Who Writes Calls 'n' Cues?

This issue of Calls 'n' Cues has 151 pages. A few of those pages are standard from issue to issue. About half of the pages are flyers prepared by clubs and other organizations advertising conventions, festivals, dances and organizations. Another quarter consists of various standard columns by WASCA and other dance leaders. The final quarter contains the writing I wish to talk about in this column. These are the "Club News" and "Calendar of Events" sections.

To answer my question above, these sections are written by various dancers in the WASCA community. Ideally every club should designate a club reporter who prepares paragraphs which describe club events during the last two months and projects events for the next two months. These paragraphs will be included in the "Club News" section.

Next are pictures of club members and activities which are included when provided. The can be submitted along with the club paragraphs. At this time, only a few clubs provide multiple pictures with their paragraphs. Several more provide a single picture, but the majority of clubs don't provide any pictures

In addition to pictures with club articles, If provided, I would use multiple pictures from special dances in "Picture Time" While I plan to attend special dances such as Toys for Tots to take pictures, but I can't be everywhere. I will not be able to attend either the Harvest Festival Hoedown or the Harvest Moon Classic. If someone will take pictures of those two festivals, I will include full pages of pictures in the next issue. Another example are the several New Year's Eve Dances. It is physically impossible for me to take pictures of more than one. Would someone please take pictures of them for publication?

Thus you dancers can in fact become the writers (and photographers) of Calls 'n' Cues. Please help me

(WASCA Presidents 2023-2024)*

It is hard to believe, but this edition of Calls N Cues will take us into a new year, 2024.

Christmas and New Years dances are showing up on our schedules, and WASCA 2024 is not that far behind. It is even more important than ever that we get our festival and hotel registrations NOW. With all the increases in prices from the Hilton etc the festival will cost us about \$60,000 in 2024 and significantly more in 2025. At least 800 dancers are needed to break even. We had about 700 in 2023.

Many of you have heard that we are having serious difficulties with our contract with the Hilton for 2025. The Board voted at our October meeting not to accept their contract proposal, which means the 2025 WASCA Festival if there is one will not be at the Hilton.

The Board will be forming a search committee to look for a location for the 2025 Festival. If you are interested in helping or have ideas for a suitable location, please let the WASCA president know. We are also still looking for a Festival Director for 2025. The Board is open to moving out of Washington DC and its immediate area and to reformatting the entire weekend as necessary to fit into a new location. President@WASCA-clubs.com

Due to a number of Board members being away on February 11th, the February Board and Delegates meeting has been moved to February 25th.

WASCA meeting dates for Board and Delegates. 2023/2024 (Revised 10/2023)

November 12th, Board at 3.

December 3rd, Executive committee at Toys for Tots if needed.

January 7th, Board at 3

February 25th, Board at 1, Delegates at 3.

March 10th, Board at 3.

April, No meeting.

May 5th, Board at 1, Delegates at 3.

Now on a more upbeat note from an article in Science of the Mind, by Molly Kate Brown.

"We've been dancing since we've been on the planet. Dance helps us celebrate, feel and love. Dancing is the full-body expression of the vital life force that moves through us. Dancing evokes joy, It improves memory, cognition, attention, visuospatial processing, strength and balance by changing the brain."

Mike Hogan* on Marketing

Reprinted with permission from American Square Dance Magazine

I've spent some time over the past few months asking two questions of co-workers and acquaintances who know very little about square dancing: if you and your partner decided you want to take square dance lessons, how many classes would you expect to take before you could go to square dance, and how much would you expect to pay for each lesson? When I can, and only after I have their answers, I describe what taking square dance lessons entails. All were surprised at how long it takes, and how little it costs. We are used to how we do it, so maybe their answers will shock you. Of the 23 individuals I've asked, the average number of classes they expect to take before they can attend and participate was 6.6. The most common answer was 5. The lowest number was 4 and the highest number was 12. I'll save what they think it would cost per lesson for a later article but suffice it to say they expect to pay substantially more than we are charging. There was an interesting trend as well: the older the respondent, the longer they were willing to stay in class, but the less they would pay. One of those follow up discussions was with 28-year-old woman named Hailey. I learned several things from her. The number one benefit she was looking for was to have fun. She would never commit to 20 weeks of lessons. She does not want to join a club whose average member is 40 years her elder. She expected class

