**Thank you Thank you Thank You**

I wish to use this column to thank the Square and Round Dancing community for their understanding and actions towards me during the last few months. For those who did not get the word, I had emergency prophylactic triple bypass surgery back on 9 June. (It does something to your psyche to be told by your Cardiologist that you are just days, if not hours away from a probably fatal heart attack). Despite the surgery, I had hoped to be able to publish the July/August issue of Calls'n'Cues, the end of June, but I was just not up to it, thus the cancellation of that issue. (I appreciate the community's understanding.)

My first Thank You is to the community for all the visitors, phone calls, emails, get well cards and other well wishes which I received. The good will of the community was very satisfying. As a side note, almost every doctor I had contact with over the last couple of months ran through a script (which seemed to be required by Medicare) designed to measure how isolated, lonely and depressed I was. With the Square and Round Dancing community at my back, I had to laugh inwardly at most of the questions.

My second Thank You is to the all Calls'n'Cues contributors. They started sending in contributions beginning the first of the month rather than waiting until the end. This allowed me to begin compiling the issue early and allowed me time to exchange emails with contributors to get questions answered and in general help me make a better issue. In fact I feel this is one of the best issues I have ever published.

In conclusion I would like people to know I am recovering nicely. I am back to dancing; however I tire easily and sit out alternate tips / dances. Also I am not ready to dance "Fisherman's Luck" just yet, but I will get there.

Thanks to all again

ed

## ***From the WASCA President's Corner***

*Bob Lawn & Martha Thompson  
(WASCA Presidents 2023-2024)*

I would like to start out by thanking CT and Margaret Montgomery for all the help and leadership they have provided me over the last year to help me prepare for the position as WASCA President. I would also like to thank all the other board members and Directors for all their hard work. We have a number of NEW officers this year who will need your support. VP, Steve Cunnion, Silver Spring, Md. Secretary, Jan Frick, Manassas Park, Va. Special Events, Md. Mike & Carol McNmee, Hagerstown, Md. Special Events, Va. Fran Hernandez, Lake Frederick, Va.

As we start a new dance year, we continue to face the lingering effects of COVID. Several clubs have folded, and many others struggle to hold their dances. Square dancing's future depends on all of us finding new dancers to replace those who have fallen away for various reasons. For many of us we begin our new dance classes in the fall. It is not easy finding new dancers We also need to support our neighboring clubs as much as we can. The proven best way to get new dancers is to JUST ASK people you know.

Congratulations to the 62nd Festival Directors Rene & Mike Herman and Ginny Fromel. They did an outstanding job.

Good Luck to the 63rd Festival Directors, John and Daryl Davis. Our future success depends on this festival. If you have not already registered, please do so as soon as possible.

## **Square Angels**

As the new square dance season begins, club's thoughts turn to classes. The class is the club's lifeblood. Without new dancers, clubs die. Every club member needs to be involved in recruiting new people for the class. That being said, most of us that have been dancing for decades have run out of friends to invite to classes. Our friends are either dancers or have been invited and have expressed a clear lack of interest. That leaves the dancers that have been in the club for a few (1, 2, 3, or maybe 4) years.

A key component of classes are Square Angels. Angels are the classes' support system. These are the people that help the caller teach and entertain new dancers. Angels are also the people that recruit most new dancers and may even pick up and bring new dancers to the first few nights

### **Purposes they serve**

Angels are role models – the good and the bad. Angels are the classes' introduction to the social fabric of the club. The new dancers will do as they see you do, so give them a good view of a club member.

### **How do angels help?:**

Square up quickly. When the caller starts the music, make sure the new dancers are not sitting out. However, if new dancers (or anyone for that matter) come to the first tip after the tip has started, do not try to get them in a square. That will stop that square completely and possibly the other squares. Let the caller decide whether to stop the floor and put someone in or to let them wait until the next tip

Do the call correctly – no shortcuts, no flourishes, no twirls. When a new dancer sees you do something that they were not taught, they may think they did something wrong. Do your part of each call well. When you do the call as taught, you are embodying the role model idea and the new dancer will attempt to do the call the same way.

