, festive background for a party announcement. The background is dark blue with scattered white snowflake patterns. At the top, there's a string of colorful triangular bunting in yellow, blue, and red. Below the bunting are two masquerade masks: a gold one with green feathers and a purple one with a gold star. The scene is decorated with various balloons: white with purple polka dots, teal with white polka dots, blue with white polka dots, orange and white stripes, and solid yellow. A circular logo for 'MoonPie Dance Studios' is visible on the left side. The text 'FIRST-TIMERS' is written in large, bold, white capital letters, and 'Party' is written in a large, elegant, gold cursive font below it. The main body of text is in a white cursive font, and the date and time are in bold yellow capital letters at the bottom.

KEYNOTE

Dance Like Nobody's Watching

JACK PLADDYS

I am extremely honored and excited to present the Keynote Address at the 72nd NSDC in Mobile. The theme is "Dance Like Nobody's Watching". The focus of my address will be to how to remanufacture the public's perception of this activity if we are to effectively recruit. It's time to get back in the public eye. Show folks we love what we're doing. Impress the non-dancers with the talent our Callers and Leaders have. Play the music loud and proud. It's time to prosper again. Time to make the public take notice of our activity again and get them in the door. Then we'll discuss how to keep 'em there. We need to sing like we don't need the money....and....DANCE LIKE NOBODY'S WATCHING!!!