to be held in a church, dance studio, or gym. She would not take class at a senior center. She would not be surprised or offended that at some point in the evening there was a dance tailored for dancers who could do more than she could. Finally, if she enjoyed it enough to stay in the hobby, she would want to learn even more. Our lesson product is 20 to 50 weeks of class before the student can participate in a dance, often given in senior centers and basements, by 70-year-old callers, and clubs whose average member age is 70+. Hailey won't be taking lessons. The fix is the creation and support of an entry program built around what the beginner wants and expects, not what serves our club best, or our personal dance preferences best! Before we turn our world upside down, perhaps now is the time for CALLERLAB, or The ARTS, or The USDA to fund professional research to determine what the beginner actually wants and expects. A sample size of 23 is too small to validate its accuracy. Such research would tell us, by demographic, how long they would stay in lessons before expecting to go to dances, how much they think it costs, if they would care if there was a Mainstream or Plus tip held during the dances programmed for them, if they would naturally seek out more material, if they expect to dance in a basement or a palace, and so on. Every one of us has an opinion on these topics. It's likely that none of us are 100% accurate! Until more in-depth research is available, I'm going to draw only three conclusions from my research which are: ! Beginners want to have

* Mike Hogan is a caller from the Omaha, NE area. He is well known for his ability to entertain and call a fun dance. He records on the Blue Star label. He has done numerous presentations around the country on marketing square dancing. He has written a marketing manual that can be used by callers and dancers to promote the activity. He also works in marketing for a company known as "I Heart Radio".

fun ! Beginners expect to be able to attend regular dances after six weeks of class ! Beginners are resistant to committing to 20 weeks or more of class. Currently, the two shortest to teach programs recognized by CALLERLAB are the Basic program and

the Social Square Dance program (SSD). Both are estimated to take 12 weeks to teach. Can we use one of these programs for beginners? Do we need to create an even shorter program? Either way, how would that effect my Mainstream or Plus club?

NCASDLA 4th Annual Caller Workshop

Featuring Ken Ritucci

Greetings, WASCA dancers

Yes, autumn finally appears imminent. It looks like we may enjoy an extended "Indian summer" with temperatures again above normal before all the leaves turn, the weather consistently cools, and clocks are turned back to eliminate daylight savings time. We really enjoyed seeing and dancing with all who were able to attend the RDTA Autumn Leave Ball, held on Sunday October 8 at the Occoquan Elementary School. Everyone enjoyed dancing with many of their favorite RDTA cuers -- Barbara & Tom Buchanan, Christina Eum, Dom & Joan Filardo, Eileen & Chip Harper, and Berni and Ken Ryder. Dancers also thoroughly enjoyed the awesome array of special goodies and munchies that were provided whenever they chose to take a break.

We all are now looking forward to a wonderful upcoming Holiday Season. A very special event in the WASCA area is the Annual Toys for Tots Square and Round Dance, sponsored by NCASDLA and the USMC Reserve. This year's 48th annual dance will be on Sunday, December 3 at the Herndon Senior from 1-5PM, Come on down, bring a toy to support the USMC drive to support local kids and enjoy some fun "seasonal" round and square dancing all afternoon. Butch and Roberta Bloxom, Christina Eum, and Berni and Ken Ryder will be cueing all your favorite seasonal round dances, while callers Gary Felton, Virgil

RDTA President's Message

by
Ken & Berni Ryder

Forbes, Mac McCall, Mike McIntyre, Dick Otis, Chris Stacey, and Jim Wass will be calling fun mainstream and plus squares. Check the flyer later in this issue for more details.

In addition, don't overlook the opportunities for dancers to take some round dance lessons to learn a new rhythm, a different activity, or "brush up" on some rhythms you're still not fully comfortable dancing. The Shottings are offering basic classes in Maryland on Mondays in Catonsville and Thursdays in Eldersburg. The Hoppers are offering classes in the Charlottesville area on Tuesdays and Thursdays. The Ryders are offering an intermediate workshop and a basic class on Sundays in Annandale VA. See the information available on current Round Dance classes in the section on Dance Classes later in this Calls 'N Cues Issue and then check with one of the leaders holding a class convenient for you to see when they will be starting to teach a new rhythm.

We wish everyone a happy Holiday Season and hope to help celebrate this season by seeing and dancing with all our WASCA round dancer friends at the various local clubs and their special Holiday dances. What a wonderful way to enjoy this urgently needed glorious Holiday season..

Stay safe and well and we'll see you all on the dance floor.