Touch hands after every call if possible. This not only helps the students maintain their orientation in the square, but it helps others (new dancers and club members) know where you are.

### **Angel Do's and Angel Don't**

When squaring up, try to balance the number of new dancers and club members in the square. Each class is different in numbers and each night is different in the number of angels there that night, but try to avoid a square of all club or a square of all new dancers. I often ask the club members to try to square up as sides. This helps get two couples of club and two couples of new dancers in each square. Of course, the numbers never work out exactly, but I get more of a mix than if I gave them no direction.

Do not grab hold of a dancer and move them. The dancer will have no idea what you are doing or why you're are doing it. The dancer will be startled, confused, and probably miss the next call. You may inflict physical harm on the dancer. If a square or a dancer is having problems, rather than pushing people, let the square break down. The caller will see it and address it. Feel free to talk to the caller about the specific call during the break

Minimize talking. New dancers should be listening to the caller. When the caller is on the mike, please be quiet. New dancers have to concentrate harder on what is being said and called than more experienced dancers.

Angels are not teachers. There can be only one instructor. If a dancer explains a call one way and the caller does it another way, the new dancer can be confused and not understand what is "right", even if both explanations get the dancer to the right spot. If asked about a call, try to take the new dancer to the caller.

Communicate with the caller. New dancers are often too shy to ask the caller for help. Listen to the new dancers both during the tip and during the breaks. Let the caller know about things the new dancers might need help with.

### **What can you do while dancing?:**

First and foremost, do the call correctly. Be where you belong. Having you in the right place gives the new dancer a place to be, if only for a moment. If you're not in the right place, the new dancer doesn't know why something is out of place, but will invariably blame themselves.

Hand signals (holding your hand out to them, a tap on the shoulder, signaling to turn around) can help recover from small errors.

Short quiet cues ("trade with me", "turn around", "you're on the end", "all eight") can help without drawing attention to errors.

During breaks, talk with the students. Don't lecture about square dancing. Ask if they feel comfortable. What do they do when they are not here? Get to know them.

If the topic comes up, tell them that you didn't get everything when you first learned. New dancers can be very self-conscious. Encourage them, remind them that it's a hobby and mistakes are normal, it's more important to have fun than to be perfect, it takes three weeks to learn a call, and anything else you can think of to put them at ease. Let them know you enjoyed dancing with them.

***Angels can contribute to the success of a class. Be that positive influence on the new dancers.***

### Greetings, WASCA dancers

We hope everyone had a safe and enjoyable summer and were able to participate in the various special dancing events available. With September at hand, we can now anticipate the return to outstanding dancing at our local round dance clubs.. In Maryland, the Filardos will be dancing on Tuesday evenings, the Shottings on Sunday and Wednesday evenings and the Buchanans on Thursday evenings. In Virginia, Christina Eum will continue dancing on Monday evenings, the Buchanans on Wednesdays at the Lincolnia Senior Center, the Hoppers on Tuesdays in the Charlottesville area, the Springers in the Richmond area, the Croffords in the Newport News area on Thursdays and the Ryders on Monday afternoons and Thursday evenings in the Springfield and Annandale areas. In addition, the Ryders will continue their Monday night virtual dance.