“Around the World
In The Roaring Twenties”
by Directors:
Daryl & John Davis**

The holiday season is almost here with many wonderful events and dances to attend! Once the holidays are over, it seems that the WASCA spring festival is right on its heels. We still have theme dances to attend, polo shirts and tote bags to sell and ads to place in the program book. Our committee is busily preparing everything for a fabulous festival, and we encourage you not to miss a minute. If you have never attended the Thursday night opening ceremonies, please come. We have a different opening that you won't want to miss! Friday night we will be visiting the silent movie era with a melodrama that will be awesome!!

Bobbi and Jeff Fuhr are looking for your creative basket ideas and John and I are accepting your advertisements, thank you announcements and congratulation announcements for the program book. Don't miss out on purchasing one of our great looking 63rd festival polo shirts. They are only \$20 and help offset our costs. We have a very limited supply at this time, however, if we get orders for 48 more shirts, we will place an additional order with our supplier. Our tote bags are \$10 and have our logo.

Remember that our housing reservations must be in by February 7th, so don't delay, make those reservations now with Ken Jester – FestivalHousing@WASCAclubs.com.

We appreciate all the clubs who are so graciously hosting theme dances for us and

for all the committee members and WASCA Board members who attend these dances. We have four theme dances scheduled for November, Tom Thumbs on Friday the 3rd, Frederick Co. Promenaders on Friday, November 17, Village Swingers on Saturday the 18th and Bizzy Bees on Tuesday the 28th. Although we do not have any theme dances scheduled for December, don't forget the fabulous Friendship Squares Christmas dinner dance on Saturday December 2nd at the Severna Park Elks Club and the 48th Toys for Tots benefit dance on Sunday December 3rd at the Herndon Senior Center.

We are still looking for a couple who would like to be Assistant Directors and run the 2025 festival. Remember, if you enjoy WASCA, please support us with your time and talents, we cannot do this without the dancers volunteering to help. If you would like to get involved with the festival on a closer level, please talk to us or any member of the WASCA Board. If you can volunteer for us while you are attending the festival and help with registration, advanced registration, baskets, 50/50 or promotional sales, please contact Paula Ropshaw.

Around the World in the Roaring Twenties

Luxury on the High Seas

As new American millionaires sought to elevate their social status, accommodations aboard luxury liners fed their obsession with European standards. The Americans wanted more than being rich, they wanted to be equal to the older aristocracies. As a result, steamship lines like White Star, Cunard and The French Line competed for speed, size and opulence. Maritime historian William Roka of the South Street Seaport Museum provides the reason: "If you're a wealthy steel magnate from the Midwest, and you're going on a grand tour of Europe, you're likely boarding a ship out of New York. The ocean liners helped to create a continuous world of luxury to bridge the gap between the hotels one would stay at in U.S. and [in] Europe." Turn-of-the-century art critic Barnard Berenson coined the term "Ritzonia" to describe the rarified atmosphere on board these floating palaces.

Much of the sumptuous interior décor came from European hotel designers. Hotel Ritz (Paris, London) designer Charles-FredERIC Mewes was involved in the design of Hamburg American Line S. S. Imperator (1912) and her sister, S. S. Vaterland. Mewes's partner, Arthur Davis, designed Cunard's R.M.S. Aquitania in 1914. Other sister ships, R.M.S. Titanic and R.M.S. Olympic, had cabins whose planning involved copying, and even improving on, the luxuries of the most up-to-date continental hotels. As architects diverted the main funnel vents to the sides of the ships, the center opened up for incredibly grand spaces like ballrooms.

The French liner Normandie is conceded to be the most beautiful passenger ship ever built, with art deco interiors and furnishings. A huge golden lacquer panel from the first-class smoking room shows young men and women playing sports.

Cunard's designers used the Queen Mary and the Queen Elizabeth as reminders of the great days of empire. The former's dining room for first class passengers mimicked an English country house, featuring a soaring mural depicting Merrie England.

Shipping lines also sought to recreate culinary extravagance as well; Hamburg American line hired Cezar Ritz to manage restaurants on their ships. The food was billed over and above the ticket price so wealthy passengers could show off their indulgence. German ships also created a la carte restaurants, unheard of in American, but typically European.

Italy's Rex and Conte de Savoia boasted the first outdoor pools; the 'Lido' decks were spread with sand and stiped umbrellas provide an onboard Riviera.

For around-the-world cruises, Canadian lines provided first class passengers with detailed brochures for each stop, with photos, descriptions and cultural hints.

No expense, no imagination was spared in providing wealthy passengers the most elegant and glorious experience on the legendary liners of the early 1900s.