We really enjoyed seeing and dancing with all our WASCA round dance friends who were able to join us at the RDTA annual Butterfly Ball on Saturday, June 10, at the Lincolnia Senior Center. We know the dancers thoroughly enjoyed the phase II-IV dances presented by Christina Eum, Amy Shotting and Ken Ryder. RDTA plans to hold

by  
Ken & Berni Ryder

their annual Autumn Leaves Ball on the second Sunday in October -- October 8 -- at the Occoquan Elementary School -12915 Occoquan Rd, Woodbridge VA. Once our flyer is completed, we'll distribute it electronically through the WASCA dancers portal,

As we resume dancing with our various clubs this fall, there are also opportunities for dancers to consider taking some round dance lessons to learn a new rhythm, a different activity, or "brush up" on some rhythms you're still not fully comfortable dancing. The Shottings are offering basic classes in Maryland on Mondays in Catonsville and Thursdays in Eldersburg. The Hoppers are offering classes in the Charlottesville area on Tuesdays and Thursdays. The Ryders are offering an intermediate workshop and a basic class on Sundays in Annandale VA. See the information available on current Round Dance classes in the section on Dance Classes later in this Calls 'N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach a new rhythm.

We look forward to seeing and dancing with all our WASCA round dancers as they enjoying the return to round dancing this fall.

**63rd WASCA Spring Festival  
“Around the World  
In The Roaring Twenties”  
by Directors:  
Daryl & John Davis**

*This summer certainly sped by me!! We had a great time dancing in many different places. We started in June attending the National Square Dance Convention in Mobile, AL. The venue was nice, right on the water. A bit humid, but since we are from the DC area – nothing new to us!! We got home from Mobile for a week and loaded up the car to drive to Winston-Salem, NC for the ICBDA convention. We enjoyed the dancing and the teaches and the local restaurants in the city. We arrived home and three days later went to the Star- Spangled Banner festival in Hunt Valley, MD. This festival is so perfect in timing for new dancers who just graduated – when we first leaned to square dance, it was our first festival - -love it! We came home from that and a week later had to fly to Orlando, FL for our quadrennial North American church denominational conference. That was a week and then we came home. I was glad to be home!! Fortunately, I retired just prior to all this traveling, so I had time to get us unpacked and put back together at home each time. John had to go back to work each time!*

*This summer we danced at Panhandlers and Gad-Abouts, two clubs that dance all summer. Now that the summer is ending, our eyes are on autumn, the start of our full dance season. We are turning our focus to the 2024 WASCA Festival, “Around the World in the Roaring Twenties”! We hope that you are as excited as we are about the*

*theme and building up our festival again. We have a wonderful committee but could use more help with putting up decorations (we have already purchased a lot!), organizing the room counts, volunteers for registration and promotional sales, advertising, and MOST IMPORTANTLY – ASSISTANT DIRECTORS!!! We really want the festival to continue into 2025 and believe that you do also, however we will need a couple, or two singles who will volunteer to lead the 2025 festival. If we cannot get anyone, there may not be a festival. Everyone in our local area that attends and enjoys the festival needs to consider helping in some way and possibly leading the charge! You can choose a theme that would be approved by the board and choose your committee. We would ask that each of you consider this opportunity.*

*Right now, our focus is on registrations. We are only at 50% of our usual registrations by this time and need to see the numbers increase quickly so we know how our budget will work out. As you know, we have needed to switch to wood flooring in the last years because the composite is no longer available. This has increased the flooring costs by 3 times! We will be spending about \$22,000.00 on flooring alone. In addition, the hotel is asking for a higher commitment for food sales for the Grab n Go lunch and buffet dinner. We are in negotiations to try to lower that number and especially the price of the*

*lunch food. I will be honest on this, hotels all over the country are doing this to the groups that use them. At our church conference in Orlando, a small bag of chips was \$9, and parking was \$28 per day! It is obvious that post covid hotel prices are centering on food and parking to bring in revenue. We have visited every hotel in the area that is a reasonable distance from an airport and has enough rooms and ballrooms for our group and the issues are the same. We have also spoken to the National Executive Committee for the National Square dance convention and the ICBDA people and they are facing the same issues we are. If we can get our numbers back to 900-1000 dancers, we can*

*cover expenses. We have reduced other expenses by using an online program book and putting the flyer online.*

*We hope that with understanding the issues we face; our dancers will fully support the festival by registering and staying at the Hilton.*

*We look forward to attending as many theme dances as possible and hope that all clubs will consider having one. Janet Kelley is scheduling them for us, so please let her know if you would like to schedule one.*

*We will keep you all up to date on all the festival information via our WASCA website. [www.wascaclubs.org](http://www.wascaclubs.org).*

*See you on the dance floor!*

## **63 rd WASCA Festival – “Around the World in the Roaring 20’s” Plan for Your Club to Host a Theme Dance**

Returning from summer break, and planning for the new dance year? Why not schedule a WASCA Theme Dance for your club? This offers the opportunity for our Festival Directors, Daryl & John Davis, and/or members of their committee aswell other WASCA Board members to visit your club. It’s a “Win-Win” opportunity: the festival is promoted, and your club collects Guest Door Fees from WASCA attendees at your dance! Highlights will be shared of the plans for the 63rd Festival, to be held March 14, 15 & 16, 2024 at the Hilton Alexandria Mark Center. ### ***A (Floating) Home Away from Home***

*During the Gilded Age, East coast financial wizards, Midwest magnates and California tycoons sought the 'Grand Tour' experience, and required elaborate accommodations for the week-long Atlantic crossing. The great ocean liners provided opulence and luxury, enabling the first-class travelers to forget they were at sea. The White Star Line, the French Line, the Hamburg-American Line and the Cunard Line competed to provide the upscale lifestyle of the grand hotels where these wealthy Americans stayed while touring Europe.*

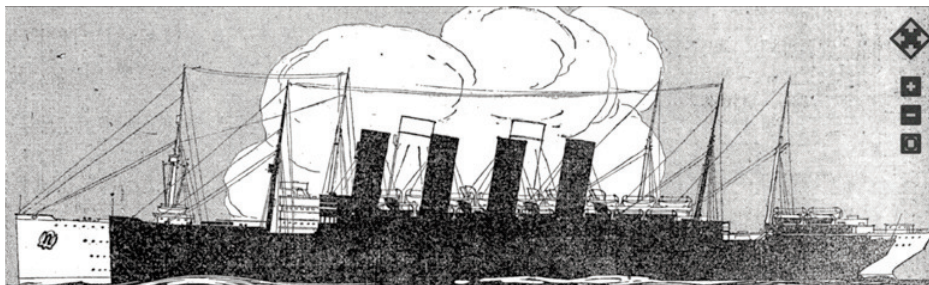

*A 1909 New York Times article raved about the largest ships built to date, the Olympic and the Titanic, which were only slightly larger than the Lusitania and Mauretania: 'the steamers are not only designed to be the last word as regards their size, but in their novelty of equipment as well.' The ships featured a large entrance hall, elaborate dining room, smoking room, library, women's parlor, grill and lounging rooms, all designed in the latest fashion.*

*The vessels offered not only suites, but complete flats, so that travelers could imagine themselves at home. The flats included bedrooms, parlors with dining areas for room service, private library and en suite bathrooms. A variety of 'special' bathrooms was*

*also available: a Turkish bath decorated in the Oriental (sic) style, needle and electric baths, all with attendants.*

*Other attractions were a swimming pool large enough to permit diving, a gymnasium (the 'most completely equipped afloat'), five or more informal dining rooms (with the 'utmost variety in the form and decoration', as well as 'considerable variety of cooking'), and a very elaborately furnished and decorated main dining room seating 600. The article assured readers that the rooms 'compare favorably with the best establishments on land'.*

*The ships' most novel innovations were moving staircases between the docks and the ships' sides for transferring trunks and other freight, an interior 'veranda café' and a grill room. The café was located on an upper deck and aft, overlooking the water from fifty feet high, mimicking the open-air cafes of Southern Europe. Patrons sat at small tables with movable chairs, under exposed rafters covered with twining vines. Walls were latticed, reminiscent of seaside cafes. The grill room was decorated like an English chop-house, with oak stalls and low, broad tables. The grill was placed at one end, and, unusually for the time, open 24/7, so that a guest could order a steak at any hour, and watch as it cooked.*

Dear Fellow square dancers and the entire square dance community. We have all known at one time or another that our beloved sport is in danger – considering the average age of our dancers. And we are all doing our best to get new dancers on the floor.