THE BOOSTER CLUB

Hello Fellow square dancers. I went to Wikipedia to get a definition of a BOOSTER. There were too many definitions to pick just one. So I'm going to use the definition that goes with this picture. BOOSTER CABLES.

Booster cables give a vehicle a jump start when it's low or out of juice. Your club can provide our WASCA festival with a "jump start". (And it's a lot easier than the booster you see here.) **Have a booster dance!!**

Announce it in advance, so everyone brings their dollar. When you have a dollar for each club member, send it to me with a list of your members. Your club and its list of members will be included in the festival program as SUPPORTERS of the festival. It feels good to see your club members in the program, but it feels GREAT to know your club can help keep the festival going. Make your checks payable to WASCA.

Send your money and your list to:

63 rd WASCA Festival – “Around the World in the Roaring 20’s” Plan for Your Club to Host a Theme Dance

The 63rd WASCA Festival is now just a few months away! Why not schedule a WASCA Theme Dance, "Around the World in the Roaring 20's", for your club? This offers the opportunity for our Festival Directors, Daryl & John Davis, and/or members of their committee and other WASCA Board members to visit your club. It's a "Win-Win" opportunity: the Festival is promoted, and your club collects Guest Door Fees from WASCA attendees at your dance! Highlights of plans will be shared for the festival, to be held March 14, 15 & 16, 2024 at the Hilton Alexandria Mark Center. Schedule your theme dance early, and hopefully avoid cancellations due to any wintery conditions that may occur.

34th Virginia State Convention “Join Our Alamo Ring in Virginia Beach” Report

**Nancy & Tom Stafford
Jeanette & Wayne Lockhart**

Time is flying by. The 2024 Virginia State Convention will be here in February. This will be a great opportunity to have a mini vacation in Virginia Beach. There will be great opportunities to dance! There will be 8 cuers for your Round Dancing pleasure. There will be SSD and Mainstream; Plus, DBD and Advanced Square Dancing. Line dancing and Contra will be included. There will also be a Clogging demonstration and an Introduction to Clogging.

To help make the dancing a little easier on the joints, we are going to cover the carpet with hardwood flooring in both the main and round dance halls. We are currently asking for donations to help pay for covering the carpet. See “Cover the Carpet” notice in this issue.

Hotel reservations are due Monday, January 15, 2024. All dancing will be on the first floor of the Holiday Inn for a really fun weekend. The special rate is \$119.00 plus tax and is honored for 2 days before and after the convention. You must make your own room registration. Don't delay and miss out!

We are looking for advertisers. We have really low prices for our virtual handbook. \$20.00 will get you a full page ad. The ad will

also run in the Dancer Newsletter from one convention to the next or until the advertised date passes.

Just think of all the people you could thank with a \$20. Ad. See the form in this Calls 'n' Cues issue. All ads are due to Darrella Deubel by December 15 2023. Ads need to be camera ready.

The deadline to register for the Sweetheart Dinner & Dance event is February 1, 2024. This is going to be a fun time. You must pre-register to attend. The form is in this issue and also on vasquaredance.org

We will have a fantastic basket and special items raffle. Plan to buy some tickets and maybe you will be the winner.

We will also have a used clothing sale. If you have items to donate, please bring them with you to the convention. Plan to check the donations out. There may be that unique item that you need.

You will want to stay for the Saturday After Party featuring a combination of acts, including the professional NOMO the Magician.

COVER THE CARPET FUNDRAISER

Attention fellow VASARDA square dancers! Would you like to have hard surface floors to dance on at the 34th Virginia State Square and Round Dance Convention in 2024? Well, this is what needs to be done.

Please join the fundraising so we can pay for the flooring needed to cover the carpeting in the dance halls at the hotel. Flooring is very expensive, but if we all pitch in, we can help the Convention Committee with the expense

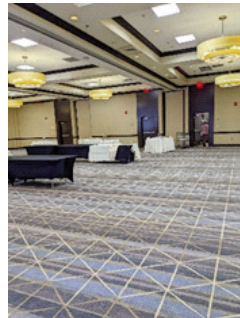

Here's how you can help:

Pick a price/size of flooring you would like to sponsor from the list below.

\$20 for a 4' x 4' section of flooring

\$15 for a 3' x 3' section of flooring

\$10 for a 2' x 2' section of flooring

Send a check, made out to VASARDA with "Cover the Carpet" on the memo line. Please include the size you wish to sponsor. Send the check to:

Darrella & Tom Deubel,
4230 Worcester Dr.,
Fairfax, VA 22032.