I don't want to be a 'chicken little' "The sky is falling the sky is falling" but I am seriously concerned, not just for our sport but now for our festival. And I am not the only one concerned. If you read Ed Cragg's article in the March/April CNC Editor's Desk, he said "***I have some concerns about future festivals. That concern can be expressed in one word: VOLUNTEERS.***" We cannot continue this amazing festival with the few volunteers that step up, year after year after year. I don't have to name the folks that are there every year, helping you sign up, get your packets, make the hotel look amazing, make sure you get your hotel room straight, etc. Look at these folks, you see the same ones every year.

How hard would it be for you to sign up to take an hour or two at any of the spots that are staffed by volunteers. Make it your rest time. Sign up with a friend that you haven't seen since last WASCA and catch up while you help out. Seriously, what is stopping you from giving a couple of hours that weekend?

And it's not just during the festival. Have you thought about taking a leadership role for the festival? As of this writing there are **STILL** open positions. **Don't wait for someone to call you asking for help....YOU CALL THEM and offer your help. Ask what do you need? What can I do?**

Is there a better way to recruit and organize volunteers? I am open to listening to anyone with any ideas. Call me, let's talk about it. Let's do some brainstorming. Two or three or five heads are better than one.

Please, consider the future of our festival, sign up, help out. You will meet the nicest folks in the world, and you will probably make some lifelong friends in the process.

our 50/50 drawings during the weekend. And the Johns Hopkins Children's Oncology drawing for \$300, \$200, & \$100 that happens Saturday night.

Other dancing highlights include the Grad Ball for all new dancers (and angels), dancing in the pool, solo activities and the round dance showcase.

We're planning another great weekend of dancing – and of course it includes YOU! So don't forget to get your Dance Registration post-marked by next Thursday, August 31 to get your \$10 discount. For your Hotel Reservations, please wait until October 1, 2023 to call for your room. And watch our website for any changes or info that will be important to know... ## John Henry Frick

November 14, 1942 — June 10, 2023

Dr. John Henry Frick, 80, -- husband, father, grandfather, friend, colleague -- passed away at home surrounded by his family on June 10, 2023. He fought pancreatic cancer valiantly for over 4 years.

John was born on a family farm in Quay, Oklahoma on November 14, 1942. He grew up picking cotton, milking cows, hauling hay, and performing the myriad other chores involved with farming. He graduated from Quay High School in 1960 and began attending the 2-year Connors State College in Warner, OK that fall. In the fall of 1962, John transferred to Northeastern State University in Tahlequah, OK. It was here, during the spring semester, that he met the love of his life, Wanda Fleetwood. They were married in December 1963 in an unusual pre-Christmas Oklahoma snowstorm.

After earning his bachelor's degree in science education in 1964, John spent 4 years teaching biology. In 1968, he received a grant from the National Science Foundation to study for his master's degree at Oklahoma State University (OSU) in Stillwater, OK. He earned his Doctorate Degree in Entomology in 1973 and accepted a one-year position at OSU teaching invertebrate zoology.

In 1974, John moved his family across the country to Maryland after accepting a position at the Army Environmental Hygiene Agency with Edgewood Arsenal at Aberdeen Proving Ground, MD. John accepted a position at the Defense Logistics Agency (DLA) in Cameron Station, VA. In 1984, John and 2 colleagues created the nonprofit Institute of Hazardous Materials Management (IHMM), i

John especially enjoyed square and round dancing, serving as Vice President and President of the Belair Square Cats, a Bowie square dance club. John attended all national square dance conventions from 2000 to 2018 and used these trips as opportunities to explore the country. John brought his artistic and woodworking talents to his square dance community, directing a group who designed and constructed decorations for square dance festivals in the area, WASCA, and MDSDF. These decorations were large and elaborate, designed for large dance halls, and constructed in John's basement.

John was predeceased by his parents Ernest and Clara (Going) Frick and his brother Ray Frick. He is survived by his wife of 59 years, Wanda (Fleetwood) Frick; his two sons Kevin (Lisa) Frick of Naples, FL and granddaughters, Amber and Holly; and Kyle (Debbie) Frick of Havre de Grace, MD and granddaughters, Sarah and Allie. He is also survived by his sister Allene Brewer of Bartlesville, OK, a niece, Suzanne and 3 nephews, Greg, Sonny, and Dan..

In lieu of flowers, donations may be made in John's memory to The Chesapeake Bay Foundation via their website, [www.cbf.org](http://www.cbf.org) or by mail to Chesapeake Bay Foundation, Attn: Membership Dept., 6 Herndon Ave., Annapolis, MD 21403, or the charity of your choice..

## ***YOU HAVE NEVER THOUGHT ABOUT THIS***

*By Ed Foote*

What job requires more decisions to be made in a shorter period of time than any other job in the world? Answer: Square Dance Caller.

When people first hear this, they think it is a joke. But then they realize it is not joke -- it is true.

A caller must make 8-10 decisions every 2-3 seconds. These include:

- (1) knowing how long it will take the dancers to do a call, so as to know when to give the next call;
- (2) knowing what formation the named call will give;
- (3) knowing if this call will flow smoothly after the preceding call.
- (4) Knowing what the next call should be from a variety of options;
- (5) knowing if that next call will flow smoothly from the preceding call;
- (6) deciding the correct timing for this particular call, based on whether the floor is weak, average, or strong.
- (7) Knowing if the next call is "on the list" for the advertised program for the dance;
- (8) giving the calls on the beat with the music;
- (9) knowing who the partners and corners are in multiple squares;
- (10) knowing how to resolve to a Left Allemande and remembering which resolves have been used before so as to avoid repetition;
- (11) knowing where "Home" is if the caller wishes to use an "At Home" resolve.

Remember, all of the above is not happening two or three times a tip. This is all happening every 2-3 seconds in every tip.

Having read the above, you are now trying to think of other jobs that require multiple decisions this fast. Let me help you.

What about a fighter pilot in a dogfight with another plane? Yes, we concede that a large number of decisions are made here in a short period of time. But a dogfight is over fairly quickly. It may last a minute or two, but that's it. A caller is doing this rapid-fire thinking tip after tip for the entire dance.

What about a surgeon in a complicated operation? The decisions are crucial, but they tend to be mapped out ahead of time, with a pause between each decision for implementation. In an emergency, there may be one minute of numerous decisions, but then there is a wait to see what happens.

I have presented this idea to many people, and so far no one has identified a job requiring the number of decisions a caller has to make in such a short period of time. If you can identify such a job, let me know.

Note: I am not saying that square dance calling is the most important job in the world. On the contrary, I can name hundreds of jobs that are more important for the advancement of humanity than that of square dance calling. All I am discussing here is the number of decisions in a short space of time.

A final thought. A number of years ago a psychologist was treating a caller for mental stress and drug addiction (no, it wasn't me). He told the caller that the human brain is not designed to make the number of decisions in such a short period of time that a caller is required to make.

Remember this the next time your caller misses the corner.

Fall is around the corner and many clubs are starting their dancing season.

There are currently 46 clubs that are WASCA club members. Some clubs have changed their venues, the days they dance and the times they dance. If you plan to dance at a club, please contact their information number before you go to make sure they are dancing and their location.

We attended the 2023 National Square Dance Convention in Mobile, Alabama. Attendance was 2,242. The theme for the 2023 Convention was Party Gras. There were many fun activities and events but a really neat one was to have a New Orleans type jazz band lead the Parade of States. The band really made it fun. Virginia and Maryland were represented in the Parade of States. If you have never gone to a National Convention, plan to attend in June 2024 in Milwaukee, WI.