At the Convention we will post a list of names of those donating to the flooring expense and include the list in the Newsletters. Donations can be made by individuals or clubs.

Follow the progress of the amount of carpet being covered in the upcoming Newsletters.

59th Star Spangled Banner
Festival
ROCKIN' 60s

July 18-20, 2024

Hello Everyone,

The news about the 59th Star Spangled Banner Festival – July 2024 has been getting passed around... and with this article, we hope to be passing it on further.

The first week of September we were given the unfortunate news that the Delta Hunt Valley Hotel will be closing its doors forever at the end of October 2023. This has been the “home” of the Star Spangled Banner Festival for many years.

The Board of MDSDF has been looking into alternate locations in order to have the Festival as planned next July. One location looks promising, but as of this writing, the paperwork has not been finalized or signed.

There is no need to attempt to make Hotel Reservations after October 1 as we had stated earlier. However, we are still accepting Dance Registrations.

We will keep you informed as information becomes available. We will also be posting information on our website. www.marylandsquaredancing.com

Hope you're doing well and we'll see you on a dance floor soon.

The 74th National Square Dance Convention® to be held in June of 2025 is creating a lot of excitement! We had a great turnout at our fundraiser dance in Bossier City on September 8th & 9th with our callers, Tim Tyl, Joey Duhamel & Phil Moorehouse plus our curers Martin Philyaw & Ken Vantiger. In fact, we've already scheduled a repeat performance with the same team next year on September 13 & 14, 2024!

From mouthwatering cuisine to thrilling experiences and entertainment, Shreveport Bossier has a cultural blend you won't find anywhere else. A little bit of this, a little bit of that and you'll find a whole lotta yourself.

We all love to Square and Round Dance. However, when we get to the National Square Dance Convention® we want to do more than just dance. That's why you should plan to register and come to Shreveport, which is known for Hospitality, Authentic Experiences, Food, Gaming, & Entertainment. I was pleasantly surprised at just how much there is to do after you get here.

We pass out the Shreveport-Bossier Visitors Guide at all our dances. It is packed full of information on Shreveport-Bossier.

The Shreveport-Bossier Visitors Guide is just the first of many booklets and pamphlets you can get to outline some of the things you can do while in Shreveport-Bossier. I've got several of the opportunities you may want to consider. Such as, "Shreveport-Bossier – Find Your FUN SIDE". We have the "Downtown Walking Tour" with 29 interesting sites to see or "Discover Your Adventure on the Boom or Bust Highway – Escape the City Embrace the Byway", a 136-mile road trip in NW Louisiana.

Larry Edwin Winegard

January 29, 1937 - September 4, 2023

Tue, Sep 5, 2023, 2:14 PM

From June & Harry Baum

It is with a heavy heart that we are letting you know that our dear friend and special square dance caller, Larry Winegard, passed away last night. His wife, Idelma, let us know a little earlier today. We knew he had not been feeling very well for several weeks. We talked with Larry several times as we were changing his Email System over to LetsDance VA. He so wanted to be sure that his many square dance friends and all the clubs around would continue to receive square dance club information. He did a great service to all of us, when he started this task back in the early 1990's. Larry touched so many dancers, as he taught 4 or 5 classes sometimes in the same year. He traveled and traveled and spread the great news of our beloved hobby, "square dancing". He was the main caller for at least three clubs and called for all of us through the years. He will be warmly remembered and greatly missed.

Idelma said that Larry, of course, talked about how he would like things to be when this happened and a list of instructions was left. Per Idelma, Larry will be cremated and a Memorial Service will be planned in the near future. We will keep everyone informed as things are happening. Please keep Idelma and their two daughters, Terry and Lorie, in your thoughts and prayers. Cards may be sent to Idelma at 608 N Stuart Ave, Elkton, VA 22827.

CHOREO CORNER

with Dick Otis

ATTACK OF THE FLOATERS

by Ed Foote

Dick's Preface: *This article from Ed Foote is timely as everyone is returning from their "COVID" break. Returning dancers are sometimes rusty and having trouble getting back into swing. Other's who having found a new dancer class are just showing up at dances and trying to dance. Folks this approach does NOT work and only breaks down the squares. Remember, 1st impressions are important. You do NOT want to be know as "one of those dancers".*

If you do not know how to dance at least the first 50 calls with confidence (eg. Beginner, SSD (Social Square Dance), Club 50, CTM (Condensed Teaching Method) then you need to take a class. If you are moving up to the next higher program, take a class first! Classes are starting up all over the place and if you can't find one, ask a local caller. I prefer at least three couples (6 people) but I've done classes for one couple. Clubs are desperate for new members and will fall all over themselves to accommodate you.