The first Delegate's meeting for 2023/24 is on September 24, 2023. This will be a virtual meeting starting at 3. pm. The September meeting is an important one for Delegates to attend. Information will be presented on the upcoming WASCA'S 2024 "Around the World in the Roaring Twenties" 63rd Spring Festival.

If you need a copy of the insurance certificate for your venue, please contact:

For a club to remain in good standing, each club must be represented at a minimum of one meeting per fiscal year. Since the WASCA Delegate Meetings are held virtually, a representative from every member club should attend. The fiscal year is June through May. There are three meetings per fiscal year. The September, January and May meetings will be held via Google Meets. A delegate may represent more than one club but can only cast one vote.

For insurance to remain valid and to assure delegate meetings' agendas & minutes go to the correct place we need the correct contact information. Therefore, if your club's President or Manager, Delegate or Alternate Delegate's name or their contact information changes during the year, please send us the new name with the address, phone number and email address. Also send us any changes in your dance schedule or venue changes.

You can email changes to membership@wascaclubs.com or call us at 703-573-8378 with your changes.

## AQUA SQUARES

*Paula Ropshaw*

Hello fellow square dancers from beautiful southern Maryland. It's been a blistering hot and dry summer here in southern Maryland.

Pete and I were honored to have our annual club picnic/meeting at our house this year. The weather was beautiful. And as usual we had enough food to feed the entire county. The kids, and the people who thought they were still kids, played volleyball. Us older folks played corn hole. The wind was too robust to get the kayaks on the water, so we were all grounded.

Our officers agreed to stay their post another year – thanks to all of them. Cindy Keller orchestrated a dangle dance. We now have a 'Selfie' dangle and a "Paparazzi" dangle. I'm sure you can guess what they were all about.

We had a long discussion about classes in the fall. Since we lose a lot of people during the fall/winter holidays we have decided to hold off on starting a new class until January. Our present class will be good strong dancers by then and can be a big help 'angel' the newest dancers.

We also had discussions on how to grow our club, places to advertise and things to get them in the door and keep them coming back. We are blessed with two wonderful callers, Bill Harrison and Gary Felton. They make dancing fun for everyone and they are excellent teachers.

We have also decided to try something new. We are going to have 'SECOND FRIDAYS'. We couldn't do First Fridays because that's a big thing in southern Maryland and we would be competing with lots of community activities. So we are going to have open house every second Friday in September, October, December and January. Hoping it will give us enough people loving square dancing to start a class in January. Wish us luck. Now we need to plan an advertising campaign.

Feel free to stop by any Friday night and experience our famous southern Maryland hospitality. We dance every Friday night from 7-9:30 at the Southern Community Center in Lusby, Maryland. See you on the dance floor. Check our website [www.aquasquare-dancers.org](http://www.aquasquare-dancers.org) or Call Paula at 301-872-4547 or Bernie and Mary at 301-863-8054

What is Round dancing (also known as Choreographed Ballroom dancing)? It's ballroom dancing without the stress. I think of it at "team" dancing, just you and your partner working together, having fun, and not keeping score. Great music, great exercise, and a great time to share with your partner and your friends. We cha cha, rumba, waltz, foxtrot, jive, west coast swing, bolero, two step; just to name a few!!! :-)

We really want you to give it a try!!! This is the year!!! And we have 2 open nights, just for you. Both free!! Bring all your family, friends, and neighbors!!! Even if you tried it before, try again, it's 2023!!! This is your year!!!! :-) See attached flyer. Hope to see you aRound, :-). For any questions, please email Ken and Amy at [KAShotting@aol.com](mailto:KAShotting@aol.com)

June 3 the Promenaders' Social Committee held a successful and fun Talent Show in Beverly Magyar's garage. There were 21 attendees and 16 performers including: Sarah Stamper, Beverly Magyar, Mary & Mike Flessner, Randy Liebowitz, Jan & Alex Dommerich, Suzanne Law, Margie & Don Barber, Bonnie Pollack, Derek Haber, Kevin Sullivan, Andrea Smith, Andrew Provo, and Dan Grimes.