A floater is different than someone moving up to a new program. No one starts being proficient at any level – it takes floor time and practice. Dancers welcome new dancers who have taken a class, or at least a blast and are working hard to learn call definitions and develop muscle memory.

If you have not been dancing lately, then attend a workshop. If you don't see a workshop listed, ask your caller for one.

OK here's Ed:

*Reprinted with permission from
American Square Dance Magazine*

Beware of floaters! They can invade any square at any time at any program, from Mainstream to Challenge. They break down squares slowly and stealthily, without any regard or recognition of the destruction they are causing.

A floater is someone who does not achieve a precise position after a call. A floater will be 1/8 off (more or less) and often will be standing at a 45-degree angle, in an attempt to be prepared to move in several ways on the next call. Floaters are

like liquid cement: you never know when they are going to set up.

A floater constantly needs help from others in the square to achieve the correct facing direction. But since a person may "float" on several calls in a row, everyone in the square must be alert and able to help at some point. If the help is not forthcoming, the floater will cause others to lose their orientation as well, and the square will slowly dissolve into one mass blob.

A floater may also float out of the square, which usually causes an instant breakdown, since there is not enough time to maneuver the floater back to the correct position. A floater will often want to turn around, which wreaks havoc with anyone who is trying to help the floater. A floater is usually always in motion and appears to be quivering all the time, never achieving a final position.

Why is a person a floater? Because he or she does not know definitions. Once dancers are confident in definitions, they cease to float. But most floaters do not seem to care about knowing definitions. Instead, they are content to float along, causing extra work for others and breaking down squares.

Floaters will often say: "I don't need to know definitions -- someone will pull me through." What a selfish attitude! In other words, their position is: "As long as I'm having fun, I don't care if this causes other people not to have fun."

But floating is not a problem because -- hey, square dancing is fun, right? Perhaps for the floater, but eventually not for others. Eventually, some people say: "I've had it with pulling people through who don't know what they are doing -- I'm going to take up some other activity." But this is socially unacceptable to say, so silence reigns, and the square dance population gets smaller.

More clubs are dancing and several clubs have classes. Have you visited any clubs lately? If you visit a club when they have a WASCA theme dance, you get to see theme decorations and support both the club and the WASCA Festival.

Did you know that square and round dancing are really good for your health? Of course, you did. There are a lot of studies that show social relationships help reduce stress. What better way to reduce stress than dancing!

There are several New Year Eve dances planned in our area as well as some Christmas dances. To get up-to-date information on dances in the WASCA area, subscribe to WASCA@googlegroups.com and/or MDSDF@googlegroups.com.

Another new group to subscribe to is letsdance-va@googlegroups.com.

As noted above, most clubs are dancing now but its always a good idea to check with the club to make sure they are dancing if you have not seen a notice posted on the WASCA or MDSDF group list. Note also that Thanksgiving and Christmas Holidays alter many clubs "normal" dance schedule.

The WASCA Delegates meeting was held virtually on September 24, 2023. Forty-nine (49) clubs are currently members of WASCA. 38 Clubs were virtually represented. We really appreciate all of those clubs who sent in their membership renewals and membership datasheets by June 1.

We update the club listing in Calls 'n' Cues for every issue. The next issue deadline is December 15. We need your changes by December 13. Be sure to check the information in this issue to make sure it is correct for your club listing. Let us know of any corrections needed.

Also, don't forget to update your club's information on WheresTheDance.com. If you need help in updating your club's schedule, just let us know.

The Toys for Tots dance will be held December 3, 2023 from 1:00 to 5:00 P.M. at the Herndon Senior Center in Herndon, VA. The Toys for Tots dance is chaired by Jim Wass and supported by NCASDLA and WASCA. This is truly a worthwhile dance to attend. All toys and proceeds from this dance remain in the Washington area. There are many fun activities planned. Recommended donation is a new unopened toy or a minimum \$10.00 contribution per person.

The next Delegates meeting will be a virtual meeting on February 25, 2024 from 3 to 5 PM. Plan to attend as this is the Annual Meeting. Promote your club by telling the other delegates about your clubs' planned dances and other activities that your club is doing.

If you need further information or have a question about or correction for the Calls 'n' Cues Club Listing, please email us at membership@wascaclubs.com or drop us a note or phone message at 703-573-8378.