McIntyre's calling and cueing and guest callers: Terry Headlee (May 19 and June 16), Art LaVigne (June 4), Virgil Forbes (July 2), Cameron Harnish (August 6) and Ett McAtee (August 18). Their six Wednesday night summer dance workshops provided a good review of calls by Dan Grimes.

Now they are looking forward to their September dances. Mike McIntyre will be calling and cueing for the "Club Colors: Black, Gold, and White Dance" on Sunday, September 10 from 3:00-5:15 PM. Doren McBroom will be calling on Friday, September 22 for the "Fall Frolic Dance" from 7:30-9:45 PM. Both dances will be held at the Mt. Pleasant Ruritan Club, 8101 Crum Road, Walkersville, MD. ## LAKE OF THE WOODS

*Susan Thomas*

Spring and summer provide warmer weather and increased hours of day light. This finds many enjoying beaches, mountain resorts, and other vacation venues. Some of the members at Lake of the Woods found special square dancing opportunities. On May 5th and 6th Steve and Linda Futato, Steve Josephson, and Misty Sorensen danced the hours away at the Ohio State Convention in Columbus, Ohio. Steve Futato, Linda and Misty hit the road again in June to go to Mobile, Alabama for the 72nd National Square Dance Convention held from June 21st to 24th.

On May 12th, the Club enjoyed dancing in three squares to the calls of Gene Chamberlain. Club members also enjoyed lots of good food supplied by several club members at this and other dances as well.

May 20th found one square of dancers providing entertainment in Lignum, Virginia at Hopewell United Methodist Church's fund raising event. This event raised over \$3,000.00 to benefit Ukraine. Charlie Shoemaker was the caller for this activity.

On June 9th, the Club not only enjoyed dancing to the calls of Gene Chamberlain, but also held a brief business meeting to elect officers for the coming year. The officers are: President Dick Unser, Vice President

Ed White, Secretaries Susan Thomas and Annette Ferguson, Treasurers Bob Tuttle and Steve Futato.

Charlie Shoemaker provided the calls for the June 23rd dance. Gene Chamberlain kept everyone on their toes on July 14th, August 11th and 25th. Bob Clinebell was the caller in the spotlight on July 28th.

The Club committed to providing entertainment for Family Fun Day at Generation Central Day Care Center, an adult daycare center which is located in Culpeper Baptist Church. Charlie Shoemaker was the caller who gave direction to the dancers with his square dance calling.

Steve and Linda Futato chaired an effort to draw attention to square dancing and the Club by carrying the club banner in the Lake of the Woods Independence Day Parade. The hope was that this exposure along with articles in "The Lake Currents" and in the local papers, would generate interest in square dance lessons which the Club expects to hold again in September.

The August 25th dance and the September 8th dance will be free to individuals who would like to check out square dancing. There will be several special tips at each of these free events to give the participants an introductory taste of what it is like to square dance. Of course, they will also see club members dancing tips that will involve mainstream and plus calls. The hope is to interest such individuals in square dance lessons in the fall. The lessons are scheduled to begin on September 19. All lessons are on Tuesday nights. Gene Chamberlain will be the instructor. Members are spreading the word to their friends.

For more info or directions, visit our website at <https://sites.google.com/view/lowsquaredanceclub/home> or text/call Dick Unser at 703-298-6254.

### **Need a valid health-related reason to try square dancing?**

Here (paraphrased in part) is what \*AARP research has found.

“...**you** can make a difference in your **brain’s health**.  
...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),  
**NOURISH** (eat well), **DISCOVER** (think), and **CONNECT**  
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”