AQUA SQUARES

Paula Ropshaw

Hello from beautiful Southern Maryland. Fall is in the air and our club is planning a great fall dance schedule. We will be dancing Nov 3, 17 and 24 (off the 10th to honor Veterans Day). Dancing Dec 1, 8, 15. Our hall is closed on the 23rd. Review (for our newer dancers) starts at 7 – 8:30 and we dance plus from 8:30 – 9:30. Our first open house on Sept 8th was a success. We had 6 new folks come visit and learn about square dancing. Hopefully they will return. Possibly for the next Open house on Oct 13th, and love it enough to start classes in January. Our next Calls N Cues won't come out until January, so we want to say MERRY CHRISTMAS AND HAPPY NEW YEAR to our square dance friends, near and far. As always we love company and invite you to visit us any Friday we are dancing. We dance at the Southern Community Center in Lusby, MD. See our website for directions. Due to possible winter weather, you might want to call us to make sure we are dancing. If I can't be reached call Bernie at 301-863-8054 or Rita at 410-610-4798. See you on the dance floor.

BELAIR SQUARE CATS

Mike Herman

Autumn is here with the cooler temperatures and falling leaves. The Belair Square Cats had a busy September which included a "Welcome Back Dance" that introduced new caller Cameron Harnish to our club. Barbara Buchanan did a fantastic evening of cuing. The second dance saw the return of our former, longtime club caller Hal Barnes who provided a great evening of squares for the "Hal's Barn dance" along with Christina Eum cuing the rounds. The Square Cats also started a new square dance class with Virgil Forbes as the instructor. Nine new students have signed up along with club angels who are helping out with the class.

The remaining scheduled club dances for 2023 include a fun lineup of callers/cuers. The recently completed "Under the Big Top Dance" had Virgil Forbes calling and Barbara Buchanan cuing to several "clown" attired dancers who were among those who attended the dance.

On 10/28/2023 we will hold the "Monster Mash Dance". Dayle Hodge and Dom Filardo will provide an entertaining evening of Halloween themed dancing.

Please come see the various costumes the dancers will be wearing that evening. Dom returns to cue again for our next dance "Heroes Salute" and Gary Felton will call the squares. We will remember all of our veterans who have served in America's military service. The second dance of November, on the 25th, will be the "Friendsgiving Dance". We will give thanks as Dick Otis provides a great program of squares along with Christina Eum cuing smooth rounds. On Saturday 12/09/2023 we will get ready for the holiday season by holding the "Deck the Halls Dance". Bill Harrison plans to call some festive squares and Barbara Buchanan will have holiday inspired rounds. There will be plenty of dancers wearing red this evening.

The Belair Square Cats hold club dances at St. Matthew's United Methodist Church located on route 450 next to Bowie HS. For further information concerning the club activities please contact either President Darlene Kress at (703) 851-5348 or Vice President Jennifer Lins at (443) 454-0499. We look forward to seeing you on the dance floor soon.

Promenaders (including 8 charter members) attended along with 28 club members and 7 guests. Corsages were made by Beverly Magyar and presented to the honored guests. After a meet and greet session, Margie Barber (Club President) gave a welcome, Jan Dommerich (Event Chairman) introduced special guests, Don Barber (Web-master) read his "Ode to Square Dancing" and Mary Ann Gearinger shared her poem "Happy 35th Anniversary". Everyone watched a power-point presentation of photos from the club archives made by Debora Pinkney. Then all attendees shared refreshments, socialized, and danced to Mike McIntyre's great calling and cueing. Door prizes were won by: Hollie Brandes, Ilene Parmeter, Charlie Stockman, and Tom Ford. Barbara Stastney won the afternoon's drawing. Many friends reconnected and many memories were shared.

LAKE OF THE WOODS

Susan Thomas

Autumn is a fantastic time at Lake of the Woods. The trees display their beautiful colors, and the crisp cool air energizes members' spirits. Lake of the Woods dancers have been busy and some of the activities took place before autumn arrived. Keep reading!

August 19th found thirteen members of the Club at Generations Central Adult Day Care Center, located in Culpeper Baptist Church, in the town of Culpeper. The Center was featuring a Family Fun Day. Lake of the Woods members provided a demonstration dance to entertain and help them raise money.

On August 25th with Gene Chamberlain calling, and again on September 8th with Ben Brown calling, the Club held two very successful free drop-in dance sessions. These sessions allowed prospective new square dance students to actually participate in several basic square dance tips. At the dance on September 8th, with over 25 guests present, the Lake of the Woods Community Center hosted five squares!

September 11th was a sad day not only because of 9/11, but also because it found several of the Club members attending a funeral and memorial service for Larry Edwin Winegard. Larry, 86, passed away on Monday, September 4, 2023 at Sentara RMH Medical Center in Harrisonburg. Larry was a square dance caller for more than 50 years. He traveled to different clubs throughout Virginia and West Virginia for square dance events. It was the pleasure and privilege of the Lake of the Woods Club to host Larry as the caller on numerous occasions. Larry was not only a square dance caller and instructor, but he was also a dear person and a special friend to square dance members at Lake of the Woods. He will certainly be missed!

The Club started holding square dance lessons in the lower level of the Lake of the Woods Club House on Tuesday, September 19th with Gene Chamberlain as the

instructor. 16 individuals showed up for the basic/mainstream lessons which will be held weekly through early December.

Steve and Linda Futato attended Mike Sikorsky's Caller College in Crewe, Virginia from September 28-October 2nd. Steve and Linda, along with Dick Unser are likely to offer workshops to students if need and interest warrant, and scheduling can be arranged.

On October 11th club members met at Jubilation, an over 55 residential facility in Fredericksburg, VA, to provide entertainment for the residents. Charlie Shoemaker was the caller for the square dancing. He and his wife reside there. The club members who participated had a good time entertaining Charlie's friends.

The Club danced to the lively calls of Gene Chamberlain on September 22nd and October 13th. On October 27th Charlie Shoemaker will provide the calls for the "Spooky Halloween Dance". Decide how you would like to dress up and join us!

The Club's VASARDA Booster Dance will be held on November 10th with Gene Chamberlain as the caller. December 8th will find members meeting between 5:00 and 5:30 at the LOW Clubhouse for the annual Christmas Dinner and Dance. No doubt, at the dance afterward, Gene Chamberlain will rise to the challenge and help members

burn off some of the calories consumed at the dinner.

RIVERMONT RAMBLERS

Fran Hernandez

The Rivermont Ramblers dance every 2nd and 4th Friday of the month at the Warren County Community Center, 538 Villa Drive, Front Royal, VA 22630. Mike McIntyre is our club caller and cuer. PreRounds are from 6:30 PM to 7:00 PM and 2X2s from 7:00PM to 9:00PM. We alternate between Main Stream and Plus depending upon the dancers in attendance on a given club night. The Ramblers 2023 – 2024 Dance Schedule is included with this issue of Calls'n'Cues.

We had our first beginner's square dance class on Tuesday, September 12, and were pleasantly surprised to have 14 interested participants show up. From the 14, 13 have registered and paid for the class. Hopefully, all will stick with it through the end of the year. It appears that our expanded advertising efforts to include social media paid off as nearly everyone who came said they had seen our advertisements on either Face Book or Next Door. There has also been terrific angel support from our club members and club friends. We're very grateful to those angels who have been coming to support the new group of dancers.

We're had to change our dance location and dance time which initially caused a bit of confusion. Our Friday club dances are now held at the Warren County Community Center and the square dance class is held at the Warren County Health and Human Services complex. It seems that everyone has now gotten used to the two separate locations and we hope to not have any more changes anytime soon!

It may be a little early to be thinking about New Year's Eve, however, we're also very much looking forward to The New Year's Eve Dance, a yearly event that we co-host with the Panhandlers and Gad-Abouts!

A few calls will be taught and then danced in a simple pattern. New calls and choreography will be added as the dancers progress.

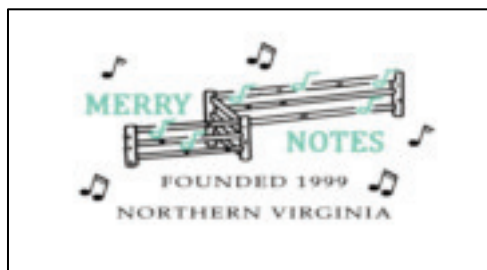

Need a valid health-related reason to try square dancing?

Here (paraphrased in part) is what *AARP research has found.

“...**you** can make a difference in your **brain’s health**.
...**MOVE** (exercise), **RELAX** (sleep enough and avoid stress),
NOURISH (eat well), **DISCOVER** (think), and **CONNECT**
(socialize).”

“What works best? ...**DANCE**... It’s FUN, it involves other people, it’s exercise, it challenges you to learn patterns and movements.”
